## **ISSUE BACKGROUND**

The Transportation Services Division, North York District was requested by Councillor Howard Moscoe, on behalf of an area business located on the west side of Dufferin Street, to provide Pay and Display parking on the south side of Glencairn Avenue, east of Dufferin Street.

## **COMMENTS**

Glencairn Avenue is a two-lane minor arterial road with a transit route. Located on the north side of the road is an automotive service centre and on the south side of the road is the flankage of commercial businesses and single family residential homes.

Currently, parking is prohibited at all times on the south side of Glencairn Avenue, from Dufferin Street to the westerly leg of Hillmount Avenue. Parking is prohibited from 7:00

a.m. to 6:00 p.m., Monday to Friday, on the north side of Glencairn Avenue, from Dufferin Street to the westerly leg of Glen Park Avenue.

The proposed Pay and Display area will be located in front of 1015 and 1017 Glencairn Avenue. The Councillor has obtained the consensus of both property owners regarding the proposed parking regulation changes.

The installation of Pay and Display parking on the south side of Glencairn Avenue, east of Dufferin Street would not have an adverse impact on the overall level of service presently provided to traffic movements along this section of Glencairn Avenue.

Councillor Moscoe and The Toronto Parking Authority are both in agreement with the above recommendations.
