Dear Mr. Ashton:

**Re: Permit #07-280053 – 2264 Meadowvale Road**

Further to our letter of November 12, 2007, regarding the application for demolition of the structure at the above mentioned location, Toronto and Region Conservation Authority (TRCA) is confirming that no replacement or other structures of any kind are to be built on the property. TRCA will be completing natural heritage restoration work on the site, ie plantings and reforestation, and the lands will be part of the TRCA greenspace system.

I trust that this is satisfactory.

Yours Truly,

James W. Dillane
