ISSUE BACKGROUND

Transportation Services, North York District was requested by Councillor Cliff Jenkins to consider installing stopping prohibitions on both sides of Bayview Avenue between Bayview Ridge and Country Lane from 7:00 a.m. to 6:00 p.m., Monday to Friday, except public holidays, in order to address concerns related to pick-up and drop-off activities at the private school presently under construction at 2454 Bayview Avenue.

COMMENTS

Currently, on Bayview Avenue between Bayview Ridge and Country Lane, stopping is prohibited from 4:00 p.m. to 6:00 p.m., Monday to Friday, except Public Holidays, on the east side of the road. On the west side of the road stopping is prohibited from 7:00 a.m. and 9:00 a.m., Monday to Friday, except Public Holidays. Parking is prohibited at anytime on both sides of Bayview Avenue.

In order to address the dangerous situation that would result from parents stopping on Bayview Avenue, particularly on the east side of the road, to facilitate student pick-up and drop-off activities, it is recommended that stopping be prohibited between the hours of 7:00 a.m. and 6:00 p.m., Monday to Friday, except public holidays, on Bayview Avenue between Bayview Ridge and Country Lane, adjacent to the private school at 2454 Bayview Avenue, presently under construction. With respect to the extremely high volume of traffic on Bayview Avenue, particularly during the peak volume periods, stopping restrictions at this location are required in order to maintain the roadway capacity.

Councillor Cliff Jenkins has indicated his support for the recommended changes contained within this report.
