Demolition Control Report - 2621 Lake Shore Blvd. West

(April 7, 2008) Report from Director and Deputy Chief Building Official

Recommendations

Toronto Building recommends that Etobicoke York Community Council give consideration to the demolition application and decide to:

1. Refuse the application to demolish the subject residential building because there is no

permit application to replace the buildings on the site.

2. Approve the application to demolish the subject residential building without conditions.
3. Approve the application to demolish the subject residential building with the following conditions:
 - a. That a construction fence be erected in accordance with the provisions of the Municipal Code, Chapter 363, Article III, if deemed appropriate by the Chief Building Official.
 - b. That all debris and rubble be removed immediately after demolition.
 - c. That sod be laid on the site and be maintained free of garbage and weeds, in accordance with the Municipal Code Chapter 623-5, and 629-10, paragraph B.
 - d. That any holes on the property are backfilled with clean fill.

Financial Impact

There are no financial implications resulting from the adoption of this report

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

On March 11, 2008, Toronto Building received a demolition permit application to demolish a one storey single family dwelling. To this date, Toronto Building did not receive a building permit application to replace the building to be demolished.

In accordance with By-law No 1009-2006 (Municipal Code, Chapter 363, Article II), demolition permit applications are submitted to Community Council for consideration and decision due to the fact that a building permit has not been issued to replace the buildings, whether to refuse or grant the demolition permit applications, including conditions, if any, to be attached to the permit.

Committee Decision

The Etobicoke York Community Council:

1. Approved the application to demolish the subject residential building with the following conditions;
 - a. That a construction fence be erected in accordance with the provisions of the Municipal Code, Chapter 363, Article III, if deemed appropriate by the Chief Building Official.

- b. That all debris and rubble be removed immediately after demolition.
- c. That sod be laid on the site and be maintained free of garbage and weeds, in accordance with the Municipal Code Chapter 623-5, and 629-10, paragraph B.

Morning Star Drive - Parking Regulation Amendments

(April 7, 2008) Report from Director, Transportation Services, Etobicoke York District

Recommendations

Transportation Services recommends that Etobicoke York Community Council approve:

1. Enacting a “No Parking Anytime” prohibition on both sides of Morning Star Drive between Humberwood Boulevard and a point 113.0 metres west of Humberwood Boulevard.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Operating Budget	\$500.00

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to propose the installation of a “No Parking Anytime” regulation on both sides of Morning Star Drive between Humberwood Boulevard and the bridge over Highway No. 427 (113.0 metres west of Humberwood Boulevard).

It is appropriate to install “No Parking Anytime” signs in this area as the visibility of parked vehicles for motorists traveling eastbound on Morning Star Drive is somewhat limited due to the crest in the bridge over Highway No.427. In addition, traffic control signals are proposed at the intersection of Humberwood Boulevard and Morning Star Drive and are anticipated for installation in 2008. It is the practice to prohibit parking in the area of traffic control signals to improve safety and traffic operation.

Committee Decision

The Etobicoke York Community Council:

1. Approved enacting a “No Parking Anytime” prohibition on both sides of Morning Star Drive between Humberwood Boulevard and a point 113.0 metres west of Humberwood Boulevard.

Picaro Drive - Parking Regulation Amendments

(April 3, 2008) Report from Director, Transportation Services, Etobicoke York District

Recommendations

Transportation Services recommends that Etobicoke York Community Council approve:

1. Rescinding the “No Parking, 9:00 a.m. to 6:00 p.m.” prohibition on the south side of Picaro Drive between the easterly limit of Blaney Crescent (north intersection) and a point 42.0 east of the easterly limit of Blaney Crescent (north intersection).
2. Enacting a “No Parking, 9:00 a.m. to 6:00 p.m.” prohibition on the south side of Picaro Drive between the easterly limit of Blaney Crescent (north intersection) and a point 72.0 east of the easterly limit of Blaney Crescent (north intersection).

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Operating Budget	\$200.00

Summary

This staff report is about a matter for which the community council has delegated authority from City Council to make a final decision.

The purpose of this report is to propose the extension of the existing “No Parking, 9:00 a.m. to 6:00 p.m.” regulation on the south side of Picaro Drive.

It is appropriate to extend this “No Parking, 9:00 a.m. to 6:00 p.m.” regulation on the south side of Picaro Drive, near Pelican Gate, to prevent motorists from parking on both sides of the street. This regulation will allow parking on one side (north side) of the street only and maintain safe two-way travel.

Committee Decision

The Etobicoke York Community Council:

1. Approved rescinding the “No Parking, 9:00 a.m. to 6:00 p.m.” prohibition on the south side of Picaro Drive between the easterly limit of Blaney Crescent (north intersection) and a point 42.0 east of the easterly limit of Blaney Crescent (north intersection).
2. Approved enacting a “No Parking, 9:00 a.m. to 6:00 p.m.” prohibition on the south side of Picaro Drive between the easterly limit of Blaney Crescent (north intersection) and a point 72.0 east of the easterly limit of Blaney Crescent (north intersection).

Queenslea Avenue - Speed Limit Amendment

(April 16, 2008) Report from Director, Transportation Services, Etobicoke York District

Recommendations

Transportation Services recommends that Etobicoke York Community Council approve:

1. Enacting a 40 km/h speed limit on Queenslea Avenue, as the requirements of the 40 km/h Speed Limit Warrant are achieved.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Operating Budget	\$1,600.00

Summary

This staff report is about a matter for which the community council has delegated authority from City Council to make a final decision.

The purpose of this report is to obtain approval to enact a 40 km/h speed limit on Queenslea Avenue.

Installing a 40 km/h speed limit on Queenslea Avenue is consistent with the 40 km/h Speed Limit Warrant. Approval of this report will result in a 40 km/h speed limit being posted on Queenslea Avenue.

Committee Decision

The Etobicoke York Community Council:

1. Approved enacting a 40 km/h speed limit on Queenslea Avenue, as the requirements of the 40 km/h Speed Limit Warrant are achieved.

2220 Bloor Street West - Sign Variance Report

(April 18, 2008) Report from Director, Community Planning, Etobicoke York District

Recommendations

The City Planning Division recommends that:

1. Etobicoke York Community Council approve the requested variances to permit an illuminated fascia sign, for identification purposes on the south, east and north elevations of the building at 2220 Bloor Street West and require that energy efficient fixtures be used.
2. The applicant be advised that approval of the variance to allow the sign on the north elevation of the building is conditional upon the installation of an automated timer that limits hours of illumination to 7:00 AM to 11:00 PM.
3. Etobicoke York Community Council direct the City Clerk's Office to advise the applicant, upon approval of these variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Financial Impact

There are no financial impacts resulting from the adoption of this report.

Summary

Community Council has delegated authority from City Council to make a final decision about this proposal.

This report reviews and makes recommendations on a request by John David Adam with Zip Signs Inc. on behalf of Lee Mar Developments Ltd. for variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit an illuminated fascia sign, for identification purposes on the south, east and north elevations of the building at 2220 Bloor Street West.

Staff recommend approval of the application. The variances are minor and within the general intent and purpose of the Municipal Code.

Committee Decision

The Etobicoke York Community Council:

1. Approved the requested variances to permit an illuminated fascia sign, for identification purposes on the south, east and north elevations of the building at 2220 Bloor Street West and require that energy efficient fixtures be used.

2. Directed that the applicant be advised that approval of the variance to allow the sign on the north elevation of the building is conditional upon the installation of an automated timer that limits hours of illumination to 7:00 AM to 11:00 PM.

925 Kipling Avenue – Rezoning Application (Removal of the Holding Symbol “H”) – Final Report

(April 18, 2008) Report from Director, Community Planning, Etobicoke York District

Recommendations

The City Planning Division recommends that:

1. City Council amend Zoning Bylaw No. 1088-2002 substantially in accordance with the draft Zoning Bylaw Amendment described in this report.
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning Bylaw Amendment as may be required.
3. Before introducing the necessary Bill to City Council for enactment, require the applicant to enter into a Site Plan Agreement under Section 41 of the Planning Act.

Financial Impact

The recommendations in this report have no financial impact.

Summary

This application was made on April 3, 2008 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This application proposes to remove the Holding Symbol (H) from the zoning on the proposed parking lot for the passenger pick-up and drop-off (PPUDO) facility serving the new east entrance to the Kipling Subway Station. This parking lot will be on the southeast corner of St. Albans Road and Kipling Avenue (925 Kipling Avenue).

The new PPUDO will substitute for the existing PPUDO to the west of Kipling Station when it is closed due to the construction of the new Regional Bus Terminal.

The new Kipling Station east entrance will also enhance the development of the City-owned Westwood theatre lands. The Etobicoke Centre Secondary Plan, the West District Design Initiative and the Zoning Bylaw envisage significant mixed use development in this area. Such development is to be transit oriented. The provision of the East Entrance and its PPUDO will facilitate the achievement of this goal. For this reason the new east entrance and PPUDO will be a permanent facility.

This report reviews and recommends approval of the application to amend the Zoning Bylaw.

Committee Recommendations

Etobicoke York Community Council recommended that City Council:

1. Amend Zoning Bylaw No. 1088-2002 substantially in accordance with the draft Zoning Bylaw Amendment described in this report.
2. Authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning Bylaw Amendment as may be required.
3. Before introducing the necessary Bill to City Council for enactment, require the applicant to enter into a Site Plan Agreement under Section 41 of the *Planning Act*.

Summary

This application was made on February 21, 2008 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

An application has been submitted to permit four residential buildings of 10, 29, 34 and 36 storeys and containing 947 units at 2-6 Eva Road.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

This application has been circulated to City divisions and external agencies for comments. Staff anticipate holding a community consultation meeting in the spring of 2008.

Decision Advice and Other Information

The Etobicoke York Community Council:

1. Directed staff to schedule a community consultation meeting together with the Ward Councillor.
2. Directed that notice for the community consultation meeting be given to landowners and residents within an area to be determined in consultation with the Councillors for Wards 3 and 5, including the area to the east of Highway 427 and that the applicant be responsible for costs associated with the expanded notification area.
3. Directed that notice for the public meeting under the *Planning Act* be given according to the regulations under the *Planning Act*.
4. Directed that the Affordable Housing Committee also be notified when the community consultation meeting is scheduled to take place.

1. Etobicoke York Community Council refuse the request for the installation of the Gateway Sign as it does not meet the requirements of the “Identification and Directional Road Signage Policy”.

Financial Impact

There are no financial implications for Transportation Services that will arise from the consideration of this report. Funds to cover the cost of manufacturing, installing, maintaining and replacing the gateway identification sign, should its installation be approved by Council, will be the responsibility of the Mount Dennis BIA.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Etobicoke York District Transportation Services received a request from Councillor Frances Nunziata on behalf on the Mount Dennis Business Improvement Area (BIA) to install a BIA

identification sign in the public road allowance on the north west corner of the Eglinton Avenue West/Weston Road intersection in the Mount Dennis BIA area.

Committee Decision

The Etobicoke York Community Council:

1. Approved the installation of a Gateway Sign on the north-west corner of the Eglinton Avenue West/Weston Road intersection in the Mount Dennis BIA area, subject to the following conditions:
 - a. The signs are manufactured, installed and maintained at the applicant's expense and to the satisfaction of the General Manager of Transportation Services;
 - b. The applicant obtains all required permits and pays the applicable fees/financial securities before commencing construction; and,
 - c. The applicant enters into an encroachment agreement with the municipality prior to installing the signs proposed within the City of Toronto road allowance, such agreement to be provided to the satisfaction of the Director, Transportation Services Etobicoke York District and the City Solicitor.

John Street, between Elm Street and Jane Street Results of Speed Hump Poll

(April 24, 2008) Report from Director, Transportation Services, Etobicoke York District

Recommendations

Transportation Services recommends that Etobicoke York Community Council:

1. Not authorize installation of speed humps on John Street, between Elm Street and Jane Street.

Financial Impact

Adoption of the above-noted recommendation has no financial impact. If Etobicoke York Community Council decides to approve installation of speed humps on John Street, between Elm Street and Jane Street, the following financial impact will result:

1. The estimated cost of installing six speed humps on John Street is \$18,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. The installation of speed humps on John Street would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic calming poll undertaken on John Street, between Elm Street and Jane Street. The poll results indicated a response rate of less than 50 percent plus one, and accordingly, installation of speed humps is not recommended.

Speakers

Bob Dennis
Rodolfo Arenas
David Cooke

Committee Decision

The Etobicoke York Community Council:

1. Approved the installation of speed humps on John Street between Elm Street and Jane Street.
2. Directed that the City Solicitor prepare a draft by-law for installing six speed humps on John Street, between Elm Street and Jane Street, generally as shown on Drawing No. 421F-8412 dated June 2006.
3. Directed that the speed limit on John Street, between Elm Street and Jane Street be reduced from 40 km/h to 30 km/h, upon installation of the speed humps.
4. Requested the Toronto Police Service to enforce the speed limit on John Street.

Queen Marys Drive at Strath Avenue - Highway Alteration By-law

(May 1, 2008) Report from Director, Transportation Services, Etobicoke York District

Recommendations

Transportation Services recommends that:

1. Etobicoke York Community Council approve the alterations and modifications at the

east approach of the intersection of Strath Avenue and Queen Marys Drive, generally as shown on the attached drawing, dated April 29, 2008.

Financial Impact

All costs associated with this intersection improvement have been accommodated in the 2007 Capital Works Program.

Summary

This staff report is about a matter for which the community council has delegated authority from City Council to make a final decision.

The purpose of this report is to recommend the enactment of a highway alteration by-law for intersection improvements (i.e. realigning the east approach to create a typical T-intersection intersection) at Strath Avenue and Queen Marys Drive.

The proposed modifications and alterations will be undertaken as part of the road resurfacing work being completed on Strath Avenue and Queen Marys Drive.

Committee Decision

The Etobicoke York Community Council:

1. Approved the alterations and modifications at the east approach of the intersection of Strath Avenue and Queen Mary's Drive, generally as shown on drawing dated April 29, 2008.

Request for Renaming of West Mall Park as Dennis Flynn Park

(May 6, 2008) Member Motion from Councillor Doug Holyday

Recommendations

1. That Etobicoke York Community Council direct staff to report back on the feasibility

of renaming West Mall Park as Dennis Flynn Park pursuant to the City of Toronto naming policy.

Summary

In recognition of the significant contribution of Dennis Flynn to the former City of Etobicoke, it is appropriate that he be honoured through the dedication of a local park in his name. It is fitting that the park located in the closest proximity to the Etobicoke Civic Centre, West Mall Park, be renamed Dennis Flynn Park.

Decision Advice and Other Information

The Etobicoke York Community Council:

1. Requested the Director, Parks Development and Infrastructure to report on the feasibility of renaming West Mall Park as Dennis Flynn Park, pursuant to the City of Toronto naming policy.

Rejuvenation of Industrial Area (Keele Street and Ingram Drive)

(May 6, 2008) Member Motion from Councillor Frank Di Giorgio

Recommendations

1. That Council endorse the creation of an Advisory Committee to examine possible remedies for the problems emerging in the industrial area bounded by Lawrence Ave., Keele St., Sheffield Ave. and Castlefield Ave.
2. That the local Councillor designates a representative, to chair the committee on a volunteer basis, to consult with industrial property owners and to bring forward recommendations to the Councillor’s office.

Summary

For years, the industrial area centered around Ingram Drive which has been severely neglected and poorly maintained. More specifically, the subject area has declined and is now characterized by illegal uses without permits or licenses, encroachment on public road boulevards, excessive debris and litter, increased traffic congestion and overall disregard for the property of others.

It is imperative that this deteriorating trend be curbed. To this end, I am requesting that under the direction of the local Councillor, an advisory committee be set up to examine possible remedies and to submit possible recommendations and courses of action to the Councillor’s office. The objective is to bring the industrial property owners together to achieve a common purpose and a more stable and viable industrial area.

Committee Decision

The Etobicoke York Community Council:

1. Endorsed the creation of a Working Group to examine possible remedies for the problems emerging in the industrial area bounded by Lawrence Avenue, Keele Street, Sheffield Avenue and Castlefield Avenue.

2. Approved the Ward Councillor selecting representatives and a Chair from the community to participate in the Working Group on a volunteer basis, to consult with industrial property owners, and to submit comments and recommendations to the Ward Councillor's office.

Liquor Licence Application - 2971B Islington Avenue - Platinum Lounge

(May 6, 2008) Member Motion from Councillor Giorgio Mammoliti

Recommendations

1. City Council direct the City Clerk to advise the Registrar of the Alcohol and Gaming Commission of Ontario (“AGCO”) that the issuance of a liquor licence for Platinum Lounge, 2971B Islington Avenue, is not in the public interest having regard to the needs and wishes of the residents and that the Registrar should issue a Proposal to Review the liquor licence application.
2. The AGCO be requested to provide the City of Toronto with an opportunity to participate in any proceedings with respect to the Premises.
3. The City Solicitor be authorized to attend all proceedings before the AGCO in this matter and be directed to take all necessary actions so as to give effect to this Motion, including adding conditions to any liquor licence issued for the Premises, in consultation with the Ward Councillor, which address the issues as set out above including security, staffing, safety, crowd control, noise and litter as well as life safety issues including the planned exiting of patrons and adequate fire separation.

Summary

An application for a new liquor licence has been made by Marlin Archibald for the premises at 2971B Islington Avenue, to be operated under the name of “Platinum Lounge” (the “Premises”) under Establishment No. 813255. The Premises will be located in the basement of the building and will be licensed for 156 persons.

The Premises is proposing to open as a nightclub and issues such as security, staffing, safety, crowd control, noise and litter, among other issues, must be resolved. There are life safety

issues involved with the Premises including the planned exiting of patrons and adequate fire separation. The owner does not yet have the proper municipal licences for the Premises. As well, residents in the area have expressed concerns regarding the opening of the Premises

Committee Recommendations

The Etobicoke York Community Council recommended that City Council:

1. Direct the City Clerk to advise the Registrar of the Alcohol and Gaming Commission of Ontario (“AGCO”) that the issuance of a liquor licence for Platinum Lounge, 2971B Islington Avenue, is not in the public interest having regard to the needs and wishes of the residents and that the Registrar should issue a Proposal to Review the liquor licence application.
2. Request the Alcohol and Gaming Commission of Ontario (AGCO) to provide the City of Toronto with an opportunity to participate in any proceedings with respect to the Premises.
3. Authorize the City Solicitor to attend all proceedings before the AGCO in this matter and be directed to take all necessary actions so as to give effect to this Motion, including adding conditions to any liquor licence issued for the Premises, in consultation with the Ward Councillor, which address the issues as set out above including security, staffing, safety, crowd control, noise and litter as well as life safety issues including the planned exiting of patrons and adequate fire separation.
4. Direct the Manager, Municipal Licensing and Standards, to monitor these premises on a regular basis to ensure compliance with City by-laws in particular hours of operation, and to keep the City Solicitor updated on all issues relating to these premises.

2847 Lake Shore Boulevard West - Jay Jays Inn "Gentlemen's Club"

(May 6, 2008) Member Motion from Councillor Mark Grimes

Recommendations

1. That the appropriate City of Toronto staff take a proactive approach in monitoring

this location with regular inspections, to ensure that the owner fully complies with all existing regulations and bylaws and that any infractions be dealt with immediately.

2. City of Toronto staff, including but not limited to, Municipal Licensing and Standards, Public Health, Toronto Fire Service, monitor this establishment and enforce all applicable Bylaws and report back in 6 months to the November meeting of Etobicoke York Community Council with regards to the following items:
 1. Noise Violations
 2. Liquor License Violations
 3. Property Standards Infractions
 4. Licensing Issues
 5. Fire Code Violations

Summary

In 1993, the owner of 2847 Lake Shore Boulevard West was issued a license to operate an Adult Entertainment Parlour (AEP) and it did so on and off until approximately the year 2000. After this time, the location was converted into a Country and Western bar where it maintained a low profile.

Since 2000, the “New Toronto” neighbourhood has changed as many young families have moved into the area. It was unknown at the time that the owner of 2847 Lake Shore Boulevard West was still holding an AEP license which could be renewed at anytime. This was done in November 2007. The area surrounding the business includes residential neighbourhoods, two schools, an Early Childhood Learning Centre, a Senior’s residence and many small businesses.

My community and I completely oppose this use and it would not be permitted under the current Zoning bylaws.

Unfortunately, this establishment received their license prior to the new Zoning bylaws and was therefore “grandfathered” in. It currently holds a legal non-conforming status.

Committee Recommendations

The Etobicoke York Community Council recommends that City Council:

1. Authorize Municipal Licensing and Standards, Public Health, Toronto Fire Service, and other departments, as appropriate, to take a proactive approach to regular monitoring and inspections of Jay Jays Inn “Gentlemen’s Club” at 2847 Lake Shore Boulevard West, to ensure full compliance with City regulations and by-laws, and to deal with any infractions immediately.
2. Direct staff as appropriate, to report to the November 18, 2008 meeting of the Etobicoke York Community Council on:
 - a. Noise violations
 - b. Liquor license violations
 - c. Property Standards infractions
 - d. Licensing issues

- e. Fire Code violations
- f. Health related issues
