#### **71 Jane Street - Amendments to Parking Regulations**

(January 16, 2007) Report from Director, Transportation Services and Etobicoke York District

#### **Committee Decision**

The Etobicoke York Community Council approved the following:

1. That the Director, Transportation Services, Etobicoke York District, be directed to implement a pilot study for a period of six months, on a student drop off zone on Folkes Street west of Jane Street, to a distance to be determined by Transportation Services staff and the Ward Councillor.

#### **Decision Advice and Other Information**

The Etobicoke York Community Council directs the Director, Transportation Services, Etobicoke York District to implement a pilot study for a period of six months, on a student drop off zone on Folkes Street west of Jane Street, for a distance to be determined by staff.

#### **Summary**

The purpose of this report is to propose an amendment to the existing parking regulations on Jane Street, between Rivercrest Road and Weatherell Street based on the results of Transportation Services staff investigation. The implementation of less restrictive parking regulations would allow pick-up and drop-off activities to occur at this location which are required to service the school.

As Jane Street is a transit route, this matter requires the approval of City Council. Toronto Transit Commission (TTC) staff has been advised of the issue and have not objected to the recommendations.
