---

Transportation Services Division, North York District recommends that:

1. Schedule VIII of By-law No. 31001, of the former City of North York, be amended by deleting the No Parking, 8:00 a.m. to 8:00 p.m., Monday to Friday, prohibitions on both sides of Chipping Road, from a point 30 metres east of the easterly limit of Don Mills Road to the easterly limit of Crossburn Drive.

**FINANCIAL IMPACT**

All costs associated with the amendment of the parking restrictions are included within the Transportation Services Division’s 2008 Operating Budget estimates.

## **ISSUE BACKGROUND**

Daily parking restrictions were originally introduced on Chipping Road, east of Don Mills Road, to address the excessive daytime parking by students attending Seneca College, Don Mills Campus. With the recent relocation of Seneca College, Don Mills Campus, residents on Chipping Road have requested that the current parking restrictions be amended in order to provide on-street parking during the day.

## **COMMENTS**

Currently, parking is prohibited from 8:00 a.m. to 8:00 p.m., Monday to Friday, on both sides of Chipping Road, from 30 metres east of Don Mills Road to Crossburn Drive.

The results of a recent survey by local Councillor Denzil Minnan-Wong have confirmed that the majority of residents support the removal of the current parking restrictions, thus permitting on-street parking for maximum periods of three hours.

In view of the above, this division supports the residents' request to remove the existing parking restrictions on Chipping Road.

Councillor Denzil Minnan-Wong has indicated his support for the recommendations contained within this report.
