Financial Impact

This report recommends the allocation of \$1,410,000 from the Mayor’s Homelessness Initiative Reserve Fund (XR1104) through a grant to the Toronto Christian Resource Centre for the development of Affordable Housing at 40 Oak Street. After this draw, the uncommitted balance in this fund will be \$719,900.

The total capital cost for the construction of the 87-unit residential component of the building is approximately \$13,202,000 plus the waived Development Charges and Fees. The capital funding as outlined in the chart below is recommended from the Canada-Ontario Affordable Housing Program, City sources, CRC and TCHC equity, and financing.

The Municipal Property Taxes waived over 25 years are estimated to have a net present value of \$776,694. The waived planning fees and development charges are valued at approximately \$596,000.

\$2.09 million of the Federal-Provincial funding under the Canada-Ontario Affordable Housing Program – Rental and Supportive Component for this development is available to the City through the conversion of funding previously allocated to the City and approved by Council under the AHP Housing Allowance/Rent Supplement (HARS) envelope.

Total Federal-Provincial AHP funding is \$6.09 million. This is comprised of Provincial funding of \$3,775,800 (62% of the total) and Federal funding of \$2,314,200 (38% of the total). The Provincial funding is provided by way of a 20 year affordability payment.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

This report seeks authority to provide funding and other incentives to assist in the development of 87 units of affordable housing at 40 Oak Street in Regent Park, by the Toronto Christian Resource Centre ("CRC"). This housing initiative is in the first phase of the Regent Park redevelopment being undertaken by the Toronto Community Housing Corporation. The development is supportive of and complementary to the redevelopment of Regent Park and will provide homes affordable to low-income tenants on Ontario Works and the Ontario Disability Support Plan.

In August of 2007 the initiative was allocated \$4 million in Canada-Ontario Affordable Housing Program ("AHP" of "the Program") – Residual Rental and Supportive Component funding by the provincial Ministry of Municipal Affairs and Housing (MMAH) directly. Further funding has now become available from the Province through the conversion of under-utilized Housing Allowance/Rent Supplement (HARS) funding. This report recommends the allocation of \$2.09 million in additional AHP funding and \$1.41 million in Mayor's Homelessness Initiative Reserve Fund monies.

Proceeding with this proposal will contribute toward Council's goal of supporting the creation of 1,000 new affordable homes annually. This initiative is one of the last Toronto developments to be funded under the AHP as the Program's funding has now been fully committed. Council is currently seeking a renewal of the AHP and other housing programs by the federal and provincial governments.
