Colleen,

As you may have already heard I will have to resign from the Panel due to my firm's unexpected new international project. Due to the upcoming work load and travel - it would not feel right to stay on and only attend here and there without making continuous contribution.

At our Panel meeting last week we managed to appoint a new chair (David Le Roy) and vice chair (Jonathan Mousley). I am currently passing on everything over to David. Please let me know if there is anything you need from me.

I would love to reapply next term as I have really enjoyed my time there (brief as may be).

Thank you for your help with everything and I hope to stay in touch.

Peggy
