SUMMARY

The purpose of this report is to obtain approval for a temporary “No Standing” regulation to accommodate this year’s Caribana parade.

RECOMMENDATION:

Transportation Services recommends that City Council approve that standing be prohibited on both sides of Fleet Street, between a point 104 metres east of Strachan Avenue and Bathurst Street, from 7:00 a.m. to 9:00 p.m. on Saturday, August 4, 2007.

ISSUE BACKGROUND

Annually, Transportation Services staff receive Council authority and implement temporary parking restrictions on streets which are impacted by Caribana.

COMMENTS

This year Caribana has been extended from three weeks to five, from July 10th to August 12th. With the exception of the Caribana Parade which takes place on Saturday, August 4th, none of the scheduled events take place within the City's right-of-way, so do not impact on the operation of the local road system. While the parade route is mainly along Lake Shore Boulevard West, it is recommended that during the day of the parade standing be prohibited on a portion of Fleet Street to allow for the temporary storage of parade floats and to prevent motorists attending Caribana from parking on Fleet Street and impeding regular TTC service on that route.
