There is no financial impact anticipated resulting from the adoption of this report.

## **DECISION HISTORY**

The application was received from the property owner(s) in October 2007 and was circulated to Transportation Services and the following Utilities: Enbridge, Bell Canada, Cable and Hydro.

## **ISSUE BACKGROUND**

The encroachments on the City road allowance are as follows:

- (a) Several decorative cornices projecting approximately 0.13 metre into the road allowance of Deloraine Avenue located on three floor levels ;
- (b) Several decorative cornices projecting approximately 0.30 metre into the road allowance of Bathurst Street located on four floor levels ;
- (c) Several decorative cornices projecting approximately 0.13 metre into the road allowance of Bathurst Street located on three floor levels.

## **COMMENTS**

Utilities have provided clearance letters indicating that they have no objection.

Transportation Services, North York District staff, as part of their review, have indicated that they have no objections to the encroachment.

Although the former City of North York policy for the life of the Agreement be limited to 10 years from the date of registration on title or to the date of removal of the encroachment, Municipal Licensing & Standards recommends that the life of the Agreement be the life of the building from the date of registration on title, or to the date of removal of the encroachment.
