ISSUE BACKGROUND

Transportation Services received a request from Councillor Bill Saundercook, on behalf of area residents and area businesses, to amend the current parking regulations to accommodate additional parking spaces on both sides of Quebec Avenue, just north of Dundas Street West.

COMMENTS

Quebec Avenue is a local road in the residential community located west of Keele Street at Dundas Street West with a road width of approximately 8.5 metres and a posted speed limit of 40 km/h. There are sidewalks on both sides of this street. The existing parking regulation of Quebec Avenue are described in Appendix “A” and shown on Drawing No. EY08 - 97.

Rescinding the existing parking regulations on both sides of Quebec Avenue from Dundas Street to a point 30.5 metres further north thereof, will create additional parking spaces for visitors, customers and area residents in this vicinity. The proposed amendments to the parking regulations are described in Appendix “B” and shown on Drawing No. EY08 - 98.
