## Designation of the Riverdale Phase I Heritage Conservation District Under Park V of the Ontario Heritage Act

(May 30, 2008) Report from Director, Policy and Research, City Planning Division

### Committee Recommendations

The Toronto Preservation Board recommended to the Toronto and East York Community Council that:

1. In accordance with Section 41 of the Ontario Heritage Act, City Council designate by By-law the area shown on Attachment No. 1 as the Riverdale Phase 1 Heritage Conservation District.
2. City Council adopt by By-law the Riverdale Phase 1 Heritage Conservation District Plan, dated May 2008, as the District Plan for the Riverdale Phase 1 Heritage Conservation District, to act as a guide for property owners, City staff, advisory committees and City Council when making decisions regarding matters set out under Section 42 of the Ontario Heritage Act.
3. If there are any objections to the By-law under Section 41 of the Ontario Heritage Act, the City Solicitor be directed to appear before the Ontario Municipal Board to defend the By-law.
4. Until such time as the By-law designating the area as the Riverdale Phase 1 Heritage Conservation District comes into force or is repealed, all properties within the area, unless designated under Part IV of the Ontario Heritage Act, be listed in the City's Inventory of Heritage Properties.

### Financial Impact

There are no financial implications resulting from the adoption of this report. The public Notices of Intention to Designate will be advertised on the City's web site in accordance with the City of Toronto Act provisions. This proposed Heritage Conservation District will add almost 200 properties to the Inventory. It is also noted that adding properties to the Inventory by means of Heritage Conservation District designations dramatically increases the workload of Heritage Preservation Services, requiring staff to review all building permits, Committee of Adjustment, rezoning and Official Plan amendment applications within legislated timeframes.

Overtime, this will create pressure to increase staff resources.

## Summary

To recommend that City Council designate part of the Riverdale area, generally bounded by First Avenue, the Canadian National Railway Line, Dundas Street East, and Degrossi Street as the Riverdale Phase 1 Heritage Conservation District under Part V of the Ontario Heritage Act.

## **Financial Impact**

There are no financial implications resulting from the adoption of this report.

## **Summary**

This report recommends that City Council approve alterations to 21 Swanwick Avenue, the former Emmanuel Presbyterian Church, a designated heritage property. The church is a local landmark in the East Toronto neighbourhood and provides a terminus for the view to the south end of Enderby Road. First established in 1888, the present church was built in 1893.

The applicant is proposing to convert the church to condominium use, providing 10 row houses within the existing building envelope with a small rear addition. New second and third floor levels will be added to the interior.

The proposed alterations are necessary to accommodate the new use for the church. The front, north façade of the building with its large square tower will be conserved and will remain essentially as it is now with some minor alterations. The side facades will retain their important characteristics while undergoing alteration to incorporate new windows and doors.

### **3 Old George Place, Refusal of Alteration to a Designated Heritage Property**

(June 10, 2008) Report from Director, Policy and Research, City Planning Division

#### **Decision Advice and Other Information**

The Toronto Preservation Board received the report noting that the application for alterations to 3 Old George Place had been withdrawn.

#### **Financial Impact**

There are no financial implications resulting from the adoption of this report.

#### **Summary**

This report recommends refusal of an application to alter a property in the North Rosedale Heritage Conservation District (NRHCD) at 3 Old George Place. The property was designated under Part V of the Ontario Heritage Act, enacted by City Council on Sept. 30, 2004, and is identified as a “Category A” building. Category A buildings have the highest level of significance in the HCD, have been determined to be of national or provincial heritage significance, and contribute to the heritage character of the NRHCD.

No. 3 Old George Place was designed by prominent Canadian architect John B. Parkin and is an excellent example of the 1960s modernist movement in Canada. The property makes a significant contribution to the unique streetscape character of this part of the NRHCD ravine lands.

The applicant proposes to build an addition that will cover the front of the house and connect to the garage at the front of the property. The garage will also have a one storey addition.

This application does not meet the intent of the Official Plan in protecting heritage resources. The proposed alterations would damage the heritage character of the property and significantly alter the streetscape of Old George Place.
