Dear Ms. Belshaw:

I recently received your letter denying the application for the Boulevard for my restaurant. I have made inquiries to both the licensing office and the local councillor in my area.

I have been advised that my only option at this point is to file an appeal. Therefore, I would like to appeal the decision regarding the denial of my application for the Boulevard Agreement.

Please advise as to the process for the appeal. Also, your letter does not indicate how many residents were polled and the number of residents voting against the Boulevard. Please provide details of the polling as this information is relevant to my appeal.

Yours truly,

Giuseppe Lisozzi
