Reference Number:	P:\2008\Cluster B\TRA\Scarborough\sc08047 D08-2821683 Sloley Road Speed Limit Housekeeping

SUMMARY

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report on Sloley Road details the on-street parking regulation changes required to make the existing signed 40 kilometre per hour speed limit enforceable.

Community Council's approval of the speed limit regulation amendment will allow enforcement by Toronto Police Services.

RECOMMENDATIONS

Transportation Services, Scarborough District, recommends that Scarborough Community Council:

1. Adopt the 40 kilometres per hour speed limit on Sloley Road, as identified in Appendix 1 of this report, and
2. Amend the appropriate by-laws accordingly.

Financial Impact

There is no financial impact associated with this report.

ISSUE BACKGROUND

There are currently “40 kilometre per hour” speed limit signs posted throughout the entire length of Sloley Road from Gradwell Drive to Scarborough Heights Boulevard/Lyme Regis Crescent (east intersection). Sloley Road has two All-Way Stop Controlled intersections (AWSC’s) and one primary school on the south side. While it appears that these signs have been in place for some time, for unknown reasons there does not appear to be any by-law in place to actually regulate the 40 kilometre per hour speed limit on Sloley Road.

COMMENTS

The regulation will be amended to add a “Maximum Rate of Speed – 40 kilometres per hour” regulation for the entire length of Sloley Road, consistent with the current signs.

In summary, the amended speed limit regulation will allow the signed 40 kilometre per hour speed limit along Sloley Road to be enforceable.
