SUMMARY

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report on Gadsby Drive details the on-street parking regulation changes required to make the existing signed no parking prohibition enforceable.

Community Council’s approval of the parking regulation amendment will allow enforcement by Toronto Police Services.

RECOMMENDATIONS

Transportation Services, Scarborough District, recommends that Scarborough Community Council:

1. Adopt the “No Parking” regulation, as identified in Appendix 1 of this report, and
2. Amend the appropriate by-laws accordingly.

Financial Impact

There is no financial impact associated with this report.

ISSUE BACKGROUND

There are currently “No Parking Anytime” signs posted on Gadsby Drive from Bimbrok Road to the westerly limit of Gadsby Drive. Gadsby Drive serves as the only vehicle access to Glen Ravine Junior Public School and these signs ensure that Gadsby Drive remains passable for school buses and emergency vehicles. While it appears that these signs have been in place for some time, for unknown reasons there does not appear to be any by-law in place to actually regulate parking on Gadsby Drive.

COMMENTS

The appropriate regulation will be amended to add “No Parking Anytime” for the entire length of Gadsby Drive, consistent with the current signs.

In summary, the amended parking regulation will allow the signed parking prohibitions along Gadsby Drive to be enforceable.
