BACKGROUND

On July 17, 2007 Councillor Michael Walker requested that the existing one-hour maximum parking regulation, operating from 8:00 a.m. to 6:00 p.m., Monday to Friday on the west side of Thurloe Avenue, between Servington Crescent and Belsize Drive, be rescinded.

COMMENTS

Thurloe Avenue, operates two-way on a pavement width of 8.5 metres and with a maximum speed limit of 40 km/h. Parking is currently allowed on the west side of Thurloe Avenue for a maximum period of one hour from 8:00 a.m. to 6:00 p.m., Monday to Friday and is permitted for a maximum period of three hours at other times. Parking is prohibited at anytime on the east side of Thurloe Avenue.

In response to the complaints received from residents of the subject section of Thurloe Avenue, Councillor Michael Walker's office conducted a poll to determine the degree of support for different options proposed to address their on-street parking needs. The results of the poll indicated that the majority of the residents supported the rescindment of the existing maximum one-hour parking limit. In light of the results of this poll, it is recommended that the existing maximum one-hour parking limit in effect from 8:00 a.m. to 6:00 p.m., Monday to Friday, on the west side of Thurloe Avenue, between Servington Crescent and Belsize Drive be rescinded.
