

Motion

Removal of Lawn Bowling Court at Downsview Arena

Moved by: Councillor Giorgio Mammoliti

Background

The Downsview Lawn Bowling Courts were built over 25 years ago to address a need in the community. However, there has been little or no use over the last six years.

City of Toronto Parks and Recreation Staff have attempted to contact the last known permit holder to see if there was any interest permitting the Downsview Bowling Courts.

Recommendation:

That the appropriate City of Toronto staff be directed to demolish the lawn bowling courts that are located at Downsview Area to expand the parking and continue to work with the local Councillor and the Downsview Arena Advisory Committee.

A handwritten signature in black ink that reads "Giorgio Mammoliti". The signature is written in a cursive, flowing style.
