

NOTICE OF MOTION**Reiner Road, Turn Restrictions****Moved by: Councillor Feldman****Seconded by: Councillor**

SUMMARY:

The residents of Reiner Road, from Wilson Height Boulevard to Faywood Boulevard, have expressed concern with regards to the high rate of transient traffic, excessive westbound vehicle queues at Wilson Heights Boulevard and Reiner Road and overall safety on Reiner Road.

Staff of the Transportation Services Division has confirmed that 69% of the inbound traffic (southbound right turns and westbound throughs) at Reiner Road and Faywood Boulevard are transient in nature. Additionally, Staff has confirmed that 49% of the inbound traffic (northbound right turns and eastbound throughs) at Reiner Road and Wilson Heights Boulevard are transient in nature. It has also been confirmed that westbound queues at Reiner Road and Wilson Heights Boulevard do indeed extend easterly to Dunsmore Gardens, and impact access and egress to the residential driveways.

The implementation of the turns restrictions at the intersections of Reiner Road and Wilson Heights Boulevard and Faywood Boulevard will reduce the level of transient traffic along Reiner Road.
