Inclusion on Heritage Inventory - 1006 Bloor Street West

(January 26, 2007) letter from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that Clause 28 of Report 7 of the Toronto and East York Community Council, adopted as amended by City Council on September 25, 26 and 27, 2006, be amended by deleting Attachment 3 of the report (July 17, 2006) from the Director, Policy and Research, City Planning Division, and replacing it with Attachment 1 included in this report.

Financial Impact

There are no financial implications resulting from the adoption of this report.

Summary

At the last Council meeting cycle in 2006 the property at 1006 Bloor Street West (Paradise Theatre (1937) was recommended for inclusion on the City of Toronto Inventory of Heritage Properties for its cultural heritage value or interest. At that time, the owner asked for deferral of consideration of the recommendation to allow additional time for consultation with staff. The owner provided an undertaking to not demolish the building. To ensure protection from demolition or alteration for the building, Council listed the building and asked staff to report, after consultation with the owner, on whether the listing should be continued. (TEYCC, Report 7, Clause 28) Staff met with the owners and their representatives and explained the implications of listing. Staff advises that the property meets the criteria for listing and should not be removed from the Inventory. However, as a result of the consultation, staff recommend that the Heritage Attributes detailed in Attachment 3 of the July 17, 2006 be amended.

Rescind Turn Prohibition - Strachan Avenue at Canada Boulevard/Fleet Street

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$100.00

Summary

Deputy Mayor Joe Pantalone has requested Transportation Services to report on rescinding the southbound right turn on red prohibition on Strachan Avenue at Canada Boulevard/Fleet Street. This type of traffic control measure is considered when there are heavy conflicting traffic demands between pedestrians crossing and vehicles turning that risk public safety. Removing the southbound right-turn-on-red prohibition on Strachan Avenue at Canada Boulevard/Fleet Street will not jeopardize public safety, nor increase a risk to the TTC streetcar operation, as motorists are required under the Highway Traffic Act to stop on a red traffic signal and can only lawfully proceed when it is safe to make a right turn.

On motion by Councillor Vaughan, the Toronto and East York Community Council recommended that Council:

1. change existing ten minute maximum parking limit from 7:30 a.m. to 9:30 a.m. and from 4:30 p.m. to 6:30 p.m., Monday to Friday, on the west side of St. Patrick Street, from a point 54.0 metres south of Dundas Street West to a point 25.0 metres further south thereof, to 7:30 a.m. to 10:00 a.m. and from 3:30 p.m. to 6:30 p.m., Monday through Friday; and

Planter Box Installation - McCaul Street, north of Queen Street West

(January 25, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that a bylaw be prepared to alter the west side of McCaul Street, north of Queen Street West, as described below:

“the placement of one 1.0 metre x 1.0 metre planter box on the west side of McCaul Street, approximately 20.5 metres north of Queen Street West, generally as shown in the attached print of Drawing No. 42IF-8677, dated January 2007”.

Financial Impact

Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations.	\$1,000

Summary

Staff of the Toronto Transit Commission (TTC) have requested that one planter box be installed on the west side of McCaul Street, north of Queen Street West, to prevent southbound right-turning motorists from travelling alongside a southbound left-turning TTC streetcar and being struck by the tail end of the streetcar as it completes its turn. Placing a planter box on the west side of McCaul Street, north of Queen Street West, will not adversely affect the safe and efficient operation of McCaul Street and will not result in the loss of any on-street parking spaces.

Committee Recommendations

On motion by Councillor Vaughan, the Toronto and East York Community Council recommended that a bylaw be prepared to alter the west side of McCaul Street, north of Queen Street West, as described below:

“the placement of one 1.0 metre x 1.0 metre planter box on the west side of McCaul Street, approximately 20.5 metres north of Queen Street West, generally as shown in the attached print of Drawing No. 42IF-8677, dated January 2007”

Rosedale Valley Road, north of Aylmer Avenue - proposed sidewalk

(January 29, 2007) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Council:

- approve narrowing the pavement of Rosedale Valley Road from Aylmer Avenue to the north end of the street for the purpose of installing a 1.6 metre wide sidewalk as follows:

“by narrowing ROSEDALE VALLEY ROAD, between AYLIMER AVENUE and the NORTH END generally as shown in the attached print of Drawing Nos. 421P-0016, 421P-0010, 421P-0010a, 421P-0010b (dated October, 2006)”.
- rescind the “No Parking, 8:00 a.m. to 10:00 p.m., Monday to Friday” regulation on the west side of Rosedale Valley Road (East Roadway, north from Severn Street);
- rescind the “Two-hour maximum parking, from 8:00 a.m. to 6:00 p.m., Monday to Saturday” regulation on the west side of Rosedale Valley Road from Aylmer Avenue/Severn Street to Yorkville Park Drive;
- rescind the “One-hour maximum parking, from 8:00 a.m. to 6:00 p.m., Monday to Friday” regulation on the west side of Rosedale Valley Road (east roadway) from Rosedale Valley Road to the north end of Rosedale Valley Road (east roadway);
- rescind the regulation authorizing operation of parking meters on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to Yorkville Park Road for a

maximum period of two hours from 8:00 a.m. to 6:00 p.m., Monday to Saturday at a rate of \$1.50 per hour;

6. rescind the regulation authorizing operation of parking meters on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to Yorkville Park Road for a maximum period of three hours, from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and 1:00 p.m. to 9:00 p.m., Sunday at a rate of \$1.50 per hour; and
7. prohibit parking at all times on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to the north end of the street.

Financial Impact

The estimated cost of narrowing the west side of Rosedale Valley Road to construct a sidewalk, including adjustments to parking signs and removal of parking meters, is \$210,000.00.

Transportation Services has requested that the 2007 Capital Budget process allocate \$2,000,000.00 for the installation of sidewalks. The installation of a sidewalk on this section of Rosedale Valley Road is subject to competing priorities and funding availability.

Summary

Transportation Services is requesting Council's authority to narrow a section along the east side of Rosedale Valley Road by 1.6 metres to construct a sidewalk. The narrowing will require us to prohibit parking on this section of the street. The installation of a sidewalk on the east side of Rosedale Valley Road will provide a safe pedestrian refuge, linking the existing sidewalk on Aylmer Avenue to the Rosedale Ravine Lands located at the end of this section of Rosedale Valley Road.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommended that Council:

1. approve narrowing the pavement of Rosedale Valley Road from Aylmer Avenue to the north end of the street for the purpose of installing a 1.6 metre wide sidewalk as follows:

“by narrowing ROSEDALE VALLEY ROAD, between ALYMER AVENUE and the NORTH END generally as shown in the attached print of Drawing Nos. 421P-0016, 421P-0010, 421P-0010a, 421P-0010b (dated October, 2006)”.
2. rescind the “No Parking, 8:00 a.m. to 10:00 p.m., Monday to Friday” regulation on the west side of Rosedale Valley Road (East Roadway, north from Severn Street);
3. rescind the “Two-hour maximum parking, from 8:00 a.m. to 6:00 p.m., Monday to Saturday” regulation on the west side of Rosedale Valley Road from Aylmer Avenue/Severn Street to Yorkville Park Drive;
4. rescind the “One-hour maximum parking, from 8:00 a.m. to 6:00 p.m., Monday to Friday” regulation on the west side of Rosedale Valley Road (east roadway) from Rosedale Valley Road to the north end of Rosedale Valley Road (east roadway);

5. rescind the regulation authorizing operation of parking meters on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to Yorkville Park Road for a maximum period of two hours from 8:00 a.m. to 6:00 p.m., Monday to Saturday at a rate of \$1.50 per hour;
6. rescind the regulation authorizing operation of parking meters on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to Yorkville Park Road for a maximum period of three hours, from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and 1:00 p.m. to 9:00 p.m., Sunday at a rate of \$1.50 per hour; and
7. prohibit parking at all times on the west side of Rosedale Valley Road, from Aylmer Avenue/Severn Street to the north end of the street.

Financial Impact

The estimated cost of narrowing the west side of Rosedale Valley Road to construct a sidewalk, including adjustments to parking signs and removal of parking meters, is \$210,000.00.

Provision of Taxicab Stand on Mill Street, east of Trinity Street

(December 27, 2006) report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that:

1. the current two-hour maximum parking regulation from 8:00 a.m. to 6:00 p.m., Monday to Saturday on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street;
2. the current “No Parking Except by Permit, 12:01 a.m. to 7:00 a.m.” regulation on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street;
3. the current regulation authorizing the operation of parking machines on the south side

of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday;

4. the current regulation authorizing the operation of parking machines on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to Cherry Street, for a maximum period of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday, be amended to operate on the south side of Mill Street, from a point 36.5 metres east of Trinity Street to Cherry Street, for a maximum period of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday; and
5. a three-vehicle “Taxicab Stand” be delineated on the south side of Mill Street, from a point 20.0 metres east of Trinity Street to a point 16.5 metres further east thereof.

Summary

In September, 2006, Transportation Services reported to Community Council recommending a student pick up/drop off zone on the south side of Mill Street, just east of Trinity Street. We were then requested to further review conflicts between taxicabs and a transit stop at this same location. The placing of a three-vehicle taxicab stand on the south side of Mill Street adjacent to the new student pick up/drop off zone should resolve the conflicts with the existing nearside transit stop. However, we would need to remove three spaces currently used for pay-and-display and permit parking.

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommended that:

1. The existing two hour maximum parking regulation from 8:00 a.m. to 6:00 p.m., Monday to Saturday on the east side of Trinity Street, from Mill Street to a point 110.5 metres south of Front Street East, be rescinded;
2. the existing regulation authorizing the operation of parking machines on the east side of Trinity Street, from Mill Street to a point 110.5 metres south of Front Street East, for a maximum period of 2 hours, from 8:00 a.m. to 6:00 p.m., Monday to Saturday, be rescinded;
3. the existing regulation authorizing the operation of parking machines on the east side of Trinity Street, from Mill Street to a point 110.5 metres south of Front Street East, for a maximum of 3 hours from 6:00 p.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday, be rescinded
4. the existing “No Standing Anytime” regulation on the east side of Trinity Street, from 30.5 metres south of Front Street East to a point 80.0 metres further south thereof, be rescinded;

5. the existing “No Standing Anytime” regulation on the west side of Trinity Street, from Front Street East to Mill Street, be rescinded;
6. standing be prohibited at all times on the east side of Trinity Street, from a point 30.5 metres south of Front Street East to Mill Street; and
7. a “Taxicab Stand” be delineated on the west side of Trinity Street, from Front Street East to Mill Street.

Intention to Designate Under Part IV, Ontario Heritage Act 2789 Dundas Street West

(February 7, 2007) Member Motion from Councillor Perks

Recommendations

That Toronto and East York Community Council recommend to the next meeting of City Council its intention to designate the property at 2789 Dundas Street West under Part IV of the *Ontario Heritage Act*, following consultation with the Toronto Preservation Board.

Summary

The property located at 2789 Dundas Street West has cultural heritage value, and contains an early 20th century commercial building with features of Edwardian Classicism that supports the character of Dundas Street West in the West Toronto Junction neighbourhood. City Planning Division staff in Heritage Preservation Services confirms that the property meets the criteria for designation under Part IV of the Ontario Heritage Act. The owner has applied to demolish the building located on the property and is discussing redevelopment with Community Planning. Given that it is not a residential property the City must issue the demolition permit once certain conditions have been met. Designation of the property would enable staff to work with the property owner to preserve the heritage attributes of the building as part of the redevelopment of the site.

Decision Advice and Other Information

On motion by Councillor Perks, the Toronto and East York Community Council deferred

consideration of this matter indefinitely.
