MOTION

Re: 2183-2185 Danforth Avenue, Boulevard Café Permit

The owner of the property municipally known as 2183-2185 Danforth Avenue appealed to the Toronto East York Community Council (TEYCC) to issue a boulevard cafe permit. TEYCC refused the appeal to issue a boulevard cafe permit at its meeting of September 10, 2007.

The provisions of former City of Toronto Municipal Code Chapter 313 prohibit any further application for the same purpose for a period of 2 years from the date of the application.

As a result, Municipal Licensing and Standards (ML&S) cannot accept an application for a cafe at this location from this owner or another until May 11, 2009.

Therefore I am moving that:

An exemption to this by-law provision be granted to allow ML&S to accept and process a cafe application for the above location in advance of May 11, 2009, however, in order to maintain the integrity of the by-law provisions, no permit (if the application is approved) is to be granted prior to May 11, 2009.

Sincerely yours,

Sandra Bussin
