Deputy Mayor Joe Pantalone, Chair
and Members
Striking Committee

Dear Councillor Pantalone and Members of the Striking Committee:

Re: Appointment to the Hockey Hall of Fame Board of Directors

I would appreciate your support for my reappointment to the Hockey Hall of Fame Board of Directors.

During my years as a Board Member of this organization, I have never missed a meeting, contributing both to the budget process to ensure appropriate spending, as well as the promotion of the Hall and the sport itself, and I am pleased that through the Board's efforts, the annual induction ceremonies have grown to encompass a weekend NHL game as well as an oldtimers game.

As an avid hockey fan and player myself, having been involved in Oldtimers Hockey in Etobicoke's Lakeshore area for more than two decades, I would very much like to be reappointed to the Board. I appreciate your past support and wish to thank you in advance for your consideration.

Sincerely,

Douglas C. Holyday
Councillor
