Re: Revocation of Curblane Vending Permit – RACS #2866T

Please be advised that the Toronto East York Community Council on Tuesday June 26, 2007 adopted the recommendation from Municipal Licensing and Standards to have the sidewalk/boulevard vending permit issued under the incorrect By-Law Number of the Municipal Code Chapter 315 be revoked.

Further, Toronto East York Community Council has directed that a replacement permit for this temporary permit be issued under By-Law No. 19-79.

In addition, you have been granted an opportunity to submit 3 new applications for alternate vending locations within the former East York at no charge.

These issues must be attended to by August 31, 2007. Should you fail to attend our office by this date your existing permit will be cancelled.

If you require further information, please contact Pat Thornback at 416-392-6700.

I am writing in reference to your application for Sidewalk/Boulevard Vending Permit.

A review of the proposed location at the southeast corner of Main Street and Danforth Avenue has determined that there is insufficient sidewalk space to accommodate a sidewalk/boulevard vending location. Therefore your application has been refused.

Please be advised that you are required to submit your 2 (two) alternate applications on or before August 31, 2007.

If you require further information, please contact PatThornback at 416-392-6700.
