Naming of public lane between Danforth Avenue and Chatham Avenue, extending easterly from Jones Avenue to the easterly limit of the lane located east of Euston Avenue as “Ben Kerr Lane”.

Statutory - City of Toronto Act, 2006

(January 25, 2008) Draft By-law from City Solicitor

Recommendations

The Toronto and East York Community Council recommends that the Draft By-law from the City Solicitor be enacted to name the public lane between Danforth Avenue and Chatham Avenue, extending easterly from Jones Avenue to the easterly limit of the lane located east of Euston Avenue as “Ben Kerr Lane”.

Summary

To enact By-law to name the public lane between Danforth Avenue and Chatham Avenue, extending easterly from Jones Avenue to the easterly limit of the lane located east of Euston Avenue as “Ben Kerr Lane”.

Committee Decision

On Motion by Councillor Bussin, the Toronto and East York Community Council enacted the Draft By-law from the City Solicitor to name the public lane between Danforth Avenue and Chatham Avenue, extending easterly from Jones Avenue to the easterly limit of the lane located east of Euston Avenue as “Ben Kerr Lane”.

Decision Advice and Other Information

The Toronto and East York Community Council held a public meeting and notice, in accordance with the *City of Toronto Act, 2006*, of the proposed enactment of the draft by-law was posted on the City’s web site.

Sign Variance - 96 Spadina Avenue

(January 9, 2008) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that Toronto and East York Community Council refuse the request for variances to maintain, for third party advertising purposes, two non-illuminated fascia signs on the north and east elevations of the building at 96 Spadina Avenue.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Winston Chong with

Wallman Architects on behalf of BLVD Developments, for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to maintain, for third party advertising purposes, two non-illuminated fascia signs on the north and east elevations of the building at 96 Spadina Avenue.

Staff recommends refusal of the application. The variances are major and not within the general intent and purpose of the Municipal Code.

Residential Demolition Application – 170-172 Danforth Avenue

(January 16, 2008) Report from Director, Toronto Building, Toronto and East York District

Recommendations

The Director, Toronto Building, Toronto and East York District recommended that Toronto and East York Community Council:

1. refuse the application to demolish the subject residential building because there is no building permit for a replacement building on the site; in the alternative,
2. approve the application to demolish the subject residential buildings without conditions; or,
3. approve the application to demolish the subject residential building with the following condition:
 - a. all debris and rubble be removed immediately after demolition;

- b. any holes on the property be backfilled with clean fill.
- c. the site be maintained free of garbage and weeds, in accordance with Municipal Code Chapter 548 and Chapter 489 respectively.

Summary

In accordance with Section 33 of the Planning Act and Article II of Municipal Code Ch. 363, Demolition Control, as amended by By-law No.1009-2006, I refer the demolition application for 170-172 Danforth Avenue to you, to decide whether to grant or refuse the application, including any conditions, if any, to be attached to the permit.

This staff report is regarding a matter for which the community council has delegated authority from City Council to make a final decision.

Speakers

David McKay, MHBC Planning

Committee Decision

On Motion by Councillor Ootes, the Toronto and East York Community Council approved the application to demolish the subject residential building with the following conditions:

- a. all debris and rubble be removed immediately after demolition;
- b. any holes on the property be backfilled with clean fill; and
- c. the site be maintained free of garbage and weeds, in accordance with Municipal Code Chapter 548 and Chapter 489 respectively.

Intention to Designate, Part IV, Section 29, Ontario Heritage Act - 2 Strachan Avenue

(January 4, 2008) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council state its intention to designate the property at 2 Strachan Avenue (Automotive Building) under Part IV, Section 29 of the *Ontario Heritage Act*;
2. If there are no objections to the designation in accordance with Section 29(6) of the Ontario Heritage Act, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV, Section 29 of the *Ontario Heritage Act*; and
3. If there are objections in accordance with Section 29(7) of the *Ontario Heritage Act*, the Clerk be directed to refer the proposed designation to the Conservation Review Board.

Summary

This report recommends that City Council state its intention to designate the property at 2 Strachan Avenue (Automotive Building) under Part IV of the Ontario Heritage Act. The property was listed on the inaugural City of Toronto Inventory of Heritage Properties in 1973.

At its meeting of December 11, 12 and 13 2007, City Council approved the recommendations in the report (November 29, 2007) entitled “Automotive Building at Exhibition Place - Approval of Alterations to a Heritage Building, and Authority to Enter in a Heritage Easement Agreement.” The report indicated that as part of the redevelopment of the property, Exhibition Place has agreed to the heritage designation of the Automotive Building.

Committee Recommendations

On Motion by Councillor Rae, the Toronto and East York Community Council recommends that:

1. City Council state its intention to designate the property at 2 Strachan Avenue (Automotive Building) under Part IV, Section 29 of the *Ontario Heritage Act*;
2. If there are no objections to the designation in accordance with Section 29(6) of the Ontario Heritage Act, the solicitor be authorized to introduce the Bills in Council designating the property under Part IV, Section 29 of the *Ontario Heritage Act*; and

Approval of Alterations to a Heritage Building - The John Street Roundhouse - 222 Bremner Boulevard

(January 3, 2008) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that the alterations to the heritage building at

222 Bremner be approved substantially in accordance with the Heritage Impact Statement for the John Street Roundhouse, revised November, 2007, prepared by IBI Group Architects Ltd., received by City Planning Division November 8, 2007, on file with the Manager Heritage Preservation Services, subject to the owner:

1. Prior to final site plan approval;
 - providing signage guidelines for the exterior of the building and site.
 - entering into a Heritage Easement Agreement with the City for the entire subject property.
2. Prior to the issuance of any building permit for 222 Bremner Boulevard including a permit for the demolition, excavation, and/or shoring of the subject property:
 - providing final architectural drawings of the exterior and interior alterations satisfactory to the Manager of Heritage Preservation Services.
 - conducting a condition assessment of the building.
 - providing a Conservation Plan satisfactory to the Manager, Heritage Preservation Services.
 - providing a letter of credit, in a form and an amount satisfactory to the Chief Planner and Executive Director, City Planning Division, to secure any work identified and included in the Conservation Plan.
3. Prior to release of the Letter of Credit:
 - Completion of all work outlined in the Conservation Plan.

Summary

This report recommends that City Council approve alterations to the Designated property at 222 Bremner Boulevard.

The John Street Roundhouse is identified for architectural and historical reasons. It is important both in its local significance to the economic and social development of Toronto and in its national historic significance to the contribution of railroads to Canada's development.

The Roundhouse complex occupies the block immediately south of the CN Tower, bounded by Bremner Boulevard on the north, and Lakeshore Boulevard and the Gardiner Expressway to the south (see Attachment No. 1).

The purpose of this report is to identify and approve alterations that allow for the base building fit-out that supports the adaptive re-use for both museum and retail purposes.

Committee Recommendations

On Motion by Councillor Vaughan, the Toronto and East York Community Council recommends that the alterations to the heritage building at 222 Bremner be approved

substantially in accordance with the Heritage Impact Statement for the John Street Roundhouse, revised November, 2007, prepared by IBI Group Architects Ltd., received by City Planning Division November 8, 2007, on file with the Manager Heritage Preservation Services, subject to the owner:

Inclusion on Heritage Inventory – 63 and 69 Lonsdale Road

(November 14, 2007) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council include the property at 63 Lonsdale Road (Lonsdale Road Cottage) on the City of Toronto Inventory of Heritage Properties; and
2. City Council include the property at 69 Lonsdale Road (Lonsdale Road Cottage) on the City of Toronto Inventory of Heritage Properties.

Summary

This report recommends that City Council include the properties at 63 and 69 Lonsdale Road on the City of Toronto Inventory of Heritage Properties. The inclusion of the two properties on the City's heritage inventory would enable staff to monitor applications affecting the sites and encourage the retention of their heritage attributes.

Committee Recommendations

On Motion by Councillor Rae, the Toronto and East York Community Council recommends that:

1. City Council include the property at 63 Lonsdale Road (Lonsdale Road Cottage) on the City of Toronto Inventory of Heritage Properties; and
2. City Council include the property at 69 Lonsdale Road (Lonsdale Road Cottage) on the City of Toronto Inventory of Heritage Properties.

Final Report - Rezoning Application to Remove the Holding Symbol (“h”) - 90 Sloping Sky Mews - Fort York Neighbourhood (Block 3A)

(January 24, 2008) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend Zoning By-law No. 1996-0245, as amended, in accordance with the draft Zoning By-law Amendment attached as Attachment 2 to remove application of the holding symbol (“h”) from 90 Sloping Sky Mews (Block 3A in the Fort York Neighbourhood);
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required;
3. the Bills related to the Zoning By-law Amendment not be introduced to Council for enactment until the owner of Block 3A has:
 - a. submitted a Development Context Plan respecting Blocks 3 and 3A satisfactory to the Chief Planner and Executive Director in accordance with Sections 4.6.2, 9.2.5 and 9.2.6 of the Fort York Neighbourhood Part II Plan (or Fort York Neighbourhood Secondary Plan as applicable);
 - b. entered into an agreement satisfactory to the City Solicitor to amend the Amended and Restated Section 37 Agreement applying to Block 3A to:
 - i. reflect the intention of the owner with respect to the comprehensive development of adjoining Blocks 3 and 3A of the Fort York Neighbourhood as contemplated in the Development Context Plan;
 - ii. require that if the industrial uses are continuing on all or part of Blocks 2, 3 or 4/4A in the Fort York Neighbourhood and the owner wishes to proceed with residential development on Block 3A that, prior to the issuance of an above grade building permit for any building or structure on that block, the owner shall satisfy the obligations set out in section 4.6.3 b) of the Fort York Neighbourhood Part II Plan (or Fort York Neighbourhood Secondary Plan as applicable); and
4. City Council authorize the execution of applicable amending agreements with the owner of Block 3A on the terms and conditions set out in this report.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

A zoning by-law amendment application has been filed proposing the removal of the holding symbol (“h”) from Block 3A on the lands municipally known as 90 Sloping Sky Mews (Block 3A in the Fort York Neighbourhood (“FYN”)) to allow residential development with street related retail and service uses to proceed.

The official plan policies in the FYN contemplate removal of a holding symbol when specific conditions have been satisfied which relate to ensuring comprehensive development of adjacent blocks and to addressing potential impacts on residential development associated with existing industrial operations in the FYN.

This report reviews and recommends approval of the application to amend Zoning By-law No. 1996-0245, as amended, to remove the holding symbol and associated provisions from the subject lands.

Speakers

Cynthia MacDougall, McCarthy Tetrault

Committee Recommendations

TE13.10	ACTION	Amended		Ward: 27
---------	--------	---------	--	----------

Final Report - Official Plan Amendment and Rezoning Application - Part of 50 St. Joseph Street

Statutory - Planning Act, RSO 1990

(January 25, 2008) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend the Official Plan substantially in accordance with the draft Official Plan Amendment attached as Attachment 7;
2. City Council amend the Zoning By-law for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment 8;
3. City Council authorize the City Solicitor and Chief Planner and Executive Director, City Planning Division, to make such stylistic and technical changes to the draft Official Plan Amendment and draft Zoning By-law Amendment as may be required to implement the intent of this report;
4. City Council authorize a credit against the Parks and Recreation component of Development Charges payable for the development for above-base park improvements to be installed by the developer; the credit shall be in an amount that is the lesser of the cost to the developer of installing the above-base park improvements, as approved by the General Manager, Parks, Forestry and Recreation, and the Parks and Recreation component of Development Charges payable for the development;
5. before introducing the necessary Bills to City Council for enactment, City Council require the applicant to submit an application under Toronto Municipal Code Chapter 813, Trees, Article III, 'Tree Protection' for the five private trees that qualify for protections and are proposed to be removed as part of the proposal, and complete the

application review process;

6. before introducing the necessary Bills to City Council for enactment, City Council authorize the appropriate City officials and require the owner to execute an Agreement pursuant to Section 37 of the *Planning Act* satisfactory to the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, such agreement be registered on title to the lands in a manner satisfactory to the City Solicitor, to secure the following facilities, services and matters:
 - i. convey lands for a public park, all at no cost to the City other than such parkland acquisition payment as may be approved by the City;
 - ii. public pedestrian easement over the green space between the development and the proposed public park;
 - iii. pedestrian walkway from Bay Street to the courtyard;
 - iv. building assessment of St. Basil's Church and Cloverhill Wing and construction monitoring program and insurance;
 - v. improvements / upgrades to municipal infrastructure if required to service the development;
 - vi. costs associated with the installation of a new traffic signal at St. Mary and Bay Street intersection;
 - vii. design and materials for the exterior of the development;
 - viii. a wind assessment of specific mitigation measures identified through the Site Plan Approval process and incorporation of such measures into the development;
 - ix. continuous tree pit / trench and an automatic irrigation system for proposed street trees;
 - x. reasonable commercial efforts to obtain LEED certification for the development;
 - xi. tree plantings on either side of the ceremonial driveway leading from St. Joseph Street to St. Basil's Church
 - xii. an open space requirement / setback zone for a distance of 20 metres on the St. Michael's playing field west of the proposed western property line of the site; and
 - xiii. provide the Parks and Recreation component of Development Charges payable for the development as Development Charge credits for above-base park improvements to be installed by the developer subject to Recommendation 4.
7. City Council authorize City officials to take all necessary steps, including the execution of agreements and documents, to give effect to the above-noted recommendations.

Summary

This application proposes to develop part of 50 St. Joseph Street with two high-rise residential condominium buildings of 45 and 55 storeys and three 3-storey buildings all located to the north of St. Basil's Church, and to expand the existing park at St. Joseph and Bay Streets and convey it to the City.

The proposal achieves a number of important city building objectives. It replaces a surface commercial parking lot with new housing and a well-located public park in the downtown. The use of tall and low built form elements allow the development to respond to the surrounding urban context, and the size of the site permits good separation distances between the proposed towers and from existing tall buildings.

This report reviews and recommends approval of the application to amend the Official Plan and Zoning By-law.

Committee Recommendations

On Motion by Councillor Rae, the Toronto and East York Community Council recommends that:

1. City Council amend the Official Plan substantially in accordance with the draft Official Plan Amendment attached as Attachment 7 of the report (January 25, 2008) from the Director, Community Planning, Toronto and East York District;

2. City Council amend the Zoning By-law for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment 8 of the report (January 25, 2008) from the Director, Community Planning, Toronto and East York District, subject to parking being provided in accordance with the Downtown Zone standards set out in By-law No. 438-86, instead of the higher parking ratios recommended by the Final Report, and that this standard also be reduced by nine spaces if a car-sharing parking space is provided;
3. City Council authorize the City Solicitor and Chief Planner and Executive Director, City Planning Division to make such stylistic, technical and other changes to the draft Official Plan Amendment and draft Zoning By-law Amendment as may be required to implement the intent of the Final Report as adopted by Council;
4. City Council authorize a credit against the Parks and Recreation component of Development Charges payable for the development for above-base park improvements to be installed by the developer; the credit shall be in an amount that is the lesser of the cost to the developer of installing the above-base park improvements, as approved by the General Manager, Parks, Forestry and Recreation, and the Parks and Recreation component of Development Charges payable for the development;
5. before introducing the necessary Bills to City Council for enactment, City Council require the applicant to submit an application under Toronto Municipal Code Chapter 813, Trees, Article III, 'Tree Protection' for the five private trees that qualify for protections and are proposed to be removed as part of the proposal, and complete the application review process;
6. before introducing the necessary Bills to City Council for enactment, City Council authorize the appropriate City officials and require the owner to execute an Agreement pursuant to Section 37 of the *Planning Act* satisfactory to the Chief Planner and Executive Director, City Planning Division, and the City Solicitor, such agreement be registered on title to the lands in a manner satisfactory to the City Solicitor, to secure the following facilities, services and matters:

 - x. tree plantings on either side of the ceremonial driveway leading from St. Joseph Street to St. Basil's Church
 - xi. an open space requirement/setback zone for a distance of 20 metres on the St. Michael's playing field west of the proposed western property line of the site; and
 - xii. provide the Parks and Recreation component of Development Charges payable for the development as Development Charge credits for above-base park improvements to be installed by the developer subject to Recommendation 4.
7. City Council direct that public pedestrian accessibility over the green space between the development and the proposed public park be secured by the Section 37 Agreement alone and not also by way of an easement;
 8. the open space requirement/setback zone, as noted in Recommendation 6(xi). above, be secured through any legal mechanism satisfactory to the City Solicitor and the Chief Planner and Executive Director, City Planning Division;
 9. City Council authorize City officials to take all necessary steps, including the execution of agreements and documents, to give effect to the above-noted recommendations.

Request for a fence exemption to the Toronto Municipal Code, Chapter 447 - Fences at 34 Crescent Road

(January 21, 2008) Report from Municipal Licensing and Standards Division, Toronto East York District

Recommendations

Municipal Licensing & Standards recommends that Community Council not grant the fence exemption.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. The applicant, being the Architect for the owners of 34 Crescent Road, is seeking approval for a fence exemption to the provisions of the City of Toronto Municipal Code, Chapter 447 Fences, Section 447-2(B), to permit a solid wood and lattice fence construction to provide privacy and screening from the road. The construction of the front yard fence consists of one portion with three panels that measure approximately 6.6 metres (21 feet 8 inches) in length and 1.7 metres (5 feet 7 inches) in height along the south property line on the private property portion of the front yard of 34 Crescent Road. The fence is within 2.4 metres of the front lot line whereas the by-law restricts the maximum height of a front yard fence to 1.2 metres (4 feet) of open construction and to 1 metre (3 feet 3 inches) of any other type of construction.

Speakers

Neil Turnbull, Neil Trunbull Ltd.

Committee Decision

On Motion by Councillor Rae the Toronto and East York Community Council granted the request for fence exemption for 34 Crescent Road.

The following motion was placed by Councillor Walker and lost.

That the Toronto and East York Community Council grant the appeal for driveway widening for a second vehicle at 453 Soudan Avenue, on condition that:

1. the parking area for the second parking space not exceed 2.46 m by 4.60 m in dimension;
2. the applicant remove the existing concrete paving and repave the parking area with semi-permeable paving materials;
3. the applicant remove the excess paving and restore the area to soft landscaping;
4. the applicant pay for the installation of the ramp to service the parking space;
5. the applicant provide the landscape features substantially in accordance with the plan as shown on Appendix 'D', of the report (January 24, 2008) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District, to the satisfaction of the General Manager of Transportation Services;
6. the applicant plant, and ensure the survival of, a full shade canopy tree on the property, to the satisfaction of the City Arborist.
7. the applicant pay all applicable fees and comply with all other criteria set out in the former City of Toronto Municipal Code Chapter 248, Parking Licences.
8. upon the present owners ceasing to own the property, the property be reverted to provide for parking for one vehicle.

Driveway Widening Appeal for a Second Vehicle - 223 Belsize Drive

(June 11, 2007) Report from Manager, Right of Way Management, Transportation Services
Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council deny the request for driveway widening for a second vehicle at 223 Belsize Drive.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the owner of 223 Belsize Drive for parking a second vehicle adjacent to the existing licensed space adjacent to the mutual driveway. We do not recommend approval of driveway widening for a second vehicle at this location because it does not meet the requirements of the former City of Toronto Municipal Code. The owner will be given an opportunity to make a deputation before Community Council.

Committee Decision

On Motion by Councillor Walker, the Toronto and East York Community Council deferred this item indefinitely.

The following motion by Councillor Perks was not put.

That Toronto and East York Community Council:

1. deny the request for front yard parking at 42 Bellefair Avenue; and
2. install in-ground planting area, 0.6 m x 2.4 m, with planting material of sufficient height in order to preclude any unauthorized parking as shown in Appendix 'E' of the report (January 23, 2008) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

Residential Boulevard Parking Appeal – 84 Duggan Avenue

(November 8, 2007) Report from Manager, Right of Way Management, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for residential boulevard parking for one vehicle at 84 Duggan Avenue; and
2. request that the owner install suitable barriers/planters of sufficient weight that cannot be easily moved in order to prevent parking.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services has assessed an appeal from the owner of 84 Duggan Avenue for residential boulevard parking for one vehicle at this location. We do not recommend approval of parking because it does not meet the requirements of the former City of Toronto Municipal Code. The owner will be given an opportunity to make a deputation before Community Council.

Preliminary Report - Rezoning Application - 90-100 Broadview Avenue

(January 22, 2008) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to schedule a community consultation meeting together with the Ward Councillor.
2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site.
3. Notice for the public meeting under the Planning Act be given according to the regulations under the Planning Act.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the Planning Act and the City of Toronto Act, 2006.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

The proposal seeks to construct a new 9-storey residential building at 90 Broadview Avenue, and add four storeys to the existing office building located at 100 Broadview Avenue. The development will consist of approximately 18,500m² of residential gross floor area and approximately 8,500 m² of office gross floor area. A total of 192 residential dwelling units are proposed as part of this application.

A Community Consultation Meeting is targeted for early spring 2008.

Decision Advice and Other Information

On Motion by Councillor Fletcher, the Toronto and East York Community Council directed that:

1. Staff schedule a community consultation meeting together with the Ward Councillor;
2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site and to additional landowners and residents to be determined in consultation with the ward councillor, with any additional mailing costs to be borne by the applicant; and

Remove Modular Island/Planter Box - Markham Street

(January 22, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council not approve the alteration of Markham Street by removing the modular traffic island/planter box on the east side of the street, north of Robinson Street, fronting Premises No. 45 Markham Street, as shown in the attached print of Drawing No. 421F-9183, dated January 2008.

Financial Impact

There is no cost associated with adoption of the above-noted recommendation. If, however, Toronto and East York Community Council decides removing the modular island/planter box from the east side of Markham Street would be beneficial, the following financial impact will result:

- the estimated cost for removing the modular island/planter box, restoring the road surface and enhancing one-way signage is about \$1500.00, funds for which are contained in the Transportation Services Division 2008 Operating Budget interim appropriations.

Summary

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services has investigated a request to alter the width of Markham Street by removing a modular traffic island from the east side of Markham Street, immediately north of Robinson Terrace, fronting Premises No. 45. This traffic island was installed to narrow the road and deter northbound motorists from inadvertently travelling further north on Markham Street against a one-way southbound regulation.

In the interest of safety, Transportation Services recommends maintaining this road narrowing as a physical measure to clearly delineate the commencement of the one-way operation.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council approved the alteration of Markham Street by removing the modular traffic island/planter box on the east side of the street, north of Robinson Street, fronting Premises No. 45 Markham Street, as shown in the print of Drawing No. 421F-9183, dated January 2008, attached to the report (January 22, 2008) from the Director, Transportation Services, Toronto and East York District.

Traffic Calming – Shaw Street, between Bloor Street West and Dupont Street

(January 11, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that the Toronto and East York Community Council not authorize installation of speed humps on Shaw Street, between Bloor Street West and Dupont Street.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Toronto and East York Community Council decides speed humps on Shaw Street would be beneficial, the following financial impact will result:

1. the estimated cost for installing 9 speed humps would be \$27,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. The installation of speed humps on Shaw Street is subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services staff has investigated installing speed humps on Shaw Street, between Bloor Street West and Dupont Street to address residents' concerns with the speed of traffic. Staff's assessment indicates the criteria as set out in the Traffic Calming Policy has not been met. Therefore, installation of speed humps on Shaw Street, between Bloor Street West and Dupont Street is not recommended.

Communications

(February 5, 2008) e-mail from Jonah Arnold, BHK, LLB (TE.New.TE13.32.1)

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council requested:

1. Transportation Services to poll eligible householders on Shaw Street, between Bloor Street West and Dupont Street to determine whether residents support the installation, in accordance with the City of Toronto Traffic Calming Policy; and
2. subject to favourable results of the poll;
 - a. The City Solicitor to prepare a by-law to alter sections of the roadway on Shaw Street, between Bloor Street West and Dupont Street, for traffic calming purposes, generally as shown on the attached print of Drawing No. 421F-9160, dated January 2008 and circulated to residents during the polling process; and
 - b. Transportation Services to take the necessary action to reduce the speed limit from forty kilometres per hour to thirty kilometres per hour on Shaw Street, between Bloor Street West and Dupont Street, when speed humps are installed. The Toronto and East York Community Council not authorize installation of speed humps on Shaw Street, between Bloor Street West and Dupont Street.

Traffic Calming - Atlas Avenue, between Durham Avenue and Ava Road

(January 10, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council not authorize installation of speed humps on Atlas Avenue, between Durham Avenue and Ava Road.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Toronto and East York Community Council decides speed humps on Atlas Avenue would be beneficial, the following financial impact will result:

1. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. The installation of speed humps on Atlas Avenue is subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services' staff has investigated installing speed humps on Atlas Avenue, between Durham Avenue and Ava Road to address residents' concerns with the speed of traffic. Staff's assessment indicates the criteria as set out in the Traffic Calming Policy has not been met. Therefore, installation of speed humps on Atlas Avenue is not recommended at this time.

Committee Decision

On motion by Councillor Fletcher, the Toronto and East York Community Council requested:

1. Transportation Services to poll eligible householders on Atlas Avenue, between Durham Avenue and Ava Road to determine whether residents support the installation, in accordance with the City of Toronto Traffic Calming Policy; and
2. subject to favourable results of the poll;
 - a. the City Solicitor to prepare a by-law to alter sections of the roadway on Atlas Avenue, between Durham Avenue and Ava Road, for traffic calming purposes, generally as shown on the attached print of Drawing No. 421F-9153, dated December 2007 and circulated to residents during the polling process; and
 - b. Transportation Services to take the necessary action to reduce the speed limit from forty kilometres per hour to thirty kilometres per hour on Atlas Avenue, between Durham Avenue and Ava Road, when the speed humps are installed.

(January 23, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council not authorize installation of speed humps on Rawlinson Avenue, between Broadway Avenue and Roehampton Avenue.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact. If, however, Toronto and East York Community Council decides speed humps on Rawlinson Avenue, between Broadway Avenue and Roehampton Avenue would be beneficial, the following financial impact will result:

1. the estimated cost for installing 2 speed humps would be \$6,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. Installing speed humps on Rawlinson Avenue is subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision. Transportation Services has investigated installing speed humps on Rawlinson Avenue, between Broadway Avenue and Roehampton Avenue to address residents' concerns with the speed of traffic. Staff's assessment indicates the criteria as set out in the Traffic Calming Policy has not been met. Therefore, installation of speed humps on

Traffic Calming – Swanwick Avenue, between Main Street and Malvern Avenue

(January 17, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends to Toronto and East York Community Council that traffic calming not be installed on Swanwick Avenue, between Main Street and Malvern Avenue.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact.

If, however, Toronto and East York Community Council decides speed humps on Swanwick Avenue would be beneficial, the following financial impact will result:

1. the estimated cost for installing 4 speed humps would be \$12,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. Installing speed humps on Swanwick Avenue would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision. Transportation Services staff have investigated installing traffic calming on Swanwick Avenue, between Main Street and Malvern Avenue to address residents' concerns with the speed of traffic. The speed of vehicles on the street is already below a level which would benefit from traffic-calming devices and stop signs are closely spaced. Therefore, speed humps should not be installed on this section of Swanwick Avenue at this time.

Committee Decision

On motion by Councillor Bussin, the Toronto and East York Community Council requested:

1. Transportation Services to consult with Councillor Bussin to develop a speed hump plan, and that this be considered a priority among the traffic calming projects within Councillor Bussin's ward;
2. Transportation Services to poll eligible residents on Swanwick Avenue, between Main Street and Malvern Avenue to determine whether residents support the installation, in accordance with the City of Toronto Traffic Calming Policy; and
3. subject to favourable results of the poll:
 - a. Swanwick Avenue, between Main Street and Malvern Avenue, for traffic calming purposes, generally as the speed hump plan that Transportation Services circulated to residents during the polling process shows; and
 - b. Transportation Services take the necessary actions to reduce the speed limit from forty kilometres per hour to thirty kilometres per hour on Swanwick Avenue, between Main Street and Malvern Avenue, when the speed humps are installed.

Results of Speed Hump Poll – St. Clarens Avenue, between College Street and Bloor Street West

(January 15, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that the Toronto and East York Community Council not authorize the installation of speed humps on St. Clarens Avenue, between College Street and Bloor Street West.

Financial Impact

Adoption of the above-noted recommendation has no financial impact. If the Toronto and East York Community Council decides to approve installation of speed humps on St. Clarens Avenue, between College Street and Bloor Street West, the following financial impact will result:

1. the estimated cost of installing nine speed humps on St. Clarens Avenue is \$27,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. The installation of speed humps on St. Clarens Avenue would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from

City Council to make a final decision. This report summarizes the results of the traffic calming poll undertaken on St. Clarens Avenue, between College Street and Bloor Street West. The poll results indicated a response rate of less than 50 percent plus one, and accordingly, installation of speed humps is not recommended.

Committee Decision

On motion by Councillor Giambrone, the Toronto and East York Community Council directed that:

1. the City Solicitor prepare a draft by-law for installing nine speed humps on St. Clarens Avenue, between College Street and Bloor Street West, generally as shown on Drawing No. 421F-9100, dated October 2007; and
2. the speed limit on St. Clarens Avenue, between College Street and Bloor Street West be reduced from 40 km/h to 30 km/h, upon installation of the speed humps.

Results of the Speed Hump Poll - Claxton Boulevard, between Raglan Avenue and Connaught Circle

(December 10, 2007) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council not authorize installation of speed humps on Claxton Boulevard, between Raglan Avenue and Connaught Circle.

Financial Impact

Adoption of the above-noted recommendation has no financial impact. If Toronto and East York Community Council decides to approve installation of speed humps on Claxton Boulevard, the following financial impact will result:

1. the estimated cost for installing six speed humps on Claxton Boulevard is \$18,000.00. Funds are contained in the \$295,000.00 Transportation Services 2008 Capital Budget request for traffic calming initiatives. The installation of these speed humps on Claxton Boulevard would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic calming poll undertaken on Claxton Boulevard, between Raglan Avenue and Connaught Circle. The poll results indicated a response rate less than 50 percent plus one, and accordingly, installation of speed humps is not recommended.

Committee Decision

On motion by Councillor Fletcher, the Toronto and East York Community Council deferred this item pending community consultation by the Ward Councillor.

Front Yard Parking - By-law Amendment - 853 Bathurst Street

(January 24, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that a site specific amendment to Municipal Code Chapter 918 – Parking on Residential Front Yards and Boulevards, to allow front yard parking at 853 Bathurst Street not be authorized by City Council.

Summary

Transportation Services has assessed a request to report on the necessary process required to allow front yard parking for persons with disabilities at 853 Bathurst Street. Because this property is located in an area of the City where a long-standing “no application/no appeal” provision applies under Chapter 918, Parking on Residential Front Yards and Boulevards, of the Municipal Code and, further, the property would not meet the minimum dimensional criteria of the Chapter in any event, the only available option to permit a front yard parking pad within an expedited period would be for City Council to authorize a site specific amendment to the actual Code Chapter.

Staff have considerable concern with this approach in terms of the potential to undermine and circumvent the harmonized front yard parking regulations. The steps to authorize the parking

pad in this instance through a site-specific exemption, although not recommended by staff, are set out in this report as requested for consideration by Community Council and City Council. We recommend that should Council enact such an amendment, staff also be directed to report to the Public Works and Infrastructure Committee on options for providing the proper framework in the Code Chapter for dealing with such instances.

Committee Recommendations

On motion by Councillor Vaughan, the Toronto and East York Community Council recommends that City Council:

1. approve an amendment to Chapter 918, Parking on Residential Front Yards and Boulevards, of the Municipal Code, to authorize a site specific exemption to allow front yard parking for disabled persons at 853 Bathurst Street on the following conditions:
 - a. the applicant provide a copy of the applicant's valid permanent disabled parking permit issued by the Province of Ontario for which this exemption applies;
 - b. the parking area must not exceed 2.6 m by 5.9 m in dimension due to the required clearances from the entrances and setbacks;
 - c. the applicant pay for the installation of the ramp to service the parking space and applicable fees under Chapter 918, including the non-refundable appeal fee that would otherwise be required to be paid;
 - d. the license terminate upon the sale of the home and/or the disabled parking permit no longer being required by or in effect for the applicant, or the applicant no longer residing at this address;
 - e. within 6 months of the termination of the license, the parking pad revert to green space and soft landscaping at the owner's expense, and the owner must pay for the reinstallation of the curb; and
 - f. the applicant comply with all other criteria set out in the City of Toronto Municipal Code Chapter 918, Parking on Residential Front Yards and Boulevards; and
2. direct the General Manager, Transportation Services to report to the Public Works and Infrastructure Committee, on a policy and draft amendments to the Municipal Code, Chapter 918, to allow for special consideration for the installation of front yard parking pads for persons with valid disabled parking permits.

Thursday Parking Prohibition - Various Streets

(January 11, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council prohibit parking on Thursdays, from April 1st to November 30th of each year, on the streets outlined in Schedule “A” attached to this report.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget interim appropriations.	\$3,000.00

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval from Toronto and East York Community Council to amend the parking regulations on Thursdays, from April 1st to November 30th, of each year on those streets in Ward 18 outlined on Schedule “A” attached to this report.

In keeping with the City’s Clean and Beautiful City initiative, this program implemented initially on a one-year trial basis in Ward 18 has enhanced mechanical street sweeping and enabled staff to schedule cleaning services on both sides of each street on a regular basis.

Committee Decision

On motion by Councillor Giambrone, the Toronto and East York Community Council prohibited parking on Thursdays, from April 1st to November 30th of each year, on the streets outlined in Schedule “A” attached to the report (January 11, 2008) from the Director, Transportation Services, Toronto and East York District.

Road Alteration - Williamson Road

(January 22, 2008) Report from Director, Transportation Services, Toronto and East York

Recommendations

Transportation Services recommends that City Council approve the alteration of Williamson Road, between Hambly Avenue and Wineva Avenue, to allow for the construction of a lay-by, generally as shown in the attached Drawing No. 421F-9148, dated December 2007.

Summary

Transportation Services is seeking authority to allow the construction of a lay-by on the north side of Williamson Road, between Hambly Avenue and Wineva Avenue. This proposal is intended to reduce traffic congestion during student pick up/drop off times at Glen Ames and Williamson Road Schools, which are located on the north side of the road.

The construction of the proposed lay-by will result in the loss of two parking spaces in the student pick up/drop off area but will not affect the school bus loading zone. There are no significant impacts on the Toronto Transit Commission (TTC) #64 Main route.

The Toronto District School Board will facilitate the design and construction of the proposed lay-by to City of Toronto standards. Upon construction the City of Toronto will assume ownership and maintenance responsibilities of the lay-by.

Committee Recommendations

On motion by Councillor Bussin, the Toronto and East York Community Council recommends that City Council approve the alteration of Williamson Road, between Hambly Avenue and Wineva Avenue, to allow for the construction of a lay-by, generally as shown in Drawing No. 421F-9148, dated December 2007, attached to the report (January 22, 2008) from the Director, Transportation Services, Toronto and East York District.

Alternate Side Parking, Various Streets

(January 24, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council adopt the alternate side parking regulations for those streets in Ward 18, as outlined in Schedule “A”, attached to this report.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget interim appropriations.	\$3,000.00

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval from Toronto and East York Community Council to introduce alternate side parking regulations on various streets in Ward 18 as described in Schedule “A”, attached to this report.

Alternate side parking regulations benefit residents by allowing the City to provide scheduled mechanical street cleaning service during the non-winter months on both sides of a street on a regular basis, in keeping with the City’s Clean and Beautiful City initiative.

Committee Decision

On motion by Councillor Giambrone, the Toronto and East York Community Council adopted the alternate side parking regulations for those streets in Ward 18, as outlined in Schedule “A”, attached to the report (January 24, 2008) from the Director, Transportation Services, Toronto and East York District.

Parking Amendments - Rawlinson Avenue

(January 22, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. rescind the “One Hour Maximum, from 8:00 a.m. to 6:00 p.m.” parking regulation on the east side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue;
2. rescind the “No Parking Anytime” regulation on the west side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue;
3. rescind the “School Bus Loading Zone” regulation on the west side of Rawlinson Avenue, from a point 12 metres north of Roehampton Avenue, to a point 61 metres further north;
4. prohibit parking at all times on the east side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue; and
5. restrict parking to a maximum of one hour, from 8:00 a.m. to 6:00 p.m., on the west side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Toronto Transportation Services 2008 operating budget interim appropriations	\$1,000.00

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval to transfer parking from the east side to the west side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue.

This change in parking operation will increase the potential number of parking spaces provided on this street.

Committee Decision

On motion by Councillor Walker, the Toronto and East York Community Council:

1. rescinded the “One Hour Maximum, from 8:00 a.m. to 6:00 p.m.” parking regulation on the east side of Rawlinson Avenue, between Roehampton Avenue and Broadway

Avenue;

2. rescinded the “No Parking Anytime” regulation on the west side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue;
3. rescinded the “School Bus Loading Zone” regulation on the west side of Rawlinson Avenue, from a point 12 metres north of Roehampton Avenue, to a point 61 metres further north;
4. prohibited parking at all times on the east side of Rawlinson Avenue, between Roehampton Avenue and Broadway Avenue; and

Proposed One-Hour Maximum Parking Regulation – Princess Street

(January 23, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. adjust the existing “No Parking Anytime” regulation on the east side of Princess Street, from King Street East to Adelaide Street East, to operate on the east side of Princess Street, from King Street to a point 67.1 metres north; and
2. allow parking for a maximum period of one hour from 8:00 a.m. to 6:00 p.m., Monday to Friday on the east side of Princess Street, from a point 67.1 metres north of King Street to a point 11 metres further north.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2008 interim Operating Budget	\$500.00

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval from Toronto and East York Community Council to allow parking for a maximum period of one hour on the east side of Princess Street, immediately south of Adelaide Street East. Two spaces can be provided without impacting traffic flow or loading activities by local businesses. The one-hour regulation, combined with sufficient enforcement, should result in more parking opportunities for customers of local businesses.

Committee Decision

On motion by Councillor McConnell, the Toronto and East York Community Council:

1. adjusted the existing “No Parking Anytime” regulation on the east side of Princess Street, from King Street East to Adelaide Street East, to operate on the east side of Princess Street, from King Street to a point 67.1 metres north; and
2. allowed parking for a maximum period of one hour from 8:00 a.m. to 6:00 p.m., Monday to Friday on the east side of Princess Street, from a point 67.1 metres north of King Street to a point 11 metres further north.

Installation/Removal of On-Street Parking Spaces for Persons With Disabilities - February 2008

(January 24, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the installation and removal of on-street parking spaces for persons with disabilities at the locations identified in the attached Appendix A.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget interim appropriations.	\$1,500.00

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision. The purpose is to obtain approval for the installation/removal of a number of on-street parking spaces for persons with disabilities.

Committee Decision

On motion by Councillor Giambrone, the Toronto and East York Community Council approved the installation and removal of on-street parking spaces for persons with disabilities at the locations identified in Appendix A attached to the report (January 24, 2008) from the Director, Transportation Services, Toronto and East York District.

On-street Loading Zone for Disabled Persons - Bloor Street West

(January 24, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council authorize installation of an on-street loading zone for disabled persons on the south side of Bloor Street West, from a point 48.4 metres east of Brock Avenue to a point 10 metres further east.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget interim appropriations.	\$500.00

Summary

Transportation Services is requesting City Council's approval to designate a loading zone for use by disabled persons in front of Nos. 1173 and 175 Bloor Street West.

Businesses located at these addresses provide services for disabled persons and attract patrons arriving by WheelTrans buses and other vehicles transporting persons with physical disabilities. Delineating a loading area will provide a convenient location in front of these businesses for vehicles to stop and pick-up/discharge disabled persons. Implementing this proposal will not reduce the number of Pay-and-Display parking spaces provided on this section of Bloor Street West.

Committee Recommendations

On motion by Councillor Giambrone, the Toronto and East York Community Council recommends that City Council authorize installation of an on-street loading zone for disabled persons on the south side of Bloor Street West, from a point 48.4 metres east of Brock Avenue to a point 10 metres further east.

Disabled persons pick-up/drop-off zone – Ashdale Avenue

(December 4, 2007) Report from Director, Transportation Services Toronto and East York District.

Recommendations

Transportation Services recommends that Toronto and East York Community Council establish an on-street pick-up/drop-off zone for disabled persons operating from 8:30 a.m. to 5:00 p.m., daily, on the east side of Ashdale Avenue from Fairford Avenue to a point 13.5 metres north.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2008 operating budget interim appropriations	\$250.00

Summary

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision. Transportation Services is requesting approval to establish a pick-up/drop-off zone for disabled persons fronting No. 369 Ashdale Avenue. The purpose of the zone is to provide curbside access for Wheel-Trans vehicles servicing a disabled resident at that address. The installation of the pick-up/drop-off zone will result in the loss of one on-street parking space between 8:30 a.m. and 5:00 p.m., daily.

Committee Decision

On motion by Councillor Fletcher, the Toronto and East York Community Council established an on-street pick-up/drop-off zone for disabled persons operating from 8:30 a.m. to 5:00 p.m., daily, on the east side of Ashdale Avenue from Fairford Avenue to a point 13.5 metres north.

Proposed "No Standing Anytime" Regulation - East Liberty Street

(January 22, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council prohibit standing at all times on the north side of East Liberty Street, from Hanna Avenue to Lynn Williams Street.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget interim appropriations	\$500.00

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting authority from Toronto and East York Community Council to prohibit standing at all times on the north side of East Liberty Street, from Hanna Avenue to Lynn Williams Street.

This section of East Liberty Street is too narrow to allow parking on both sides of the street and maintain safe and efficient two-way traffic operation. Prohibiting standing at all times on the north side of East Liberty Street, between Hanna Avenue and Lynn Williams Street is recommended. This will improve two-way traffic operation and provide a safer environment for all road users.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council prohibited standing at all times on the north side of East Liberty Street, from Hanna Avenue to Lynn Williams Street.

Student Pick-Up/Drop-Off Area - Roxton Road

(January 22, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. rescind the parking prohibition at all times on the west side of Roxton Road:
 - a. from Harrison Street to a point 53.1 metres north; and
 - b. from a point 64.1 metres north of Harrison Street to a point 25 metres further north;
2. prohibit parking from 9:00 a.m. to 11:30 a.m., from 1:00 p.m. to 3:00 p.m., and from 4:00 p.m. to 8:00 a.m., Monday to Friday; and at all times on Saturday and Sunday on the west side of Roxton Road:
 - a. from Harrison Street to a point 53.1 metres further north; and
 - b. from a point 64.1 metres north of Harrison Street to a point 25 metres further north; and
3. allow parking for a maximum period of 15 minutes, from 8:00 a.m. to 9:00 a.m., from 11:30 a.m. to 1:00 p.m. and from 3:00 p.m. to 4:00 p.m., Monday to Friday, on the west side of Roxton Road:
 - a. from Harrison Street to a point 53.1 metres further north; and
 - b. from a point 64.1 metres north of Harrison Street to a point 25 metres further north.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Toronto Transportation Services 2008 Operating Budget interim appropriations	\$500.00

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services investigated a request to identify a “Student Pick-up/Drop-off Area”, with short-term parking allowed, on the west side of Roxton Road in the vicinity of St. Luke Catholic School at 319 Ossington Avenue. This would provide an area where parents/guardians could park while accompanying their children to/from the school.

Staff recommends allowing parking for a maximum period of 15 minutes at two locations on the west side of Roxton Road during peak arrival/dismissal times at the school. This will provide a total of 12 parking spaces and will not adversely impact on traffic operation.

Committee Decision

On motion by Councillor Rae, the Toronto and East York Community Council:

1. rescinded the parking prohibition at all times on the west side of Roxton Road:
 - a. from Harrison Street to a point 53.1 metres north; and
 - b. from a point 64.1 metres north of Harrison Street to a point 25 metres further north;
2. prohibited parking from 9:00 a.m. to 11:30 a.m., from 1:00 p.m. to 3:00 p.m., and from 4:00 p.m. to 8:00 a.m., Monday to Friday; and at all times on Saturday and Sunday on the west side of Roxton Road:
 - a. from Harrison Street to a point 53.1 metres further north; and
 - b. from a point 64.1 metres north of Harrison Street to a point 25 metres further north; and
3. allowed parking for a maximum period of 15 minutes, from 8:00 a.m. to 9:00 a.m., from 11:30 a.m. to 1:00 p.m. and from 3:00 p.m. to 4:00 p.m., Monday to Friday, on the west side of Roxton Road:
 - a. from Harrison Street to a point 53.1 metres further north; and
 - b. from a point 64.1 metres north of Harrison Street to a point 25 metres further north.

Extension of Lane Closure Duration - Adelaide Street East

(January 24, 2008) Report from Director, Transportation Services Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve the following actions:

1. continue to close the sidewalk and curb lane on the south side of Adelaide Street East, between a point 8 metres east of Frederick Street and a point 35.2 metres further east, for 4 months, from March 5, 2008 to June 30, 2008; and
2. return Adelaide Street East to its pre-construction traffic and parking regulations when the project is completed.

Summary

Life Construction Inc. is building a 14-storey condominium at 311 Adelaide Street East. They need to continue to keep the south lane and south sidewalk closed in order to complete construction.

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommends that City Council approve the following actions:

1. continue to close the sidewalk and curb lane on the south side of Adelaide Street East, between a point 8 metres east of Frederick Street and a point 35.2 metres further east, for 4 months, from March 5, 2008 to June 30, 2008; and

Proposed Permanent Closure of the Public Lane at the rear of 709 and 711 Yonge Street, extending northerly from Hayden Street

(January 25, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto City Council:

1. Permanently close the public lane shown as Part 1 on the attached Sketch No. PS-2007-248 (the “Lane”), subject to compliance with the requirements of City of Toronto Municipal Code, Chapter 162, and subject to City Council authorizing the sale of the Lane to the abutting owner, One Bloor Street East Limited (the “Applicant”);
2. Authorize Transportation Services staff to give notice to the public of a proposed by-law to close the Lane in accordance with the requirements of the City of Toronto Municipal Code, Chapter 162, with the Toronto and East York Community Council to hear any member of the public who wishes to speak to the matter during consideration of the proposed by-law; and
3. Authorize Transportation Services staff to advise the public of the proposed closure of the Lane prior to implementation, in accordance with the requirements of the Municipal Class Environmental Assessment for Schedule A+ activities, by posting notice of the proposed closure on the notices page of the City’s Web site for at least five working days prior to the Toronto and East York Community Council meeting at which the proposed by-law to close the Lane will be considered.

Financial Impact

The subject closing and sale will not incur any costs to the City as the Applicant is required to pay all costs associated with the closing of the Lane. Financial compensation will be realized from the sale of the Lane.

Summary

Transportation Services requests that the public lane at the rear of 709 and 711 Yonge Street be permanently closed.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommends that City Council:

1. Permanently close the public lane shown as Part 1 on the attached Sketch No. PS-2007-248 (the “Lane”), subject to compliance with the requirements of City of Toronto Municipal Code, Chapter 162, and subject to City Council authorizing the sale of the Lane to the abutting owner, One Bloor Street East Limited (the “Applicant”);

2. Authorize Transportation Services staff to give notice to the public of a proposed by-law to close the Lane in accordance with the requirements of the City of Toronto Municipal Code, Chapter 162, with the Toronto and East York Community Council to hear any member of the public who wishes to speak to the matter during consideration of the proposed by-law; and
3. Authorize Transportation Services staff to advise the public of the proposed closure of the Lane prior to implementation, in accordance with the requirements of the Municipal Class Environmental Assessment for Schedule A+ activities, by posting notice of the proposed closure on the notices page of the City's Web site for at least five working days prior to the Toronto and East York Community Council meeting at which the proposed by-law to close the Lane will be considered.

Consent to Sign Development Applications for Land abutting Closed Scott Street Road Allowance

(January 25, 2008) Report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. Subject to Recommendation 2:
 - a. The City consent to the inclusion of the portion of the closed Scott Street road allowance, being a portion of the closed Scott Street road allowance on Lot 26, Plan 12161 and shown as Part 1 on Sketch No. PS-2007-304 (the "Closed Road") in its rezoning and site plan approval applications related to the site ("Development Applications"), including authorization to Greater Toronto Transit Authority ("GO Transit") and Castlepoint Realty Partners Limited ("Castlepoint") to act as agent of the City to sign applicable Development Applications, on terms satisfactory to the City Solicitor;
 - b. The City enter into any property owner's agreement necessary under GO Transit and Castlepoint's Development Applications to include the Closed Road therein, on terms satisfactory to the City Solicitor;

- c. The Chief Corporate Officer and the Director of Real Estate Services be authorized severally to sign on behalf of the City any Development Applications and related documents in connection with the Closed Road;
 - d. The appropriate City officials be authorized to take the necessary steps to give effect to the foregoing.
2. That all actions authorized in Recommendation 1 be subject to the following restrictions and limitations:
 - a. Such actions shall be taken by or on behalf of the City in its capacity as owner of the Closed Road and not in its capacity as a planning authority under the *Planning Act* or the *City of Toronto Act, 2006* or otherwise; and
 - b. Such actions are not intended to and do not fetter City Council's right and ability to pass land-use bylaws under the *Planning Act* or the *City of Toronto Act, 2006*.

Summary

The purpose of this report is to authorize the Chief Corporate Officer and the Director of Real Estate to provide consent to the Development Applications on behalf of the City as a landowner of the closed Scott Street road allowance.

Committee Recommendations

On motion by Councillor McConnell, the Toronto and East York Community Council recommends that:

1. Subject to Recommendation 2:

Use of Nathan Phillips Square for Various Events up to July 2008

(January 2, 2008) Report from Chief Corporate Officer

Recommendations

The Chief Corporate Officer recommends that:

1. Exemption be given to the Fashion Design Council of Canada, Luminato and the Toronto Downtown Jazz Society to operate a beer garden and to serve wine and hard liquor contingent upon the following conditions:
 - a. approval of the A.G.C.O.
 - b. approval of the Medical Officer of Health
 - c. compliance with the City of Toronto’s Municipal Alcohol Policy
 - d. receipt of all the necessary permits associated with the production of the event i.e. building permit, noise by-law extension permit.
2. Permission be granted for the Fashion Design Council of Canada and the Toronto Downtown Jazz Society to host “ticketed” performances and to solicit donations in support of their organization.
3. Permission be granted to Men Walking Against Male Violence, MADD, Camp Jumoke, Schizophrenia Society of Ontario and Autism Speaks Canada to solicit donations in support of their organizations.
4. The various events compensate the City of Toronto through the Facilities and Real

Estate Division for all the City of Toronto costs associated with the event.

5. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Summary

It is recommended that Toronto and East York Community Council give exemption to the Men Walking Against Male Violence's "The Walk against Male Violence", MADD's "Mothers Against Drunk Driving Event", Camp Jumoke's "Turtle Walk", Schizophrenia Society of Ontario's "Walk of Hope for Schizophrenia", Autism Speaks Canada's "Annual Ontario Walk Now for Autism", request to solicit donations and the Fashion Design Council of Canada's "Fashion Week", Luminato's "Luminato" and the Toronto Downtown Jazz Society's "Toronto Downtown Jazz Festival" request to solicit donations and operate a tented beer/wine garden in a "gated" event on Nathan Phillips Square.

Committee Recommendations

On motion by Councillor Rae, the Toronto and East York Community Council recommends that City Council:

1. give an exemption to the Fashion Design Council of Canada, Luminato and the Toronto Downtown Jazz Society to operate a beer garden and to serve wine and hard liquor contingent upon the following conditions:
 - a. approval of the A.G.C.O.
 - b. approval of the Medical Officer of Health
 - c. compliance with the City of Toronto's Municipal Alcohol Policy
