Residential Demolition Application No. 08 181023 000 00 DM

In accordance with the procedures adopted by Toronto City Council respecting the processing of residential demolition applications for properties in the former City of Toronto, attached is a copy of an application for demolition.

Municipal Code Chapter 363, Article II, as amended by By-law 1009-2006 (Residential Demolition Control By-law) directs the Chief Building Official to issue demolition permits unless an objection is received. Where such a notice is received, the demolition permit application will be forwarded to the appropriate Community Council for consideration.

Please send me any objections you may have regarding the demolition proposed at the above address by July 25/08.
