Subject: Request for Reimbursement of Legal Expenses Incurred by Councillor
Giorgio Mammoliti in Relation to Compliance Audit Application

In accordance with the Policy adopted by City Council on May 26 and 27, 2008, which stated that Members of Council who incurred legal and related expenses as a result of campaign audits be invited to submit applications for reimbursement to the Executive Committee for recommendations to Council. Please accept this communication as my request that the Executive Committee hear my submission and recommend the following:

- 1.) That the Executive Committee approve and pay the legal and consultant's fees incurred once the City Solicitor has reviewed and deemed them to be reasonable.

Attached you will find a copy of my outstanding legal and consultant's bills.

Thank you,

Giorgio Mammoliti
