Dear PW&I Committee members:

Re: 3RWG Request to Make a Deputation at the April 9, 2008 Meeting of the PW&I Committee

Section 13 of the 3Rs Working Group (3RWG) Terms of Reference indicates that the Chair and the Vice Chair of the 3RWG will have a standing presentation or deputation before the Public Works and Infrastructure Committee.

At the April 9, 2008 meeting of this Committee, we would like to make our first deputation to the PW&I committee. This will take the form of a brief introductory presentation summarizing the group's purpose and organization, activities to date and next steps. Please note that this presentation will also make reference to the SWMS staff report entitled "3RWG Recruitment" and accompanying letter from the 3RWG.

We trust that this request will meet with the Chair's agreement, and look forward to the PW&I membership on April 9th.

Regards,

Heather C. Ducharme
Chair, Toronto 3RWG

Elaine Lepage
Vice Chair, Toronto 3RWG
