RE: Snow ploughing in laneways

DATE: April 8, 2008

Given the various issues related to this year's snowfall, I request a report on a service adjustment related to laneways, specifically about ploughing the entrances/exits to laneways.

The current policy is not to plough laneways at all. This prudently is to avoid damaging fences, garages and vehicles. There is an opportunity, however, for a minor amendment. My residents reported that this compromise would be extremely helpful.

My request is that the protocol for snow clearing in laneways be so amended.

Sincerely,

Councillor Joe Mihevc
Ward 21, St. Paul's West
