Dear Mr. Brown:

Re: St. Clarens Avenue, between Dundas Street West and Wyndham Street – Request to conduct a poll for the installation of speed humps

I forwarded your correspondence regarding the installation of speed humps on St. Clarens Avenue, between Dundas Street West and Wyndham Street to Sergeant R. Sorgo (4690) 14 Division Traffic, for his assessment and feedback.

After a careful review of the data collected, both Sergeant Sorgo and I concur that the installation of speed humps are not required along this section of St. Clarens Avenue.

Further, it is believed that the installation of speed humps along this section of St. Clarens Avenue would adversely affect the abilities of emergency service vehicles such as fire and ambulance to respond to calls in a timely and safe manner.

Sincerely,

Ruth White  
Superintendent  
14 Division
