Dear [REDACTED]

I am writing in response to your telephone call to my office on Tuesday afternoon, January 12, 1999 and your complaint about the height of the fence which was erected by the resident of 45 Marmot Street between that property and the property at 49 Marmot Street.

I have reviewed the files and history pertaining to this situation and have spoken with the senior staff involved, including James Ridge, Executive Director, Municipal Licensing and Standards, with whom I understand you have spoken on more than one occasion.

Based upon the circumstances relevant to this case, I would like to re-affirm this Department's position to accept the fence height. Please be advised that we will not pursue this matter further.

Yours truly,

VIRGINIA M. WEST
