Councillor Paula Fletcher  
Chair, Parks & Environment Committee  
Toronto City Hall  
100 Queen Street West, Suite C44  
Toronto, Ontario M5H 2N2

Dear Paula,

Would you please ask staff the status of the request I put forward at the Parks & Environment Committee in January 2007 regarding setting up a process where School Board sites and City of Toronto sites would be reviewed on a political level. Presently, comments are made on a staff level and often Councillors may hear about the potential sale either late in the process or after the sale has been made.

I raised the issue of reporting outstanding requests at committee, and all committee members agreed that an update on requests by committee was a good process to implement. I will raise this issue at the next Parks & Environment Committee and I wanted you to be aware that I am bringing it forward. Could you ask staff to update us on the status of my request and when they will be reporting on it.

Sincerely,

Councillor Ron Moeser  
Scarborough East – Ward 44
