### **Enhancing Streets to Homes Service to Address the Needs of People who are Street Involved, Including Those who Panhandle**

#### **City Council Decision**

City Council on May 26 and 27, 2008, adopted the following motions:

1. An enhanced Streets to Homes service be used to assist people who panhandle or are otherwise street involved to access services, housing and, where possible, employment in relation to their needs.
2. Business Improvement Areas, Hotel Associations and similar groups be requested to create employment opportunities for people who were previously panhandling or otherwise street involved and are now accessing additional services in relation to their needs.
3. One point of contact be established, such as a phone number, that all businesses, major attractions, residents, visitors, commuters and social service providers in the City can access when requesting Streets to Homes services to assist people who panhandle and other street involved persons, such point of contact to be staffed seven days a week.
4. The 2008 Operating Budget for Shelter, Support and Housing Administration be increased by \$2.577 million gross, offset by a draw of \$2.577 million from the Social Housing Stabilization Reserve Fund to enhance the Streets to Homes program.
5. Funding for 2009 and subsequent years be included in the Program Operating Budget Submission for Shelter, Support and Housing Administration for consideration as part of the 2009 Operating Budget Process.

6. Other orders of government and the business community be requested to cost-share funding in 2009 and beyond; and any such cost-sharing achieved to be included in future Divisional Operating Budget Submissions for Shelter, Support and Housing Administration.
7. For panhandling that is illegal, the Province be requested to consider a Diversion Court or other alternative judicial response for panhandling offences to achieve community service and community benefits rather than levying people with fines that they are frequently unable to pay.
8. The program be adjusted to include a component to address the growing phenomena of highway ramp and major intersection panhandling in largely suburban areas, and this be accomplished within the existing budget.
9. The City Manager be requested to forward the findings of the Panhandling Pilot Project to the Minister of Children and Youth Services for consideration in the development of the Ontario Government's anti-poverty strategy.
10. The Deputy City Manager and Chief Financial Officer be requested to undertake a cost benefit analysis of the program to assess the social costs that are offset by this program as an aid to discussions with the Province and the Federal Government respecting the possibility of cost sharing this program, and report thereon to the Executive Committee.
11. The General Manager, Shelter, Support and Housing Administration, be authorized and directed, on behalf of the City, to execute any lease agreements, at or below fair market price, within the vicinity of the downtown core, in order to facilitate implementation of the enhanced Streets to Homes Service, as set out in the report dated April 21, 2008, from the General Manager, Shelter, Support and Housing Administration, on terms and conditions satisfactory to the Chief Corporate Officer, and in a form approved by the City Solicitor.
12. Each successful client of this Program be encouraged to write to City Council to tell their story.
13. The General Manager, Shelter Support and Housing Administration be requested to submit a report to the Executive Committee in one year laying out the measurable results of this program, the report to include the following:
  - a. the amount of monies that is given by Shelter, Support and Housing Administration to those Social Agencies that provide housing to the homeless for 2008;
  - b. the criteria and measurables in determining successfully housed individuals;
  - c. the number of homeless people the Social Agencies have successfully housed under the Streets to Homes Program starting from January 1, 2008; and

- d. the possibility of reallocating funding to agencies that have a higher success rate in housing the homeless from those agencies that have had lesser results.

---

(April 21, 2008) Report from the General Manager, Shelter, Support and Housing Administration

### **Committee Recommendations**

The Executive Committee recommends that:

1. an enhanced Streets to Homes service be used to assist people who panhandle or are otherwise street involved to access services, housing and, where possible, employment in relation to their needs;
2. Business Improvement Areas, Hotel Associations and similar groups be requested to create employment opportunities for people who were previously panhandling or otherwise street involved and are now accessing additional services in relation to their needs;
3. one point of contact be established, such as a phone number, that all businesses, major attractions, residents, visitors, commuters and social service providers in the City can access when requesting Streets to Homes services to assist people who panhandle and other street involved persons, such point of contact to be staffed seven days a week;
4. the 2008 Operating Budget for Shelter, Support and Housing Administration be increased by \$2.577 million gross, offset by a draw of \$2.577 million from the Social Housing Stabilization Reserve Fund to enhance the Streets to Homes program;
5. funding for 2009 and subsequent years be included in the Program Operating Budget Submission for Shelter, Support and Housing Administration for consideration as part of the 2009 Operating Budget Process;
6. other orders of government and the business community be requested to cost-share funding in 2009 and beyond; and any such cost-sharing achieved to be included in future Divisional Operating Budget Submissions for Shelter, Support and Housing Administration;
7. for panhandling that is illegal, the Province be requested to consider a Diversion Court or other alternative judicial response for panhandling offences to achieve community service and community benefits rather than levying people with fines that they are frequently unable to pay;
8. the Deputy City Manager and Chief Financial Officer be requested to undertake a cost benefit analysis of the program to assess the social costs that are offset by this program as an aid to discussions with the Province and the Federal Government respecting the possibility of cost sharing this program, and report thereon to the Executive

Committee; and

9. the General Manager, Shelter Support and Housing Administration be requested to submit a report to the Executive Committee in one year laying out the measurable results of this program.

### **Committee Decision Advice and Other Information**

The Executive Committee referred the following motion to the General Manager, Shelter Support and Housing Administration for consideration in the development of the suburban part of the strategy:

Moved by Councillor Moscoe:

"That

- i. the report ( April 21, 2008) from the General Manager, Shelter, Support and Housing Administration be amended by adding thereto the following new Recommendation 8:
  - “8. a component be added to the program to address the growing phenomenon of highway ramp panhandling in suburban areas and in downtown;” and
- ii. the General Manager, Shelter, Support and Housing Administration be requested to submit a report directly to Council for its meeting on May 26, 2008 on the additional budget that will be necessary to expand the program into suburban areas or alternatively, how the program addition can be accommodated within the proposed budget.

Mr. Phil Brown, General Manager, Shelter, Support and Housing Administration delivered a presentation to the Executive Committee regarding Enhancing Streets to Homes Service to Address the Needs of People who are Street Involved, Including Those who Panhandle, and filed a copy of his presentation material.

### **Financial Impact**

Approval of the recommendations in this report will result in an increase of \$2.577 million in the 2008 gross budget for the Streets to Homes program. The uncommitted balance in the Social Housing Stabilization Reserve Fund is \$5.734 million. This report recommends that the enhancement be funded from the reserve fund leaving an uncommitted projected year-end balance of \$3.157 million. The service enhancement includes an increase in the approved staff complement in the Street to Homes program of 48.1 temporary FTEs, dedicated to addressing the needs of people who panhandle and other street involved persons. This staff increment provides for the proposed enhanced service as summarized on page 20 of the report, including the addition of a third seasonal shift in summer 2009. In 2009, the ongoing operating costs of the enhancement total \$4.973 million.

Any cost-sharing achieved through negotiation with other orders of government and the business community will be included in the future Operating Budget Submissions for Shelter, Support and Housing Administration.

## Summary

This report recommends enhancing the successful Streets to Homes service in order to address the needs of people who are street involved, including those who panhandle. "Street involved" includes people who are homeless and living outdoors, people who stay in shelters at night but spend large amounts of their day on the street, and people who are housed and panhandling legally. The proposed enhanced street outreach service will also allow for the ability to meet the special needs of youth. In so doing, this report responds to the direction provided by Executive Committee in 2007 to pilot a social service response for people who are housed and panhandling in a legal manner and report on the experience; report on a consultation with Business Improvement Areas, Residents' and Ratepayers' Associations and operators of major attractions; report on specific methods used in other Canadian cities to curb panhandling and report on aggressive panhandling.

### Transfer of Capital Funds to the Green Lane Capital Account and Delegated Authority for Required Acquisitions

#### City Council Decision

City Council on May 26 and 27, 2008, adopted the following motions:

1. The Approved 5-Year Capital Plan for Solid Waste Management Services be amended as indicated in Appendix 1 and that total funding in the amount of \$7.150 million be re-allocated from the following projects: Transfer Station Modification (CSW004-14-01), Residual Waste Processing Facilities (CSW004-16-07), Reuse Centres (CSW004-18-01), Single Unit Home Replacement SSO Containers (CSW004-20-03) and Green Lane Landfill Development – Site Services (CSW007-02-03) to Green Lane Buffer Land Acquisition (CSW007-04-01) for the purchase of properties as buffer lands for the Green Lane Landfill.
2. City Council delegate approving power for the term of the Solid Waste Management Services five year capital plan to the City Manager for the purchase of properties located wholly or partially within two (2) kilometres of the limits of the area approved

for landfilling operations within the Green Lane Landfill Site subject to the following conditions:

- a. the total compensation to be paid for a property does not exceed \$1,000,000;
  - b. the terms of the purchase transaction are satisfactory to the Chief Corporate Officer and in a form satisfactory to the City Solicitor; and
  - c. funding is available in the annual Solid Waste approved capital budget.
3. City Council authorize each of the Chief Corporate Officer and the Director of Real Estate Services severally to execute agreements of purchase and sale on behalf of the City for the purchase of properties described in Part 2.
  4. City Council authorize the City Solicitor to retain the law firm of Miller Thomson LLP in London, Ontario on a sole source basis to provide legal assistance in the purchase of properties described in Part 2 for agreements of purchase and sale entered into on or before June 30, 2011, and to execute a retainer agreement on terms and conditions and in a form satisfactory to the City Solicitor, to an overall maximum of \$75,000 funded from the Solid Waste Management Operating Budget.

---

(April 23, 2008) Report from the General Manager, Solid Waste Management Services

### **Committee Recommendations**

The Executive Committee recommends that:

1. The Approved 5-Year Capital Plan for Solid Waste Management Services be amended as indicated in Appendix 1 and that total funding in the amount of \$7.150 million be re-allocated from the following projects: Transfer Station Modification (CSW004-14-01), Residual Waste Processing Facilities (CSW004-16-07), Reuse Centres (CSW004-18-01), Single Unit Home Replacement SSO Containers (CSW004-20-03) and Green Lane Landfill Development – Site Services (CSW007-02-03) to Green Lane Buffer Land Acquisition (CSW007-04-01) for the purchase of properties as buffer lands for the Green Lane Landfill;
2. City Council delegate approving power for the term of the Solid Waste Management Services five year capital plan to the City Manager for the purchase of properties located wholly or partially within two (2) kilometres of the limits of the area approved for landfilling operations within the Green Lane Landfill Site subject to the following conditions:
  - a. the total compensation to be paid for a property does not exceed \$1,000,000;
  - b. the terms of the purchase transaction are satisfactory to the Chief Corporate Officer and in a form satisfactory to the City Solicitor; and

- c. funding is available in the annual Solid Waste approved capital budget.
3. City Council authorize each of the Chief Corporate Officer and the Director of Real Estate Services severally to execute agreements of purchase and sale on behalf of the City for the purchase of properties described in Recommendation 2.
4. City Council authorize the City Solicitor to retain the law firm of Miller Thomson LLP in London, Ontario on a sole source basis to provide legal assistance in the purchase of properties described in Recommendation 2 for agreements of purchase and sale entered into on or before June 30, 2011, and to execute a retainer agreement on terms and conditions and in a form satisfactory to the City Solicitor, to an overall maximum of \$75,000 funded from the Solid Waste Management Operating Budget.

### **Financial Impact**

This report recommends purchase of properties to be used as buffer lands adjacent to the Green Lane Landfill for up to \$7.150 million over 5 years. This 5-year additional funding for Green Lane Buffer Lands includes cash flows of \$2.650 million in 2008, \$2.000 million in 2009, \$1.000 million in 2010, \$1.000 million in 2011 and \$0.500 million in 2012. The approved Solid Waste Management Services 5-Year Capital Plan for Green Lane did not provide for buffer land purchases. Appendix 1 identifies the funds available to be re-allocated from other approved projects to fund the on-going purchase of properties as buffer lands as they come available.

The \$7.150 million required for Green Lane Buffer Land Acquisition is funded by deferring completion of the Residual Waste Processing Facilities project beyond the 5-Year Capital Plan to 2013. SWMS continues to review options for residual waste processing with planning and consulting work to begin 2009. Based on the achievable time lines, these new facilities will not be completed until 2013. Depending on the outcome of future Capital Plan reviews, the cash flows for the period 2013 to 2018 will be phased based on affordability targets.

The funding source for all identified projects is debt recoverable from user fees except for Reuse Centres (CSW004-18-01) which is 73% or \$0.581 million funded through debentures in 2008. As the SWMS 2009 Capital Budget is fully funded from user fees the impact on the 5-Year Capital Plan by deferring this project to 2009 will be reported through the 2009 budget process.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### **Summary**

This report requests authority to transfer approved capital funds from various Solid Waste Management Services capital accounts to the Green Lane capital account to ensure sufficient funds are available for potential acquisitions in 2008. In addition, this report requests delegated authority to purchase lands within two kilometres of the limits of the area approved for landfilling operations within the Green Lane Landfill Site.

### **Delegation of Authority to Receive and Spend Donations to the City for Community Benefits**

#### **City Council Decision**

City Council on May 26 and 27, 2008, adopted the following motions:

1. City Council adopt the amended “Policy on Donations to the City for Community Benefits” as set out in Appendix 1, further amended to require that suppliers and bidders sign a declaration that they have read and understood this policy prior to the City entering into a contract or prior to renewal of an existing contract.
2. Authority be delegated to Division Heads to receive donations and make expenditures of donated funds in accordance with Appendix 1, and Chapter 71, Financial Control, of the City of Toronto’s Municipal Code be amended accordingly.
3. Authority be granted for the introduction of the necessary bills to give effect hereto.
4. The City shall keep a registry of donations which, subject to the provisions of this policy, shall be publicly available on line.
5. The local Councillor be notified of any donations that are made for specific projects within their Ward under this policy.
6. The following motion be referred to Deputy City Manager Sue Corke and the Deputy City Manager and Chief Financial Officer for a further report to the Executive Committee:

Moved by Councillor Moscoe:

That:

1. the Deputy City Manager and Chief Financial Officer be requested to establish a protocol for investigating complaints under the “procurement decisions” section of this policy and report to Council on this matter through the Executive Committee; and
2. the Deputy City Manager and Chief Financial Officer be requested to consider and report on appropriate penalties to be incorporated into the policy against suppliers that violate the policy.

(April 18, 2008) Report from Deputy City Manager, Sue Corke and the Deputy City Manager and Chief Financial Officer

### **Committee Recommendations**

The Executive Committee recommends that:

1. City Council adopt the amended “Policy on Donations to the City for Community Benefits” as set out in Appendix 1.
2. Authority be delegated to Division Heads to receive donations and make expenditures of donated funds in accordance with Appendix 1, and Chapter 71, Financial Control, of the City of Toronto’s Municipal Code be amended accordingly.
3. Authority be granted for the introduction of the necessary bills to give effect hereto.

### **Financial Impact**

There are no financial impacts to current or future year budgets that arise from the recommendations in this report.

### **Summary**

The purpose of this report is to seek delegated authority for Division Heads to receive and spend donations, both cash and in-kind, offered under the current "Policy on Donations to the City for Community Benefits". The proposed modifications to the existing policy will enable divisions to improve their responsiveness to prospective donors without foregoing the need for proper financial controls and disclosure.

2. City Council adopt the Live Green Toronto Capital Projects Fund framework as presented in Appendix 2 of this report;
3. Deputy City Manager Richard Butts appoint a three (3) member Community Investment Application Review Committee made up of a senior staff representative from a granting agency in Toronto, a senior staff representative from Toronto Hydro and a senior staff representative from the Executive Environment Team to make recommendations on applications for funds from the Live Green Toronto Community Investment Fund and the Live Green Toronto Capital Projects Fund;

4. on the recommendation of the Community Investment Application Review Committee, the Director of the Toronto Environment Office be delegated authority to award funds under the Live Green Toronto Community Investment Program and Live Green Toronto Capital Projects Fund; and
5. the Director of the Toronto Environment Office report back to the Executive Committee in the first quarter of 2009 on any proposed changes deemed necessary to the process of awarding funds under the Live Green Toronto Community Investment Program and the Live Green Toronto Capital Projects Fund.

### Financial Impact

Funding has been approved in the 2008 Climate Change Capital Budget in account CCL001-01 in the amount of \$500,000 for 2008 with a future year commitment of \$2,000,000 per year for 2009-2012. Funding has been approved in the 2008 Toronto Environment Office Operating Budget in the amount of \$200,000 and this amount will be included each year in the Operating Submissions for 2009-2012 .

Program	Year					Total
	2008	2009	2010	2011	2012	
Community Investment Fund	\$200,000 (operating)	\$200,000	\$200,000	\$200,000	\$200,000	\$1 million
Capital Projects Fund	\$500,000 (capital)	\$2 million	\$2 million	\$2 million	\$2 million	\$8.5 million

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### Summary

In July 2007, City Council unanimously adopted the Climate Change, Clean Air and Sustainable Energy Action Plan, which included a direction to establish a program under the name of Live Green Toronto. Live Green Toronto will be the key vehicle to catalyze and support community and neighbourhood action and simplify the process of accessing information and resources required to take action on climate change and clean air. Two key elements of the program are the Community Investment Program and the Capital Projects Fund. For 2008, City Council has approved funding of \$200,000 for the investment program and \$500,000 for the capital projects fund.

The purpose of the Community Investment Program is to build capacity within the local communities and neighbourhoods to identify, develop and initiate actions that will reduce greenhouse gas and smog-causing emissions.

The purpose of the Capital Projects Fund is to provide funds for implementing capital asset projects that result in significant reductions in greenhouse gas and smog causing emissions and which the local community has identified and is engaged in supporting.

This report outlines the proposed objectives, criteria and selection processes for the Community Investment Program and the Capital Projects Fund, which will enable the Live Green Toronto Program to achieve its primary goal of supporting Torontonians in taking action on climate change and clean air.

### **Extension of Redlea Avenue from Steeles Avenue East to McNicoll Avenue**

#### **City Council Decision**

City Council on May 26 and 27, 2008, adopted the following motions:

1. City Council approve reallocating funding from within the approved 2008 Transportation Services Capital Budget Account CTP 308-03 (local road resurfacing) in the amount of \$1.0 million for the Redlea Avenue extension from Steeles Avenue to Passmore Avenue, and a new account be set-up accordingly for this work.
2. A funding request of \$1.5 million for the Redlea Avenue extension from Passmore Avenue to McNicoll Avenue be included in the 2009 Transportation Services Capital Budget submission with a corresponding offset in order that established net debt targets are not affected.
3. A funding request of \$2.3 million for the Redlea Avenue extension from Passmore Avenue to McNicoll Avenue be included in the 2010 Transportation Services Capital Budget submission with a corresponding offset in order that established net debt targets are not affected.
4. The appropriate City officials be authorized and directed to take necessary action to give effect thereto.

### **Committee Recommendations**

The Executive Committee recommends that:

1. City Council approve reallocating funding from within the approved 2008 Transportation Services Capital Budget Account CTP 308-03 (local road resurfacing) in the amount of \$1.0 million for the Redlea Avenue extension from Steeles Avenue to Passmore Avenue, and a new account be set-up accordingly for this work.
2. A funding request of \$1.5million for the Redlea Avenue extension from Passmore Avenue to McNicoll Avenue be included in the 2009 Transportation Services Capital Budget submission with a corresponding offset in order that established net debt targets are not affected.
3. A funding request of \$2.3 million for the Redlea Avenue extension from Passmore Avenue to McNicoll Avenue be included in the 2010 Transportation Services Capital Budget submission with a corresponding offset in order that established net debt targets are not affected.
4. The appropriate City Officials be authorized and directed to take necessary action to give effect thereto.

### **Financial Impact**

For 2008, there is a requirement for a reallocation of \$1.0 million of the approved 2008 Transportation Services Capital Budget. This will make a corresponding reduction from other approved 2008 debt projects for a zero net impact to debt.

A funding request for the inclusion of the Redlea Avenue extension from Passmore Avenue to McNicoll Avenue will be included in the 2009 and 2010 Transportation Capital Budget submissions, and will be referred for consideration during the 2009 and 2010 Capital Budget process, without affecting established targets.

The Deputy City Manager and Chief Financial Officer have reviewed this report and agree with the financial impact information.

### **Summary**

The City is finalizing the zoning by-law amendment and site plan approval for the owners of Splendid China, an existing retail mall in the area of Kennedy Road and Steeles Avenue East. One of the City's conditions of approval is that the developer is responsible for the construction or provision of securities equal to 100 percent of the cost of implementation of the portion of the Redlea Avenue extension from Steeles Avenue East to Passmore Avenue, together with intersection improvements required at the Redlea Avenue and Steeles Avenue East intersection, before building permits will be issued. While the City owns the majority of the land required

for this section of the Redlea Avenue extension, additional land acquisition is required prior to the commencement of road construction.

To minimize potential traffic infiltration impacts on the adjacent Heathwood residential community, the recommended staging for the construction of Redlea Avenue identifies the section between Steeles Avenue East and McNicoll Avenue as a single stage. This report describes the associated costs, funding sources, and potential timelines for the construction of Redlea Avenue from Steeles Avenue East to McNicoll Avenue, and associated recommended adjustments to the Capital Works Program.

### **Potential Acquisition of 1075 Millwood Road**

#### **City Council Decision**

City Council on May 26 and 27, 2008, adopted the following motions:

1. City Council approve amending the 2008 Approved Capital Budget for Parks, Forestry and Recreation by the addition of a new Land Acquisition sub-project, "1075 Millwood Road" for a total acquisition cost of \$1,287,250.00, in order to complete the acquisition of parkland, funded from the Parkland Acquisition Reserve Fund – East York (pre-amalgamation) XR2001 until depleted, then the Parkland Acquisition – East York Local Land Reserve Fund XR2033 until depleted, with the balance funded from Parkland Acquisition North Local Land Reserve Fund XR2206.
2. Authority be granted to enter into an Agreement of Purchase and Sale with Her Majesty the Queen in Right of the Province of Ontario as represented by the Minister of Public Infrastructure Renewal to acquire the property municipally known as 1075 Millwood Road in the amount of \$1,245,000.00 on terms and conditions deemed appropriate by the Chief Corporate Officer and in a form satisfactory to the City Solicitor and that each of the Chief Corporate Officer and the Director of Real Estate Services be authorized severally to accept the Offer on behalf of the City.

3. The General Manager of Parks, Forestry and Recreation and the Deputy City Manager and Chief Financial Officer co-ordinate a planning process with the Board of Management of Leaside Memorial Community Gardens to establish a business plan for the development and management of an additional indoor ice pad incorporating the expanded site, such plan to include options for access to ice-time for other local organizations, satisfactory to both the General Manager of Parks, Forestry and Recreation and the Deputy City Manager and Chief Financial Officer, and that if such a plan should not be possible, other options for development and management of an additional ice pad be explored.
4. The business plan for the development and management of the additional indoor ice pad be completed and reviewed for submission to the Budget Committee by October 2008 for consideration with the 2009-2013 Capital Plan and that any City funding be accommodated in the Parks, Forestry and Recreation debt guidelines.
5. The Facilities and Real Estate Division manage the site on a cost recovery basis in the interim period and receive and review Business Case submissions from other divisions for a short-term use of the site, after first consideration is given to Parks, Forestry and Recreation requirements.
6. The City Solicitor be authorized to complete these transactions on behalf of the City including making payment of any necessary expenses, and amending the closing date and other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.
7. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

(April 18, 2008) Report from the Budget Committee

### **Committee Recommendations**

The Executive Committee recommends that:

1. City Council approve amending the 2008 Approved Capital Budget for Parks, Forestry and Recreation by the addition of a new Land Acquisition sub-project, "1075 Millwood Road" for a total acquisition cost of \$1,287,250.00, in order to complete the acquisition of parkland, funded from the Parkland Acquisition Reserve Fund – East York (pre-amalgamation) XR2001 until depleted, then the Parkland Acquisition – East York Local Land Reserve Fund XR2033 until depleted, with the balance funded from Parkland Acquisition North Local Land Reserve Fund XR2206.
2. severally to accept the Offer on behalf of the City.

3. The General Manager of Parks, Forestry and Recreation and the Deputy City Manager and Chief Financial Officer co-ordinate a planning process with the Board of Management of Leaside Memorial Community Gardens to establish a business plan for the development and management of an additional indoor ice pad incorporating the expanded site, such plan to include options for access to ice-time for other local organizations, satisfactory to both the General Manager of Parks, Forestry and Recreation and the Deputy City Manager and Chief Financial Officer, and that if such a plan should not be possible, other options for development and management of an additional ice pad be explored.
4. The business plan for the development and management of the additional indoor ice pad be completed and reviewed for submission to the Budget Committee by October 2008 for consideration with the 2009-2013 Capital Plan and that any City funding be accommodated in the Parks, Forestry and Recreation debt guidelines.
5. The Facilities and Real Estate Division manage the site on a cost recovery basis in the interim period and receive and review Business Case submissions from other divisions for a short-term use of the site, after first consideration is given to Parks, Forestry and Recreation requirements.
6. The City Solicitor be authorized to complete these transactions on behalf of the City including making payment of any necessary expenses, and amending the closing date and other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.
7. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

**Financial Impact**

The total cost of this acquisition of \$1,287,250, including all taxes and charges was not identified within the 2008 Capital Budget or the 2009-2012 Capital Plan for Parks, Forestry and Recreation. However, funds are currently available in the Parkland Acquisition Reserve Funds -East York, (pre-amalgamation), and East York Local, and City-Wide to fund this acquisition.

**ESTIMATED CLOSING COSTS AND PURCHASE PRICE**

Payments to Vendor:	Purchase price	\$1,245,000.00
	Total of all Owner Payments	N/A
Subtotal		\$1,245,000.00
City's Closing Costs:	Land Transfer Tax	\$17,150.00
	Registration Costs	\$100.00
	Phase I and Phase II	\$25,000.00
Net Cost to City		\$1,287,250.00

These lands have the potential to be used for an expansion to the existing Leaside Memorial Community Gardens Arena for an additional ice pad. However, as the City has no plan or Capital Budget provision specifically in place for the development of a facility or a business plan for its operation, the General Manager of Parks Forestry and Recreation and the Deputy City Manager and Chief Financial Officer are requested to work with the Board of Management of Leaside Memorial Community Gardens and other stakeholders to develop a business case and plan. It is estimated that the costs of a capital project to construct a new indoor ice facility would be approximately \$10 million in current dollars.

Until such a plan is developed and moves forward, Facilities and Real Estate is requested to manage the site on a cost recovery basis and facilitate the interim use of the site by Parks Forestry and Recreation and other City Divisions.

### Summary

The purpose of this report is to secure City Council approval to acquire 1075 Millwood Road (the "Property"), amend the Parks Forestry and Recreation 2008 Capital Budget to fund the acquisition, request a full business plan for the development of an additional indoor ice facility on the site and provide for interim maintenance and use of the site. This site is adjacent to city-owned land known as "Leaside Memorial Community Gardens," which includes the following facilities; Leaside Memorial Arena, Leaside Memorial Gardens Indoor Pool and the Leaside Curling Club. These lands have the potential to be used for an expansion to the existing Leaside Memorial Community Gardens for an additional ice pad, should the Arena Board come forward with a business case and funding to do so.

The property municipally known as 1075 Millwood Road is currently owned by Her Majesty the Queen in Right of the Province of Ontario as represented by the Minister of Public Infrastructure Renewal (the "Province"). The property is being used by the Ontario Film Review Board. The site is approximately 0.73 ha (1.8 acres) and is improved with a single storey office building and a partial basement. Staff at the City and the Ontario Realty Corporation, as agents for the Province, have agreed to the substantive terms and conditions of a purchase. Appendix "A" to this report describes the salient terms of this proposed acquisition, which is considered fair and reasonable.

## **Budget Amendment for Transportation Services Capital Program - Various Construction Projects (Fully Recoverable Funds)**

### **City Council Decision**

City Council on May 26 and 27, 2008, adopted the following motions:

1. City Council approve amending the Transportation Services 2008 Approved Capital Budget by increasing the “Various Construction Projects” program, which is fully recoverable, from an amount of \$5.0 million gross, zero net, to an amount of \$20.0 million gross, zero net.
2. City Council authorize and direct the appropriate City officials to take the necessary action to give effect thereto.

(April 18, 2008) Report from the Budget Committee

### **Committee Recommendations**

The Executive Committee recommends that:

1. City Council approve amending the Transportation Services 2008 Approved Capital Budget by increasing the “Various Construction Projects” program, which is fully recoverable, from an amount of \$5.0 million gross, zero net, to an amount of \$20.0 million gross, zero net.
2. City Council authorize and direct the appropriate City Officials to take the necessary action to give effect thereto.

### **Committee Decision Advice and Other Information**

The Executive Committee requested the General Manager, Transportation Services to submit a report to the Public Works and Infrastructure Committee on any other street enhancements made possible by the TTC track work outlined in the report (April 3, 2008) from the General Manager, Transportation Services.

### **Financial Impact**

The recommendations seek to authorize the amendment and corresponding increase of the approved 2008 Various Construction Projects program from \$5.0 million gross to \$20.0 million gross and zero net in order to implement third party work within the right-of-way. This is a fully recoverable program with no net impact on the division’s approved 2008 net debt target.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

## Summary

This report seeks authorization to amend the component of the approved 2008 Transportation Services Capital Program entitled “Various Construction Projects”. It is a fully recoverable program for third party work, predominantly by the Toronto Transit Commission (TTC) for track work that Transportation Services undertakes on behalf of the TTC and the other third parties.

### Development of Affordable Housing by the Toronto Christian Resource Centre at 40 Oak Street

#### City Council Decision

City Council on May 26 and 27, 2008, adopted the following motions:

1. City Council approve the Toronto Christian Resource Centre as the proponent for the affordable housing development at 40 Oak Street.
2. Authority be granted to provide capital funding in the sums of:
  - a. \$1,410,000 from the Mayor's Homelessness Initiative Reserve Fund;
  - b. \$3,775,800 from the Provincial portion of the Canada-Ontario Affordable Housing Program - Rental and Supportive Component ("the Program" or "AHP"); and
  - c. \$2,314,200 from the Federal portion of the AHP Program;

to Toronto Christian Resource Centre to assist in the construction of the above-mentioned development, on terms and conditions satisfactory to the Deputy City

Manager and which terms and conditions may be varied, from time to time, as the development progresses and circumstances change.

3. Authority be granted to exempt the development from taxation for municipal and school purposes for the term of the municipal capital facility agreement.
4. Authority be granted to waive all fees and charges payable under the Development Charges Act applicable to the development.
5. Authority be granted to designate the development as one that qualifies as social housing allowing all or part of the development relief from normal parking standards.
6. Authority be granted to enter into a municipal capital facility agreement and such other agreements, licences, security and documents, with Toronto Christian Resource Centre, or to another entity associated and controlled by it and acceptable to the Director, Affordable Housing Office, to provide for the development and operation of affordable housing, on such terms and conditions as the Director considers appropriate and in a form approved by the City Solicitor.
7. The Director, Affordable Housing Office be authorized and directed, on behalf of the City, to execute a municipal capital facility agreement and such other agreements and documents deemed necessary, and to approve any changes to the project during its development that the Director deems to be in the best interest of the City and/or the project, on terms and conditions satisfactory to the Director and in a form approved by the City Solicitor.

(April 22, 2008) Report from the Affordable Housing Committee

### **Committee Recommendations**

The Executive Committee recommends that:

1. City Council approve the Toronto Christian Resource Centre as the proponent for the affordable housing development at 40 Oak Street;
2. authority be granted to provide capital funding in the sums of:
  - a. \$1,410,000 from the Mayor's Homelessness Initiative Reserve Fund;

7. the Director, Affordable Housing Office be authorized and directed, on behalf of the City, to execute a municipal capital facility agreement and such other agreements and documents deemed necessary, and to approve any changes to the project during its development that the Director deems to be in the best interest of the City and/or the project, on terms and conditions satisfactory to the Director and in a form approved by the City Solicitor.

### **Financial Impact**

This report recommends the allocation of \$1,410,000 from the Mayor's Homelessness Initiative Reserve Fund (XR1104) through a grant to the Toronto Christian Resource Centre for the development of Affordable Housing at 40 Oak Street. After this draw, the uncommitted balance in this fund will be \$719,900.

The total capital cost for the construction of the 87-unit residential component of the building is approximately \$13,202,000 plus the waived Development Charges and Fees. The capital funding as outlined in the chart below is recommended from the Canada-Ontario Affordable Housing Program, City sources, CRC and TCHC equity, and financing.

The Municipal Property Taxes waived over 25 years are estimated to have a net present value of \$776,694. The waived planning fees and development charges are valued at approximately \$596,000.

\$2.09 million of the Federal-Provincial funding under the Canada-Ontario Affordable Housing Program – Rental and Supportive Component for this development is available to the City through the conversion of funding previously allocated to the City and approved by Council under the AHP Housing Allowance/Rent Supplement (HARS) envelope.

Total Federal-Provincial AHP funding is \$6.09 million. This is comprised of Provincial funding of \$3,775,800 (62% of the total) and Federal funding of \$2,314,200 (38% of the total). The Provincial funding is provided by way of a 20 year affordability payment.

Capital Funding and Contributions

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

## Summary

This report seeks authority to provide funding and other incentives to assist in the development of 87 units of affordable housing at 40 Oak Street in Regent Park, by the Toronto Christian Resource Centre ("CRC"). This housing initiative is in the first phase of the Regent Park redevelopment being undertaken by the Toronto Community Housing Corporation. The development is supportive of and complementary to the redevelopment of Regent Park and will provide homes affordable to low-income tenants on Ontario Works and the Ontario Disability Support Plan.

In August of 2007 the initiative was allocated \$4 million in Canada-Ontario Affordable Housing Program ("AHP" or "the Program") – Residual Rental and Supportive Component funding by the provincial Ministry of Municipal Affairs and Housing (MMAH) directly. Further funding has now become available from the Province through the conversion of under-utilized Housing Allowance/Rent Supplement (HARS) funding. This report recommends the allocation of \$2.09 million in additional AHP funding and \$1.41 million in Mayor's Homelessness Initiative Reserve Fund monies.

Proceeding with this proposal will contribute toward Council's goal of supporting the creation of 1,000 new affordable homes annually. This initiative is one of the last Toronto developments to be funded under the AHP as the Program's funding has now been fully committed. Council is currently seeking a renewal of the AHP and other housing programs by the federal and provincial governments.

City Council on May 26 and 27, 2008, adopted the following motions:

1. Councillor Bussin be reimbursed for her legal expenses incurred in responding to an information sworn by Leroy St. Germaine as, in the opinion of the Committee, reimbursement is consistent with the intent of the Indemnification Policy for Members of Council and is appropriate in light of exceptional circumstances, including the fact that the information was sworn by an elector well outside of the time period for commencing a compliance audit and contrary to recent case law, and the funds for this reimbursement come from the existing Council General Expenses Fund.
2. Members of Council who incurred legal and related expenses as a result of campaign audits be invited to submit applications for reimbursement to the Executive Committee for recommendations to Council.
3. The City Solicitor review the legal bills associated with these applications and report to the Executive Committee only on the reasonableness of the expenses.

#### Committee Recommendations

The Executive Committee recommends to City Council that Councillor Bussin be reimbursed for her legal expenses incurred in responding to an information sworn by Leroy St. Germaine as, in the opinion of the Committee, reimbursement is consistent with the intent of the indemnification Policy for Members of Council and is appropriate in light of exceptional circumstances, including the fact that the information was sworn by an elector well outside of the time period for commencing a compliance audit and contrary to recent case law.

### **Committee Decision Advice and Other Information**

The Executive Committee requested the City Solicitor to report directly to Council for its meeting on May 26, 2008, on the reasonableness of the legal expenses bill incurred by Councillor Bussin in accordance with the Indemnification Policy.

### **Summary**

There have been numerous concerns raised in the past about the serious gaps in the Municipal Elections Act, 1996 (the "Act") that can cause Members of Council to be subjected to vexatious legal actions. See Motion M105 for more information.

In, the latest incident, a Member of Council was taken to Court almost a year after filing her financial statements with the City Clerk. Although the case was dismissed from Court, the Councillor was still responsible for paying legal costs incurred to defend herself against the baseless accusations.

The Member of Council, in good faith, followed the procedures established in the Act. She filed her financial statements on time and no one challenged her filing during the 90 day compliance audit period established in the Act.

It is not right that Members of Council are vulnerable to such proceedings after complying with all of the provisions established by the Act. It is equally problematic that Members of Council are personally responsible for the significant expenses that arise in connection with responding to the allegations.

This is a situation that the Province needs to address and correct but given it is unlikely that the Province will respond quickly to this matter, Council should authorize payment of the Member of Council's legal costs.
