**Subject:** VENDOR---Coxwell Avenue and Cosburn

I am writing to you expressing concern in regards to a vendor on Coxwell Avenue. This location becomes a problem as it has many functions. It is a marked bike lane a signed and marked pick up and drop off for students of East York Collegiate.

Vehicles stop to get a hot dog which causes traffic. Being so close to the intersection and bus stop it becomes a dangerous intersection for drivers and pedestrians.

This vendor needs to be removed from this location immediately as he is a safety concern for the students and the public.

To Whom It May Concern:

Please be advised that we would appreciate a relocation of the vendor (Hot Dog) from outside of the school on Coxwell Avenue if this is possible.

Sincerely
