SUMMARY

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to propose the installation of a “No Parking, 8:00 a.m. to 5:00 p.m., Monday to Friday” prohibition on both sides of Ansell Avenue between Exmoor Drive and the northerly limit of the road.

Given that the majority of the affected property owners on Ansell Avenue support this proposed parking amendment, we are recommending the aforementioned parking prohibition on this road.

RECOMMENDATIONS

Transportation Services recommends that Etobicoke York Community Council approve:

1. Enacting a “No Parking, 8:00 a.m. to 5:00 p.m., Monday to Friday” prohibition on both sides of Ansell Avenue between Exmoor Drive and the northerly limit of the road.

ISSUE BACKGROUND

The Transportation Services Division, Etobicoke York District, received a request from an area resident, to investigate the feasibility of prohibiting parking, 8:00 a.m. to 5:00 p.m., Monday to Friday on both sides of Ansell Avenue between Exmoor Drive and the northerly limit of the road. These requests are the result of the excessive and long-term parking that is occurring on this road. The majority of the parking appears to be generated by the Long Branch GO Train Station. A map of the area is Attachment No. 1.

COMMENTS

Ansell Avenue is a local residential road located west of Brown's Line and north of Lake Shore Boulevard West.

Parking is currently allowed, subject to the City-wide 3-hour limit parking by-law, on both sides of Ansell Avenue for its entire length between Exmoor Drive and the northerly limit of the road.

As a result of the concerns of the area residents, Transportation Services staff sent out a parking survey to all the affected residential property owners on Ansell Avenue. In order for the proposed parking prohibition to be considered, a minimum of 50% of the polled residents must respond to the parking survey, and from this response rate, the majority of the residents must agree with the proposed parking prohibition.

This survey received a response rate of 100% (4 out of the 4 affected residents). Of those who did respond, 3 (75%) supported a "No Parking, 8:00 a.m. to 5:00 p.m., Monday to Friday" prohibition on both sides of Ansell Avenue between Exmoor Drive and the northerly limit of the road while one (25%) supported no amendments to the existing parking regulations on Ansell Avenue.

Based on our review of this matter and the favourable response from the affected property owners, staff recommends the introduction a "No Parking, 8:00 a.m. to 5:00 p.m., Monday to Friday" prohibition on both sides of Ansell Avenue between Exmoor Drive and the northerly limit of the road.
