

CHURCH-WELLESLEY VILLAGE BUSINESS IMPROVEMENT AREA

Wednesday August 20 2008

NOTIFICATION OF STREET CLOSURE

From 3:30pm, Friday October 31, 2008 to 1:00am, Saturday November 1 2008

Dear Residents and Businesses in the vicinity of Church Street (between Gloucester Street and Alexander Street).

Once again, the village will be hosting Halloween in the Village as part of the CWVBIA's week-long celebration of Halloweek. The event will run from 6pm to 11pm on October 31st 2008.

The following streets will be closed from 3:30pm Friday October 31 to 1:00am Saturday, November 1 2008.

- **Church Street from the *south* side of Wellesley to the *north* side of Alexander.**
- **Church Street from the *north* side of Wellesley to the *south* side of Gloucester.**
- **Maitland Street from the west side of Church to 100' west.**
- **Maitland Street from the east side of Church to 100' east.**

We intend to promote and encourage the public and the community members to decorate their residence and place of business, to come dressed for the theme and to take part in the activities on the street.

Attention: Monteith Street Residents:

You will not have access to Monteith Street to or from Church during the event's hours of operation. However, an assigned police escort will be provided in order for you to gain access to and from this street. The police will escort your vehicle from Monteith to Dundonald Street when exiting the area and from Dundonald to Monteith upon your return.

General Public Notification:

Signs will be placed and posted along Church Street notifying residents of the road closure to traffic and that businesses will be open, one (1) week prior to the event. Paid duty officers will be on hand during the Fair in order to facilitate traffic flow and ensure residential and business access during the event as well as participant safety.

Parking:

Our plan for parking is as follows: Parking would be accessible off of Maitland Street between Yonge and Jarvis Streets. Vehicular traffic would be allowed access through Wellesley Street.

The Church-Wellesley Village BIA appreciates your support and patience of our efforts and would like to take this opportunity to thank you on behalf of the members of the Church-Wellesley Village BIA.

Best regards,

David Wootton, Coordinator CWVBIA

Sam Ghazarian, Chair of CWVBIA
