SUMMARY

The purpose of this report is to obtain approval for the temporary traffic and parking amendments required to enhance traffic operations and pedestrian safety during this year's Canadian National Exhibition (C.N.E.), which takes place from August 17 to September 3, inclusive.

RECOMMENDATION

Transportation Services recommends that City Council approve the temporary traffic and parking regulations on streets in the vicinity of Exhibition Place which are impacted during the Canadian National Exhibition, as noted in Appendix "A" of this report.

Financial Impact

Type of funding	Source of funds	Amount
Available within Current Budget	Transportation Services Division 2007 Operating Budget	\$4,000.00

ISSUE BACKGROUND

Annually, Transportation Services staff receive Council authority and implement a number of traffic and parking regulations on various streets in the vicinity of Exhibition Place which are impacted by the C.N.E. Councillor Gord Perks has met with staff of Transportation Services to discuss the proposed temporary regulations in Ward 14.

COMMENTS

Having regard for the high volume of vehicle and pedestrian traffic generated during the C.N.E., the temporary traffic/parking regulations as shown in the attached Appendix "A" will help maintain efficient traffic conditions in the general area of the C.N.E. while recognizing the impacts on local residents. The streets listed in Appendix "A" do have regular TTC routes. It is noted that a companion report is also submitted relating to temporary traffic and parking adjustments for the 2007 C.N.E. for streets not served by transit routes. Approval of those adjustments is delegated to Community Council.
