**SUMMARY**

---

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to obtain approval for the removal of a number of on-street parking spaces for person with disabilities.

**RECOMMENDATIONS**

---

**Transportation Services recommend that Etobicoke York Community Council:**

1. Approve the removal of the on-street parking spaces for persons with disabilities at the locations identified in the attached Appendix A.

**Financial Impact**

Type of Funding	Source of Funding	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget	\$ 600.00

**ISSUE BACKGROUND**

Transportation Services receives numerous requests for the installation and removal of on-street parking spaces for persons with disabilities. Some of these requests come directly from members of the public and others are received through the local Councillors' offices.

The installation of designated on-street parking spaces for persons with disabilities is a convenience provided for disabled persons and/or those who transport them, making it easier for them to find available parking as near as possible to their places of residence or intended destinations and reducing the distance that the disabled persons must walk.

Timely removal of designated on-street parking spaces for persons with disabilities when these on-street spaces are no longer required is necessary in order to maximize available on-street parking for other residents/motorists.

## **COMMENTS**

Transportation Services Division staff have investigated the feasibility of removing on-street parking spaces for persons with disabilities at the locations identified in the attached Appendix A to this report. None of these sections of roadway are served by TTC transit routes.

Locations where on-street disabled persons' parking spaces are to be removed are the result of applicants moving, holding expired permits or no longer requiring these on-street parking spaces.
