

MOTION

3100 Weston Road – Carmine Stefano Community Centre

SUMMARY:

The City of Toronto has a 10-year lease with The Order of St. Basil the Great Holding Corporation (“The Order”) for the property at 3100 Weston Road, which expires on November 29, 2009. City of Toronto staff have been negotiating the terms of an extension of that lease for a further 10 years. However, City staff and The Order have not been able to agree on operational matters for the sports fields.

RECOMMENDATIONS:

1. The Etobicoke York Community Council directs the Executive Director, Facilities and Real Estate Division, to investigate alternative locations for the Carmine Stefano Community Centre.
