Final Report - Zoning Application – 2 Gladstone Avenue

Statutory - Planning Act, RSO 1990

(August 16, 2007) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend the Zoning By-law 438-86 for the former City of Toronto as described in this report and to be available at the Toronto and East York Community Council meeting;
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required; and
3. the owner submit a revised site servicing study for review and acceptance by Technical Services prior to enacting the by-laws to implement the proposed amendments.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes an 8 storey mixed use (commercial/residential) building at 2 Gladstone Avenue.

This report reviews and recommends approval of the application to amend the Zoning By-law, provided a number of changes are made, including but not limited to:

- an increase in the amount of non-residential space;
- a decrease in the overall height to 7 storeys; and;
- an increase in stepbacks to meet the 45 degree angular plane from Queen Street West.

Communications

Final Report - Official Plan and Zoning By-law Amendment Applications - 701-703 Dovercourt Road and Intention to Designate - 703 Dovercourt Road (Centennial Japanese Church)

Statutory - Planning Act, RSO 1990

(August 14, 2007) Report from Director, Community Planning, South District

Recommendations

The City Planning Division recommends that:

1. City Council amend the Official Plan substantially in accordance with the draft Official Plan Amendment attached as Attachment No. 9;

2. City Council amend the Zoning By-law 438-86, as amended, substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 10;
3. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and draft Zoning By-law Amendment as may be required;
4. Before introducing the necessary Bills to City Council for enactment, require the applicant to enter into a Heritage Easement Agreement with the City for the retained and restored section of the historical structure located at 701 and 703 Dovercourt Road (Centennial Japanese Church), which will secure, at a minimum the following:
 - a. the Heritage Attributes and Cultural Heritage Values and staff recommendations as set out in the Staff Report dated June 21, 2007 to the Toronto Preservation Board considered at the July 12, 2007 meeting and from City Planning at the September 10, 2007 Toronto and East York Community Council;
5. Before introducing the necessary Bills to City Council for enactment, require the applicant to:
 - a. enter into a Site Plan Agreement under Section 41 of the *Planning Act* which shall address the following, but not limited to; landscape treatment, parking, lighting, garbage storage and location requirements set out by the Chief Planner in this report;
6. Prior to final Site Plan Approval:
 - a. provide a Conservation Plan for the reconstruction and restoration of the Centennial Japanese Church at 701 and 703 Dovercourt Road, satisfactory to the Manager, Heritage Preservation Services; and
 - b. provide a landscape plan for the subject property;
7. Prior to the issuance of any building permit for the Centennial Japanese Church located at 701 and 703 Dovercourt Road, including a permit for the demolition, excavation, and/or shoring of the subject property:
 - a. provide a letter of credit, in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure all work included in the Conservation Plan; and
 - b. provide a record of the as-found condition of the Centennial Japanese Church located at 701 and 703 Dovercourt Road;
 - c. provide final plans satisfactory to the Manager of Heritage Preservation Services;
8. Prior to the release of the Letter of Credit:

- a. provide and implement an Interpretation Program for the Centennial Japanese Church located at 701 and 703 Dovercourt Road, satisfactory to the Manager of Heritage Preservation Services.

Summary

The application proposes to convert the existing church building into a residential building containing 28 dwelling units. The site was 'Listed' under the *Heritage Act* as a site with heritage significance in 2004 by City Council for its cultural resource or interest. The proposal represents adaptive reuse of a heritage building.

This report reviews and recommends approval of the applications to amend the Official Plan and Zoning By-law to permit this conversion.

Speakers

Final Report - Official Plan Amendment and Draft Plan of Condominium Applications - 1 Clarendon Avenue

Statutory - Planning Act, RSO 1990

(August 15, 2007) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that City Council:

1. amend the Official Plan (application No. 06 143050 STE 22 OZ) substantially in accordance with the draft Official Plan Amendment found in Attachment No. 10;
2. authorize Draft Approval of the Plans of Condominium (application No. 06 143056 STE 22 CD) for 1 Clarendon Avenue, prepared by C. E. Dotterill Ltd., certified by B. K. Warren on July 27, 2007, subject to the conditions set forth in Attachment No. 11, and authorize the Chief Planner and Executive Director to permit such red line revisions as he may deem appropriate;
3. require the owner to fulfill the conditions of Draft Approval of Condominium set forth in Attachment No. 11, including the execution and satisfactory registration of any condominium agreement deemed necessary by the City Solicitor, prior to the City's consent for final registration and authorize the City Solicitor to prepare any necessary condominium agreement to secure the conditions, as the City Solicitor deems necessary;
4. authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and Conditions of Draft Approval of Condominium as may be required;
5. authorize the execution of a Heritage Easement Agreement under Section 37 of the Ontario *Heritage Act* with the owner of 1 Clarendon Avenue; using substantially the

form of easement agreement prepared in February 1987 by the City Solicitor and on file with the City Clerk, subject to such amendments as may be deemed necessary by the City Solicitor in consultation with the Chief Planner and Executive Director; and

6. authorize and direct City Officials to take necessary actions to give effect thereto.

Summary

Applications have been submitted to permit conversion of a 39-unit rental apartment building at 1 Clarendon Avenue to condominium. The majority of units within the building have rents which are considered high-end, with a small number of the units with rents below the mid-range threshold set out in the Official Plan.

This report reviews and recommends approval of the applications to amend the Official Plan and Draft Plan of Condominium, subject to a number of conditions being met.

Directions and Refusal Report - Zoning Application - 80 Crescent Road

(August 23, 2007) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council refuse Zoning By-law Amendment Application No. 06 – 147390 STE 27 OZ for 80 Crescent Road.
2. City Council direct the City Solicitor and other appropriate City staff, to oppose the Ontario Municipal Board appeal and referral made by the applicant on Application No. 06-147390 STE 27 for 80 Crescent Road.

3. That the Chief Planner and Executive Director, City Planning, be requested to hold an information meeting in the community to discuss the application and to give notice to landowners and residents within 120 metres of the site.

Summary

This report reviews and recommends refusal on an application to amend the Zoning By-law to permit the replacement of a four car garage at the rear of the existing converted house with a 2-storey and basement “house behind a house” with one parking space and a new detached three car garage. Further, this report directs City staff to oppose the Ontario Municipal Board appeal and referral made by the applicant.

City staff are of the opinion that this proposal also requires an Official Plan Amendment.

Speakers

Michael Vaughan

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommended that City Council:

1. refuse Zoning By-law Amendment Application No. 06 – 147390 STE 27 OZ for 80 Crescent Road;
2. direct the City Solicitor and other appropriate City staff, to oppose the Ontario Municipal Board appeal and referral made by the applicant on Application No. 06-147390 STE 27 for 80 Crescent Road; and
3. request the Chief Planner and Executive Director, City Planning, to hold an information meeting in the community to discuss the application and to give notice to landowners and residents within 120 metres of the site.

TE8.7	ACTION	Amended		Ward: 20
-------	--------	---------	--	----------

Request to Amend Approval to Alter a Building Designated under Part IV of the Ontario Heritage Act, and Authority to Amend a Heritage Easement Agreement – 180 University Avenue

(June 22, 2007) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. The owner be requested to make all reasonable attempts to retain the heritage building in situ, consistent with the approval by City Council at its meeting on May 23, 24, and 25, 2006. However, if the heritage building cannot be retained in situ due to structural reasons, the owner shall, prior to the issuance of any building permit, including a permit for the demolition, excavation, and/or shoring of any structure on the subject property:
 - a. provide a report on all options for the conservation of the heritage facades in situ and a detailed structural analysis of the effect of the excavation on the heritage building, to the satisfaction of the Manager of Heritage Preservation Services or her designate;
 - b. provide confirmation from the affected utilities that their underground services will be negatively affected by the structural system required for the bracing of the façades in situ;
 - c. provide a dismantling, storage, and reconstruction strategy for the heritage facades to the satisfaction of the Manager of Heritage Preservation Services or her designate;
 - d. provide a letter or credit in a form and amount satisfactory to the Manager of Heritage Preservation Services or her designate for the dismantling, storage, and reconstruction of the heritage façades;
 - e. amend the Heritage Easement Agreement with the City to include the dismantling, storage, and reconstruction strategy for the heritage facades.
2. Authority be granted by City Council to amend the Heritage Easement Agreement under Section 37 of the Ontario *Heritage Act* with the owner of 180 University Avenue (Bishop's Block); using substantially the form of easement agreement prepared in February 1987 by the City Solicitor and on file with the City Clerk, subject to such amendments as may be deemed necessary by the City Solicitor in consultation with the Chief Planner and Executive Director, City Planning Division.

Summary

On May 23, 24, and 25, 2006, City Council approved a report from the City Planning Division recommending approval of a development application for 180 University Avenue and permission to alter a heritage building on the subject property. The development approval included the retention of the heritage building's south and west facades in situ and the integration of the heritage façades and the new building.

Since the approval of the development application in May 2006, the applicant has conducted further engineering analysis on the heritage structure and concluded that retention in situ is not a viable option for conservation of the building. The process required to excavate the foundation of the new building may destabilize the circa 1834 façade and cause further damage or collapse due to vibration and poor masonry and mortar within the structure.

The applicant is requesting an amendment to the approval for the alteration of the heritage building to include permission to dismantle and reconstruct the heritage façade. Staff is disappointed that the condition of the façade and level of vibration associated with the excavation of the foundation for the new building were not available during the initial review of the Heritage Impact Assessment. Staff is willing to support the recommendations of the applicant's heritage consultant, provided that staff is satisfied that all strategies for the preservation of the façade in situ are evaluated and eliminated as viable options for the conservation of the facades.

Committee Recommendations

On motion by Councillor Vaughan, the Toronto and East York Community Council recommended that City Council adopt the following Recommendations of the Toronto Preservation Board:

1. The owner be requested to make all reasonable attempts to retain the heritage building in situ, consistent with the approval by City Council at its meeting on May 23, 24, and 25, 2006. However, if the heritage building cannot be retained in situ due to structural reasons, the owner shall, prior to the issuance of any building permit, including a permit for the demolition, excavation, and/or shoring of any structure on the subject property:
 - a. document the as-found condition of the heritage building to the satisfaction of the Manager of Heritage Preservation Services or her designate;
 - b. provide a report on all options for the conservation of the heritage facades in situ and a detailed structural analysis of the effect of the excavation on the heritage building, to the satisfaction of the Manager of Heritage Preservation Services or her designate;
 - c. provide confirmation from the affected utilities that their underground services will be negatively affected by the structural system required for the bracing of the façades in situ;
 - d. provide a dismantling, storage, and reconstruction strategy for the heritage facades to the satisfaction of the Manager of Heritage Preservation Services or her designate;
 - e. provide a letter or credit in a form and amount satisfactory to the Manager of Heritage Preservation Services or her designate for the dismantling, storage, and reconstruction of the heritage façades;
 - f. amend the Heritage Easement Agreement with the City to include the dismantling, storage, and reconstruction strategy for the heritage facades;
2. authority be granted by City Council to amend the Heritage Easement Agreement under Section 37 of the Ontario *Heritage Act* with the owner of 180 University Avenue (Bishop's Block); using substantially the form of easement agreement prepared in February 1987 by the City Solicitor and on file with the City Clerk, subject to such

amendments as may be deemed necessary by the City Solicitor in consultation with the Chief Planner and Executive Director, City Planning Division; and

3. the appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Inclusion on Heritage Inventory – 229 Queen Street East

(May 9, 2007) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council include the property at 229 Queen Street East (Kormann House Hotel) on the City of Toronto Inventory of Heritage Properties; and
2. the appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that City Council include the property at 229 Queen Street East (Kormann House Hotel) on the City of Toronto Inventory of Heritage Properties.

The inclusion of the property on the City's heritage inventory would enable staff to monitor the site and encourage the retention of its heritage attributes in any proposed development.

Speakers

Cynthia MacDougall, McCarthy Tetrault

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommended that City Council:

1. include the property at 229 Queen Street East (Kormann House Hotel) on the City of Toronto Inventory of Heritage Properties; and
2. authorize and direct the appropriate City Officials to take necessary action to give effect thereto.

Inclusion on Heritage Inventory and Intention to Designate under the Ontario Heritage Act – 302 Yonge Street

(May 8, 2006) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council include the property at 302 Yonge Street (Bank of Nova Scotia Branch) on the City of Toronto Inventory of Heritage Properties; and
2. the appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Summary

This report recommends that City Council include the property at 302 Yonge Street (Bank of Nova Scotia Branch) on the City of Toronto Inventory of Heritage Properties.

The inclusion of the property on the City's heritage inventory would enable staff to monitor the site and encourage the retention of its heritage attributes in any proposed development.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommended that City Council adopt the following Recommendations of the Toronto Preservation Board:

1. City Council include the property at 302 Yonge Street (Bank of Nova Scotia Branch) on the City of Toronto Inventory of Heritage Properties;
2. City Council state its intention to designate the property at 302 Yonge Street (Bank of Nova Scotia Branch) under Part IV of the Ontario *Heritage Act*;
3. if there are no objections to the designation in accordance with Section 26(6) of the Ontario *Heritage Act*, the Solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the Ontario *Heritage Act*;
4. if there are objections in accordance with Section 29(7) of the Ontario *Heritage Act*, the City Clerk be directed to refer the proposed designation for which there is an objection to the Conservation Review Board; and
5. the appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

Intention to Designate, Part IV, Ontario Heritage Act, Approval of Alterations to a Heritage Building, and Authority to Enter into a Heritage Easement Agreement – 395-405 Huron Street

(June 22, 2007) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that

1. City Council include the five properties at 395, 397, 399, 403 and 405 Huron Street (Campus Co-op) on the City of Toronto Inventory of Heritage Properties;
2. City Council state its intention to designate the six properties at 395, 397, 399, 401, 403 and 405 Huron Street (Campus Co-op) under Part IV of the Ontario *Heritage Act*;
3. if there are no objections to the designations in accordance with Section 26(6) of the Ontario *Heritage Act*, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV of the *Ontario Heritage Act*;
4. if there are any objections in accordance with Section 29(7) of the Ontario *Heritage Act*, the Clerk be directed to refer the proposed designations to the Conservation Review Board; and
5. the alterations to the heritage buildings at 395, 397, 399, 401, 403 and 405 Huron Street (Campus Co-op) be approved substantially in accordance with the plans by Hariri Pontarini Architects (Attachment No. 4) on file with the Manager of Heritage Preservation Services, subject to the owner:
 - a. Prior to final site plan approval:
 - entering into a Heritage Easement Agreement with the City for the retained and restored section of the heritage buildings located at 395, 397, 399, 401, 403, and 405 Huron Street (Campus Co-op);
 - providing a Conservation Plan for the restoration of the heritage buildings located at 395, 397, 399, 401, 403, and 405 Huron Street (Campus Co-op), satisfactory to the Manager, Heritage Preservation Services;
 - providing a landscape plan for the subject property;
 - b. Prior to the issuance of any building permit for the heritage buildings located at 395, 397, 399, 401, 403, and 405 Huron Street (Campus Co-op), including a permit for the demolition, excavation, and/or shoring of the subject property:
 - providing a letter of credit, in a form and an amount satisfactory to the Chief

Planner and Executive Director, City Planning Division, to secure all work included in the Conservation Plan;

providing a record of the as-found condition of the heritage buildings located at 395, 397, 399, 401, 403, and 405 Huron Street (Campus Co-op);

providing final plans satisfactory to the Manager of Heritage Preservation Services;

c. Prior to release of the Letter of Credit:

providing and implementing an Interpretation Program for the heritage building located at 395, 397, 399, 401, 403, and 405 Huron Street (Campus Co-op), satisfactory to the Manager of Heritage Preservation Services;

6. authority be granted by City Council to execute a Heritage Easement Agreement under Section 37 of the Ontario *Heritage Act* with the owner of 395, 397, 399, 401, 403, and 405 Huron Street (Campus Co-op); using substantially the form of easement agreement prepared in February 1987 by the City Solicitor and on file with the City Clerk, subject to such amendments as may be deemed necessary by the City Solicitor in consultation with the Chief Planner and Executive Director, City Planning Division;

Financial Impact

There are no financial implications resulting from the adoption of this report. The public Notice of Intention to Designate will be advertised on the City's web site in accordance with the City of Toronto Act provisions.

Summary

This report recommends that City Council state its intention to designate the six properties at 395, 397, 399, 401, 403 and 405 Huron Street (Campus Co-op) under Part IV of the Ontario *Heritage Act*, approve alterations to the heritage buildings, and grant authority to enter into a heritage easement agreement for the subject properties. As representative examples of late 19th century residential architecture, the house form buildings contribute to the character of the neighbourhood adjoining the University of Toronto campus. Campus Co-op was founded in the 1930s and remains the oldest continuously operating co-operative housing organization in Canada. The applicant is proposing to remove the existing surface parking lot located at the rear of the existing heritage buildings and construct new rear additions and a courtyard. The existing coach houses containing the Coach House Press will remain and will be severed off as a separate parcel at a later date.

Decision Advice and Other Information

On motion by Councillor Vaughan, the Toronto and East York Community Council deferred the report (June 22, 2007) from the Director, Policy and Research, City Planning Division for further consideration at the same meeting of the Toronto and East York Community Council that the Planning report will be considered.

Privacy Fence - 50 Old Forest Hill Road

(August 21, 2007) Report from Manager, Right of Way Management, Transportation Services
Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the ongoing maintenance of the privacy fence, gates and intercom system within the public right of way fronting 50 Old Forest Hill Road and on the Dunloe Road rear, subject to the property owners entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. maintain the privacy fences, gates and intercom system at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - b. obtain approval for associated work on private property from the Toronto Building Division;

- c. remove the privacy fences with gates and intercom system upon receiving 90 days written notice to do so;
 - d. arrange for an inspection by the Electrical Safety Authority for the installation of the intercom system and provide a copy of the approval to the General Manager of Transportation Services; and
 - e. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed a request from the owners of 50 Old Forest Hill Road to allow the ongoing maintenance of an existing privacy fence with gates with a varying height of 1.74 m to 2.76 m and an intercom system that encroach within the public right of way fronting 50 Old Forest Hill Road and on the Dunloe Road rear.

Although the privacy fence with gates exceed the allowable height under the Municipal Code, it will not impact negatively on the public right of way. Therefore, Transportation Services recommends approval of the encroachment.

The owners will be given an opportunity to make a deputation before Community Council.

Committee Decision

On motion by Councillor Walker, the Toronto and East York Community Council:

1. approved the ongoing maintenance of the privacy fence, gates and intercom system within the public right of way fronting 50 Old Forest Hill Road and on the Dunloe Road rear, subject to the property owners entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. maintain the privacy fences, gates and intercom system at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - b. obtain approval for associated work on private property from the Toronto Building Division;
 - c. remove the privacy fences with gates and intercom system upon receiving 90 days written notice to do so;

- d. arrange for an inspection by the Electrical Safety Authority for the installation of the intercom system and provide a copy of the approval to the General Manager of Transportation Services; and
 - e. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. directed the City Solicitor and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services.

Committee Decision

The Toronto and East York Community Council:

On motion by Councillor Davis, with Councillor Vaughan in the Chair:

1. refused the request for a variance to maintain, for third party advertising purposes, a non-illuminated fascia sign on the south elevation of the building at 55 Elm Street (650 Bay Street);

On motion by Deputy Mayor Pantalone:

2. requested the Toronto Environment Office and the Medical Officer of Health to report to the Toronto and East York Committee Council when the proposed harmonized Sign By-law is considered by City Council, on the environmental aspect of vinyl signs and alternatives available; and

On motion by Councillor Fletcher:

3. requested the Chief Building Official and Executive Director, Toronto Building to advise the Chair and Board of the Toronto Community Housing Corporation on ongoing issues with respect to illegal signs located on Toronto Community Housing Buildings.

The following motion was placed by Councillor Rae and lost:

That the Toronto and East York Community Council grant the request for variances to permit a variance to maintain, for third party advertising purposes, a non-illuminated fascia sign on the south elevation of the building at 55 Elm Street (650 Bay Street), on the following conditions:

1. the sign company submitting a written declaration to the Chief Building Official stating that all signs currently erected by the applicant within the City of Toronto have been legally installed; and
2. that this written declaration be verified by the Chief Building Official prior to the erection of the sign at this location.

Construction of a Canopy and Fence - 431 King Street East

(August 23, 2007) Report from Manager, Right of Way Management, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the construction of a wooden canopy and fence on the Trinity Street flank of 431 King Street East, subject to the owner constructing the fence to a maximum height

of 1.9 m and providing vision splays adjacent to the intersection of King Street East and Trinity Street and at the public laneway on the Trinity Street flank and entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:

- a. maintain the overhead canopy and fence at his/her own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - b. obtain approval for associated work on private property from the Toronto Building Division;
 - c. remove the overhead canopy and fence upon receiving 90 days written notice to do so; and
 - d. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the agent of the owner of 431 King Street East for the construction of a wooden canopy with an underside measurement of 2.15 m from grade. In addition, the owner wishes to construct a new fence on the Trinity Street flank of 431 King Street East.

As the encroachments do not impact negatively on the public right of way, Transportation Services recommends approval, subject to the property owner providing vision splays for the fence at the intersection of King Street East and Trinity Street and adjacent to the public lane.

The owner will be given an opportunity to make a deputation before Community Council.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council:

1. approved the construction of a wooden canopy and fence on the Trinity Street flank of 431 King Street East, subject to the owner constructing the fence to a maximum height of 1.9 m and providing vision splays adjacent to the intersection of King Street East and Trinity Street and at the public laneway on the Trinity Street flank and entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:

- a. maintain the overhead canopy and fence at his/her own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - b. obtain approval for associated work on private property from the Toronto Building Division;
 - c. remove the overhead canopy and fence upon receiving 90 days written notice to do so;
 - d. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
 - e. an agreement by the applicant and staff with respect to a greening plan; and
2. directed the City Solicitor and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services.

Improvements to the 504 King Streetcar Service

(March 28, 2007) Letter from General Secretary, Toronto Transit Commission

Recommendations

The Toronto Transit Commission made the following Recommendations:

- “1. Request City Council to:
 - a. approve, in principle, the installation of a temporary, reserved right-of-way on a four-to-five block section of King Street, as a demonstration project during July and August of 2008, using the design concept described in this report, and following a process similar to that used by the Toronto Waterfront Revitalization Corporation in their demonstration of temporary modifications to Queens Quay, west of Bay Street, in August of 2006; and that staff be requested to report back on rear-door loading.
 - b. expand the designated peak-periods on King Street – when parking, standing, and stopping prohibitions are in effect -- to the hours of 7:00 a.m. to 10:00 a.m. and 3:00 p.m. to 7:00 p.m.;
 - c. direct City staff to:
 - i. introduce the necessary by-laws to designate King Street, between Dufferin Street and Parliament Street, as a “Transit Priority Zone” where, similar to Community Safety Zones, fines for traffic and parking violations are doubled, and arrange for the installation of the associated signage to make motorists aware of the more-severe penalties;
 - ii. immediately initiate, with the Province, the process necessary to expand the red-light camera enforcement program in Toronto to allow camera enforcement of illegal left-turns, and of stopping and parking violations; and
 - iii. report back as soon as possible on the feasibility, and cost, of constructing taxi lay-bys on King Street where taxis now block the curb lanes at the office towers between York Street and Bay Street;
 - d. direct Toronto Police Service to commit resources for the continual and ongoing enforcement of all applicable traffic regulations within the King Street Transit Priority Zone.”

Summary

At its meeting on Wednesday, March 21, 2007, the Commission considered the attached report entitled, "Improvements to the 504 Streetcar Service".

Sign Variance - 121 King Street West

(August 1, 2007) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variances to permit, for identification purposes, an illuminated pedestal sign along York Street frontage (at the southwest corner of the property) to direct motorists to the underground parking at 121 King Street West and require that energy efficient lights be used; and
2. Toronto and East York Community Council direct the City Clerk's Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Adam Kelly, with Kramer Design Associates, for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, an illuminated pedestal directional sign along York Street frontage, of the building at 121 King West.

Staff recommends approval of the application. The variances are minor and within the general intent and purpose of the Municipal Code.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council:

1. approved the requested variances to permit, for identification purposes, an illuminated pedestal sign along York Street frontage (at the southwest corner of the property) to direct motorists to the underground parking at 121 King Street West and require that energy efficient lights be used; and
2. directed the City Clerk's Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

The Trump International Hotel and Tower Public Art Plan - 311 and 333 Bay Street

(August 22, 2007) Report from Director, Urban Design, City Planning Division

Recommendations

The City Planning Division recommends that City Council approve the attached Trump International Hotel and Tower Public Art Plan, 311 and 333 Bay Street.

Summary

In compliance with the development approval provisions, the owners of 311 and 333 Bay Street have submitted a public art plan for approval by City Council. The full plan is called the Trump International Hotel and Tower Public Art Plan, 311 and 333 Bay Street and is the Attachment 1 in this report. This public art plan outlines the method by which the owner will commission the public art in the publicly-accessible areas of the development. The plan identifies the project objectives, site opportunities, estimated budget, art selection method and a project schedule.

The owner will commence the selection of the art upon plan approval. The resulting art installation will be the property of and maintained by the owners of 311 and 333 Bay Street.

The Trump International Hotel and Tower Public Art Plan provides a good framework for the commissioning of artworks on prominent public areas of the site. The attached plan meets the objectives of the City Planning Percent for Public Art Program and is supported by the Toronto Public Art Commission.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommended that City Council approve the Trump International Hotel and Tower Public Art Plan, 311 and 333 Bay Street attached to the report (August 22, 2007) from the Director, Urban Design, City Planning Division

Pier 27 Comprehensive Public Art Plan - 25 Queens Quay East

(August 22, 2007) Report from Director, Urban Design, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council approve the attached Pier 27 Comprehensive Public Art Plan, 25 Queens Quay East.

Summary

In compliance with the development approval provisions, the owners of Pier 27 (Toronto) 25 Queens Quay East have submitted a comprehensive public art plan for approval by City Council. The full plan is the Attachment 1 in this report. This plan provides a framework for the public art program to be implemented during the course of the phased development. It anticipates where the owner will commission the public art in the publicly-accessible areas of the development. The plan identifies the project objectives, site opportunities, estimated budget, art selection method and a project schedule. Upon approval, the owner will begin to plan the competition and implementation management for the course of the development. The resulting art installations will be the property of and maintained by the owners of Pier 27 (Toronto) 25 Queens Quay East.

The Pier 27 Comprehensive Public Art Plan provides a good framework for the commissioning of artworks on prominent public areas of the site. The attached plan meets the objectives of the City Planning Percent for Public Art Program and is supported by the Toronto Public Art Commission.

Committee Recommendations

Exemption from Part Lot Control Application - 567 Shuter Street

(August 20, 2007) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that City Council:

1. enact a Part Lot Control Exemption By-law, with respect to the subject lands, to be prepared to the satisfaction of the City Solicitor;
2. authorize the City Solicitor to introduce the necessary Bill in Council for a Part Lot Control Exemption By-law to expire (1) year from the date of enactment;
3. require the owner to provide proof of payment to the satisfaction of the City Solicitor that all current property taxes for the subject site prior to registration of the Part Lot Control Exemption By-law;
4. require the owner to register, to the satisfaction of the City Solicitor, a Section 118 Restriction under the Land Titles Act agreeing not to convey or mortgage any part of the lands without the written consent of the Chief Planner or his designate prior to the introduction of Bills in Council;
5. authorize and direct the appropriate City officials to register the by-law on title;
6. authorize the City Solicitor to take the necessary steps to release the Section 118 Restriction from title upon receipt of confirmation that the Common Elements Condominium Plan has been registered; and
7. authorize the City Solicitor shall be authorized to make such stylistic and technical changes to the Part Lot Control Exemption By-law as may be required.

Financial Impact

The recommendations in this report have no financial impact.

Summary

This application was made after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the City of Toronto Act, 2006.

This application has been submitted to permit the lifting of Part Lot Control at the municipal address known in 2006 as 567 Shuter Street. This report reviews and recommends approval of the application to lift Part Lot Control to permit the division of the property into 16 free-hold townhouse with common elements condominium.

An exemption from Part Lot Control is appropriate as the related City development approvals are in place. In addition, this report recommends that the owner of the lands register a Section

118 Restriction under the Land Titles Act agreeing not to convey or mortgage any part of the lands without the prior consent of the Chief Planner or his designate.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council Division recommended that City Council:

1. enact a Part Lot Control Exemption By-law, with respect to the subject lands, to be prepared to the satisfaction of the City Solicitor;
2. authorize the City Solicitor to introduce the necessary Bill in Council for a Part Lot Control Exemption By-law to expire (1) year from the date of enactment;
3. require the owner to provide proof of payment to the satisfaction of the City Solicitor that all current property taxes for the subject site prior to registration of the Part Lot Control Exemption By-law;
4. require the owner to register, to the satisfaction of the City Solicitor, a Section 118 Restriction under the Land Titles Act agreeing not to convey or mortgage any part of the lands without the written consent of the Chief Planner or his designate prior to the introduction of Bills in Council;
5. authorize and direct the appropriate City officials to register the by-law on title;
6. authorize the City Solicitor to take the necessary steps to release the Section 118 Restriction from title upon receipt of confirmation that the Common Elements Condominium Plan has been registered; and
7. authorize the City Solicitor shall be authorized to make such stylistic and technical changes to the Part Lot Control Exemption By-law as may be required.

Results of Speed Hump Poll - Wyndham Street, Between Brock Avenue and St. Clarens Avenue

(July 27, 2007) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends to Toronto and East York Community Council that:

1. traffic calming (speed humps) not be installed on Wyndham Street, between Brock Avenue and St. Clarens Avenue.

Financial Impact

The adoption of the above-noted recommendation would not result in any financial impact. If, however, Toronto and East York Community Council decides to approve installing traffic calming (speed humps) on Wyndham Street, the following financial impact will result:

1. the estimated cost of installing three speed humps on Wyndham Street is \$9,000.00. Funds are contained in the Transportation Services 2007 Capital Budget for traffic calming initiatives. The installation of these speed humps would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic calming poll undertaken on Wyndham Street, between Brock Avenue and St. Clarens Avenue. The poll results indicated a response rate of less than 50 percent.

Results of Speed Hump Poll - Lambertlodge Avenue, between Christie Street and Melita Crescent

(August 17, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council not authorize installation of speed humps on Lambertlodge Avenue, between Christie Street and the west branch of Melita Crescent.

Financial Impact

The adoption of the above-noted recommendation would not result in any financial impact. If, however, Toronto and East York Community Council decides to approve the installation of speed humps on Lambertlodge Avenue, the following financial impact will result:

1. estimated cost to install five speed humps on Lambertlodge Avenue is \$15,000.00. Funds in the amount of \$695,000.00 are contained in the Transportation Services 2007 Capital Budget for traffic calming initiatives. The installation of these speed humps would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic calming poll undertaken on Lambertlodge Avenue, between Christie Street and the west branch of Melita Crescent. The poll results did not achieve the required “50 percent plus one” return rate. Installation of speed humps should not proceed on Lambertlodge Avenue since there is no clear indication that residents support this proposal.

Committee Decision

On motion by Councillor Mihevc, the Toronto and East York Community Council:

1. requested the City Solicitor to prepare a draft by-law for installing five speed humps on Lambertlodge Avenue, between Christie Street and the west branch of Melita Crescent, generally as shown on Drawing No. 421F-8767, dated April 2007 attached to the report (August 17, 2007) from the Director, Transportation Services, Toronto and East York District; and
2. directed that the speed limit on Lambertlodge Avenue, between Christie Street and the west branch of Melita Crescent be reduced from 40 km/h to 30 km/h, upon installation of the speed humps.

Traffic Calming - Claxton Boulevard

(August 21, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council not

authorize installation of traffic calming (speed humps) on Claxton Boulevard, between Raglan Avenue and Connaught Circle.

Financial Impact

The adoption of the above-noted recommendation would not result in any financial impact. However, if Toronto and East York Community Council decides to approve the installation of traffic calming (speed humps) on Claxton Boulevard, the following financial impact will result:

1. humps would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services staff have investigated installing traffic calming to address residents' concerns with the speed of traffic on Claxton Boulevard, between Raglan Avenue and Connaught Circle.

Assessment results indicate that the speeds on the street are reasonable and installing traffic calming would not noticeably lower vehicle speeds. Therefore, speed humps should not be installed on Claxton Boulevard at this time.

Committee Decision

On motion by Councillor Mihevc, the Toronto and East York Community Council:

1. requested the Director, Transportation Services, Toronto and East York District to poll eligible householders on Claxton Boulevard, between Raglan Avenue and Connaught Circle, to determine whether residents support the installation, in accordance with the City of Toronto Traffic Calming Policy;
2. subject to favourable results of the poll;
 - a. requested the City Solicitor to prepare a by-law to alter sections of the roadway on Claxton Boulevard, between Raglan Avenue and Connaught Circle, for traffic calming purposes, as shown on the Drawing No. 421F 9057 attached to the report (August 21, 2007) from the Director, Transportation Services, Toronto and East York District, which was circulated to residents during the polling process; and
3. requested the Director, Transportation Services, Toronto and East York District to reduce the speed limit from 40 kilometres per hour to 30 kilometres per hour on Claxton Boulevard, between Raglan Avenue and Connaught Circle, when the speed humps are installed

Traffic Calming - Wolfrey Avenue, between Broadview Avenue and Bowden Avenue

(August 10, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

The Transportation Services Division recommends that traffic-calming devices not be installed on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Community Council decides to approve installing traffic-calming devices on this section of Wolfrey Avenue, the following financial impact will result:

1. Transportation Services has been allocated \$695,000.00 in its 2007 Capital budget for traffic calming initiatives and installing speed humps on this section of Wolfrey Avenue would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. Transportation Services staff have investigated installing traffic calming devices to reduce the operating speed of Wolfrey Avenue, between Broadview Avenue and Bowden Avenue.

The operating speed of the street is already below a level which would benefit from installing traffic-calming devices. Therefore, Transportation Services staff should not install speed humps on this section of Wolfrey Avenue.

Committee Decision

On motion by Councillor Fletcher, the Toronto and East York Community Council:

1. requested the Director, Transportation Services, Toronto and East York District to consult with Councillor Fletcher to develop a speed hump plan;
2. requested the Director, Transportation Services, Toronto and East York District to poll eligible householders on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue to determine whether residents support the installation, and consult with Toronto Fire Service, Emergency Medical Service and Toronto Police Service, in

accordance with the City of Toronto Traffic-Calming Policy; and

3. subject to favourable results of the poll;
 - a. requested the City Solicitor to prepare a by-law to alter sections of the roadway on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue, for traffic calming purposes, generally as the speed hump plan that Transportation Services circulated to residents during the polling process shows; and
 - b. requested the Director, Transportation Services, Toronto and East York District to reduce the speed limit from forty kilometres per hour to thirty kilometres per hour on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue, at the same time as they install speed humps.

Traffic Calming - Macpherson Avenue

(July 25, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends to Toronto and East York Community Council that traffic calming not be installed on Macpherson Avenue, between Avenue Road and Rathnelly Avenue.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Toronto and East York Community Council decides speed humps on Macpherson Avenue, between Avenue Road and Rathnelly Avenue would be beneficial, the following financial impact will result:

1. Funds in the amount of \$750,000.00 have been allocated in the 2007 Transportation Services Capital Budget for traffic calming initiatives. Installing speed humps on Macpherson Avenue would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from

Traffic Calming – Selwyn Avenue and Westview Boulevard

(August 21, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. direct Transportation Services staff, in consultation with Councillor Janet Davis to develop speed hump plans for Selwyn Avenue and Westview Boulevard;
2. direct Transportation Services staff to poll eligible householders on:
 - a. Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard;
 - b. Westview Boulevard, between St. Clair Avenue East and Holland Avenue; and
 - c. Other impacted streets, Barrett Road, Dalecrest Drive and Gardens Crescent.

to determine whether residents support the installation, in accordance with the City of Toronto Traffic-Calming Policy; and

3. subject to favourable results of the poll;
 - a. the City Solicitor prepare a by-law to alter sections of the roadway on Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard and on Westview Boulevard, between St. Clair Avenue East and Holland Avenue, for traffic-calming purposes, generally as shown on the speed hump plans circulated to residents during the polling process; and
 - b. reduce the speed limit from 40 km/h to 30 km/h on Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard and Westview Boulevard, between St. Clair Avenue East and Holland Avenue, at the time speed humps are installed.

Financial Impact

Adoption of the above-noted recommendations will result in the following financial impact:

1. Selwyn Avenue and Westview Boulevard would be \$27,000.00. Funds have been allocated in the Transportation Services 2007 Capital Budget for traffic-calming initiatives. Installing speed humps on Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard and Westview Boulevard, between St. Clair Avenue East and Holland Avenue is subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision.

Transportation Services staff has investigated installing traffic-calming to address residents' concerns with the speed of traffic on:

- a. Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard; and
- b. Westview Boulevard, between St. Clair Avenue East and Holland Avenue.

Assessment results indicate that operating speeds on these streets are at a level which would benefit from traffic-calming. Therefore, the installation of speed humps is recommended on Selwyn Avenue and Westview Boulevard.

Committee Decision

On motion by Councillor Vaughan, the Toronto and East York Community Council:

1. directed Transportation Services staff, in consultation with Councillor Davis to develop speed hump plans for Selwyn Avenue and Westview Boulevard;
2. directed Transportation Services staff to poll eligible householders on:
 - a. Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard;

- b. Westview Boulevard, between St. Clair Avenue East and Holland Avenue; and
- c. Other impacted streets, Barrett Road, Dalecrest Drive and Gardens Crescent.

to determine whether residents support the installation, in accordance with the City of Toronto Traffic-Calming Policy; and

3. subject to favourable results of the poll;
 - a. the City Solicitor prepare a by-law to alter sections of the roadway on Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard and on Westview Boulevard, between St. Clair Avenue East and Holland Avenue, for traffic-calming purposes, generally as shown on the speed hump plans circulated to residents during the polling process; and
 - b. reduce the speed limit from 40 km/h to 30 km/h on Selwyn Avenue, between St. Clair Avenue East and Westview Boulevard and Westview Boulevard, between St. Clair Avenue East and Holland Avenue, at the time speed humps are installed.

Pedestrian Crossover Installation – Gerrard Street East at Norwood Road

(August 21, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council not authorize installation of a pedestrian crossover on Gerrard Street East, at Norwood Road.

Financial Impact

Work	Type of funding	Source of funds	Amount
Receipt of this report	Not applicable	Not applicable	\$0
Installation of a pedestrian crossover	Available within current budget	Toronto Transportation Services 2007 operating budget	\$20,000.00

Summary

Transportation Services has evaluated a request to install a pedestrian crossover (PXO) at the intersection of Gerrard Street East and Norwood Road. The installation of a PXO at this intersection is not technically warranted or recommended by staff.

This staff report is about a matter for which the Community Council does not have delegated authority from City Council to make a final decision.

If City Council approves this installation, staff will prepare a detailed design for the PXO. Installation might require relocation of the westbound Toronto Transit Commission (TTC) stop and shelter, and the loss of three parking spaces on Gerrard Street East.

Proposed Bicycle Lanes on Carlaw Avenue from Riverdale Avenue to Simpson Avenue and on Logan Avenue from Simpson Avenue to Dundas Street East

(August 22, 2007) Report from Director, Transportation Infrastructure Management

Recommendations

The Transportation Services Division recommends that City Council:

1. approve the installation of a southbound bicycle lane on the west side of Carlaw Avenue, from Riverdale Avenue to Simpson Avenue, as detailed in Appendix A of this report;
2. approve the installation of a southbound contra-flow bicycle lane on the west side of Logan Avenue, from Simpson Avenue to Gerrard Street East, as detailed in Appendix A of this report;
3. approve the installation of bicycle lanes on both sides of Logan Avenue, from Gerrard Street East to Dundas Street East, as detailed in Appendix A of this report;
4. approve the amendments to the traffic and parking regulations detailed in Appendix B of this report; and
5. authorize and direct the appropriate City officials to take the necessary action to give effect thereto, including the introduction of all necessary bills.

Financial Impact

Funds to implement the bicycle lanes on Carlaw Avenue and Logan Avenue, in the estimated amount of \$25,000.00, are provided for within the Transportation Services Division 2007 Capital Budget in the Cycling Infrastructure Account CTP 807-05.

Summary

Toronto and East York Community Council does not have delegated authority from City Council to make a final decision because this report recommends amendments to on-street parking / standing / stopping regulations on a road where there is an established Toronto Transit Commission (T.T.C.) route.

The purpose of this report is to obtain authority to install a southbound bicycle lane on the west side of Carlaw Avenue from Riverdale Avenue to Simpson Avenue; a southbound contra-flow bicycle lane on the west side of Logan Avenue from Simpson Avenue to Gerrard Street East; and bicycle lanes on both sides of Logan Avenue from Gerrard Street East to Dundas Street East. These bicycle lanes are required to complete the north-south bikeway facility on Logan Avenue and Carlaw Avenue that connects the Lake Shore Boulevard East bicycle path and the Cosburn Avenue bicycle lanes.

The installation of these bicycle lanes on Carlaw Avenue and Logan Avenue will have minimal impacts on traffic operations, parking and T.T.C. operations.

Committee Recommendations

On motion by Councillor Fletcher, the Toronto and East York Community Council recommended that City Council:

1. approve the installation of a southbound bicycle lane on the west side of Carlaw

Avenue, from Riverdale Avenue to Simpson Avenue, as detailed in Appendix A of the report (August 22, 2007) from the Director, Transportation Infrastructure Management;

2. approve the installation of a southbound contra-flow bicycle lane on the west side of Logan Avenue, from Simpson Avenue to Gerrard Street East, as detailed in Appendix A of the staff report;
3. approve the installation of bicycle lanes on both sides of Logan Avenue, from Gerrard Street East to Dundas Street East, as detailed in Appendix A of the staff report;
4. approve the amendments to the traffic and parking regulations detailed in Appendix B of the staff report; and
5. authorize and direct the appropriate City officials to take the necessary action to give effect thereto, including the introduction of all necessary bills.

The above motion was carried on the following division of votes:

Proposed Bicycle Lanes on Greenwood Avenue from Danforth Avenue to Queen Street East

(August 21, 2007) Report from Director, Transportation Infrastructure Management

Recommendations

The Transportation Services Division recommends that City Council:

1. approve the installation of bicycle lanes on both sides of Greenwood Avenue, from Danforth Avenue to Queen Street East, as detailed in Appendix A of this report;
2. approve the amendments to the traffic and parking regulations detailed in Appendix B of this report; and
3. authorize and direct the appropriate City officials to take the necessary action to give effect thereto, including the introduction of all necessary bills.

Financial Impact

Funds to implement the bicycle lanes on Greenwood Avenue, in the estimated amount of \$45,000.00, are provided for within the Transportation Services Division 2007 Capital Budget in the Cycling Infrastructure Account CTP 807-05.

Summary

Community Council does not have delegated authority from City Council to make a final decision because this report recommends amendments to on-street parking / standing / stopping regulations on a road where there is an established Toronto Transit Commission (T.T.C.) route.

The purpose of this report is to obtain authority to install bicycle lanes on Greenwood Avenue from Danforth Avenue to Queen Street East. The proposed design will provide one traffic lane and one bicycle lane in each direction, with left turn lanes at signalized intersections, and parking on both sides of the street. The Ward Councillors have been consulted and support the proposed bicycle lanes on Greenwood Avenue.

Committee Recommendations

On motion by Councillor Fletcher, the Toronto and East York Community Council recommended that City Council:

1. approve the installation of bicycle lanes on both sides of Greenwood Avenue, from Danforth Avenue to Queen Street East, as detailed in Appendix A of the report (August 21, 2007) from the Director, Transportation Infrastructure Management;
2. approve the amendments to the traffic and parking regulations detailed in Appendix B of the staff report; and
3. authorize and direct the appropriate City officials to take the necessary action to give effect thereto, including the introduction of all necessary bills.

1. approve the installation of a westbound contra-flow bicycle lane on the north side of Chester Hill Road, from Broadview Avenue to Cambridge Avenue, as detailed in Appendix A of this report;
2. approve the amendments to the traffic and parking regulations detailed in Appendix B of this report;
3. approve a “Stop” sign for westbound cyclist traffic on Chester Hill Road at its intersection with Cambridge Avenue; and
4. authorize and direct the appropriate City officials to take the necessary action to give effect thereto, including the introduction of all necessary bills.

Financial Impact

Funds to implement the bicycle lanes on Chester Hill Road, in the estimated amount of \$2,500.00, are provided for within the Transportation Services Division 2007 Capital Budget in the Cycling Infrastructure Account CTP 807-05.

Summary

This report is a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to obtain authority to install a contra-flow bicycle lane on the north side of Chester Hill Road from Broadview Avenue to Cambridge Avenue. The installation of a contra-flow lane within the existing Chester Hill Road pavement width can be achieved while maintaining all existing parking.

Expansion of Tunnel Connecting 26 and 38 Shuter Street – St. Michael's Hospital

(August 23, 2007) Report from Manager, Right of Way Management, Transportation Services
Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the request to reconstruct and expand the underground tunnel crossing Victoria Street Lane connecting 26 and 38 Shuter Street from a height of approximately 2.75 m to 3.8 m with a remaining clearance of 0.5 m from the surface of the paved roadway, subject to St Michael's Hospital entering into a new encroachment agreement with the City of Toronto for this tunnel and the tunnel crossing Shuter Street connecting 30 Bond Street to 38 Shuter Street, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - b. design, construct and maintain both tunnels as necessary at their own expense in good repair and in a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachments beyond what is allowed in terms of the Agreement;
 - c. design and construct the expanded Victoria Street Lane tunnel to comply with the Canadian Highway Bridge Design Code (CAN/CSA) for highway loading purposes, as amended, superseded or replaced from time to time, including allowance for impact factors;
 - d. pay for the costs of preparing the Agreement and the registration Agreement on title;

- e. pay an annual fee as set out in Municipal Code Chapter 441, Appendix C, Schedule 2, Item 13;
 - f. obtain approval for associated work on private property from the Toronto Building Division;
 - g. provide “as constructed” drawings within 90 days of completing the construction of the underground tunnel; and
 - h. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City;
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the tunnels, subject to the approval of the General Manager of Transportation Services; and
 3. request Legal Services to prepare, execute and arrange to register the Encroachment Agreement on title.

Summary

This staff report is regarding a matter which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an application on behalf of St Michael’s Hospital proposing the reconstruction, expansion and maintenance of an existing underground tunnel on Victoria Street Lane connecting 26 and 38 Shuter Street which encroaches the public right of way. Given that the proposed work does not impact negatively on the public right of way, Transportation Services recommends approval of the encroachment.

There is an additional tunnel servicing St. Michael’s Hospital which crosses Shuter Street connecting 30 Bond Street to 38 Shuter Street. There is an encroachment agreement for this tunnel, however, it is not registered on title. It is therefore recommended that St. Michael’s Hospital enter into a new encroachment agreement incorporating all tunnels under one agreement and register the agreement on title.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council:

1. approved the request to reconstruct and expand the underground tunnel crossing Victoria Street Lane connecting 26 and 38 Shuter Street from a height of approximately 2.75 m to 3.8 m with a remaining clearance of 0.5 m from the surface of the paved roadway, subject to St Michael’s Hospital entering into a new encroachment agreement with the City of Toronto for this tunnel and the tunnel crossing Shuter Street connecting 30 Bond Street to 38 Shuter Street, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and

from a loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;

- b. design, construct and maintain both tunnels as necessary at their own expense in good repair and in a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachments beyond what is allowed in terms of the Agreement;
 - c. design and construct the expanded Victoria Street Lane tunnel to comply with the Canadian Highway Bridge Design Code (CAN/CSA) for highway loading purposes, as amended, superseded or replaced from time to time, including allowance for impact factors;
 - d. pay for the costs of preparing the Agreement and the registration Agreement on title;
 - e. pay an annual fee as set out in Municipal Code Chapter 441, Appendix C, Schedule 2, Item 13;
 - f. obtain approval for associated work on private property from the Toronto Building Division;
 - g. provide “as constructed” drawings within 90 days of completing the construction of the underground tunnel; and
 - h. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City;
2. directed Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the tunnels, subject to the approval of the General Manager of Transportation Services;
 3. requested Legal Services to prepare, execute and arrange to register the Encroachment Agreement on title; and
 4. forwarded to Budget Committee and the Executive Committee a request for a waiver of the encroachment fee of \$2,4000.

The following motion was placed by Deputy Mayor Pantalone and lost:

That the (issue of the encroachment) report (August 23, 2007) from the Manager, Right of Way Management, Transportation Services Toronto and East York District be deferred until the Policy has been dealt with by City Council.

Recorded Vote:

For: Councillors: Giambrone, Bussin, Davis, Pantalone, Ootes
 Against: Councillors: McConnell, Perks, Fletcher, Vaughan, Rae, Mihevc, Walker

Amendments to Parking Regulations - Wright Avenue

(August 24, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. rescind the current “No Parking” prohibition on the south side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue, from the first day to the 15th day of each month, April 1st to November 30th;
2. rescind the current “No Parking” prohibition on the north side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue, from the 16th day to the last day of each month, April 1st to November 30th;
3. rescind the current “No Parking” prohibition on the north side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue, from December 1 of one year to March 31 of the next following year;
4. rescind the current permit parking regulation, from 12:01 a.m. to 7:00 a.m., all times, except no parking first day to the 15th day of each month, Apr. 1 to Nov. 30, and no parking anytime Dec. 1 of one year to Mar. 31 of the next following year on the south side of Wright Avenue, from Parkside Drive to Roncesvalles Avenue;
5. rescind the current permit parking regulation, from 12:01 a.m. to 7:00 a.m., all times, except no parking 16th day to the last day of each month, from Apr. 1 to Nov. 30 on the north side of Wright Avenue, from Parkside Drive to Roncesvalles Avenue;
6. parking be prohibited at anytime on the south side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue; and
7. permit parking be implemented from 12:01 a.m. to 7:00 a.m., daily, on the north side of Wright Avenue, from Parkside Drive to Roncesvalles Avenue.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget.	\$1000

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services is seeking authority to change the alternate side parking regulations to provide parking at all times on the north side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue. This parking regulation change will provide an additional four spaces, and an unobstructed traffic lane for emergency services and local residents at all times of the year. However, street cleaning operations will be less effective on the side of the street with permanent parking.

Committee Decision

On motion by Councillor Perks, the Toronto and East York Community Council:

1. rescinded the current “No Parking” prohibition on the south side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue, from the first day to the 15th day of each month, April 1st to November 30th;
2. rescinded the current “No Parking” prohibition on the north side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue, from the 16th day to the last day of each month, April 1st to November 30th;
3. rescinded the current “No Parking” prohibition on the north side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue, from December 1 of one year to March 31 of the next following year;
4. rescinded the current permit parking regulation, from 12:01 a.m. to 7:00 a.m., all times, except no parking first day to the 15th day of each month, Apr. 1 to Nov. 30, and no parking anytime Dec. 1 of one year to Mar. 31 of the next following year on the south side of Wright Avenue, from Parkside Drive to Roncesvalles Avenue;
5. rescinded the current permit parking regulation, from 12:01 a.m. to 7:00 a.m., all times, except no parking 16th day to the last day of each month, from Apr. 1 to Nov. 30 on the north side of Wright Avenue, from Parkside Drive to Roncesvalles Avenue;
6. directed that parking be prohibited at anytime on the south side of Wright Avenue, between Parkside Drive and Roncesvalles Avenue; and
7. directed that permit parking be implemented from 12:01 a.m. to 7:00 a.m., daily, on the north side of Wright Avenue, from Parkside Drive to Roncesvalles Avenue.

Rescinding Parking Prohibition - Kewbeach Avenue

(July 24, 2007) Report from Director, Transportation Services Toronto and East York

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. rescind the parking prohibition on the north side of Kewbeach Avenue, between the west end of Kewbeach Avenue and Kippendavie Avenue; and
2. implement permit parking, 12:01 a.m. to 7:00 a.m., on the north side of Kewbeach Avenue, between Woodbine Avenue and Kippendavie Avenue.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$800.00

Summary

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision. Transportation Services is seeking authority to rescind the parking prohibition on the north side of Kewbeach Avenue, between Woodbine Avenue and Kippendavie Avenue, and implement overnight permit parking. This will provide 17 parking spaces and have a negligible effect on traffic operations.

Committee Decision

On motion by Councillor Bussin, the Toronto and East York Community Council:

1. rescinded the parking prohibition on the north side of Kewbeach Avenue, between the west end of Kewbeach Avenue and Kippendavie Avenue; and
2. implemented permit parking, 12:01 a.m. to 7:00 a.m., on the north side of Kewbeach Avenue, between Woodbine Avenue and Kippendavie Avenue.

Restoration of Parking Conditions - St. Clair Avenue West

(August 2, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that, in order to restore parking conditions on St. Clair Avenue West, from Spadina Road to Russell Hill Road to those that existed prior to the recent completion of the streetcar right-of-way, City Council:

1. rescind the pay-and-display parking regulations on the north side of St. Clair Avenue West, from a point 57 metres west of Russell Hill Road to a point 30.5 metres east of Spadina Road, that operate from 9:00 a.m. to 4:00 p.m., Monday to Friday; from 8:00 a.m. to 6:00 p.m., Saturday; from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and from 1:00 p.m. to 9:00 p.m., Sunday;
2. rescind the pay-and-display parking regulations on the south side of St. Clair Avenue West, from a point 75 metres west of Russell Hill Road to a point 55 metres east of Spadina Road, that operate from 9:00 a.m. to 4:00 p.m., Monday to Friday; from 8:00 a.m. to 6:00 p.m., Saturday; from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and from 1:00 p.m. to 9:00 p.m., Sunday; and
3. permit parking for a maximum period of two hours from 9:00 a.m. to 4:00 p.m., Monday to Friday and from 8:00 a.m. to 6:00 p.m., Saturday:
 - a. on the north side of St. Clair Avenue West, from a point 57 metres west of Russell Hill Road to a point 30.5 metres east of Spadina Road; and
 - b. on the south side of St. Clair Avenue West, from a point 75 metres west of Russell Hill Road to a point 55 metres east of Spadina Road.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget interim appropriations	\$1,500

Summary

Transportation Services has evaluated a request to restore previous parking regulations on the section of St. Clair Avenue West, between Spadina Road and Russell Hill Road. This would entail removing the pay-and-display machines that were recently installed in conjunction with the completion of the streetcar right-of-way through this area.

Committee Recommendations

On motion by Councillor Walker, the Toronto and East York Community Council

recommended that, in order to restore parking conditions on St. Clair Avenue West, from Spadina Road to Russell Hill Road to those that existed prior to the recent completion of the streetcar right-of-way, City Council:

1. rescind the pay-and-display parking regulations on the north side of St. Clair Avenue West, from a point 57 metres west of Russell Hill Road to a point 30.5 metres east of Spadina Road, that operate from 9:00 a.m. to 4:00 p.m., Monday to Friday; from 8:00 a.m. to 6:00 p.m., Saturday; from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and from 1:00 p.m. to 9:00 p.m., Sunday;
2. rescind the pay-and-display parking regulations on the south side of St. Clair Avenue West, from a point 75 metres west of Russell Hill Road to a point 55 metres east of Spadina Road, that operate from 9:00 a.m. to 4:00 p.m., Monday to Friday; from 8:00 a.m. to 6:00 p.m., Saturday; from 6:00 p.m. to 9:00 p.m., Monday to Saturday; and from 1:00 p.m. to 9:00 p.m., Sunday; and
3. permit parking for a maximum period of two hours from 9:00 a.m. to 4:00 p.m., Monday to Friday and from 8:00 a.m. to 6:00 p.m., Saturday:
 - i. on the north side of St. Clair Avenue West, from a point 57 metres west of Russell Hill Road to a point 30.5 metres east of Spadina Road; and
 - ii. on the south side of St. Clair Avenue West, from a point 75 metres west of Russell Hill Road to a point 55 metres east of Spadina Road.

Change to school bus loading zone and student pick-up/drop-off area - Williamson Road

(August 30, 2007) Report from Director, Transportation Services Toronto and East York

Recommendations

Transportation Services recommends that City Council:

1. rescind the school bus loading zone on the north side of Williamson Road, between a point 15 metres west of Wineva Avenue and a point 15 metres east of Hambly Avenue;
2. introduce a school bus loading zone, September 1 to June 30, on the north side of

Williamson Road, between a point 9 metres west of Wineva Avenue and a point 29 metres further west;

3. rescind the stopping prohibition, 8:00 a.m. to 4:00 p.m., Monday to Friday, except public holidays, on the north side of Williamson Road, between a point 15 metres east of Hambly Avenue and Southwood Drive;
4. prohibit stopping, 8:00 a.m. to 4:00 p.m., Monday to Friday, except public holidays, September 1 to June 30, on the north side of Williamson Road, between a point 38 metres west of Wineva Avenue and Southwood Drive;
5. rescind the parking prohibition on the north side of Williamson Road, between Southwood Drive and a point 15 metres west of Wineva Avenue;
6. prohibit parking on the north side of Williamson Road, between Southwood Drive and a point 9 metres west of Wineva Avenue;
7. rescind the 10-minute parking regulation, 8:00 a.m. to 9:00 a.m., 11:00 a.m. to 1:00 p.m. and 3:00 p.m. to 4:00 p.m., Monday to Friday, except public holidays, on the north side of Williamson Road, between a point 42.5 metres east of Lee Avenue and a point 15 metres east of Hambly Avenue; and
8. parking be limited to 10 minutes, 8:00 a.m. to 9:00 a.m., 11:00 a.m. to 1:00 p.m. and 3:00 p.m. to 4:00 p.m., Monday to Friday, except public holidays, September 1 to June 30, on the north side of Williamson Road, between a point 42.5 metres east of Lee Avenue and a point 38 metres west of Wineva Avenue.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$1000.00

Summary

Transportation Services is seeking City Council authority to reduce the length of the school bus loading zone on the north side of Williamson Road, in front of Williamson Road and Glen Ames schools, by about 35 metres and to increase the adjacent student pick-up/drop-off area by this distance. In addition, it is recommended that the parking regulations be amended to allow parking in July and August when school is out.

The proposed changes would result in an additional 7 parking spaces for parents picking up or dropping off their children. This may have a positive impact on traffic operations by reducing congestion in front of the schools. Also, allowing parking when school is out will provide about 20 parking spaces during these times.

Committee Recommendations

On motion by Councillor Bussin, the Toronto and East York Community Council

recommended that City Council:

1. rescind the school bus loading zone on the north side of Williamson Road, between a point 15 metres west of Wineva Avenue and a point 15 metres east of Hambly Avenue;
2. introduce a school bus loading zone, September 1 to June 30, on the north side of Williamson Road, between a point 9 metres west of Wineva Avenue and a point 29 metres further west;
3. rescind the stopping prohibition, 8:00 a.m. to 4:00 p.m., Monday to Friday, except public holidays, on the north side of Williamson Road, between a point 15 metres east of Hambly Avenue and Southwood Drive;
4. prohibit stopping, 8:00 a.m. to 4:00 p.m., Monday to Friday, except public holidays, September 1 to June 30, on the north side of Williamson Road, between a point 38 metres west of Wineva Avenue and Southwood Drive;
5. rescind the parking prohibition on the north side of Williamson Road, between Southwood Drive and a point 15 metres west of Wineva Avenue;
6. prohibit parking on the north side of Williamson Road, between Southwood Drive and a point 9 metres west of Wineva Avenue;
7. rescind the 10-minute parking regulation, 8:00 a.m. to 9:00 a.m., 11:00 a.m. to 1:00 p.m. and 3:00 p.m. to 4:00 p.m., Monday to Friday, except public holidays, on the north side of Williamson Road, between a point 42.5 metres east of Lee Avenue and a point 15 metres east of Hambly Avenue; and
8. parking be limited to 10 minutes, 8:00 a.m. to 9:00 a.m., 11:00 a.m. to 1:00 p.m. and 3:00 p.m. to 4:00 p.m., Monday to Friday, except public holidays, September 1 to June 30, on the north side of Williamson Road, between a point 42.5 metres east of Lee Avenue and a point 38 metres west of Wineva Avenue.

No Stopping Zone - Crawford Street

(August 8, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. rescind the “no parking anytime” regulation, on the west side of Crawford Street, from a point 148 metres north of Lobb Street to a point 35 metres further north; and
2. prohibit stopping at all times on both sides of Crawford Street, from a point 148 metres north of Lobb Street to a point 35 metres further north.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$300

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval from Toronto and East York Community Council to prohibit stopping at all times on both sides of Crawford Street at the public lane adjacent to Premises No. 227, serving Trinity-Bellwoods Park and John Gibson House. The introduction of this stopping prohibition will provide emergency vehicle access at all times and will not result in a loss to any parking spaces, as parking is presently prohibited at all times.

Committee Decision

On motion by Deputy Mayor Pantalone, the Toronto and East York Community Council:

1. rescinded the “no parking anytime” regulation, on the west side of Crawford Street, from a point 148 metres north of Lobb Avenue to a point 35 metres further north; and
2. prohibited stopping at all times on both sides of Crawford Street, from a point 148 metres north of Lobb Avenue to a point 35 metres further north.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services has evaluated a request from the

Marriot Residence Inn (No. 255 Wellington Street West) to provide loading opportunities for hotel guests. The hotel has indicated that they support the designation of an on-street loading zone on the south side of Wellington Street West, fronting the hotel property.

This designation of an on-street loading zone on the south side of Wellington Street West will provide loading opportunities for hotel guests and will not adversely impact the traffic or pedestrian operations on Wellington Street West.

Committee Decision

On motion by Councillor Vaughan, the Toronto and East York Community Council:

1. rescinded the existing “No Parking, Anytime” prohibition on the south side of Wellington Street West, between a point 38 metres east of Blue Jays Way and a point 60 metres west of Windsor Street;
2. enacted a “No Parking, Anytime” prohibition on the south side of Wellington Street West, between Windsor Street and a point 33 metres west of Windsor Street;
3. directed the 12:00 noon to 6:00 p.m., Saturday, Sunday and public holidays, April 1 to November 30” prohibition on the south side of Wellington Street West, between a point 38 metres east of Blue Jays Way and a point 177 metres west of Simcoe Street, to operate on the south side of Wellington Street West, between John Street and a point 177 metres west of Simcoe Street;
4. directed Wellington Street West, between Blue Jays Way and a point 38 metres east, to operate on the south side of Wellington Street West, between Blue Jays Way and a point 33 metres west of Windsor Street;
5. rescinded the existing “No Stopping, 7:30 a.m. to 9:30 a.m., Monday to Friday” prohibition on the south side of Wellington Street West, between Blue Jays Way and a point 60 metres west of Windsor Street; and
6. amended the existing “No Stopping, Anytime” prohibition on the south side of Wellington Street West, between John Street and a point 60 metres west of Windsor Street, to operate on the south side of Wellington Street West, between John Street and Windsor Street.

Parking Amendments - Queens Quay West, between Lower Spadina Avenue and a point 140 metres east

(August 15, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve:

1. amend the existing “No Parking, Anytime” prohibition on both sides of Queens Quay West, between Rees Street and Lower Spadina Avenue, to operate on both sides of Queens Quay West, between Rees Street and a point 215 metres west of Rees Street;
2. rescind the existing “No Parking, Monday to Friday” prohibition on the south side of Queens Quay West, between a point 60 metres east of Lower Spadina Avenue and Rees Street; and
3. enact a “No Stopping, Anytime” prohibition on both sides of Queens Quay West, between Lower Spadina Avenue and a point 140 metres east of Lower Spadina Avenue.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$ 500.00

Summary

Transportation Services has been requested by Councillor Vaughan to enact a “No Stopping, Anytime” prohibition on Queens Quay West, near the traffic control signals located approximately 55 metres east of Lower Spadina Avenue. Vehicles displaying disabled parking permits are legally parking in areas signed as “No Parking, Anytime”, creating sightline obstructions and potential safety concerns.

The introduction of a “No Stopping, Anytime” prohibition on this section of Queens Quay West will improve the flow of traffic and will reduce safety concerns. There are sufficient parking facilities in the area to accommodate the displaced parking. This prohibition will also eliminate all on-street pick-up/drop-off opportunities for residents as well as deliveries for businesses. However, these activities can be done off-street in this area.

Committee Recommendations

On motion by Councillor Vaughan, the Toronto and East York Community Council recommended to City Council that:

1. amend the existing “No Parking, Anytime” prohibition on both sides of Queens Quay

West, between Rees Street and Lower Spadina Avenue, to operate on both sides of Queens Quay West, between Rees Street and a point 215 metres west of Rees Street;

2. rescind the existing “No Parking, Monday to Friday” prohibition on the south side of Queens Quay West, between a point 60 metres east of Lower Spadina Avenue and Rees Street; and
3. enact a “No Stopping, Anytime” prohibition on both sides of Queens Quay West, between Lower Spadina Avenue and a point 140 metres east of Lower Spadina Avenue.

Extension of Overnight On-Street Permit Parking Hours - Osler Street

(August 23, 2007) Report from Manager, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. extend the overnight on-street permit parking hours of operation on Osler Street, between Dupont Street and Cariboo Avenue, from 12:01 a.m. to 7:00 a.m., 7 days a week, to 12:01 a.m. to 6:00 p.m., daily, except Thursdays, April 1 to November 30; and
2. rescind the one hour parking regulation from 8:00 a.m. to 6:00 p.m., on both sides of Osler Street, between Dupont Street and Cariboo Avenue.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$300

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval from Toronto and East York Community Council to extend the overnight on-street permit parking hours on the east side of Osler Street, between Dupont Street and Cariboo Avenue, from 12:01 a.m. to 7:00 a.m. to 12:01 a.m. to 6:00 p.m., daily, except Thursdays, April 1 to November 30, and to also rescind the one hour maximum parking regulation.

By extending the overnight on-street permit parking hours and rescinding the one hour maximum parking regulation on the east side of Osler Street, between Dupont Street and Cariboo Avenue, the Toronto Police Service, Parking Enforcement Unit, can effectively control illegal parking through their tagging and towing operations.

Committee Decision

On motion by Councillor Giambrone, the Toronto and East York Community Council directed that:

1. overnight on-street permit parking hours of operation on Osler Street, between Dupont Street and Cariboo Avenue, be extended from 12:01 a.m. to 7:00 a.m., 7 days a week, to 12:01 a.m. to 6:00 p.m., daily, except Thursdays, April 1 to November 30; and
2. one hour parking regulation from 8:00 a.m. to 6:00 p.m., on both sides of Osler Street, between Dupont Street and Cariboo Avenue be rescinded.

Removal of a Taxicab Stand - Danforth Avenue

(August 24, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council remove the “Taxicab Stand” on the south side of Danforth Avenue, from a point 121 metres east of Broadview Avenue to a point 6 metres further east.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget interim appropriations	\$ 500

Summary

Transportation Services is requesting approval from City Council to amend the parking regulations on the south side of Danforth Avenue, near the Danforth Music Hall, by removing a one-vehicle “Taxicab Stand”, and including this space in the Pay and Display parking area. Danforth Avenue is a T.T.C. night bus route.

Committee Recommendations

On motion by Councillor Fletcher, the Toronto and East York Community Council recommended that City Council remove the “Taxicab Stand” on the south side of Danforth Avenue, from a point 121 metres east of Broadview Avenue to a point 6 metres further east.

--------	--------	---------	--	----------

Lane Closure for Construction - Broadview Avenue

(August 24, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve the following actions:

1. close the sidewalk and curb lane on the west side of Broadview Avenue, between a point 38.5 metres north of Pottery Road and a point 98.0 metres north of Pottery Road to vehicles for 21 months, from October 1, 2007 to July 31, 2009;
2. amend the parking/stopping regulations on the west side of Broadview Avenue, between a point 38.5 metres north of Pottery Road and a point 98 metres north of Pottery Road for the duration of the closure period as follows:
 - a. rescind the “No Stopping, 7:00 a.m. to 9:00 a.m., Monday to Friday, except Public Holidays” regulation;
 - b. rescind the “No Parking, 4:00 p.m. to 6:00 p.m., Monday to Friday except Public Holidays” regulation; and
 - c. implement a “No Stopping Anytime” regulation; and

3. revert Broadview Avenue to its pre-construction traffic and parking regulations when the project is completed.

Summary

Minto Pottery Inc. is building a 25-storey condominium at 1042 Broadview Avenue, on the west side of Broadview Avenue, north of Pottery Road. This work requires a construction staging area.

Transportation Services is requesting City Council authority to close the west sidewalk and southbound curb lane on Broadview Avenue for a period of 21 months to accommodate this requirement.

Committee Recommendations

On motion by Councillor Ootes, the Toronto and East York Community Council recommended that City Council approve the following actions:

1. close the sidewalk and curb lane on the west side of Broadview Avenue, between a point 38.5 metres north of Pottery Road and a point 98.0 metres north of Pottery Road to vehicles for 21 months, from October 1, 2007 to July 31, 2009;
2. amend the parking/stopping regulations on the west side of Broadview Avenue, between a point 38.5 metres north of Pottery Road and a point 98 metres north of Pottery Road for the duration of the closure period as follows:
 - a. rescind the “No Stopping, 7:00 a.m. to 9:00 a.m., Monday to Friday, except Public Holidays” regulation;
 - b. rescind the “No Parking, 4:00 p.m. to 6:00 p.m., Monday to Friday except Public Holidays” regulation; and
 - c. implement a “No Stopping Anytime” regulation; and
3. revert Broadview Avenue to its pre-construction traffic and parking regulations when the project is completed.

“No Stopping Anytime” Regulation - Colborne Street, east of Yonge Street

(August 24, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. prohibit stopping at all times on the south side of Colborne Street, from Yonge Street to a point 31.5 metres east thereof; and
2. adjust the existing “No Standing Anytime” regulation on the south side of Colborne Street, from Yonge Street to Scott Street/Victoria Street, to operate on the south side of Colborne Street, from a point 46.5 metres east of Yonge Street to Scott Street/Victoria Street.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$ 500

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval from Toronto and East York Community Council to prohibit stopping at all times on a section of the south side of Colborne Street, immediately east of Yonge Street. This more stringent regulation, combined with enforcement, is required to deter unlawful parking or standing in this area, minimize traffic congestion and improve safety.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council directed that:

1. stopping at all times on the south side of Colborne Street, from Yonge Street to a point 31.5 metres east thereof be prohibited; and
2. the existing “No Standing Anytime” regulation on the south side of Colborne Street, from Yonge Street to Scott Street/Victoria Street, be adjusted to operate on the south side of Colborne Street, from a point 46.5 metres east of Yonge Street to Scott Street/Victoria Street.

Lane closure for construction - Yonge Street

(August 24, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve to close the public lane east of Yonge Street, from Price Street to a point about 18 metres north of Price Street, to vehicular and pedestrian traffic for 15 months, from September 20, 2007 to December 20, 2008.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Goldsmith Borgal & Company Limited Architects is restoring and constructing additions to existing buildings at 1099 Yonge Street, on the northeast corner of Yonge Street and Price Street. This work requires a construction staging area.

Transportation Services is requesting Community Council authority to close a section of the public lane along the east side of 1099 Yonge Street to vehicular and pedestrian traffic for a period of 15 months to accommodate this requirement.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council approved the closure of the public lane east of Yonge Street, from Price Street to a point about 18 metres north of Price Street, to vehicular and pedestrian traffic for 15 months, from September 20, 2007 to December 20, 2008.

Traffic Control Signals - Mortimer Avenue and Woodmount Avenue

(July 26, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council install traffic control signals at the intersection of Mortimer Avenue and Woodmount Avenue.

Financial Impact

The estimated cost of installing these new signals is approximately \$137,500.00. The funding for these signals is subject to availability and competing priorities within the Transportation Services Capital Program under Project No. 05TM-01TP.

The added annual operating and maintenance costs associated with this installation are \$5,000.00 which includes all communication costs. These funds are available in the current Transportation Services operating budget.

Summary

Transportation Services has reviewed a request to install traffic control signals at the intersection of Mortimer Avenue and Woodmount Avenue to improve safety. An unusually high number of preventable collisions resulting in personal injury have been reported. Installation of traffic signals will provide a safer environment for pedestrians, cyclists and motorists wishing to enter onto or cross Mortimer Avenue.

Committee Recommendations

On motion by Councillor Vaughan, the Toronto and East York Community Council recommended that City Council direct that traffic control signals be installed at the intersection of Mortimer Avenue and Woodmount Avenue.

Amendment to parking regulations - Wagstaff Drive

(August 9, 2007) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. amend the current “No parking” anytime regulation on the north side of Wagstaff Drive to operate from Greenwood Avenue to a point 122.5 metres west; and
2. implement a maximum one-hour parking limit on the north side of Wagstaff Drive from a point 122.5 metres west of Greenwood Avenue to a point 50 metres further west, between 5:00 p.m. and 9:00 p.m., Monday to Friday, and 9:00 a.m. and 5:00 p.m., Saturday and Sunday, and prohibit parking at other times.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$500.00

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services has investigated a request to allow short-term parking on Wagstaff Drive to accommodate parents dropping off children at an adjacent gymnastic centre. Approximately eight parking spaces could be provided on the north side of Wagstaff Drive during the evening and weekends.

Committee Decision

On motion by Councillor Fletcher, the Toronto and East York Community Council:

1. amended the current “No parking” anytime regulation on the north side of Wagstaff Drive to operate from Greenwood Avenue to a point 122.5 metres west; and
2. implemented a maximum one-hour parking limit on the north side of Wagstaff Drive from a point 122.5 metres west of Greenwood Avenue to a point 50 metres further west, between 5:00 p.m. and 9:00 p.m., Monday to Friday, and 9:00 a.m. and 5:00 p.m., Saturday and Sunday, and prohibit parking at other times.

TE8.101	ACTION	Adopted		Ward: 30
---------	--------	---------	--	----------

Parking Prohibition - Riverdale Avenue

(August 21, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council:

1. approve the following changes to parking regulations co-incident with the narrowing of the Riverdale Avenue and Pape Avenue intersection:
 - a. amend the area of the current “No Parking 8:30 a.m. to 6:00 p.m.” regulation on the south side of Riverdale Avenue, between Pape Avenue and a point 57.9 metres east of Carlaw Avenue, to operate between a point 35 metres west of Pape Avenue and a point 57.9 metres east of Carlaw Avenue;
 - b. amend the area of the current “No Parking 4:00 p.m. to 6:00 p.m., Monday to Friday” regulation on the south side of Riverdale Avenue, between Carlaw Avenue and Pape Avenue to operate between Carlaw Avenue and a point 57.9 metres east of Carlaw Avenue; and
 - c. prohibit parking at all times on the south side of Riverdale Avenue from Pape Avenue to a point 35 metres west thereof.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$200

Summary

Transportation Services is requesting approval to implement new and adjust existing “No Parking” regulations on the south side of Riverdale Avenue, between Pape Avenue and Carlaw Avenue. The amendments are required to ensure unobstructed eastbound traffic flow in conjunction with an earlier approved road narrowing on the south side of Riverdale Avenue at Pape Avenue and correct an overlap in parking regulations.

These amendments will result in the loss of approximately three parking spaces.

Committee Recommendations

On motion by Councillor Fletcher, the Toronto and East York Council recommends that City Council approve the following changes to parking regulations co-incident with the narrowing of the Riverdale Avenue and Pape Avenue intersection:

1. amend the area of the current “No Parking 8:30 a.m. to 6:00 p.m.” regulation on the south side of Riverdale Avenue, between Pape Avenue and a point 57.9 metres east of Carlaw Avenue, to operate between a point 35 metres west of Pape Avenue and a point 57.9 metres east of Carlaw Avenue;
2. amend the area of the current “No Parking 4:00 p.m. to 6:00 p.m., Monday to Friday” regulation on the south side of Riverdale Avenue, between Carlaw Avenue and Pape Avenue to operate between Carlaw Avenue and a point 57.9 metres east of Carlaw Avenue; and
3. prohibit parking at all times on the south side of Riverdale Avenue from Pape Avenue to a point 35 metres west thereof.

Closure for Construction - La Plante Avenue

(August 9, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. close a portion of the northbound lane and the east sidewalk on La Plante Avenue, between a point 49 metres south of College Street and a point 47 metres further south, for 30 months, from September 1, 2007 to February 28, 2010;
2. during this period:
 - a. implement “No Stopping Anytime” on the west side of La Plante Avenue, between a point 49 metres south of College Street and a point 47 metres further south; and
 - b. remove the existing Pay and Display parking regulations on the west side of La Plante Avenue, between a point 49 metres south of College Street and a point 47 metres further south; and
3. return La Plante Avenue to its pre-construction traffic and parking regulations when the project is completed.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Menkes Construction is building a 30-storey condominium at 770 Bay Street. The site is bounded by Bay Street on the east side, La Plante Avenue on the west side, and adjacent properties on the north and south sides. For this reason, Transportation Services must close a portion of the northbound lane and east sidewalk on La Plante Avenue, at the rear of the property, for 30 months, beginning September 1, 2007.

Two-way traffic will be maintained on La Plante Avenue. Eight pay-and-display parking spaces will have to be removed during construction. Pedestrians will be directed to use the sidewalk on the west side of La Plante Avenue.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council approved the following:

1. close a portion of the northbound lane and the east sidewalk on La Plante Avenue, between a point 49 metres south of College Street and a point 47 metres further south, for 30 months, from September 1, 2007 to February 28, 2010;
2. during this period:
 - a. implement “No Stopping Anytime” on the west side of La Plante Avenue, between a point 49 metres south of College Street and a point 47 metres further

south; and

- b. remove the existing Pay and Display parking regulations on the west side of La Plante Avenue, between a point 49 metres south of College Street and a point 47 metres further south; and
3. return La Plante Avenue to its pre-construction traffic and parking regulations when the project is completed.

Closure for Construction - Berti Street

(August 15, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. close the east sidewalk on Berti Street, between Richmond Street East and the east/west laneway north of Richmond Street East, for 15 months, from September 1, 2007 to November 30, 2008;
2. close the laneway running east from Berti Street, north of Richmond Street East, between Berti Street and the east property limit of Premises No. 60 Richmond Street East, for 15 months, from September 1, 2007 to November 30, 2008; and
3. return Berti Street and the laneway running east from Berti Street, north of Richmond Street East, to their pre-construction traffic condition when the project is completed.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Bird Construction Company is building a 12-storey housing cooperative at 60 Richmond Street East, on the north side of the road, between Berti Street and Church Street. For this reason, Transportation Services must close the following for 15 months, beginning September 1, 2007:

1. the east sidewalk on Berti Street on the flank of the property; and
2. the laneway at the rear of the property.

Existing traffic operation will be maintained on Berti Street. Pedestrians will be redirected to the west side of the roadway. Access to the open portion of the laneway will be maintained from Church Street. Existing access to the EMS station on the west side of Berti Street will be maintained.

Transportation Services must also close the curb lane on Richmond Street East during the same time period. This issue is dealt with in a companion report “60 Richmond Street East – Closure for Construction”, requiring City Council Approval.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council approved the following:

1. close the east sidewalk on Berti Street, between Richmond Street East and the east/west laneway north of Richmond Street East, for 15 months, from September 1, 2007 to November 30, 2008;
2. close the laneway running east from Berti Street, north of Richmond Street East, between Berti Street and the east property limit of Premises No. 60 Richmond Street East, for 15 months, from September 1, 2007 to November 30, 2008; and
3. return Berti Street and the laneway running east from Berti Street, north of Richmond Street East, to their pre-construction traffic condition when the project is completed.

TE8.104	ACTION	Adopted		Ward: 28
----------------	---------------	----------------	--	-----------------

Closure for Construction - 60 Richmond Street East

(August 15, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve the following actions:

1. close the curb lane on the north side of Richmond Street East, between Berti Street and

a point 75 metres further east, for 15 months, from September 1, 2007 to November 30, 2008;

2. during this period, remove the existing Pay and Display parking regulations on the north side of Richmond Street East, between Berti Street and Church Street; and
3. return Richmond Street East to its pre-construction traffic condition when the project is completed.

Summary

Bird Construction Company is building a 12-storey housing cooperative at 60 Richmond Street East, on the north side of the road, between Berti Street and Church Street. For this reason, Transportation Services must close the curb lane on Richmond Street East in front of the property for 15 months, beginning September 1, 2007.

Occupation of the north side curb lane on Richmond Street East will result in reduced vehicle capacity during the morning peak period. The 143 Downtown/Beach and 144 Downtown/Don Valley Express bus routes may experience increased delays during this period. Also, four pay-and-display parking spaces will have to be removed during construction. Pedestrians will be accommodated through a protected walkway within the staging area. Existing access to the EMS station on Berti Street will be maintained.

Transportation Services must also close the following, during the same time period:

1. the east sidewalk on Berti Street on the flank of the property; and
2. the laneway at the rear of the property.

This issue is dealt with in a companion report “Berti Street – Closure for Construction” requiring Toronto and East York Community Council approval.

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommended that City Council direct that:

1. the curb lane on the north side of Richmond Street East, between Berti Street and a point 75 metres further east be closed, for 15 months, from September 1, 2007 to November 30, 2008;
2. during this period, the existing Pay and Display parking regulations on the north side of Richmond Street East, between Berti Street and Church Street be removed; and
3. Richmond Street East be returned to its pre-construction traffic condition when the project is completed.

Closure for Construction - James Street

(August 8, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. close a portion of the northbound lane and divert the east sidewalk on James Street, between Queen Street West and a point 32 metres further north, for 10 months, from October 1, 2007 to July 31, 2008;
2. during this period:
 - a. implement “No Stopping Anytime” on the west side of James Street, between Queen Street West and a point 45.1 metres further north;
 - b. remove the existing Taxi-Cab Stand parking regulations on the west side of James Street, between a point 23.5 metres north of Queen Street West and a point 21.6 metres further north; and
 - c. remove the existing Pay and Display parking regulations on the east side James Street, between Queen Street East and a point 32 metres further north; and
3. return James Street to its pre-construction traffic and parking regulations when the project is completed.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

PCL Constructors Canada Inc. is constructing a new lobby at 20 Queen Street West. The site is located on the north east corner of Queen Street East and James Street, just east of Bay Street. For this reason, Transportation Services must close a portion of the northbound lane for 10 months, beginning October 1, 2007.

Two-way traffic will be maintained on James Street. Three pay-and-display parking spaces and

a three vehicle taxi-cab stand will have to be removed during construction. Pedestrians will be accommodated through a protected walkway on the east side of James Street.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council approved the following:

1. close a portion of the northbound lane and divert the east sidewalk on James Street, between Queen Street West and a point 32 metres further north, for 10 months, from October 1, 2007 to July 31, 2008;
2. during this period:

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. close the curb lane and divert the sidewalk on the west side of Princess Street between King Street East and Abbey Lane, for 13 months, from September 1, 2007 to September 30, 2008;

2. during this period:
 - a. implement “No Stopping Anytime” on the east side of Princess Street, between King Street East and Abbey Lane;
 - b. remove the existing “No Parking Anytime”, on the east side of Princess Street , between King Street East and Abbey Lane;
 - c. remove the existing Pay and Display parking regulations on the west side of Princess Street, between King Street East and Abbey Lane; and
 - d. the existing “One Hour Parking, 8:00 a.m. to 6:00 p.m.” regulation on the west side of Princess Street, between King Street East and Abbey Lane; and
3. return Princess Street to its pre-construction traffic and parking regulations when the project is completed.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Harhay Construction Management Ltd. is building a 13-storey condominium building at 275 King Street East, on the south side of King Street East, between Sherbourne Street and Princess Street. For this reason, Transportation Services must close the curb lane and divert the sidewalk on the west side of Princess Street for 13 months.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council approved the following:

1. close the curb lane and divert the sidewalk on the west side of Princess Street between King Street East and Abbey Lane, for 13 months, from September 1, 2007 to September 30, 2008;
2. during this period:
 - a. implement “No Stopping Anytime” on the east side of Princess Street, between King Street East and Abbey Lane;
 - b. remove the existing “No Parking Anytime”, on the east side of Princess Street , between King Street East and Abbey Lane;
 - c. remove the existing Pay and Display parking regulations on the west side of Princess Street, between King Street East and Abbey Lane; and
 - d. the existing “One Hour Parking, 8:00 a.m. to 6:00 p.m.” regulation on the west

side of Princess Street, between King Street East and Abbey Lane; and

Speed limit and “Stop” signs - King Edward Avenue and Burrell Avenue

(August 15, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

- reduce the speed limit from 50 km/h to 40 km/h on King Edward Avenue, from Gledhill Avenue to Holborne Avenue; and
- not authorize installation of “Stop” signs for northbound and southbound traffic on King Edward Avenue at Burrell Avenue.

Financial Impact

Work	Type of funding	Source of funds	Amount
Installation of 40km/h speed limit	Available within current budget	Toronto Transportation Services 2007 operating budget	\$900
*Installation of “Stop” signs	Available within current budget	Toronto Transportation Services 2007 operating budget	\$500

* Additional cost only if Community Council recommends installation of “Stop” signs

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services is seeking approval to lower the maximum speed limit from 50 km/h to 40 km/h on King Edward Avenue. Reducing the speed limit could promote lower operating

speeds and enhance safety for pedestrians and cyclists.

Transportation Services also evaluated the need for all-way “Stop” sign control at the intersection of King Edward Avenue and Burrell Avenue. Installation of all-way “Stop” sign control is not recommended at this intersection.

Committee Decision

On motion by Councillor Davis, with Councillor Vaughan in the Chair, the Toronto and East York Community Council:

1. reduced the speed limit from 50 km/h to 40 km/h on King Edward Avenue, from Gledhill Avenue to Holborne Avenue; and
2. directed that “Stop” signs for northbound and southbound traffic be installed on King Edward Avenue at Burrell Avenue.

Request for traffic control signals - Jarvis Street and Gloucester Street/Earl Place

(August 14, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve the installation of traffic control signals at the intersection of Jarvis Street and Gloucester Street/Earl Place.

Financial Impact

The estimated cost for installing traffic control signals will be approximately \$120,000.00. Funds for the installation of new traffic control signals are subject to availability of funds and competing priorities in the Transportation Services Capital Program under Project No. CTP707-01.

The added annual operating and maintenance costs associated with this installation are \$5,000.00, which includes all communication costs. These funds would come from the Transportation Services operating budget.

Summary

Transportation Services is requesting approval to install traffic control signals on Jarvis Street at Gloucester Street/Earl Place. The installation of traffic control signals at this intersection will provide assistance for pedestrians, motorists and cyclists wishing to cross Jarvis Street.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommended that City Council approve the installation of traffic control signals at the intersection of Jarvis Street and Gloucester Street/Earl Place.

Introduction of Regulatory Stop and Speed Controls - Stanley Avenue

(August 9, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve a “Stop” control for westbound traffic on Stanley Avenue at Walnut Avenue; and
2. reduce the maximum speed limit on Stanley Avenue, between Niagara Street and Walnut Avenue from 50 km/h to 40 km/h.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget.	\$400

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services is seeking authority to introduce a westbound “Stop” control on Stanley Avenue at its intersection with Walnut Avenue and to reduce the speed limit from 50 km/h to 40 km/h.

The introduction of this “Stop” control on Stanley Avenue will enhance operational safety and

prevent right-of-way conflicts from occurring. Reducing the speed limit on Stanley Avenue will promote lower operating speeds and provide a safer environment for all road users.

Committee Decision

On motion by Deputy Mayor Pantalone, the Toronto and East York Community Council:

1. approved a “Stop” control for westbound traffic on Stanley Avenue at Walnut Avenue; and
2. reduced the maximum speed limit on Stanley Avenue, between Niagara Street and Walnut Avenue from 50 km/h to 40 km/h.

No Standing Zone - Front Street East, east of Scott Street

(August 2, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. prohibit standing at all times on the south side of Front Street East, from Scott Street to a point 31 metres east of Scott Street; and
2. amend the existing “No Parking Anytime” regulation on the south side of Front Street East, from Scott Street to a point 67.1 metres east of Scott Street, to be in effect from 31 metres east of Scott Street to a point 67.1 metres east of Scott Street.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$ 500

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval from Toronto and East York Community Council to amend the parking regulations on the south side of Front Street East, in front of No. 27 Front Street East, to provide a pick-up/drop-off zone in the vicinity of the St. Lawrence Centre.

Implementing a “No Standing” zone will provide a clear area for pick-up/drop-off activities to occur efficiently and safely.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council:

1. prohibited standing at all times on the south side of Front Street East, from Scott Street to a point 31 metres east of Scott Street; and
2. amended the existing “No Parking Anytime” regulation on the south side of Front Street East, from Scott Street to a point 67.1 metres east of Scott Street, to be in effect from 31 metres east of Scott Street to a point 67.1 metres east of Scott Street.

Removal of disabled parking spaces - Bellair Street and Cumberland Street

(July 26, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. remove the designated disabled parking spaces on Bellair Street and Cumberland Street and include these spaces in the general parking regulations on these streets; and
2. amend the parking regulations outlined in Appendix 1 and Appendix 2 of this report to enact Recommendation No. 1.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget.	\$1000

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

At the request of Councillor Kyle Rae and the Bloor-Yorkville BIA, Transportation Services investigated concerns about disabled persons parking spaces on sections of Bellair Street and Cumberland Street.

Investigation revealed these parking spaces are not providing a benefit to patrons of businesses in the Yorkville community. Staff recommends removing these spaces and allowing parking and/or loading under the pay-&-display regulations in place elsewhere on these streets.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council:

1. removed the designated disabled parking spaces on Bellair Street and Cumberland Street and include these spaces in the general parking regulations on these streets; and
2. amended the parking regulations outlined in Appendix 1 and Appendix 2 of this report to enact Recommendation No. 1.

Prohibition of Parking - Sammon Avenue

(August 7, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council prohibit

parking at all times on the north side of Sammon Avenue, from Bonnie Brae Crescent to a point 30 metres east thereof.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2007 operating budget	\$500

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services investigated an issue of vehicles parking and blocking driveways at Nos. 436 and 438 Sammon Avenue. Although parking is allowed in the immediate area, the section of raised curb between the driveways is too short for any vehicle other than a motorcycle to park without blocking access to one or both driveways. Extending an existing corner parking prohibition by 15 metres to include these driveways is recommended to resolve the problem.

Committee Decision

On motion by Councillor Ootes, the Toronto and East York Community Council prohibited parking at all times on the north side of Sammon Avenue, from Bonnie Brae Crescent to a point 30 metres east thereof.

Proposed changes to parking and traffic operation - Hazelton Avenue

(August 10, 2007) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. allow two-way traffic operation on Hazelton Avenue, between Yorkville Avenue and Scollard Street; and

2. amend the traffic/parking regulations as follows to enable operation of two-way traffic on Hazelton Avenue, between Yorkville Avenue and Scollard Street:
 - a. rescind the one-way northbound, at all times, regulation on Hazelton Avenue from Yorkville Avenue to Davenport Road;
 - b. implement a one-way northbound, at all times, regulation on Hazelton Avenue from Scollard Street to Davenport Road;
 - c. rescind the pay-and-display parking regulations on the east side of Hazelton Avenue from a point 15 metres north of Yorkville Avenue to a point 15 metres south of Scollard Street;
 - d. prohibit parking at all times on the east side of Hazelton Avenue from Yorkville Avenue to Scollard Street; and
 - e. approve installation of a “Stop” sign for southbound traffic on Hazelton Avenue at Yorkville Avenue.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2007 Operating Budget	\$ 1000.00

Summary

This staff report deals with matters for which the Community Council has delegated authority from City Council to make a final decision.

The Hazelton Hotel (118 Yorkville Avenue) has requested the section of Hazelton Avenue, between Yorkville Avenue and Scollard Street be made two-way instead of one-way northbound to improve traffic circulation to/from the hotel. This operational change will improve traffic circulation. Given the narrow pavement width of the street (6.4 metres) it is necessary to prohibit parking on both sides of this section of Hazelton Avenue to allow two-way traffic operation. This operational change on Hazelton Avenue will also require installation of a “Stop” sign for southbound traffic on Hazelton Avenue at Yorkville Avenue.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council:

1. allowed two-way traffic operation on Hazelton Avenue, between Yorkville Avenue and Scollard Street; and
2. amended the traffic/parking regulations as follows to enable operation of two-way traffic on Hazelton Avenue, between Yorkville Avenue and Scollard Street:
 - a. rescinded the one-way northbound, at all times, regulation on Hazelton Avenue from Yorkville Avenue to Davenport Road;

- b. implemented a one-way northbound, at all times, regulation on Hazelton Avenue from Scollard Street to Davenport Road;
- c. rescinded the pay-and-display parking regulations on the east side of Hazelton Avenue from a point 15 metres north of Yorkville Avenue to a point 15 metres south of Scollard Street;
- d. prohibit parking at all times on the east side of Hazelton Avenue from Yorkville Avenue to Scollard Street; and
- e. approved installation of a “Stop” sign for southbound traffic on Hazelton Avenue at Yorkville Avenue.

 - c. the parking prohibition in effect from 4:00 p.m. to 6:00 p.m., Monday to Friday except public holidays, on the south side of Dundas Street West, from a point 67 metres west of Dufferin Street to a point 29.4 metres west of Grove Avenue, be rescinded;
 - d. a parking prohibition in effect from 4:00 p.m. to 6:00 p.m., Monday to Friday except public holidays, on the south side of Dundas Street West, from Dovercourt Road to a point 29.4 metres west of Grove Avenue, be enacted;
 - e. the two-hour pay-and-display parking, in effect from 9:00 a.m. to 4:00 p.m., Monday to Friday and 8:00 a.m. to 6:00 p.m., Saturday, on both sides of Dundas Street West, from Lansdowne Avenue to a point 45 metres east of Roxton Road, at a rate of \$1.00 for one hour, be rescinded;
 - f. two-hour pay-and-display parking, in effect from 8:00 a.m. to 4:00 p.m., Monday to Friday and 8:00 a.m. to 6:00 p.m., Saturday, on the north side of Dundas Street West, from Lansdowne Avenue to Dovercourt Road, at a rate of \$1.00 for one hour, be enacted;
 - g. two-hour pay-and-display parking, in effect from 9:00 a.m. to 6:00 p.m., Monday to Friday and 8:00 a.m. to 6:00 p.m., Saturday, on the south side of Dundas Street West, from Lansdowne Avenue to Dovercourt Road, at a rate of \$1.00 for one hour, be enacted; and
 - h. two-hour pay-and-display parking, in effect from 9:00 a.m. to 4:00 p.m., Monday to Friday and 8:00 a.m. to 6:00 p.m., Saturday, on both sides of Dundas Street West, from Dovercourt Road to a point 45 metres east of Roxton Road, at a rate of \$1.00 for one hour, be enacted;
2. adopt the following peak period left turn prohibitions as contained in the additional Appendix D:

Left-turn prohibitions on Dundas Street West, between Sterling Road and Dovercourt

Road, to be implemented:

- a. the prohibition of eastbound left turns at the intersection of Dundas Street West and St. Clarens Avenue, between the hours of 7:00 a.m. to 9:00 a.m., Monday to Friday;
 - b. the prohibition of westbound left turns at the intersection of Dundas Street West and St. Clarens Avenue, between the hours of 4:00 p.m. to 6:00 p.m., Monday to Friday;
 - c. the prohibition of eastbound left turns at the intersection of Dundas Street West and Brock Avenue, between the hours of 7:00 a.m. to 9:00 a.m., Monday to Friday;

3. request the Toronto Parking Authority to continue its vigorous search for parking spots in this area and direct that these changes in parking regulations be rescinded when the parking lot comes into existence;

On motion by Councillor Fletcher:

4. request the Executive Director, Economic Development, Culture and Tourism to report to the Toronto and East York Community Council with an analysis of the impact that these changes in parking regulations may have on the economic viability of the area;

On motion by Councillor Davis, with Councillor Vaughan in the Chair:

5. request the Director, Transportation Services, Toronto and East York District and the Chief General Manager, Toronto Transit Commission to report to the September 2008 meeting of the Toronto and East York Community Council on the impact of the parking regulation changes on the TTC, and the status of the TTC parking spots; and

On motion by Councillor Giambrone:

6. authorize the appropriate City officials to take whatever action is necessary to give effect to these Recommendations, including the introduction in Council of any Bills that are required.

Declared Interests (Committee)

Councillor Gord Perks - Advised that he lives in the immediate vicinity of this property.

The following motion was placed by Deputy Mayor Pantalone and lost.

That this matter be noted and filed.

Proposed renaming of Main Street Parkette to Stanley G. Grizzle Park

(August 22, 2007) Report from General Manager, Parks, Forestry and Recreation

Recommendations

The General Manager of Parks, Forestry and Recreation Division recommends that the Toronto and East York Community Council approve the renaming of Main Street Parkette, located at 21 Chisholm Avenue, to the Stanley G. Grizzle Park.

Summary

Stanley G. Grizzle was an influential black leader within the Canadian labour movement and a Human Rights activist. He was born in Toronto on November 18, 1918 to parents who emigrated in 1911 from Jamaica. Stanley G. Grizzle resided for 20 years at 231 Chisholm Avenue, one block from the Main Street Parkette.

Parks, Forestry and Recreation staff have exercised due diligence in ensuring that all criteria in the Naming and Renaming Policy has been met and recommends that the Main Street Parkette be renamed the Stanley G. Grizzle Park. This staff report is a matter for which Toronto and

East York Community Council has delegated authority from City Council to make a final decision.

Committee Decision

On motion by Councillor Davis, with Councillor Vaughan in the Chair, the Toronto and East York Community Council unanimously approved the renaming of Main Street Parkette, located at 21 Chisholm Avenue, to the Stanley G. Grizzle Park.

This motion carried on the following division of votes:

Recorded Vote:

Unanimous Vote

For: Councillors: Giambrone, McConnell, Perks, Fletcher, Bussin, Davis, Vaughan, Rae, Pantalone, Mihevc, Walker, Ootes

Designation of Fire Routes and amendment to Chapter 880 – Fire Routes

(August 24, 2007) Report from Fire Chief, Toronto Fire Services

Recommendations

Toronto Fire Services recommends that:

1. part or those parts of the private road or roads shown on the site plan filed with the Fire Chief in respect of the municipal addresses set out below be designated as fire routes pursuant to Municipal Code Chapter 880- Fire Routes – 10-28 and 15-25 Laidlaw Street; 50-60 Joe Shuster Way; 20 Machells Avenue; 61, 75 and 85 Hanna Avenue; 80, 86, 100 and 120 Lynn Williams Street; and 980 Broadview Avenue.
2. City Council authorize the Fire Chief and City Solicitor to take the appropriate action to make a designated Fire Route.

Summary

To obtain Council approval for the amendment of the Fire Route By-law to designate certain locations as fire routes within the meaning of City of Toronto Municipal Code Chapter 880, as amended.

Fire Services uses designated fire routes as a key mechanism in regulating fire prevention, including the prevention of spreading of fires and the delivery of fire protection services.

Committee Recommendations

On motion by Deputy Mayor Pantalone, the Toronto and East York Community Council recommended that City Council:

1. direct that part or those parts of the private road or roads shown on the site plan filed with the Fire Chief in respect of the municipal addresses set out below be designated as fire routes pursuant to Municipal Code Chapter 880- Fire Routes – 10-28 and 15-25 Laidlaw Street; 50-60 Joe Shuster Way; 20 Machells Avenue; 61, 75 and 85 Hanna Avenue; 80, 86, 100 and 120 Lynn Williams Street; and 980 Broadview Avenue; and

Pedestrian Clearway Project – Curb side Permits in the College Street Revitalization Project

(August 22, 2007) Report from Director, Municipal Licensing and Standards

Recommendations

The Municipal Licensing and Standards Division recommends that:

1. The Municipal Licensing and Standards Division undertake consultations with the City Solicitor, the Alcohol and Gaming Commission of Ontario (AGCO) and the relevant business and community stakeholders regarding the implementation of mandatory requirements for curb side permits for cafes and marketing displays.
2. The Municipal Licensing and Standards Division, report on the outcome of the consultations to the November 27, 2007 meeting of Toronto and East York Community Council.

Summary

This staff report is about a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

To report on how to require mandatory participation for all restaurants with cafés and other business with merchandise displays in the “College Street Revitalization Project – Pedestrian Clearway Pilot”, adopted by City Council at its meeting on June 27, 28, and 29, 2006.

Committee Decision

On motion by Councillor Vaughan, the Toronto and East York Community Council:

1. requested the Executive Director, Municipal Licensing and Standards to:
 - a. undertake consultations with the City Solicitor, the Alcohol and Gaming Commission of Ontario (AGCO) and the relevant business and community stakeholders regarding the implementation of mandatory requirements for curb side permits for cafes and marketing displays;
 - b. report on the outcome of these consultations to the November 27, 2007 meeting of Toronto and East York Community Council;
2. deferred consideration of any new patio applications on College Street, between Bathurst Street and Spadina Avenue, unless they comply with the Clearway Pilot;
3. directed that the consultation process for "mandatory" participation in the Clearway Pilot incorporate a review of the streetscape with the Ward Councillor; and

4. directed that the implementation of the College Street Clearway Pilot including “mandatory” participation be completed by March 2008 (for the beginning of the 2008 patio season). This includes any by-law changes and/or reports required to revise permits for all existing locations.

Reopening of Item TE7.96 - No Standing Zone - Front Street East, north side, west of Jarvis

(August 23, 2007) Member Motion from Councillor McConnell

Recommendations

That Recommendation 6 of Toronto and East York Community Council TE7.96 be replaced with the following:

6. amend the existing “No Stopping 7:30 a.m. to 9:30 a.m. and 3:30 p.m. to 6:30 p.m., except Saturday, Sunday, and public holidays” regulation on the north side of Front Street East, from Church Street to Jarvis Street, to operate from 7:30 a.m. to 9:30 a.m., Monday to Friday except public holidays on the north side of Front Street East, from Church Street to a point 97.8 metres west of Jarvis Street and from a point 88 metres west of Jarvis Street to Jarvis Street.

Summary

This motion is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

At its meeting on June 26, 2007, Toronto and East York Community Council adopted Recommendation 6 of the report (June 22, 2007) from the Director, Transportation Services, Toronto and East York District to amend the “No Stopping 7:30 a.m. to 9:30 a.m. and 3:30 p.m. to 6:30 p.m., except Saturday, Sunday, and public holidays” regulation on the north side of Front Street East, from Church Street to Jarvis Street, to operate from “7:30 a.m. to 9:30 a.m., Monday to Friday, except public holidays” on the north side of Front Street East, from Church Street to a point 97.8 metres west of Jarvis Street and from a point 88 metres west of Jarvis Street to a point 72 metres west of Jarvis Street”.

This traffic amendment inadvertently allows stopping to occur on the north side of Front Street East, from 7:30 a.m. to 9:30 a.m., Monday to Friday, except public holidays, from a point 72 metres west of Jarvis Street to Jarvis Street and does not allow for safe and efficient movement of vehicles and pedestrians at busy times. As a result, I request that Recommendation 6 of the report (June 22, 2007) from the Director, Transportation Services, Toronto and East York District be re-opened so that Community Council can approve an amendment which would allow for safe and efficient movement of vehicles at busy times.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council re-opened its previous action taking on June 26, 2007 with respect to TE7.96 and replaced its Recommendation 6. with the following:

- "6. amend the existing “No Stopping 7:30 a.m. to 9:30 a.m. and 3:30 p.m. to 6:30 p.m., except Saturday, Sunday, and public holidays” regulation on the north side of Front Street East, from Church Street to Jarvis Street, to operate from 7:30 a.m. to 9:30 a.m.,

Monday to Friday except public holidays on the north side of Front Street East, from Church Street to a point 97.8 metres west of Jarvis Street and from a point 88 metres west of Jarvis Street to Jarvis Street."

2. permission be granted to L’Oreal Fashion Week to host “a gated and ticketed” event in support of their organization;
3. L’Oreal Fashion Week will compensate the City of Toronto through the Facilities and Real Estate division for all the City of Toronto costs associated with the event;
4. the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Summary

Facilities & Real Estate Division recommends that City Council give an exemption to the organizer of L’Oreal Fashion Week who is requesting to sell alcoholic beverages at a "gated and ticketed" event on Nathan Phillips Square from October 22 – 26, 2007.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council introduced the report (September 4, 2007) from the Chief Corporate Officer as a new business item.

On further motion by Councillor Rae, the Toronto and East York Community Council recommended that City Council:

1. give exemption to the L’Oreal Fashion Week to operate a beer garden and serve wine and hard liquor upon the following conditions:

- a. approval of the A.G.C.O.,
 - b. approval of the Medical Officer of Health,
 - c. compliance with the City of Toronto’s Municipal Alcohol Policy, and
 - d. receipt of all the necessary permits associated with the production of the event, i.e. building permit, noise by-law extension permit;
2. grant permission to L’Oreal Fashion Week to host “a gated and ticketed” event in support of their organization;
 3. direct that L’Oreal Fashion Week will compensate the City of Toronto through the Facilities and Real Estate Division for all the City of Toronto costs associated with the event; and
 4. authorize and direct the appropriate City Officials to take the necessary action to give effect thereto.

Parking on Maplewood Avenue, between Humewood Drive and Pinewood Avenue

(September 4, 2007) Member Motion from Councillor Mihevc

Recommendations

That Toronto and East York Community Council adopt permanent alternate side parking on Maplewood Avenue, between Humewood Drive and Pinewood Avenue, on the south side of the street.

Summary

Maplewood Avenue has alternate side parking for six months of the year. It should be noted that the south side has five to six parking spots, while the north side has only three.

Committee Decision

On motion by Councillor Mihevc, the Toronto and East York Community Council introduced the Member Motion (September 4, 2007) from Councillor Mihevc as a new business item.

On further motion by Councillor Mihevc, that Toronto and East York Community Council:

1. rescinded the “no parking anytime, from the 1st day of each month to the 15th day of each month, April 1st to November 30th, inclusive” and the “no parking anytime, from the 1st day of December to the 31st day of March, inclusive”, regulation on the north side of Maplewood Avenue, between Humewood Drive and Pinewood Avenue; and replace with “no parking anytime”;
2. rescinded the “no parking anytime, from the 16th day of each month to the last day of each month, April 1st to November 30th, inclusive” regulation on the south side of Maplewood Avenue, between Humewood Drive and Pinewood Avenue;
3. rescinded the overnight on-street permit parking regulation on the north side of Maplewood Avenue, from Humewood Drive to Pinewood Avenue; and
4. amended the overnight on-street permit parking regulation on the south side of Maplewood Avenue, from Humewood Drive to Pinewood Avenue to operate from “12:00 midnight to 6:00 a.m., 7 days a week”.
