Dear Ms. Belshaw,

Re: Boulevard Café Application – 496-500 Bloor Street West, Ablany Ave Flankage–RACS #366803

I am writing to you concerning our application for boulevard café privileges.

We are planning to move forward with an appeal concerning the results of the public poll conducted by the City of Toronto. We would like to appeal our case to the Toronto East York Community Council, as advised to us by Ward 20 Councillor representing Trinity-Spadina, Adam Vaughan.

We feel that the results from the conducted poll did not reflect the level of support which we have seen from within the community. Upon looking into the situation, we have found that many customers who live in the vicinity of our location have expressed to us that they were either not aware of any letter or on vacation at the time of polling. We have met with the Annex Residents Association, which has supported us in our application for a patio permit. They have sent a letter of support on our behalf to ward Councillor Adam Vaughan. We have also compiled a petition signed by over six hundred area residents, who are supporting us in our efforts on this matter. A copy of this petition will be forwarded to you with a hardcopy of this letter.

If you would like to discuss the situation in more depth, please feel free to contact me at 416-833-3342.

Thank You,

Anat Davidzon
