Toronto EMS Achieves 'Centre of Excellence'

(April 16, 2008) Report from Chief and General Manager, Toronto EMS

Financial Impact

There are no financial impacts beyond what has already been approved in the current year's budget. The CACC is 100% funded by the Ministry of Health and Long-Term Care, but is operated by and on behalf of the City of Toronto.

Summary

On April 8, 2008, the Toronto Emergency Medical Services (EMS), Central Ambulance Communications Centre (CACC) was informed that it has achieved the International Academy of Emergency Dispatch's (IAED) coveted 'Accredited Centre of Excellence' (ACE).

Accreditation establishes the Toronto EMS CACC as having achieved an internationally benchmarked, high standard of patient care delivered by Emergency Medical Dispatchers. It assures the 911 calling public that they are receiving the most appropriate pre – hospital care at all times and that their request for service will be answered and managed with the same consistent and effective level of quality.

2008 Graffiti Transformation Investment Program

(April 25, 2008) Report from Executive Director, Social Development, Finance and Administration

Recommendations

The Executive Director, Social Development, Finance and Administration, recommends that:

1. Graffiti Transformation Investment Program funding totalling \$340,230.00 be allocated to 20 community organizations as outlined in Appendix “A” of this report.
2. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

There is no financial impact beyond what has been approved in the 2008 Approved Operating Budget.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The Graffiti Transformation Investment Program (GT) is an annual funding program within the Community Partnership and Investment Program (CPIP) budget. The program addresses youth unemployment and neighbourhood beautification by enabling local organizations to hire youth to remove graffiti and resurface walls with attractive murals. This report provides an overview of the GT Program and makes recommendations for 2008 allocations.

Potential Issues Related to the Expansion of Corporate, For-Profit Child Care

(Presentation)

(April 25, 2008) Report from General Manager, Children's Services

Recommendations

It is recommended that:

1. The recommendations in the attached report, *“If it don’t make dollars, does that mean it don’t make sense? Commercial, Non-profit and Municipal Child Care in the City of Toronto, A report to the Children’s Services Division, City of Toronto”* be approved and that the General Manager report back on strategies for implementation of the recommendations.
2. The General Manager of Children's Services Division develop a communications plan to disseminate the report on potential issues related to corporate for-profit corporate child care to the Federal government, the Provincial government and to municipalities.
3. The General Manager of Children's Services Division report back on capital strategies to support development of non-profit child care programs.

Financial Impact

This report has no immediate financial impact.

Summary

The attached discussion paper presents the issues related to the expansion of corporate, for-profit chain child care. It comments on what impact such service would have on the child care system in Toronto and makes recommendations. The report which was requested at Community Development and Recreation Committee on December 3, 2007 has been endorsed in its entirety by the Children's Services Advisory Committee (CSAC).

Withdrawal Management (Detox) Services in Toronto

(Presentation)

(April 28, 2008) Member Motion from Councillor Gord Perks, seconded by Councillor Shelley Carroll

Recommendations

1. The City of Toronto urge the provincial government to increase funding for addiction treatment services in Toronto, including more resources for the full range of withdrawal management services and community and day treatment services, in particular for street-involved drug users, youth, women with children, aboriginal people and ethno-cultural communities.
2. The City of Toronto work with the Central Toronto Local Health Integration Network and the Ministry of Health and Long-Term Care to expand withdrawal management capacity as part of a comprehensive city-wide crisis response system for people with alcohol and other drug issues.

3. The City of Toronto urge the Ministry of Health and Long-Term Care to develop a comprehensive and co-ordinated strategy for people who are homeless or who are at risk of homelessness and have issues associated with the use of alcohol and other drugs that includes:
 - a. Funding for rent supplements to ensure access to stable, affordable housing, and funding for associated health, social and addiction supports to help people maintain their housing;
 - b. Funding for a community-based Addiction Follow-up Worker pilot project to provide case management support for people on the street, leaving shelters, withdrawal management services, correctional facilities, etc, to improve long-term housing stability and facilitate co-ordinated access to health, social and addiction services. And, further that some of the case managers have expertise working with specific populations such as youth, women with children and ethno-cultural communities; and
 - c. Reinstatement of addiction as an eligible disability under the Ontario Disability Support Program.

4. The City of Toronto continue to develop strategies to increase access for people who are homeless to recreation programs as one measure to help people make positive changes and stabilize their lives.

Summary

Notice of Motion by Councillor Perks, seconded by Councillor Carroll, forwarding recommendations from the Toronto Drug Strategy Implementation Panel meeting held March 20, 2008, for consideration by the Community Development and Recreation Committee.

Principles for a Poverty Reduction Strategy

(May 1, 2008) Letter from Councillor Joe Mihevc

Recommendations

It is recommended that:

1. City Council endorse the principles for a poverty reduction strategy contained in the 25-in-5 Declaration, specifically:
 - a. Sustaining employment means assuring a living standard above poverty for any adult who works full time throughout the year. It means fair pay and stable working conditions for all Ontarians;
 - b. Liveable incomes mean dignity for all Ontarians – including those unable to work; and
 - c. Strong and supportive communities mean affordable housing, early learning and child care, public education and community programs that help people connect.
2. The General Manager of Toronto Social Services, as part of her report on the implementation of the Action Plan for Social Assistance in the City of Toronto to Community Development and Recreation Committee, identify ways in which the City of Toronto can advance the poverty reduction initiatives outlined in the 25-in-5 Declaration.
3. The City of Toronto share this report with its partners in other municipalities and the Province.

Summary
