Naming of Public Lane - South of Queen Street West, extending westerly from Peter Street - "Jack Cooper Lane"

Statutory - City of Toronto Act, 2006

Recommendations

That the Draft By-law from the City Solicitor be enacted by City Council.

Summary

To enact By-law to name a Public Lane.

Background Information

2007-te2-1 By-law

(<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-457.pdf>)

Committee Recommendations

On motion by Councillor Vaughan, the Toronto and East York Community Council recommended that the Draft By-law from the City Solicitor be enacted to name the public lane south of Queen Street West, extending westerly from Peter Street, as "Jack Cooper Lane".

Decision Advice and Other Information

The Toronto and East York Community Council held a public meeting and notice, in accordance with the *City of Toronto Act, 2006*, of the proposed enactment of the draft by-law was posted on the City's web site. No one appeared before the Community Council.

TE2.2	ACTION		Transactional	Ward: 21
-------	--------	--	---------------	----------

Naming of Public Lane - South of Davenport Road, between Ossington Avenue and Shaw Street - "Victor Jara Lane"

Statutory - City of Toronto Act, 2006

Recommendations

That the Draft By-law from the City Solicitor be enacted.

Summary

To enact By-law to name a Public Lane.

Background Information

2007-te2-2 By-law

Zoning – 99 Blue Jays Way - Final Report

Statutory - Planning Act, RSO 1990

(December 13, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend Zoning By-law 438-86 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 6.

2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required.
3. On the Zoning By-law Amendment for 99 Blue Jays Way coming into effect, the applicant shall withdraw their appeal to Zoning By-law Amendment 922-2006 for the King-Spadina Plan area.
4. Before introducing the necessary Bills to City Council for enactment, require the owner to enter into an Agreement pursuant to Section 37 of the *Planning Act*, to secure the following public benefits:
 - The amount of \$100,000 payable to the City of Toronto, prior to the issuance of the first building permit, to be used for improvements to Clarence Square Park;
5. The provision and maintenance of public art works pursuant to a public programme, to be located on publicly accessible portions of the lot, in Clarence Square Park, or within publicly owned or publicly accessible locations in the East Precinct of the King-Spadina Plan Area, of a value not less than one per cent of the gross construction costs of all buildings and structures to be erected on the lot;
6. The incorporation, in the construction of the building, of exterior materials to the satisfaction of the Chief Planner and Executive Director, City Planning Division. This shall include, as part of the Section 37 Agreement, 1:50 scale drawings for a portion of the podium along Blue Jays Way, Mercer Street and the south elevation with building materials labelled and the drawings having a sufficient level of detail to illustrate how the building will be perceived by the pedestrian; and
7. The introduction of measures to improve sound quality within residential units, as recommended by an acoustic consultant to be engaged by the applicant. Sound mitigation measures may include changing the thickness of glass sizes in double glazed window assemblies, increasing the solidity of the exterior walls on the lower floors, and/or refining podium stepbacks. The sound mitigation measures shall be to the satisfaction of the Chief Planner and Executive Director, City Planning Division in consultation with the project architect.
8. Require the owner to enter into a Site Plan Agreement under Section 41 of the *Planning Act* to address matters including but not limited to vehicle access and site servicing and loading arrangements and landscaping of the podium levels.
9. Require the owner, at their expense, to provide and maintain an irrigation system for any proposed trees within the public road allowance, including an automatic timer, designed to be water efficient by a Certified Landscape Irrigation Auditor (CLIA) and constructed with a back flow preventer to the satisfaction of the Commissioner of Works and Emergency Services, including requirements to maintain in good order and operation.
10. Require the owner to convey to the City at a nominal cost, prior to the issuance of an

above-grade building permit, a minimum 0.87 metre wide strip of land to the full extent of the site abutting the north limit of the east-west public lane to a minimum depth of 0.5 metres from the finished grade, free and clear of all encumbrances save and except for the existing building that is to be demolished or any temporary hoarding related to the demolition and subject to a right-of-way for access purposes in favour of the Grantor until such time as the said lands have been laid out and dedicated for public highway purposes.

11. Require the owner to submit to the Commissioner of Works and Emergency Services, for review and acceptance, prior to depositing in the Land Registry Office, a draft Reference Plan of Survey, in metric units and integrated with the Ontario Co-Ordinate System, delineating thereon by separate PARTS the lands to be conveyed to the City for land widening purposes, the remainder of the site, and any appurtenant rights-of-way.
12. Require the owner, at their expense, to address any further conditions from Works and Emergency Services that may result from their review of the application.

Summary

This report reviews and recommends approval of a revised application to amend the Zoning By-law to permit the development of a 20-storey residential building with commercial uses on the lower levels at 99 Blue Jays Way, on the east side of Blue Jays Way between King Street West and Wellington Street West. The revised proposal meets the policies and objectives for the plan area relative to its built form context. A Section 37 agreement is recommended to secure community benefits, including a financial contribution towards improvements to Clarence Square Park.

Committee Recommendations

The Toronto and East York Community Council recommended that:

On motion by Councillor Vaughan:

1. City Council amend Zoning By-law 438-86 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 6.
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required.
3. On the Zoning By-law Amendment for 99 Blue Jays Way coming into effect, the applicant shall withdraw their appeal to Zoning By-law Amendment 922-2006 for the King-Spadina Plan area.

4. Before introducing the necessary Bills to City Council for enactment, require the owner to enter into an Agreement pursuant to Section 37 of the *Planning Act*, to secure the following public benefits incorporating no less than 15 three-bedroom units in the project:
 - The amount of \$100,000 payable to the City of Toronto, prior to the issuance of the first building permit, \$90,000 of which to be used for improvements to Clarence Square Park, and the remaining \$10,000 to be used for program development at the Seniors project at 168 John Street;
 - The provision and maintenance of public art works pursuant to a public programme, to be located on publicly accessible portions of the lot, in Clarence Square Park, or within publicly owned or publicly accessible locations in the East Precinct of the King-Spadina Plan Area, of a value not less than one per cent of the gross construction costs of all buildings and structures to be erected on the lot;
 - The incorporation, in the construction of the building, of exterior materials to the satisfaction of the Chief Planner and Executive Director, City Planning Division. This shall include, as part of the Section 37 Agreement, 1:50 scale drawings for a portion of the podium along Blue Jays Way, Mercer Street and the south elevation with building materials labelled and the drawings having a sufficient level of detail to illustrate how the building will be perceived by the pedestrian; and
 - The introduction of measures to improve sound quality within residential units, as recommended by an acoustic consultant to be engaged by the applicant. Sound mitigation measures may include changing the thickness of glass sizes in double glazed window assemblies, increasing the solidity of the exterior walls on the lower floors, and/or refining podium stepbacks. The sound mitigation measures shall be to the satisfaction of the Chief Planner and Executive Director, City Planning Division in consultation with the project architect.
5. Require the owner to enter into a Site Plan Agreement under Section 41 of the *Planning Act* to address matters including but not limited to vehicle access and site servicing and loading arrangements and landscaping of the podium levels.
6. Require the owner, at their expense, to provide and maintain an irrigation system for any proposed trees within the public road allowance, including an automatic timer, designed to be water efficient by a Certified Landscape Irrigation Auditor (CLIA) and constructed with a back flow preventer to the satisfaction of the Commissioner of Works and Emergency Services, including requirements to maintain in good order and operation.
7. Require the owner to convey to the City at a nominal cost, prior to the issuance of an above-grade building permit, a minimum 0.87 metre wide strip of land to the full extent of the site abutting the north limit of the east-west public lane to a minimum depth of

0.5 metres from the finished grade, free and clear of all encumbrances save and except for the existing building that is to be demolished or any temporary hoarding related to the demolition and subject to a right-of-way for access purposes in favour of the Grantor until such time as the said lands have been laid out and dedicated for public highway purposes.

8. Require the owner to submit to the Executive Director, Technical Services, for review and acceptance, prior to depositing in the Land Registry Office, a draft Reference Plan of Survey, in metric units and integrated with the Ontario Co-Ordinate System, delineating thereon by separate PARTS the lands to be conveyed to the City for land widening purposes, the remainder of the site, and any appurtenant rights-of-way.
9. Require the owner, at their expense, to address any further conditions from the Executive Director, Technical Services, that may result from their review of the application.

On motion by Deputy Mayor Pantalone:

10. Direct the Chief Planner and Executive Director, City Planning, in consultation with the Ward Councillor, to endeavour to improve street level soft landscaping in this development.

On motion by Councillor Fletcher:

11. request the Chief Planner and Executive Director, City Planning to:
 - a. report to the next meeting of the Planning and Growth Management Committee on the methodology for reporting on compliance with the green roof guidelines; and
 - b. beginning with the next meetings of Community Councils, include in all development reports, information relating to this compliance.

Decision Advice and Other Information

The Toronto and East York Community Council held a statutory public meeting on January 16, 2007 and notice was given in accordance with the *Planning Act*.

Final Report - Zoning Amendment Application - 70 Roehampton Avenue And Intention to Designate under Part IV of the *Ontario Heritage Act*, Approval of Alterations to a Heritage Building, and Authority to Enter into a Heritage Easement Agreement

(December 21, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend the Zoning By-law 438-86 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 9;
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and draft Zoning By-law Amendment as may be required;
3. Before introducing the necessary Bills to City Council for enactment, require the owner to enter into a Section 37 Agreement, to the satisfaction of the City Solicitor, which will:
 - (i) secure funds in the amount of \$400,000.00 that may be used as a contribution towards the construction of a new public swimming pool on the site or towards other community facilities or services in the area as may be determined by the Chief Planner and Executive Director, City Planning Division in consultation with the local Ward Councillor if the new pool has not become a bona fide City development project within 3 years (subject to extension) of the date of execution of this agreement;
 - (ii) require the owner to pay half (\$200,000.00) of the funds referred to in (i) above prior to the issuance of an above-grade building permit for Phase 1 of the development and half (the remaining \$200,000.00) prior to the issuance of an above-grade building permit for Phase 2 of the development;
 - (iii) the cash amounts to be secured under (i) and (ii) above shall increase in accordance with the increase in the Non-Residential Construction Price Index for the Toronto CMA, reported quarterly by Statistics Canada in construction Price Statistics Publication No. 62-007-XPB, or its successor, calculated from the date of execution of the Section 37 agreement to the date of submission of the funds by the owner to the City;
 - (iv) require the owner to construct and maintain a publicly accessible walkway through the site that will connect Broadway and Roehampton Avenues in the approximate location as shown on the final approved site plan;
 - (v) require the owner to sod and maintain any areas of undeveloped lands prior to the construction of Building 'B' as landscaped open space;
 - (vi) require the owner to provide and maintain a green roof on those areas of the new school roof that are not otherwise occupied by amenity area or mechanical equipment;

- (vii) require the owner to enter into a registered Heritage Easement Agreement under Section 37 of the *Ontario Heritage Act* with the City respecting the conservation of architectural elements of the existing school prior to introducing the necessary Bills to Council for enactment; and
 - (viii) require the owner to provide a public art contribution in accordance with the City of Toronto's public art program of a value not less than one percent of the construction costs of all buildings and structures to be erected on the *lot*;
4. Require the owner to enter into a Site Plan Agreement under Section 41 of the *Planning Act* prior to the issuance of any building permit;
 5. Prior to the issuance of Site Plan Approval for the subject property, the owner shall provide a Conservation Plan and Interpretation Plan for the reconstruction, restoration and interpretation of 70 Roehampton Avenue (North Toronto Collegiate Institute), satisfactory to the Manager of Heritage Preservation Services or her designate;
 6. Prior to the issuance of a demolition permit for 70 Roehampton Avenue (North Toronto Collegiate Institute), the owner shall:
 - (i) provide a Letter of Credit, in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work contained in the Conservation Plan; and
 - (ii) provide final plans satisfactory to the Manager of Heritage Preservation;
 7. Require the applicant to submit a permit application and such application be approved for permit under the provisions of the City's Private Tree By-law for approval to remove the privately owned trees numbered 220 to 227 inclusively on the applicant's tree inventory prior to introducing the necessary Bills to City Council for enactment;
 8. Require the owner to provide and maintain an irrigation system, for the proposed trees within the public road allowances, including an automatic timer, designed to be water efficient by a certified Landscape Irrigation Auditor (CLIA) and constructed with a back flow preventer to the satisfaction of the General Manager of Parks and Recreation; and
 9. Require the owner to submit to the Executive Director of Technical Services for review and acceptance, prior to introducing the necessary Bills to City Council for enactment, a site servicing review to determine the storm water runoff, sanitary flow and water supply demand resulting from this development and demonstrate how this site can be serviced and whether the existing municipal infrastructure is adequate.

Summary

An application has been submitted to permit the construction of a phased development including, a 4-storey secondary school, a 24-storey residential condominium, a full-sized sports field plus track, a 27-storey residential condominium and underground parking for 553 cars at

70 Roehampton Avenue. The City Planning Division is recommending approval of this proposal given: - the large size of the site which would allow the construction of the proposed floor area without resulting in an over-density situation; - the compliance of this proposal with the development criteria for new development in 'Apartment Neighbourhood' designations of the Official Plan, - the fit of this proposal in relation to the existing development in this apartment neighbourhood; - the proximity of the site to transit, retail, service and entertainment facilities and places of employment; - the attention that has been given, by the applicant, to streetscape and building detail to provide a view and (public) walkway corridor between Roehampton and Broadway Avenues; and - the community benefits that may be available as a result of approval and construction of this development (i.e., leasing of the sports field through the TDSB, local resident use of the sports field during non-school and non-lease use times, community events in the new school theatre, the potential for the provision of a portion of the below-grade area of the sports field for a public swimming pool). This report reviews and recommends approval of the application to amend the Zoning By-law (By-law 438-86).

Committee Recommendations

The Toronto and East York Community Council recommended that:

On motion by Councillor Vaughan:

1. City Council amend the Zoning By-law 438-86 for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 9;
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and draft Zoning By-law Amendment as may be required;
3. before introducing the necessary Bills to City Council for enactment, require the owner to enter into a Section 37 Agreement, to the satisfaction of the City Solicitor, which will:
 - (i) secure funds in the amount of \$400,000.00 that may be used as a contribution

towards the construction of a new public swimming pool on the site or towards other community facilities or services in the area as may be determined by the Chief Planner and Executive Director, City Planning Division in consultation with the local Ward Councillor if the new pool has not become a bona fide City development project within 3 years (subject to extension) of the date of execution of this agreement;

- (ii) require the owner to pay half (\$200,000.00) of the funds referred to in (i) above prior to the issuance of an above-grade building permit for Phase 1 of the development and half (the remaining \$200,000.00) prior to the issuance of an above-grade building permit for Phase 2 of the development;
 - (iii) the cash amounts to be secured under (i) and (ii) above shall increase in accordance with the increase in the Non-Residential Construction Price Index for the Toronto CMA, reported quarterly by Statistics Canada in construction Price Statistics Publication No. 62-007-XPB, or its successor, calculated from the date of execution of the Section 37 agreement to the date of submission of the funds by the owner to the City;
 - (iv) require the owner to construct and maintain a publicly accessible walkway through the site that will connect Broadway and Roehampton Avenues in the approximate location as shown on the final approved site plan;
 - (v) require the owner to sod and maintain any areas of undeveloped lands prior to the construction of Building 'B' as landscaped open space;
 - (vi) require the owner to provide and maintain a green roof on those areas of the new school roof that are not otherwise occupied by amenity area or mechanical equipment;
 - (vii) require the owner to enter into a registered Heritage Easement Agreement under Section 37 of the *Ontario Heritage Act* with the City respecting the conservation of architectural elements of the existing school prior to introducing the necessary Bills to Council for enactment; and
 - (viii) require the owner to provide a public art contribution in accordance with the City of Toronto's public art program of a value not less than one percent of the construction costs of all buildings and structures to be erected on the *lot*;
 - (ix) require that knockout panels be built into each unit in the project to facilitate the expansion and contraction of condominium units in the future;
4. Require the owner to enter into a Site Plan Agreement under Section 41 of the *Planning Act* prior to the issuance of any building permit;
 5. Prior to the issuance of Site Plan Approval for the subject property, the owner shall provide a Conservation Plan and Interpretation Plan for the reconstruction, restoration and interpretation of 70 Roehampton Avenue (North Toronto Collegiate Institute),

satisfactory to the Manager of Heritage Preservation Services or her designate;

6. Prior to the issuance of a demolition permit for 70 Roehampton Avenue (North Toronto Collegiate Institute), the owner shall:
 - i. provide a Letter of Credit, in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work contained in the Conservation Plan; and
 - ii. provide final plans satisfactory to the Manager of Heritage Preservation;
7. Require the applicant to submit a permit application and such application be approved for permit under the provisions of the City's Private Tree By-law for approval to remove the privately owned trees numbered 220 to 227 inclusively on the applicant's tree inventory prior to introducing the necessary Bills to City Council for enactment;
8. Require the owner to provide and maintain an irrigation system, for the proposed trees within the public road allowances, including an automatic timer, designed to be water efficient by a certified Landscape Irrigation Auditor (CLIA) and constructed with a back flow preventer to the satisfaction of the General Manager of Parks and Recreation; and
9. Require the owner to submit to the Executive Director of Technical Services for review and acceptance, prior to introducing the necessary Bills to City Council for enactment, a site servicing review to determine the storm water runoff, sanitary flow and water supply demand resulting from this development and demonstrate how this site can be serviced and whether the existing municipal infrastructure is adequate.

On motion by Councillor Walker:

10. Direct appropriate City officials to include in the Section 37 Agreement, requirements intended to encourage a LEEDS Certification for both the proposed school and the condominium buildings.

On motion by Councillor Davis, with Councillor Vaughan in the Chair:

11. Request, prior to the expiry of the sunset clauses as outlined in the report (December 21, 2006) from the Director, Community Planning, Toronto and East York District, anticipated to be three years, the General Manager, Parks, Forestry and Recreation to report to the appropriate Committee on the availability of capital funding, and the proposed partnership with the Toronto District School Board, if any, for the operation of a swimming pool or alternate community facility.

On motion by Deputy Mayor Pantalone:

12. Request the Chief Planner and Executive Director, City Planning to report to the Planning and Growth Management Committee:

- a. on the issue of condominium units with a higher number of bedrooms and under what circumstances they are warranted in order to encourage housing for people with children in the City of Toronto;
- b. in consultation with the Chief Building Official, with a definition for knockout panels in development proposals.

On motion by Councillor Vaughan:

- 13. City Council state its intention to designate the property at 70 Roehampton Avenue (North Toronto Collegiate Institute) under Part IV of the *Ontario Heritage Act*;
- 14. If there are no objections to the designation in accordance with Section 26(6) of the *Ontario Heritage Act*, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*;
- 15. If there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board;
- 16. The alterations to the heritage building at 70 Roehampton Avenue be approved substantially in accordance with the plans by CS&P Architects Inc. dated January 27, 2006 and on file with the Manager of Heritage Preservation Services, subject to the owner:
 - (a) prior to the introduction of Bills in Council, entering into a Heritage Easement Agreement with the City for the reconstructed courtyard that incorporates features of the original building;
 - (b) prior to the issuance of a demolition permit, providing a letter of credit in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work included in the Heritage Preservation Plan as prepared by William N. Greer (dated April 2006);
- 17. Authority be granted by City Council for the execution of a Heritage Easement Agreement under Section 37 of the *Ontario Heritage Act* with the owners of the property at 70 Roehampton Avenue (North Toronto Collegiate Institute); and
- 18. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Decision Advice and Other Information

The Toronto and East York Community Council held a statutory public meeting on January 16, 2007 and notice was given in accordance with the *Planning Act*.

- 7a 70 Roehampton Avenue (North Toronto Collegiate Institute) - Intention to Designate under Part IV of the *Ontario Heritage Act*, Approval of Alterations to a Heritage Building, and Authority to Enter**

into a Heritage Easement Agreement

(December 19, 2006) report from Director, Policy and Research, City Planning Division

Recommendations

Heritage Preservation Services, Policy & Research, City Planning recommends that:

1. City Council state its intention to designate the property at 70 Roehampton Avenue (North Toronto Collegiate Institute) under Part IV of the *Ontario Heritage Act*; and
2. If there are no objections to the designation in accordance with Section 26(6) of the *Ontario Heritage Act*, the solicitor be authorized to introduce the Bills in council designating the property under Part IV of the *Ontario Heritage Act*; and
3. If there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board; and
4. The alterations to the heritage building at 70 Roehampton Avenue be approved substantially in accordance with the plans by CS&P Architects Inc. dated January 27, 2006 and on file with the Manager of Heritage Preservation Services, subject to the owner:
 - (a) prior to the introduction of Bills in Council, entering into a Heritage Easement Agreement with the City for the reconstructed courtyard that incorporates features of the original building;
 - (b) prior to the issuance of a demolition permit, providing a letter of credit in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work included in the Heritage Preservation Plan as prepared by William N. Greer (dated April 2006);
5. Authority be granted by City Council for the execution of a Heritage Easement Agreement under Section 37 of the *Ontario Heritage Act* with the owners of the property at 70 Roehampton Avenue (North Toronto Collegiate Institute); and
6. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that, following consultation with the Toronto Preservation Board, City Council state its intention to designate the property at 70 Roehampton Avenue under Part IV of the *Ontario Heritage Act* and approve alterations to a heritage building. Authority is requested to enter into a Heritage Easement Agreement to provide for the long term protection of the heritage components of the North Toronto Collegiate Institute that will be incorporated into the new development. The conservation and adaptive reuse of the original building or the retention of certain heritage attributes in their original location is not a viable approach, given the

building's condition. The proposed plan incorporates key architectural features from the current building into the courtyard of the new school facility. The intent is to reinterpret these features within the central circulation of the school, thereby retaining aspects of cultural memory associated with the original building. A Heritage Easement Agreement will ensure that the Conservation Plan (secured through a Letter of Credit), which documents and incorporates the key heritage elements of the original building in a courtyard in the new school complex, is carried out.

Refusal Report - Official Plan and Zoning By-law Applications - 359-377 Roehampton Avenue

(December 21, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

1. City Council direct the City Solicitor to advise the Ontario Municipal Board (the "OMB") that the City of Toronto requests the OMB to refuse the application for Official Plan and Zoning By-law Amendment No. 05 195762 STE 22 OZ;
2. the City Solicitor, the Chief Planner and Executive Director and any other appropriate staff be authorized and directed appear at the OMB hearing in support of the City's position as set out in Recommendation 1 of this report; and
3. the Chief Planner and Executive Director be requested to hold an information meeting in the community to discuss the application and to notify owners and tenants within 120 metres of the site and Ward Councillor that the application has been appealed.

Summary

An application has been submitted to permit the construction of a 27 unit, 3½ storey residential

apartment building comprised of four blocks at 359-377 Roehampton Avenue. Construction of the proposed development would require demolition of the 3 detached buildings containing a total of 9 dwelling units, of which 8 are rental units. The applicant has appealed the application to the Ontario Municipal Board on October 20, 2006. This report reviews and recommends refusal of the application to amend the Official Plan and Zoning By-law.

Committee Recommendations

On motion by Councillor Walker, the Toronto and East York Community Council recommended that:

1. City Council direct the City Solicitor to advise the Ontario Municipal Board (the “OMB”) that the City of Toronto requests the OMB to refuse the application for Official Plan and Zoning By-law Amendment No. 05 195762 STE 22 OZ;
2. the City Solicitor, the Chief Planner and Executive Director and any other appropriate staff be authorized and directed to appear at the OMB hearing in support of the City’s position as set out in the above Recommendation 1; and
3. the Chief Planner and Executive Director, City Planning be requested to hold an information meeting in the community to discuss the application and to notify owners and tenants within 120 metres of the site and the Ward Councillor that the application has been appealed.

Liberty Village Area Study

(January 2, 2007) letter from City Clerk, Toronto and East York Community Council

Recommendations

Toronto and East York Community Council, at its meeting on July 11, 2006 deferred consideration of Recommendations (1) to (4) and (6) to (9) of the attached report (May 30, 2006) from the Director, Community Planning, Toronto and East York District to its first meeting in 2007.

At this meeting, Community Council also requested the Director, Community Planning to work with the community over the summer and report to the September 13, 2006 meeting of the Toronto and East York Community Council with an inventory of the live/work uses in this area. This report was submitted to the September 13, 2006 meeting as requested and was received by City Council at its meeting on September 25, 26 and 27, 2006. Clause 26 of Report 5 of the Toronto and East York Community Council is attached.

With respect to this matter, Council has also taken the following action:

- (1) on June 27, 28 and 29, 2006, adopted the following Recommendation (5) of the attached report (May 30, 2006) from the Director, Community Planning, Toronto and East York Community Council – Clause 9 of Report 5 refers:

“(5) direct the General Manager of Transportation Services, in consultation with the Waterfront Secretariat, other City departments and the Toronto Waterfront Revitalization Corporation (TWRC), to report to the Toronto and East York Community Council on the implementation of a local road from Dufferin Street to Strachan Avenue, as shown in the Front Street Extension Environmental Assessment including the cost of construction and any necessary property requirements, before the 2007 Capital Budget is finalized and the alternative of an independent Environmental Assessment for the local road only;”.

Summary

Submitting the Report (May 30, 2006) from the Director, Community Planning, Toronto and East York District which was deferred by Community Council at its meeting on July 11, 2006 for consideration of Recommendations (1) to (4) and (6) to (9) at its first meeting in 2007.

Decision Advice and Other Information

The Toronto and East York Community Council:

On motion by Councillor Perks:

- (1) deferred indefinitely consideration of Recommendations (1) to (4) and (6) to (9) of the report (May 30, 2006) from the Director, Community Planning, Toronto and East York District;

On motion by Deputy Mayor Pantalone:

- (2) deferred consideration of the report (December 22, 2006) from the Director, Community Planning, Toronto and East York District to its next meeting on February 13, 2007; and
- (3) requested that the previously requested report from the General Manager of Transportation Services on the implementation of a local road from Dufferin Street to Strachan Avenue, be submitted to its March 27, 2007 meeting.

9a Liberty Village Area Study - Staff Report

(May 30, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

It is recommended that City Council:

- (1) adopt the directions set out in this report to guide future planning for the Liberty Village Area in order to:
 - protect the area for Employment Uses;
 - delete live/work permissions with the exception of “artists live work space”;
 - retain the existing height limit of 28 metres; and
 - amend the permitted density limit of 1.5X for commercial uses to 3.0X to match the existing permission of 3.0X for industrial uses.
- (2) direct the Chief Planner and Executive Director, Planning Division to prepare Official Plan and Zoning By-law amendments for the Liberty Village Area to implement the direction outlined in this report and that the Zoning By-law be brought back to Council in the first quarter of 2007;
- (3) direct the Chief Planner and Executive Director, Planning Division, in consultation with the Toronto Parking Authority and Transportation Services, to conduct a detailed parking analysis of Liberty Village Area and to make recommendations on maintaining an adequate supply of parking to serve local businesses and visitors to the area;
- (4) request the Toronto Transit Corporation (TTC) to report back on potential service improvements in the area;

- (5) direct the General Manager of Transportation Services, in consultation with the Waterfront Secretariat, other City departments and the Toronto Waterfront Revitalization Corporation (TWRC), to report on the implementation of a local road from Dufferin Street to Strachan Avenue, as shown in the Front Street Extension Environmental Assessment including the cost of construction and any necessary property requirements, before the 2007 Capital Budget is finalized and the alternative of an independent Environmental Assessment for the local road only;
- (6) direct the Director of Transportation Services to undertake improvements to the operations of the intersection of Liberty and Dufferin Streets, and to identify replacement parking for any loss of boulevard or street parking as a result of these improvements;
- (7) request the Director of Heritage Preservation Services to work with the community on initiating a Heritage Conservation District;
- (8) direct the Chief Planner and Executive Director, Planning Division, to develop Urban Design Guidelines for the area to accompany amendments to the Official Plan and Zoning for the area; and
- (9) direct the Chief Planner and Executive Director, Planning Division, to take any other actions necessary to implement the directions outlined in this report.

Summary

To study and provide recommendations about a comprehensive plan for the Liberty Village Area, with particular attention to transportation and parking issues. The Liberty Village Area Study includes the lands bounded by Atlantic Avenue, Dufferin Street, King Street West and the rail corridor.

9b Pedestrian Link - Intersection of King Street West and Shaw Street to Liberty Village

(December 22, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

The Chief Planner and Executive Director of the City Planning Division report to Toronto and East York Community Council in the 3rd quarter of 2007 on an implementation plan and

financial implications to implement a pedestrian link from Shaw Street south of King to the Liberty Village Area.

Summary

To report on a proposed pedestrian link connection from Shaw Street, south of King Street West, to the Liberty Village area, along with the work plan for achieving this pedestrian link.

Inclusion on the City of Toronto Inventory of Heritage Properties and Intention to Designate under Part IV of the *Ontario Heritage Act* - 401 Richmond Street West (Macdonald Manufacturing Company Buildings)

(January 2, 2007) report from Director, Policy and Research, City Planning Division

Recommendations

Heritage Preservation Services, Policy and Research, City Planning recommends that:

1. City Council include the property at 401 Richmond Street West (Macdonald Manufacturing Company Buildings) on the City of Toronto Inventory of Heritage Properties;
2. Following consultation with the Toronto Preservation Board, City Council state its intention to designate the property at 401 Richmond Street West (Macdonald Manufacturing Company Buildings) under Part IV of the *Ontario Heritage Act*;
3. If there are no objections to the designation in accordance with Section 26(6) of the *Ontario Heritage Act*, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*;
4. If there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board; and
5. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Financial Impact

There are no financial implications resulting from the adoption of this report. The cost of publishing the notice of intention to designate in the daily newspaper is included in the 2007 Policy and Research budget.

Summary

This report recommends that, following consultation with the Toronto Preservation Board, City Council include the property at 401 Richmond Street West (Macdonald Manufacturing Company Buildings) on the City of Toronto Inventory of Heritage Properties, and state its intention to designate the property under Part IV of the *Ontario Heritage Act*. The property owner supports the proposed designation. The site, which contains a collection of industrial buildings dating to the turn of the 20th century, was converted to a cultural centre for artists and is an outstanding example of the successful adaptive reuse of historical buildings. The proposed designation will enable the owner to apply for financial incentives from the City of Toronto that encourage the long-term preservation of the property.

Intention to Designate under Part IV of the *Ontario Heritage Act*, Approval of Alterations to a Heritage Building, and Authority to Enter into a Heritage Easement Agreement - 570 King Street West (Toronto Silver Plate Building)

(April 23, 2006) report from Director, Policy and Research, City Planning Division

Recommendations

It is recommended that:

1. City Council state its intention to designate the property at 570 King Street West (Toronto Silver Plate Building) under Part IV of the *Ontario Heritage Act*;
2. if there are no objections to the designation in accordance with Section 29(6) of the *Ontario Heritage Act*, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*;
3. if there are any objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board;
4. the alterations to the heritage building at 570 King Street West, be approved substantially in accordance with the plans by Climans Green Liang Architects Inc. as identified in Attachment No. 3, on file with the Manager of Heritage Preservation Services, subject to the owner:
 - (a) prior to final site plan approval:
 - (i) entering into a Heritage Easement Agreement with the City for the Toronto Silver Plate Building;
 - (ii) providing a Conservation Plan for the restoration of the Toronto Silver Plate Building, satisfactory to the Manager, Heritage Preservation Services;
 - (iii) providing a landscape plan for the subject property;
5. prior to the issuance of any building permit, including a permit for the demolition, excavation, and/or shoring on the subject property;
6. providing a letter of credit, in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work included in the Conservation Plan;

7. providing a record of the as-found condition of all buildings currently location on the subject property;
8. providing final plans satisfactory to the Manager of Heritage Preservation Services;
 - (a) prior to release of the Letter of Credit:
 - (i) providing and implementing an Interpretation Program for the Toronto Silver Plate Building satisfactory to the Manager of Heritage Preservation Services;
9. authority be granted by City Council for the execution of a Heritage Easement Agreement under Section 37 of the *Ontario Heritage Act* with the owner of 570 King Street West (Toronto Silver Plate Building), using substantially the form of easement agreement prepared in February 1987 by the City Solicitor and on file with the City Clerk, subject to such amendments as may be deemed necessary by the City Solicitor in consultation with the Chief Planner and Executive Director, City Planning Division; and
10. the appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that Council state its Intention to Designate the property at 570 King Street West (Toronto Silver Plate Building) under Part IV of the *Ontario Heritage Act*, that the proposed alterations to the heritage building be approved, and that authority be granted to enter into a Heritage Easement Agreement.

Residential Demolition Application - 749 Ossington Avenue

(December 20, 2006) report from Director, Building, Toronto and East York District

Recommendations

It is recommended that City Council:

1. Refuse the application to demolish the subject residential building because there is no permit for a replacement building on the site, or,
2. Approve the application to demolish the subject residential building without conditions, or,
3. Approve the application to demolish the subject residential building with the following conditions:

- (a) that a construction fence be erected in accordance with the provisions of the Municipal Code, Chapter 363, Article III, if deemed appropriate by the Chief Building Official;
- (b) that all debris and rubble be removed immediately after demolition;
- (c) that the site be maintained free of garbage and weeds, in accordance with the Municipal Code Chapter 623-5 and 629-10, paragraph B; and
- (d) that any holes on the property are backfilled with clean fill.

Summary

In accordance with By-law No. 1009-2006 (former City of Toronto Municipal Code Chapter 14, Article I, Demolition Control), I refer the demolition application for 749 Ossington Avenue to you to recommend to City Council whether to grant or refuse the application, including any conditions, if any, to be attached to the permit.

Recommendations

It is recommended that:

1. the request for the establishment of a construction staging area at Premises No. 468 Avenue Road within the west curb lane of Avenue Road, from St. Clair Avenue West to a point approximately 30.0 metres south as shown on the attached print of Drawing No. 421F-8514, dated August 2006, for a period from October 1, 2006 to June 30, 2008, be approved;
2. in conjunction with Recommendation No. 1 above:

- (a) stopping be prohibited at any time on the west side of Avenue Road from Lynwood Avenue to St. Clair Avenue West;
 - (b) stopping be prohibited at any time on the west side of Avenue Road from St. Clair Avenue West to a point 100 metres north of St. Clair Avenue West;
 - (c) stopping be prohibited at any time on the east side of Avenue Road from a point 35 metres south of Foxbar Road to St. Clair Avenue West;
 - (d) stopping be prohibited at any time on the east side of Avenue Road from St. Clair Avenue West to a point 138 metres north of St. Clair Avenue West;
 - (e) the stopping prohibition on the west side of Avenue Road in effect from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday, be rescinded between the limits noted in Recommendation No. 2(a) above;
 - (f) the stopping prohibition on the west side of Avenue Road in effect from 7:00 a.m. to 9:00 a.m., Monday to Friday, be rescinded between the limits noted in Recommendation No. 2(b) above;
 - (g) the stopping prohibition on the east side of Avenue Road in effect from 3:00 p.m. to 7:00 p.m., Monday to Friday, be rescinded between the limits noted in Recommendation No. 2(c), above; and
 - (h) the stopping prohibition on the east side of Avenue Road in effect from 4:00 p.m. to 6:00 p.m., Monday to Friday, be rescinded between the limits noted in Recommendation 2(d) above;
3. the parking and traffic regulations presently in effect on the subject section of Avenue Road be reinstated upon the completion of this project; and
 4. the appropriate City officials be authorized and directed to take whatever action is necessary to implement the foregoing, including the introduction in Council of any Bills that might be required.

Financial Implications and Impact Statement

All costs associated with this proposal will be borne by the developer.

Summary

The purpose of this report is to establish a construction staging area within the road allowance on Avenue Road to facilitate the development incorporating Premises No. 468 Avenue Road.

Background Information

2007-te2-16 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-659.pdf>

Committee Recommendations

On motion by Councillor Walker, the Toronto and East York Community Council recommended that:

- (1) the request for the establishment of a construction staging area at 468 Avenue Road within the south curb lane of St. Clair Avenue West, from Avenue Road to a point approximately 80.0 metres west, generally as shown on the attached print of Drawing

No. 421F-8663, dated January 2007, for a period from February 1, 2007 to November 30, 2008, be approved;

- (2) in conjunction with Recommendation above:
- (a) the existing “No Stopping Anytime” prohibition on the south side of St. Clair Avenue West, from Avenue Road to a point 30.5 m west of Avenue Road, be rescinded;
 - (b) the existing “No Parking Anytime” prohibition on the south side of St. Clair Avenue West, from a point 30.5 metres west of Avenue Road to a point 68 metres further west, be rescinded;
 - (c) stopping be prohibited at any time on the south side of St. Clair Avenue West from Avenue Road to a point 98.5 metres west; and
- (3) the parking and traffic regulations presently in effect on the subject section of St. Clair Avenue West be reinstated upon the completion of this project.

Preliminary Report - Zoning Application - 851-853 Richmond Street West

(December 13, 2006) report from Director, Community Planning, South District

Summary

An application has been submitted to permit 9 freehold townhomes at 851-853 Richmond Street West. This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process. This application has been circulated to City departments and external agencies, where appropriate, for comment. Staff will hold a community consultation meeting, as required by the *Planning Act*. This meeting will be held in February 2007 provided that the applicant submits a landscape plan prior.

Background Information

2007-te2-17 Staff Report

(<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-660.pdf>)

Decision Advice and Other Information

On motion by Deputy Mayor Pantalone, the Toronto and East York Community Council directed that:

1. City Planning staff schedule a community consultation meeting together with the Ward Councillor;
2. City Planning staff give notice for the community consultation meeting to landowners and residents within 120 metres of the site; and

3. City Clerk's staff give notice for the public meeting under the *Planning Act* according to the regulations under the *Planning Act*.

Request for an Interim Control By-law and Secondary Official Plan for the Area Bounded by both sides of Avenue Road from Lonsdale Road to St. Clair Avenue West {R4 Z2.0 Zone}

(October 12, 2006) letter from City Clerk forwarding Notice of Motion referred back by City Council

Recommendations

1. City Council direct the Chief Planner and Executive Director, City Planning, to complete a Secondary Plan in respect of residential land use and the land use planning regulations for the area bounded by both sides of Avenue Road from Lonsdale Road to St. Clair Avenue West {R4 Z2.0 zone}, and as shown within the heavy lines on Schedule A of the attached Interim Control By-law, which will provide criteria for development for the area;
2. City Council direct the Chief Planner and Executive Director, City Planning, to establish a working group which will examine how to develop a more cohesive urban design framework for the area;
3. City Council complete and enact the attached draft Interim Control By-law.

Summary

At its meeting on September 25, 26 and 27, 2006, City Council referred this Motion by Councillor Walker, seconded by Councillor Jenkins, to the Toronto and East York Community Council.

Preliminary Report - Part of 50 St. Joseph Street

(December 20, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. staff be directed to schedule an open house / information session together with the Ward Councillor;
2. notice for the open house / information session be given to landowners and residents within 120 metres of the site; and
3. notice for the public meeting under the *Planning Act* be given according to the regulations under the *Planning Act*.

Summary

An application to amend the Official Plan and Zoning By-law has been submitted to permit a residential development consisting of three multi-storey towers (25, 37 and 45) and three six-storey buildings on lands with frontage on Bay Street, St. Joseph Street and St. Mary Street. The development site forms part of 50 St. Joseph Street, which is owned by St. Michael's College. This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process. The next step is to undertake a community engagement process, which will include an initial open house / information session enabling the public to review the applicant's submission, and ask questions of City staff and the applicant.

Background Information

2007-te2-19 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-661.pdf>

Decision Advice and Other Information

On motion by Councillor Rae, the Toronto and East York Community Council amended Recommendation 2. of the staff report and directed that:

1. City Planning staff schedule an open house/information session together with the Ward Councillor;
2. City Planning staff give notice for the open house/information session to landowners and residents, including all condominium property owners, within 240 metres of the site, and that the cost of this additional notification be paid for by the applicant in an amount not to exceed \$3,000.00; and
3. City Clerk's staff give notice for the public meeting under the *Planning Act* be given according to the regulations under the *Planning Act*.

Information Report - 225 Wellesley Street East and 550 Ontario Street

(December 20, 2006) report from Director, Community Planning, Toronto and East York District

Summary

At the request City Council, at its meeting of September 25-28, 2006, this report summarizes the steps and actions which would be necessary to permit and implement retention of the existing entrance ramp to Hugh Garner Co-op's underground garage as a separate entrance ramp, within the context of development proposed at 225 Wellesley Street East (Parcel A of the Winchester Square lands). Three planning-related approvals would be required: a minor variance or rezoning; an amendment to the existing Section 37 agreement; and an amended Site Plan Approval. Staff believe that the anticipated planning process for Parcel B of the Winchester Square lands will provide an appropriate process to review the proposal to retain the ramp and bring forward recommendations to Council.

Final Report - Part Lot Control Application - 2261, 2263 and 2265 Gerrard Street East

(December 18, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council enact a Part Lot Control Exemption By-law, with respect to the subject lands, to be prepared to the satisfaction of the City Solicitor;
2. City Council authorize the City Solicitor to introduce the necessary Bills in Council for a Part Lot Control Exemption By-law to expire (1) year from the date of enactment;
3. City Council require the owner to provide proof of payment to the satisfaction of the City Solicitor that all current property taxes for the subject site prior to registration of the Part Lot Control Exemption By-law;
4. City Council require the owner to register, to the satisfaction of the City Solicitor, a Section 118 Restriction under the Land Titles Act agreeing not to convey or mortgage any part of the lands without the written consent of the Chief Planner or his designate prior to the introduction of Bills in Council;
5. City Council authorize the City Solicitor to take the necessary steps to release the Section 118 restriction at such time as the Common Elements Condominium Plan has been registered; and
6. City Council authorize and direct the City Solicitor to register the by-law on title.

Summary

An application has been submitted to permit the lifting of Part Lot Control at 2261, 2263 and 2265 Gerrard Street East. This report reviews and recommends approval of the application to lift Part Lot Control.

Action Taken Under Delegation of Authority to Deal with Heritage Matters during and after the 2006 Municipal Election

(December 18, 2006) report from Director, Policy and Research, City Planning Division

Summary

This report provides a summary of all instances whereby the Chief Planner utilised the short-term delegation of authority approved by Council at its July 25, 26, 27, 2006 meeting to deal with applications under Parts IV and V of the *Ontario Heritage Act* during and after the municipal election. During the period that authority was delegated to the Chief Planner, only one application was submitted to Heritage Preservation Services that required action by the Chief Planner. This was a demolition application under Part IV of the *Ontario Heritage Act* for 48 Havelock Street. In order to consolidate the heritage matters with the planning matters before the OMB, the owner had to apply for a demolition permit under the *Ontario Heritage Act*. The Chief Planner refused this application on December 11, 2006.

Sign Variance - 1005 King Street West

(December 15, 2006) report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council approve the request for variances to permit, for identification purposes, a halo-lit fascia sign on the east elevation and two halo-lit fascia signs on the north elevation of the building at 1005 King Street West to represent RBC Financial Services with a condition that the signs are turned off from 11:00 p.m. to 7:00 a.m. by means of an automated timing device; and
2. City Council direct the City Clerk's Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

To review and make recommendations on a request by Isabella Cerelli of Pride Signs Ltd. on behalf of King West Village-1005 King Ltd, for approval of variance from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, one halo-lit fascia sign on the east elevation and two halo-lit fascia signs on the north elevation of the building. Staff recommends approval of this application with a condition that the signs be turned off from 11:00 p.m. to 7:00 a.m. by means of an automated timing device. The variances are minor and within the general intent and purpose of the Municipal Code.

On motion by Councillor McConnell, the Toronto and East York Community Council recommended that:

1. City Council approve the request for variances to maintain, for identification purposes, six ground signs along the Adelaide Street East frontage, ten ground signs along the George Street frontage and three ground signs along the Richmond Street frontage and one sign along the Jarvis Street frontage of the property at 234 Adelaide Street East and 108 & 116 George Street for a period of four months from the date of Council approval; and
2. City Council direct the City Clerk's Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Proposed Installation of Speed Bumps in Public Lane System Bounded by Cross Street, Gladstone Avenue, Argyle Street, Northcote Avenue and Beaconsfield Avenue

(December 29, 2006) report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the installation of speed bumps in the public lane system bounded by Cross Street, Gladstone Avenue, Argyle Street, Northcote Avenue and Beaconsfield Avenue, of the type and of the design noted at the locations shown on Drawing No. 421F-8630 dated December 2006, be approved.

Financial Impact

Type of funding	Source of funds	Amount
Available within Capital budget	Transportation Services Division Traffic Calming Account CTP806-6	\$2600

Summary

The purpose of this report is to obtain approval for the installation of speed bumps in a public lane system.

Background Information

2007-te2-32 Staff Report

(<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-519.pdf>)

Committee Recommendations

On motion by Councillor Giambrone, the Toronto and East York Community Council recommended that the installation of speed bumps in the public lane system bounded by Cross Street, Gladstone Avenue, Argyle Street, Northcote Avenue and Beaconsfield Avenue, of the type and of the design noted at the locations shown on Drawing No. 421F-8630 dated December 2006, be approved.

Feasibility of Installing Traffic Calming Devices - Hickson Street, between Brock Avenue and St. Clarens Avenue

(January 2, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Traffic calming devices not be installed on Hickson Street, between Brock Avenue and St. Clarens Avenue.

Financial Impact

The adoption of the above noted recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of Hickson Street, the following financial impact will result:

1. two speed humps would be \$6000.00. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on Hickson Street would be subject to competing priorities and funding availability.

Summary

Transportation Services staff have investigated the feasibility of installing traffic calming devices to reduce the operating speed of Hickson Street, between Brock Avenue and St. Clarens Avenue. Based on recent traffic studies, the operating speed of the street is already

below a level which would benefit from installing traffic calming devices. Therefore, the installation of speed humps on this section of Hickson Street is not recommended at this time.

Decision Advice and Other Information

On motion by Councillor Giambrone, the Toronto and East York Community Council re-opened its earlier decision, and deferred consideration of the report (January 2, 2007) from the Director, Transportation Services Toronto and East York District to its March 27, 2007 meeting.

33a Authorization for Hickson Street Speed Hump Traffic Study

(October 12, 2006) Member Motion from Councillor Giambrone referred back by City Council

Recommendations

It is recommended that:

1. Toronto City Council authorize a traffic study on Hickson Street, between Brock Avenue and St. Clarens Avenue;
2. the Director, Transportation Services, be requested to report to the next meeting of the Toronto and East York Community Council on the results of the traffic study with a recommendation as to whether or not speed hump polling should be conducted on Hickson Street;
3. appropriate City officials be authorized to take whatever actions may be necessary to bring the foregoing into effect.

Summary

At its meeting on September 25, 26 and 27, 2006, City Council referred this Motion by Councillor Giambrone, seconded by Councillor Silva, to the Toronto and East York Community Council

---------------	---------------	--	---------------	----------

Prohibition of large vehicles in the public lane between 991 and 989 Dufferin Street

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. vehicles over 2.0 metres in width be prohibited from travelling in the public lane, first south of Bloor Street West, easterly from Dufferin Street.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$200

Summary

The purpose of this report is to prohibit large vehicles (greater than 2.0 metres in width) from travelling in the first lane south of Bloor Street West, easterly from Dufferin Street (between Premises Nos. 991 and 989 Dufferin Street) and inflicting damage to adjacent properties abutting the lane system. Prohibiting vehicles over 2.0 metres in width from travelling in the subject lane would be beneficial in reducing the incidence of potential damage to private property.

Background Information

Shirley Street between St. Clarens Avenue and Norfolk Street – Proposed amendments to parking regulations

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the current “No Parking 8:30 a.m. to 6:00 p.m., Monday to Friday” prohibition on the south side of Shirley Street from St. Clarens Avenue to a point 143 metres further east be amended to operate from 8:00 a.m. to 4:00 p.m., Monday to Friday.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$600

Summary

The purpose of this report is to amend the current “No Parking 8:30 a.m. to 6:00 p.m., Monday to Friday” regulation on the south side of Shirley Street from St. Clarens Avenue to a point 143 metres further east to operate from 8:00 a.m. to 4:00 p.m., Monday to Friday in order to coincide with a student pick-up and drop-off regulation on the north side of Shirley Street. Amending this “No Parking” regulation to operate between 8:00 a.m. to 4:00 p.m., Monday to Friday to coincide with a student pick-up and drop-off regulation on the north side of Shirley Street will provide residents with an additional two hours of parking in the afternoon/evening and enhance parking operations on this section of Shirley Street.

Feasibility of Installing Traffic Calming Devices - Wyndham Street, between Brock Avenue and St. Clarens Avenue

(January 2, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Traffic calming devices not be installed on Wyndham Street, between Brock Avenue and St. Clarens Avenue.

Financial Impact

The adoption of the above noted recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of Wyndham Street, the following financial impact will result:

1. The estimated cost for installing two speed humps would be \$6,000.00. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on Wyndham Street would be subject to competing priorities and funding availability.

Summary

Transportation Services staff have investigated the feasibility of installing traffic calming devices to reduce the operating speed of Wyndham Street, between Brock Avenue and St. Clarens Avenue. Based on recent traffic studies, the operating speed of the street is already below a level which would benefit from installing traffic calming devices. Therefore, the installation of speed humps on this section of Wyndham Street is not recommended at this time.

Feasibility of Installing Traffic Calming Devices - St. Clarens Avenue, between Dundas Street West and Wyndham Street

(January 2, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Traffic calming devices not be installed on St. Clarens Avenue, between Dundas Street West and Wyndham Street.

Financial Impact

The adoption of the above noted recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of St. Clarens Avenue, the following financial impact will result:

The estimated cost for installing three speed humps would be \$9,000.00. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on St. Clarens Avenue would be subject to competing priorities and funding availability.

Summary

Transportation Services staff have investigated the feasibility of installing traffic calming devices to reduce the operating speed of St. Clarens Avenue, between Dundas Street West and Wyndham Street. Based on recent traffic studies, the operating speed of the street is already below a level which would benefit from installing traffic calming devices. Therefore, the installation of speed humps on this section of St. Clarens Avenue is not recommended at this time.

Traffic Study for the Bathurst Quay Neighbourhood

(December 21, 2006) report from Director, Transportation Services Toronto and East York District

Summary

The purpose of this report is to advise that the traffic study for the Bathurst Quay Neighbourhood (specifically and including area bounded by Lower Spadina Avenue in the east and Stadium Road in the west) is currently underway. Also, traffic patterns in this area have returned to their typical levels after the temporary partial closure of Queens Quay in August 2006. In view of the traffic review being undertaken by the Toronto Waterfront Revitalization Corporation respecting the future operation of Queens Quay and bearing in mind that this review will incorporate the study requested by former Councillor Martin Silva, this report is being provided for information.

--------	-------------	--	---------------	----------

Helena Avenue, between Bathurst Street and Wychwood Avenue – Request for traffic calming devices (speed humps)

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Traffic calming devices not be installed on Helena Avenue between Bathurst Street and Wychwood Avenue.

Financial Impact

The adoption of the above-noted Recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of Helena Avenue, the following financial impact will result:

1. The estimated cost for installing four speed humps would be \$12,000.00. Transportation Services has requested that the 2007 Capital Budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on Helena Avenue would be subject to competing priorities and funding availability.

Summary

The purpose of this report is to outline the findings of a study undertaken to reduce the vehicular speed by installing traffic calming devices (speed humps) on Helena Avenue, between Bathurst Street and Wychwood Avenue. In light of the low traffic volumes and the results of the speed and volume survey which did not indicate a speeding problem, the installation of speed humps would have little impact on further lowering the operational speeds and are not technically warranted nor recommended on the subject section of Helena Avenue.

Vesta Drive, between Bathurst Street and Mayfair Avenue – Report on Traffic Calming Study Results

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Traffic calming devices not be installed on Vesta Drive between Bathurst Street and Mayfair Avenue.

Financial Impact

The adoption of the above-noted Recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of Vesta Drive, the following financial impact will result:

1. The estimated cost for installing three speed humps would be \$9,000.00. Transportation Services has requested that the 2007 Capital Budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on Vesta Drive would be subject to competing priorities and funding availability.

Summary

The purpose of this report is to outline the findings of a study undertaken to reduce the vehicular speed by installing traffic calming devices (speed humps) on Vesta Drive, between Bathurst Street and Mayfair Avenue. The average speed of the street is already below that which would benefit from the installation of traffic calming devices, therefore speed humps should not be installed on this section of Vesta Drive at this time.

Fairleigh Crescent, between Eglinton Avenue West and W. R. Allen Bridge – Results of speed hump poll

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. in light of the poll results which did not achieve a minimum 60 percent response rate in favour of the proposal, speed humps not be installed at this time on Fairleigh Crescent, between Eglinton Avenue West and the W.R. Allen Bridge.

Financial Impact

The adoption of the above-noted Recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of Fairleigh Crescent, the following financial impact will result:

1. The estimated cost for installing six speed humps would be \$18,000.00. Transportation Services has requested that the 2007 Capital Budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on Fairleigh Crescent would be subject to competing priorities and funding availability.

Summary

The purpose of this report is to outline the results of the poll conducted to determine the support for the installation of speed humps on Fairleigh Crescent, between Eglinton Avenue West and the W. R. Allen bridge. In light of the poll results which did not achieve a minimum 60 percent response in favour of the proposal, no further action is recommended at this time.

Kilbarry Road, between Forest Hill Road and Oriole Parkway – Results of speed hump poll

(December 28, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. in light of the poll results which did not achieve a minimum 60 percent response rate in favour of the proposal, speed humps not be installed at this time on Kilbarry Road, between Forest Hill Road and Oriole Parkway.

Financial Impact

The adoption of the above-noted Recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on this section of Kilbarry Road, the following financial impact will result:

1. the estimated cost for installing four speed humps would be \$12,000.00. Transportation Services has requested that the 2007 Capital Budget process allocate \$750,000.00 for traffic calming initiatives and installing speed humps on Kilbarry Road would be subject to competing priorities and funding availability.

Summary

The purpose of this report is to outline the results of the poll conducted to determine the support for the installation of speed humps on Kilbarry Road, between Forest Hill Road and Oriole Parkway. In light of the poll results which did not achieve a minimum 60 percent response in favour of the proposal, no further action is recommended at this time.

Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$400

Summary

The purpose of this report is to amend the existing entry restriction times onto Dunloe Road, from Hawarden Crescent and south thereof, so that they are in effect from September 1 of one year, to June 30 of the next following year. The amendment to the operational times of the entry restriction onto Dunloe Road, from all directions at Hawarden Crescent will now allow all motorists, including residents, their guests and service vehicles to enter Dunloe Road, north of Hawarden Crescent at any time period in July and August.

Permanent closure of portion of Cottingham Street and Gange Avenue currently closed to vehicular traffic, abutting Lionel Conacher Park

(August 28, 2006) report from Director, Transportation Services, Toronto and East York District

Recommendations

It is recommended that:

1. subject to compliance with the requirements of the *Municipal Act, 2001*, the portion of the public highways Cottingham Street and Gange Avenue, shown as Part 1 on Sketch No. PS-2006-094 (the “Highways”), the Highways be permanently closed as public highways and jurisdiction of the Highways be transferred to PF & R;
2. notice be given to the public of a proposed by-law to permanently close the Highways, in accordance with the requirements of Chapter 162 of the City of Toronto Municipal Code and Toronto and East York Community Council hear any member of the public who wishes to speak to this matter during consideration of the draft by-law;
3. following the closure of the Highways, easements be granted to Enbridge, Toronto Hydro and other utility companies as may be required, for access, operation, use, inspection, repair, maintenance, reconstruction or alteration of existing services and for the construction of additional or new services; and
4. the appropriate City officials be authorized and directed to take the necessary action to give effect to the foregoing, including the introduction in Council of any bills necessary to give effect thereto.

Summary

To recommend that the portion of the public highways known as Cottingham Street and Gange Avenue currently closed to vehicular traffic, be permanently closed as public highways and that jurisdiction of the subject lands be transferred to Parks, Forestry and Recreation Division.

Installation of a guide rail and crossing lines on Elizabeth Street at the Toronto Coach Terminal

(December 21, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Summary

Our initial review recommended against the installation of a Pedestrian Crossover on Elizabeth Street, north of Dundas Street West since it could not conform to certain requirements of the Ontario Highway Traffic Act and we were requested to review and report on other options. This report contains information on a compromise reached by Toronto Transit Commission staff and Transportation Services staff that requires no by-law amendment and will provide a delineated path for pedestrians crossing Elizabeth Street, north of Dundas Street West between the arrival and departure buildings of the Toronto Coach Terminal.

Installation of a "Stop" Sign for Eastbound Traffic - Laneway intersecting Dermott Place, opposite 13 Dermott Place

(October 6, 2006) letter from City Clerk

Recommendations

City Council, at its meeting on September 25, 26 and 27, 2006:

1. referred the report (September 22, 2006) from the General Manager of Transportation Services, regarding the installation of speed humps on Dermott Place, between Carlton Street and Spruce Street, to the first meeting of the Toronto East York Community Council in 2007;
2. approved "Stop" control for eastbound traffic on the public lane first south of Carlton Street at Dermott Place, opposite 13 Dermott Place; and
3. requested the appropriate City officials to take whatever action is necessary to give effect to the foregoing, including the introduction in Council of any Bills that may be required.

Summary

City Council referred the report (September 22, 2006) from the General Manager of Transportation Services, regarding the installation of speed humps on Dermott Place, between Carlton Street and Spruce Street, to the first meeting of the Toronto East York Community Council in 2007.

--------	--------	--	---------------	----------

Larchmount Avenue, between Queen Street East and Eastern Avenue – Traffic calming devices

(December 20, 2006) report from Director, Transportation Services, Toronto and East York District

Recommendations

The Transportation Services Division recommends that:

1. Traffic-calming devices not be installed on Larchmount Avenue, between Queen Street East and Eastern Avenue.

Financial Impact

The adoption of the above noted recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic-calming devices on this section of Larchmount Avenue, the following financial impact will result:

1. The estimated cost for installing three speed humps would be \$9,000.00. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic-calming initiatives and installing speed humps on Larchmount Avenue would be subject to competing priorities and funding availability.

Summary

Recently, Transportation Services staff investigated installing traffic-calming devices to reduce the operating speed of Larchmount Avenue, between Queen Street East and Eastern Avenue. The operating speed of the street is already below a level which would benefit from installing traffic-calming devices. Therefore, Transportation Services staff should not install speed humps on this section of Larchmount Avenue.

Background Information

2007-te2-51 Staff Report

2007-te2-51-2 Appendix B

(<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-576.pdf>)

Committee Recommendations

On motion by Councillor Fletcher, the Toronto and East York Community Council re-opened its earlier decision, and recommended that:

1. Transportation Services staff consult with Councillor Fletcher to develop a speed hump plan;
2. Transportation Services staff poll eligible householders on Larchmount Avenue, between Queen Street East and Eastern Avenue to determine whether residents support the installation, in accordance with the City of Toronto traffic-calming Policy;
3. Transportation Services staff give public notice pursuant to the Municipal Class Environmental Assessment Act, including Notice of Study Commencement to the Ministry of Environment, Fire Service, Emergency Medical Service and Toronto Police Service; and
4. subject to favourable results of the poll;
 - (a) The City Solicitor prepare a by-law to alter sections of the roadway on Larchmount Avenue, between Queen Street East and Eastern Avenue, for traffic calming purposes, generally as the speed hump plan that Transportation Services staff circulated to residents during the polling process shows; and
 - (b) Transportation Services staff reduce the speed limit from forty kilometres per hour to thirty kilometres per hour on Larchmount Avenue, between Queen Street East and Eastern Avenue, at the same time as they install speed humps.

Financial Impact

If Council decides to approve installing traffic-calming devices on this section of Larchmount Avenue, the following financial impact will result:

1. The estimated cost for installing three speed humps would be \$9,000.00. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic-calming initiatives and installing speed humps on Larchmount Avenue would be subject to competing priorities and funding availability.

TE2.52	ACTION		Transactional	Ward: 30
--------	--------	--	---------------	----------

First Avenue at Logan Avenue – Alternatives for Traffic Calming

(January 2, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. traffic calming devices not be installed on First Avenue at Logan Avenue.

Financial Impact

The adoption of the above-noted Recommendation would not result in any financial impact. If, however, Council decides to approve installing traffic calming devices on First Avenue, the following financial impact will result:

1. The estimated cost for installing an additional speed hump on First Avenue, in addition to the speed humps previously identified in the May 29, 2006 staff report, would be \$3,000.00 or \$21,000 for the plan in total. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic calming initiatives and this installation would be subject to competing priorities and funding availability.

Summary

Transportation Services staff have reviewed options for calming traffic on First Avenue at the Logan Avenue intersection. Specifically, we looked at slowing traffic in the vicinity of the driveway on the south side of First Avenue, just west of Logan Avenue. We have concluded that the intersection is operating in a safe manner and that the volumes of traffic and operating speeds on the section of First Avenue in the vicinity of the driveway are currently below a level which would appreciably benefit from traffic calming. Further, the driveway has suitable sight lines and is operating safely.

Background Information

2007-te2-52-1 Table 1

2007-te2-52 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-847.pdf>

Committee Recommendations

On motion by Councillor Fletcher, the Toronto and East York Community Council recommended that:

1. Transportation Services staff be authorized to develop a speed hump plan, including a speed hump approaching the driveway on the south side of First Avenue, west of Logan Avenue, in consultation with the Ward Councillor;
2. eligible householders on First Avenue, from Broadview Avenue to Logan Avenue, be polled to determine whether residents support the installation, in accordance with the City of Toronto Traffic Calming policy; and
3. subject to favourable results of the poll:
 - (a) the City Solicitor prepare a by-law to alter sections of the roadway on First Avenue, between Broadview Avenue and Logan Avenue, for traffic calming purposes, generally as the speed hump plan that Transportation Services staff circulate to residents during the polling process shows; and
 - (b) the speed limit be reduced from forty kilometres per hour to thirty kilometres

per hour on First Avenue, between Broadview Avenue and Logan Avenue, at the same time as speed humps are installed.

Financial Impact

If Council decides to approve installing traffic calming devices on First Avenue, the following financial impact will result:

1. The estimated cost for installing an additional speed hump on First Avenue, in addition to the speed humps previously identified in the May 29, 2006 staff report, would be \$3,000.00 or \$21,000 for the plan in total. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic calming initiatives and this installation would be subject to competing priorities and funding availability.

--------	--------	--	---------------	----------

Installation of a 40 kilometres per hour speed limit on Glencrest Boulevard

(December 19, 2006) report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that:

1. A maximum speed limit of 40 kilometres per hour not be implemented on Glencrest Boulevard, between Victoria Park Avenue and the west end of the street.

Financial Impact

There is no financial impact resulting from the receipt of this report. If Council decides to implement a 40 kilometres per hour speed limit on Glencrest Boulevard, between Victoria Park Avenue and the west end of the street, the estimated cost to undertake the installation of signs will be \$800.00. Funds are available in the Transportation Services Division 2007 Operating Budget interim appropriations.

Summary

As requested by Councillor Janet Davis, we are reporting on the findings of our investigation to implement a 40 kilometres per hour maximum speed limit on Glencrest Boulevard, between Victoria Park Avenue and the west end of the street. Our evaluation of this street against the warrants for a lower speed limit of 40 kilometres per hour indicated that lowering the speed limit is not technically justified.

Background Information

2007-te2-53-1 Appendix A

--------	--------	--	---------------	----------

The installation of all-way “Stop” sign control at Gledhill Avenue and King Edward Avenue

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. "Stop" signs not be installed for northbound and southbound traffic on Gledhill Avenue at King Edward Avenue.

Financial Impact

There is no financial impact resulting from the receipt of this report. If Council decides to authorize installation of "stop" signs for northbound and southbound traffic on Gledhill Avenue at King Edward Avenue there will be an estimated cost of \$400.00 to undertake the sign adjustments. Funds are available in the Transportation Services Division 2007 Operating Budget interim appropriations.

Summary

As requested by Councillor Janet Davis, we are reporting on the findings of our investigation respecting implementation of all-way “Stop” sign control at the intersection of Gledhill Avenue and King Edward Avenue. Our evaluation of the “Stop” sign warrants indicates this intersection operates safely at the present time. Right of way is clearly determined by a “Stop” sign on King Edward Avenue at Gledhill Avenue, and the installation of “Stop” signs on Gledhill Avenue at King Edward Avenue is not technically justified.

Background Information

2007-te2-54 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-675.pdf>

Committee Recommendations

On motion by Councillor Davis, with Councillor Vaughan in the Chair, the Toronto and East York Community Council recommended that "Stop" signs be posted for northbound and southbound traffic on Gledhill Avenue at King Edward Avenue.

Financial Impact

If Council decides to authorize installation of "stop" signs for northbound and southbound traffic on Gledhill Avenue at King Edward Avenue there will be an estimated cost of \$400.00 to undertake the sign adjustments. Funds are available in the Transportation Services Division 2007 Operating Budget interim appropriations.

Bingham Avenue, between Kingston Road and Gerrard Street East – Traffic calming devices

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

The Transportation Services Division recommends that:

1. Traffic-calming devices not be installed at this time on Bingham Avenue, between Kingston Road and Gerrard Street East.

Financial Impact

The adoption of the above-noted Recommendation will not result in any financial impact. If, however, Council decides to approve installing traffic-calming devices on this section of Bingham Avenue, the following financial impact will result:

1. The estimated cost for installing seven speed humps would be \$21,000.00. Transportation Services has requested that the 2007 Capital budget process allocate \$750,000.00 for traffic-calming initiatives and installing speed humps on Bingham Avenue would be subject to competing priorities and funding availability.

Summary

Recently, Transportation Services staff investigated installing traffic-calming devices to reduce the operating speed of Bingham Avenue, between Kingston Road and Gerrard Street East. The operating speed of the street is already below a level which would benefit from installing traffic-calming devices. Therefore, Transportation Services staff should not install speed humps on this section of Bingham Avenue.

704 Gladstone Avenue – Establishment of a pick-up and drop-off zone for disabled persons

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the existing designated on-street disabled persons parking space located on the east side of Gladstone Avenue, from a point 62.8 metres south of Hallam Street and a point 5.5 metres further south thereof, be rescinded; and
2. an on-street pick-up and drop-off zone for disabled persons, operating from 7:00 a.m. to 6:00 p.m., be established on the east side of Gladstone Avenue, from a point 67.5 metres south of Hallam Street to a point 5.5 metres further south thereof.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$200

Summary

Transportation Services has been requested to remove the existing on-street disabled persons parking space on the east side of Gladstone Avenue 67.5 metres south of Hallam Street to install in its place, an on-street disabled persons loading zone to operate from 7:00 a.m. to 6:00 p.m. daily. The proposed pick-up and drop-off zone for disabled persons with a one hour maximum time limit will better serve the needs of the resident at Premises No. 704 Gladstone Avenue and provide an additional on-street permit parking space for residents outside of the hours of operation of the disabled persons loading zone.

Prohibit stopping during school hours on Tweedsmuir Avenue, fronting Holy Rosary Catholic School.

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Stopping be prohibited from 8:00 a.m. to 6:00 p.m., Monday to Friday, on the west side of Tweedsmuir Avenue commencing at a point 66 metres north of St. Clair Avenue West and terminating at a point 35 metres further north (within the existing school bus loading zone area).

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$300

Summary

Transportation Services has investigated a request to prohibit stopping within a school bus loading zone during school hours only, in order to ensure the space is kept clear for school bus activities at Holy Rosary Catholic School. Stopping can be prohibited within the school bus loading zone during school hours only. This restriction would not adversely affect traffic operation or the safety of other road users.

Background Information

2007-te2-60 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-553.pdf>

Committee Recommendations

On motion by Councillor Mihevc, the Toronto and East York Community Council recommended that stopping be prohibited from 8:00 a.m. to 6:00 p.m., Monday to Friday, on the west side of Tweedsmuir Avenue commencing at a point 66 metres north of St. Clair Avenue West and terminating at a point 35 metres further north (within the existing school bus

loading zone area).

Hillsdale Avenue West, between Yonge Street and Duplex Avenue – Request for parking on the north side of the bridge over the TTC Right-Of-Way

(December 19, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. parking not be implemented on the north side of Hillsdale Avenue West on the bridge over the TTC Subway Right-Of-Way.

Financial Impact

Adopting the above-noted Recommendation will not result in any financial impact, however should Council decide to implement parking on the north side of Hillsdale Avenue West on the bridge over the TTC Subway Right-Of-Way, the following financial impacts will apply.

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$800

Summary

The purpose of this report is to respond to a request to implement parking on the north side of Hillsdale Avenue West on the bridge over the TTC Subway Right-Of-Way. Parking on both sides of Hillsdale Avenue West on the bridge over the TTC Subway Right-Of-Way would hinder winter maintenance operations and simultaneous two-way traffic operations, and will negatively impact on emergency services operations.

Background Information

2007-te2-61 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-581.pdf>

Committee Recommendations

On motion by Councillor Walker, the Toronto and East York Community Council

recommended that:

1. that parking be permitted for a maximum period of one hour from 10:00 a.m. to 6:00 p.m., Saturday and Sunday on the north side of Hillsdale Avenue West, from a point 36.5 metres west of Yonge Street to a point 26 metres further west;
2. that overnight on-street permit parking be extended to incorporate the north side of Hillsdale Avenue West from a point 36.5 metres west of Yonge Street to a point 26 metres further west, to operate under the hours of 12:01 a.m. to 6:00 p.m., Monday to Friday and 12:01 a.m. to 10:00 a.m., Saturday and Sunday; and
3. that schedule 1, of Municipal Code Chapter 925, Permit Parking, be amended to incorporate the north side of Hillsdale Avenue West from a point 36.5 metres west of Yonge Street to a point 26 metres further west.

Financial Impact

Should Council decide to implement parking on the north side of Hillsdale Avenue West on the bridge over the TTC Subway Right-Of-Way, the following financial impacts will apply.

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$800

1. The existing taxicab stand on the south side of St. Clair Avenue West, from a point 189 metres west of Yonge Street to a point 12.8 metres further west, be rescinded.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$400

Summary

The purpose of this report is to request Council's authority to improve traffic operational safety on the subject section of St. Clair Avenue West by removing the existing taxicab stand. The

removal of this taxicab stand will improve traffic operations in the vicinity of 55 St. Clair Avenue West as described in this report.

Background Information

2007-te2-62 Staff Report

(<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-852.pdf>)

Committee Recommendations

On motion by Councillor Walker, the Toronto and East York Community Council recommended that the existing taxicab stand on the south side of St. Clair Avenue West, from a point 189 metres west of Yonge Street to a point 12.8 metres further west, be rescinded.

Financial Impact

Installation of Taxicab Stands at various locations in the central area of the City

(December 31, 2006) report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Taxicab Stands be implemented on the sections of Bay Street, Bloor Street East/West, Bremner Boulevard, Cumberland Street, King Street West, Wellington Street West, Yonge Street and York Street, outlined and for the operational periods indicated in Appendix 1, attached to this report;
2. The stopping, standing and/or parking regulations be rescinded on the sections of Bay Street, Bloor Street East/West, Bremner Boulevard, Cumberland Street, King Street West, Wellington Street West, Yonge Street and York Street, as outlined in Appendix 2, attached to this report;
3. Stopping, standing and/or parking regulations be implemented on the sections of Bay Street, Bloor Street East/West, Bremner Boulevard, Cumberland Street, King Street West, Wellington Street West, Yonge Street and York Street, as outlined in Appendix 3, attached to this report;

4. The Taxicab Stand on the south side of King Street West, from a point 138.7 metres east of York Street to a point 21.3 metres further east thereof, be rescinded; and
5. The Taxicab Stand on the north side of King Street West, from a point 41.0 metres west of Bay Street to a point 51.9 metres further west, operating at anytime, except 7:30 a.m. to 9:30 a.m., 11:30 a.m. to 1:30 p.m. and 3:30 p.m. to 6:30 p.m., Monday to Friday, be adjusted to indicate anytime, except 7:00 a.m. to 9:00 a.m., and 4:00 p.m. to 6:00 p.m., Monday to Friday.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$5,000
Additional funding request for current budget year	Not applicable	nil
Funding required for next budget year	Not applicable	nil
Total financial impact		\$5,000

Summary

Transportation Services, after working with representatives of the taxicab industry, Mayor Miller's office and various Councillors has identified 14 potential taxicab stand locations that could be added in the central area of the City. Taxicab Stands could be implemented at the locations outlined and during the operational periods indicated in this report without adversely affecting traffic operations or the safety of other road users.

(January 15, 2007) e-mail from Thomas Legner, Four Seasons Hotel - TENew63.1

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommended that:

1. Taxicab Stands be implemented on the sections of streets as outlined, and for the operational periods indicated, in Appendix 1, attached to the report (December 31, 2006) from the Director, Transportation Services, Toronto and East York District, except for the following locations:

Cumberland Street, north side, from a point 21 metres east of Avenue Road to a point 12.5metres further east thereof;

Bloor Street East, south side, from a point 30.5 metres east of Church Street to a point 17.5metres further east thereof; and

Bloor Street West, south side, from a point 30.5 metres east of Bay Street to a point 19.5 metres further east thereof
2. The stopping, standing and/or parking regulations be rescinded on the sections of Bay Street, Bloor Street East/West, Bremner Boulevard, Cumberland Street, King Street West, Wellington Street West, Yonge Street and York Street, as outlined in Appendix 2, attached to this report, except for the following locations:

Cumberland Street, north side, from a point 21 metres east of Avenue Road to a point 12.5metres further east thereof;

Bloor Street East, south side, from a point 30.5 metres east of Church Street to a point 17.5metres further east thereof; and

Bloor Street West, south side, from a point 30.5 metres east of Bay Street to a point 19.5 metres further east thereof
3. Stopping, standing and/or parking regulations be implemented on the sections of Bay Street, Bloor Street East/West, Bremner Boulevard, Cumberland Street, King Street West, Wellington Street West, Yonge Street and York Street, as outlined in Appendix 3, attached to this report except for the following locations:

Cumberland Street, north side, from a point 21 metres east of Avenue Road to a point 12.5metres further east thereof;

Bloor Street East, south side, from a point 30.5 metres east of Church Street to a point 17.5metres further east thereof; and

Bloor Street West, south side, from a point 30.5 metres east of Bay Street to a point 19.5 metres further east thereof
4. The Taxicab Stand on the south side of King Street West, from a point 138.7 metres east of York Street to a point 21.3 metres further east thereof, be rescinded; and
5. The Taxicab Stand on the north side of King Street West, from a point 41.0 metres west of Bay Street to a point 51.9 metres further west, operating at anytime, except 7:30 a.m. to 9:30 a.m., 11:30 a.m. to 1:30 p.m. and 3:30 p.m. to 6:30 p.m., Monday to

Friday, be adjusted to indicate anytime, except 7:00 a.m. to 9:00 a.m., and 4:00 p.m. to 6:00 p.m., Monday to Friday.

Provision of Taxicab Stand on Mill Street, east of Trinity Street

(December 27, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the current two-hour maximum parking regulation from 8:00 a.m. to 6:00 p.m., Monday to Saturday on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street;
2. the current “No Parking Except by Permit, 12:01 a.m. to 7:00 a.m.” regulation on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street;
3. the current regulation authorizing the operation of parking machines on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday;
4. the current regulation authorizing the operation of parking machines on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, for a maximum period of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday, be amended to operate on the south side of Mill Street,

from a point 36.5 metres east of Trinity Street to Cherry Street, for a maximum period of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday; and

5. a three-vehicle “Taxicab Stand” be delineated on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to a point 16.5 metres further east thereof.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$ 400
Additional funding request for current budget year	Not applicable	nil
Funding required for next budget year	Not applicable	nil
Total financial impact		\$ 400

Summary

In September, 2006, Transportation Services reported to Community Council recommending a student pick up/drop off zone on the south side of Mill Street, just east of Trinity Street. We were then requested to further review conflicts between taxicabs and a transit stop at this same location. The placing of a three-vehicle taxicab stand on the south side of Mill Street adjacent to the new student pick up/drop off zone should resolve the conflicts with the existing nearside transit stop. However, we would need to remove three spaces currently used for pay-and-display and permit parking.

--------	--------	--	---------------	----------

Amendments to the parking regulations on Halsey Avenue

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the “No Parking Anytime” regulation on the north side of Halsey Avenue from Dawes Road to the westerly end of Halsey Avenue, be rescinded;
2. parking be prohibited at all times on the south side of Halsey Avenue from a point 40 metres west of George Webster Road to a point 89 metres further west thereof; and
3. parking be prohibited at all times on the north side of Halsey Avenue, from Dawes Road to George Webster Road.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$500
Additional funding request for current budget year	Not applicable	Nil
Funding required for next budget year	Not applicable	Nil
Total financial impact		\$500

Summary

A public meeting was held in September 2006 where various issues related to parking on Halsey Avenue were discussed. We are reporting to request Council's authority to amend several parking regulations on this street. If approved, these amendments could deter parking at locations where complaints have been received about vehicles blocking access to driveways, and will correct certain conflicts that exist between entries in the former East York Traffic By-law and parking regulations signed on Halsey Avenue.

Background Information

2007-te2-66 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-684.pdf>

Committee Recommendations

On motion by Councillor Davis, with Councillor Vaughan in the Chair, the Toronto and East York Community Council recommended that:

1. the "No Parking Anytime" regulation on the north side of Halsey Avenue from Dawes Road to the westerly end of Halsey Avenue, be rescinded;
2. parking be prohibited at all times on the south side of Halsey Avenue from a point 40 metres west of George Webster Road to a point 89 metres further west thereof; and
3. parking be prohibited at all times on the north side of Halsey Avenue, from Dawes Road to George Webster Road.

--------	--------	--	---------------	----------

Amendments to Parking Regulations on Glen Stewart Crescent, south of Kingston Road

(December 21, 2006) report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the existing “Permit Parking, 12:01 a.m. to 7:00 a.m.” regulation on the east side of Glen Stewart Crescent, from Kingston Road to the east/west leg of Glen Stewart Crescent, be rescinded;
2. a “Permit Parking, 12:01 a.m. to 7:00 a.m.” regulation be implemented on the east side of Glen Stewart Crescent, from Kingston Road to a point 33 metres south of thereof;
3. a “Permit Parking, 12:01 a.m. to 7:00 a.m.” regulation be implemented on the east side of Glen Stewart Crescent, from a point 44 metres south of Kingston Road to the east/west leg of Glen Stewart Crescent; and
4. a “No Stopping Anytime” regulation be implemented on the east side of Glen Stewart Crescent, from a point 33 metres south of Kingston Road to a point 11 metres south thereof.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$400
Additional funding request for current budget year	Not applicable	nil
Funding required for next budget year	Not applicable	nil
Total financial impact		\$400

Summary

The purpose of this report is to remove one permit parking space, and replace it with a stopping prohibition, on the east side of Glen Stewart Crescent, at the laneway south of Kingston Road. Prohibiting stopping at this location will allow garbage trucks to safely turn out of the laneway from No. 601 Kingston Road, and will result in the loss of one permit parking space.

Background Information

--------	--------	--	---------------	----------

Construction Staging Area at 225 Wellesley Street East

(December 21, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the sidewalk and curb lane on the south side of Wellesley Street East, between Ontario Street and a point 65.2 metres west of Ontario Street, be closed to vehicular traffic for nine months from February 7, 2007 to November 7, 2007;

2. stopping be prohibited at all times on both sides of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street;
3. the existing No Parking, 7:00 a.m. to 9:00 a.m., except Sat., Sun. and public holidays regulation on the south side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
4. the existing No Parking Anytime regulation on the north side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
5. the existing No Stopping, 7:00 a.m. to 9:00 a.m., except Sat., Sun. and public holidays regulation on the north side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
6. the existing No Stopping, 4:00 p.m. to 6:00 p.m., except Sat., Sun. and public holidays regulation on the south side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
7. the existing one-way regulation, anytime, from south to north, on Ontario Street, between Wellesley Street East and a point 46.3 metres south of Wellesley Street East, be rescinded;
8. the existing Permit Parking, 12:01 a.m. to 10:00 a.m., regulation on Ontario Street, from Carlton Street to Wellesley Street East, be modified to be from Carlton Street to a point 46.3 metres south of Wellesley Street East; and
9. upon completion of this project, Wellesley Street East and Ontario Street revert to their pre-construction traffic and parking operation and regulations.

Summary

A 10-storey residential building is being constructed at a site on the south-west corner of Wellesley Street East and Ontario Street. To permit this construction, Transportation Services must temporarily close the south sidewalk and provide a temporary pedestrian walkway in the south curb lane on Wellesley Street East, and temporarily implement two-way traffic operation on Ontario Street, between Wellesley Street and a private laneway located 46.3 metres south of Wellesley Street East for nine months.

Background Information

2007-te2-69 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-545.pdf>

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommended that:

1. the sidewalk and curb lane on the south side of Wellesley Street East, between Ontario Street and a point 65.2 metres west of Ontario Street, be closed to vehicular traffic for

nine months from February 7, 2007 to November 7, 2007;

2. stopping be prohibited at all times on both sides of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street;
3. the existing No Parking, 7:00 a.m. to 9:00 a.m., except Sat., Sun. and public holidays regulation on the south side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
4. the existing No Parking Anytime regulation on the north side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
5. the existing No Stopping, 7:00 a.m. to 9:00 a.m., except Sat., Sun. and public holidays regulation on the north side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
6. the existing No Stopping, 4:00 p.m. to 6:00 p.m., except Sat., Sun. and public holidays regulation on the south side of Wellesley Street East, between Ontario Street and a point 80.2 metres west of Ontario Street, be rescinded;
7. the existing one-way regulation, anytime, from south to north, on Ontario Street, between Wellesley Street East and a point 46.3 metres south of Wellesley Street East, be rescinded;
8. the existing Permit Parking, 12:01 a.m. to 10:00 a.m., regulation on Ontario Street, from Carlton Street to Wellesley Street East, be modified to be from Carlton Street to a point 46.3 metres south of Wellesley Street East; and
9. upon completion of this project, Wellesley Street East and Ontario Street revert to their pre-construction traffic and parking operation and regulations.

Construction Staging Area on Bremner Boulevard, east of York Street

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the sidewalk and curb lane on the south side of Bremner Boulevard, between York Street and a point 110.1 metres east of York Street, be closed to vehicular traffic for 36 months from February 7, 2007 to January 31, 2010;

2. Bremner Boulevard be temporarily closed to vehicular traffic between Lake Shore Boulevard and a point 75.5 metres north of Lake Shore Boulevard, for 12 months from February 7, 2007 to January 31, 2008;
3. stopping be prohibited at all times on the south side of Bremner Boulevard, between York Street and a point 110.1 metres east of York Street;
4. the existing No Standing Anytime regulation on the south side of Bremner Boulevard, between York Street and Lake Shore Boulevard West, be rescinded; and
5. upon completion of this project, Bremner Boulevard revert to its pre-construction traffic and parking operation and regulations.

Summary

Two 54-storey residential buildings are being constructed at a site on the south-east corner of York Street and Bremner Boulevard. To permit this construction, Transportation Services' must temporarily close the south sidewalk and provide a temporary pedestrian walkway in the south curb lane on Bremner Boulevard for 36 months, and must temporarily close Bremner Boulevard, north of Lake Shore Boulevard, for 12 months.

Background Information

2007-te2-70 Staff Report

<http://www.toronto.ca/legdocs/mmis/2007/te/bgrd/backgroundfile-552.pdf>

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommended that:

1. the sidewalk and curb lane on the south side of Bremner Boulevard, between York Street and a point 110.1 metres east of York Street, be closed to vehicular traffic for 36 months from February 7, 2007 to January 31, 2010;
2. Bremner Boulevard be temporarily closed to vehicular traffic between Lake Shore Boulevard and a point 75.5 metres north of Lake Shore Boulevard, for 12 months from February 7, 2007 to January 31, 2008;
3. stopping be prohibited at all times on the south side of Bremner Boulevard, between York Street and a point 110.1 metres east of York Street;
4. the existing No Standing Anytime regulation on the south side of Bremner Boulevard, between York Street and Lake Shore Boulevard West, be rescinded; and
5. upon completion of this project, Bremner Boulevard revert to its pre-construction traffic and parking operation and regulations.

TE2.71	Information		Transactional	Ward: 31
--------	-------------	--	---------------	----------

Amendments to parking regulations on Glebeholme Boulevard, east of Coxwell Avenue

(December 20, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. Parking be prohibited at all times on the north side of Glebeholme Boulevard, from Coxwell Avenue to a point 15 metres east thereof;
2. Parking be prohibited at all times on the south side of Glebeholme Boulevard, from Coxwell Avenue to a point 15 metres east thereof; and
3. Regulations allowing parking by permit holders only at all times on the north side of Glebeholme Boulevard, from Coxwell Avenue to Woodington Avenue, not be implemented.

Financial Impact

The cost to undertake the necessary sign installation associated with adjusting the parking regulations on both sides of Glebeholme Boulevard, east of Coxwell Avenue is estimated to be \$500.00. If in addition Council decides to allow 24-hour permit parking on the north side of Glebeholme Boulevard, as outlined in this report, there will be an additional cost of \$500.00 to undertake the sign adjustments. Funds are available in the Transportation Services Division 2007 Operating Budget interim appropriations.

Summary

The purpose of this report is to request Council's authority to reduce the length of an existing corner parking prohibition on Glebeholme Boulevard, east of Coxwell Avenue and provide the Members of Council with information on which to make an informed decision on a request to implement 24-hour permit parking on the north side of Glebeholme Boulevard, from Coxwell Avenue to Woodington Avenue. The current parking prohibition on the north and south sides of Glebeholme Boulevard, east of the Coxwell/Glebeholme intersection could be reduced in length by approximately 15 metres to provide five additional parking spaces on the street. Implementation of 24-hour permit parking is not advisable due to the potential impacts on parking in the neighbourhood.

Background Information

--------	--------	--	---------------	----------

Naming of Proposed Street in Exhibition Place

(December 18, 2006) report from City Surveyor

Recommendations

The City Surveyor recommends that:

1. the proposed street south of the new soccer stadium, extending between the east section of Princes' Boulevard and Ontario Drive, be named "Princes' Boulevard";
2. the portion of Ontario Drive extending between the proposed street and the west section of Princes' Boulevard, be changed to "Princes' Boulevard"; and
3. the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto, including the introduction of a naming by-law.

Summary

This report recommends that the proposed street, south of the new soccer stadium at Exhibition Place, be named "Princes' Boulevard", and a portion of Ontario Drive be changed to "Princes' Boulevard." The naming of the streets is required to reconnect the east and west sections of Princes' Boulevard that have been separated as a result of the new soccer stadium, and to provide a municipal address for the stadium.

Background Information

2007-te2-72 Staff Report

Renaming of Peggy Lush Lane

(December 18, 2006) report from City Surveyor

Recommendations

The City Surveyor recommends that:

1. the name "Peggy Lush Lane", for the new private lane located on the west side of Kingston Road, north of Dundas Street East, be changed to "Tompkins Mews";
2. The Ban Group pay the costs, estimated to be in the amount of \$300.00, for the fabrication and installation of a street name sign; and
3. the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto, including the introduction of a naming by-law.

Summary

This report recommends that the name "Peggy Lush Lane", for the new private lane located at the residential development on the west side of Kingston Road, north of Dundas Street East, be changed to "Tompkins Mews". The proposed name "Tompkins Mews" is consistent with the City of Toronto Street Naming Policy approved by City Council at its meeting held on August 1, 2, 3 and 4, 2000 (Clause 9, Report 15 of the Works Committee) and should therefore be approved for identifying the private lane.

Naming of Proposed Private Lane at 2261, 2263 and 2265 Gerrard Street East

(December 18, 2006) report from City Surveyor

Recommendations

The City Surveyor recommends that:

1. the proposed private lane at 2261, 2263 and 2265 Gerrard Street East be named “Hodge Lane”;
2. Hyde Park Homes pay the costs, estimated to be in the amount of \$300.00, for the fabrication and installation of a street name sign; and
3. the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto, including the introduction of a naming by-law.

Summary

This report recommends that the proposed private lane at the residential development at 2261, 2263 and 2265 Gerrard Street East be named “Hodge Lane”. Naming the lane will facilitate the identification of the proposed units fronting thereon. The proposed name “Hodge Lane” is consistent with the City of Toronto Street Naming Policy approved by City Council at its meeting held on August 1, 2, 3 and 4, 2000 (Clause 9, Report 15 of the Works Committee) and should therefore be approved for identifying the private lane.

Business Improvement Area List of Nominees for the 2007-2010 Boards of Management

(December 22, 2006) report from General Manager, Economic Development, Culture and Tourism

Recommendations

The General Manager of Economic Development, Culture and Tourism recommends that:

1. Council appoint the nominees listed in Attachment No. 1 to this report to the Boards of Management for thirty-six Business Improvement Areas (BIAs) for a term expiring at the end of the term of Council or as soon thereafter as successors are appointed;
2. City of Toronto Municipal Code, Chapter 19, "Business Improvement Areas" be amended to alter the number of members on the Boards of Management, and the number of members required for quorum for various BIAs as set out in Attachment No. 2;
3. The Beaches BIA, as defined by the boundaries described in Attachment No. 3, be renamed The Beach BIA;
4. Leave be granted for the introduction of the necessary bills in Council to give effect thereto; and
5. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

Summary

The purpose of this report is to recommend the Board of Management appointments for thirty-six Business Improvement Areas that fall within the Toronto and East York Community Council boundaries, approve quorum and make necessary amendments to the City of Toronto Municipal Code Chapter 19, "Business Improvement Areas." The report also recommends that the Beaches BIA be renamed The Beach BIA.

Liquor Licence Application - The Tender Trap, 580 Parliament Street

(January 16, 2007) Member Motion from Councillor McConnell

Recommendations

Councillor McConnell recommends that:

- “1. City Council direct the City Clerk to advise the Registrar of the Alcohol and Gaming Commission of Ontario (“AGCO”) that the issuance of a liquor licence for The Tender Trap, 580 Parliament Street is not in the public interest having regard to the needs and wishes of the residents and that the Registrar should issue a Proposal to Review the liquor licence application;
2. the AGCO be requested to provide the City with an opportunity to participate in any proceedings with respect to the Premises to oppose the issuance of a liquor licence; and
3. the City Solicitor be authorized to attend all proceedings before the AGCO in this matter and be directed to take all necessary actions so as to give effect to this Resolution.”

Summary

To oppose the issuance of a liquor licence.

Harbourfront Centre Noise

(September 13, 2006) Member Motion from (former) Councillor Silva

Recommendations

That the Executive Director of Municipal Licensing and Standards investigate and report to the first meeting of Toronto and East York Community Council in 2007 for consideration as a deputation item on the feasibility of applying the following standards to the Harbourfront Centre outdoor activities:

1. that decibels will be held to a maximum of 85 and contracts will stipulate an 85 db maximum;
2. that limiter/governor will be installed which would prevent the sound technician from exceeding the limit;
3. that only Harbourfront equipment and sound technicians will be used;
4. that Harbourfront staff will regularly monitor and advise technician(s) to reduce the sound if needed;
5. that staff will be fully briefed on what to do and action taken.

Summary

Residents in the vicinity of Harbourfront Centre have been plagued with noise from the outside stage for many summers. Various mechanisms have been tried but none have succeeded to date.

Ontario Municipal Board Hearing - 1100 King Street West

(January 10, 2007) Member Motion from Councillor Perks

Recommendations

1. City Council give authority for the City Solicitor and planning staff to attend the Ontario Municipal Board hearing in support of the refusal of the application for 1100 King Street West.

Summary

The Committee of Adjustment refused an application by High Res Inc. to construct an additional 3-storey residential building with 8 units on a portion of an approved multi-block residential development known as 1100 King Street West.

City planning staff submitted a report to the Toronto and East York Community Council

recommending refusal of the application advising that the proposal represents an overdevelopment of the site which would result in adverse impacts in terms of the balance between hard surface and landscaped open space, and which does not conform to the intent of both the Zoning By-law and the Official Plan.

The owner/applicant appealed the decision of the Committee to the Ontario Municipal Board.

Ontario Municipal Board Hearing - 166 Manning Avenue

(January 11, 2007) Member Motion from Councillor Pantalone

Recommendations

To give authority for the City Solicitor and planning staff to attend the Ontario Municipal Board hearing in support of the refusal of the application.

Summary

The Committee of Adjustment refused 3 related applications by Zeca Homes to sever 166 Manning Avenue into two parcels and construct a pair of semi-detached houses with integral garages and raised rear yard decks, each on its own lot. City planning staff have submitted a report to the Committee recommending refusal of the integral garages advising that the proposed garages would be out of character with the prevailing streetscape and would have a negative impact on the physical relationship between the front of the house and the street. City planning staff have also submitted a report to the Committee recommending refusal of the raised decks advising that the proposed decks would project into the already-reduced rear yard setback and result in negative privacy, overlook, and separation distance.

Background Information

2007-te2-84 Member Motion

Committee Recommendations

On motion by Deputy Mayor Pantalone, the Toronto and East York Community Council:

1. Approved the introduction of this matter for consideration by the Community Council;
and
2. Recommended that City Council give authority for the City Solicitor and Planning staff to attend the Ontario Municipal Board hearing in support of the refusal of the application for 166 Manning Avenue.

TE2.85	ACTION		Transactional	Ward: 20

Ontario Municipal Board Hearing - 39 Huron Street

(January 16, 2007) Member Motion from Councillor Vaughan

Recommendations

That City Council of the City of Toronto give authority for the City Solicitor and planning staff to attend the Ontario Municipal Board hearing in support of the refusal of the application.

Summary

The Committee of Adjustment refused an application by Salvatore Benedetto to construct a third storey addition over the existing 2-storey row house at 39 Huron Street as well as a 3-storey addition at the rear; and City planning staff submitted a report to the Committee recommending refusal of the application advising that the proposal would result in inappropriate density, building depth and rear yard setback which would have a negative impact on the surrounding residential properties and is not in keeping with the character of the area. City planning staff have also submitted a report to the Committee recommending refusal of the raised decks advising that the proposed decks would project into the already-reduced rear yard setback and result in negative privacy, overlook, and separation distance; The proposed addition does not conform to the intent of both the Zoning By-law and the Official Plan; many immediate neighbours and area residents have expressed their concerns with the proposal and the resulting impacts; and the owner/applicant appealed the decision of the Committee to the Ontario Municipal Board.

Ontario Municipal Board Hearing – 2A-2H Spadina Avenue; 1-17 Fort York Boulevard and 3-31 Brunel Court

(January 15, 2007) Member Motion from Councillor Vaughan

Recommendations

To give authority for the City Solicitor and planning staff to attend the Ontario Municipal Board hearing in support of the refusal of the application.

Summary

The Toronto East York Committee of Adjustment refused an application by Concord Adex Development Corp. to reduce the number of visitor parking spaces at 2A-2H Spadina Avenue, 1-17 Fort York Blvd. and 3-31 Brunel Court (also known as Block 25 in the Railway Lands West) from the required 71 to 36. Community Planning staff have submitted a report to the Committee of Adjustment recommending refusal of the application due to the already reduced ratio of required visitor parking spaces to number of units that Concord Adex Development Corp. and the City agreed to as part of the development review process, the lack of on-street parking options, and the lack of long-term parking spaces in the vicinity of the block. Transportation Services staff also submitted a report to the Committee of Adjustment recommending refusal of the application. Concord Adex Development Corp. reduced the amount of visitor parking spaces on its other development sites in the Railway Lands Central, and city staff have received complaints about the lack of visitor parking in these developments; and have appealed the decision of the Committee of Adjustment to the Ontario Municipal Board.

Ontario Municipal Board Hearing - 2 Gladstone Avenue

(January 15, 2007) Member Motion from Councillor Giambrone

Recommendations

That City Council give authority for the City Solicitor and City Planning staff to attend the Ontario Municipal Board hearing in support of the refusal of the application at 2 Gladstone Avenue.

Summary

The Committee of Adjustment refused an application by Gladstone Tire Distributors Ltd to construct an 8-storey mixed-use building with grade-related retail, 103 residential units and underground parking at 2 Gladstone Avenue. City Planning staff have submitted a report to the Committee recommending refusal of the application given the scale of the variances requested and potential impacts; and similar scale developments in the area are proceeding by way of a rezoning. City Planning staff also submitted a report to the Committee recommending that the appropriate approval process for reviewing the proposal is Rezoning; and many immediate neighbours and area residents have expressed their concerns with the proposal as a minor variance application; and the owner/applicant appealed the decision of the Committee to the Ontario Municipal Board.

Background Information
