**Re: G-Spot Bistro 2183 Danforth Avenue**

Dear Ms. Belshaw,

Residents of my ward have expressed concerns regarding the G-Spot Bistro located at 2183 Danforth Avenue. I am requesting that this location be given restricted operating hours during a set period of one year. Municipal Licensing and Standards division is to monitor, ensure compliance and report back at the end of the 2008 season.

Thank you for your attention to this important matter.
