Attention: Joe Mariconda Transportation Services

Further to our discussion on September 9th, 2008 with regard to traffic planning for the proposed dental office at 1040/1050 The Queensway units 4&5 (permit 08196502 BLD 00BA) I would like to make a request for payment in lieu of parking, under category 1.

I understand for dental office use, zoning would require two additional spaces at \$2500/per parking space.

I agree in principal to pursue this option.

Thank you,

Kalvin Faria
