Dear Frances,

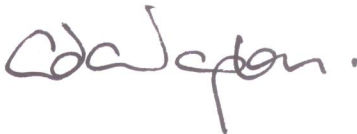

Re: Beer Garden at The Score street party

Please accept this letter of support for The Score television station's application to host a street party on September 20, 2008 from 4pm to 10pm. This event is a celebration of the opening of their new high definition TV studio, and a thank you to fans and clients. The street party is slated to include a stage with bands, a small beer garden, sports celebrities, sports activities, and fundraising for "ParticipACTION", a not-for-profit organization.

As the next Council session is scheduled for September 26th and 27th, it is not possible to obtain Council approval of the event's beer garden. I wish to support this event going forward with this aspect included. Event co-ordinators will be covering all requirements of the beer garden, including fencing, security, paid duty, Smart Serve training for servers, and will be partnering with a local restaurant that already has a liquor license.

This event contributes to a vibrant, active community, and including a beer garden would help make it a success.

Yours truly,
