

January 23, 2008

To: Public Works and Infrastructure Committee

From: Toronto Pedestrian Committee

Subject: **Accessible Pedestrian Routes after Heavy Snowfall**

Recommendation:

The Toronto Pedestrian Committee endorsed the communication (January 3, 2008) from Dylan Reid, Co-Chair, Toronto Pedestrian Committee, and recommends to the Public Works and Infrastructure Committee that the recommendations in the attachment to the communication be included in the ongoing program review of winter services for pedestrians currently being undertaken by Transportation Services. The Toronto Pedestrian Committee further requests that the Toronto Pedestrian Committee be considered as a stakeholder in this review.

Background:

The Toronto Pedestrian Committee on January 22, 2008, considered a communication (January 3, 2008) from Dylan Reid, Co-Chair, Toronto Pedestrian Committee respecting safe and accessible pedestrian routes after heavy snowfalls.

Speaker:

Peter Noehammer, Director, Transportation Services, Scarborough District gave a presentation.

City Clerk

Betty Pereira
