Maintenance of Boulders and Planters - 2035 and 2037 Yonge Street

(June 17, 2008) Report from Manager, Traffic Planning, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for the ongoing maintenance of the five boulders which encroach within portions of the City sidewalk fronting 2035 and 2037 Yonge Street.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed a request from the owner and business operator of the “Grano Restaurant”, 2035 and 2037 Yonge Street, to allow the ongoing maintenance of five boulders together with removable decorative planters that encroach within portions of the City sidewalk fronting 2035 and 2037 Yonge Street.

Transportation Services does not recommend approval of the maintenance of the boulders as they would interfere with winter operations (mechanical snow and ice removal) and present an obstruction to physically challenged-persons and the visually impaired.

With respect to the ongoing maintenance of the removable planters, the applicant's proposal meets the requirements of the Municipal Code and can be dealt administratively.

The owners will be given an opportunity to make a deputation before Community Council.

Speakers

Roberto Martella

Committee Decision

The Toronto and East York Community Council:

1. granted approval for the maintenance of the boulders within portions of the public right of way fronting 2035 and 2037 Yonge Street, on condition that the property owners enter into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - b. maintain the boulders at their own expense in a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - c. remove the boulders upon receiving 30 days written notice to do so; and
 - d. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City;
2. directed Legal Services and/or the General Manager of Transportation Services to extend the Licence Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to approval of the General Manager of Transportation Services; and
3. requested Legal Services to prepare and execute the Encroachment Agreement.

Installation of Ryerson University Gateway Poles – Both Sides of Gould Street East of O’Keefe Lane

(June 17, 2008) Report from Manager, Traffic Planning, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the installation of the unlit gateway poles, lettering and banners, entirely within the public right of way on both sides of Gould Street, east of O’Keefe Lane, subject to Ryerson University entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - b. maintain the gateway poles, lettering and banners at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;

- c. obtain updated clearances and/or sign offs from Bell Canada and satisfy any requirements that Bell Canada may have;
 - d. obtain updated clearances and/or signs off from Enbridge Gas and satisfy any requirements that Enbridge Gas may have;
 - e. obtain clearance and/or sign off from Toronto Water and satisfy any requirements that Toronto Water may have;
 - f. ensure that banner installations do not contain third party advertising; and
 - g. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. request Legal Services to prepare and execute the Encroachment Agreement.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an application on behalf of Ryerson University to install and maintain two custom unlit decorative gateway poles with attached banners and aluminium lettering entirely within the public right of way on both sides of Gould Street, just east of O’Keefe Lane. Ryerson University indicates that this installation will serve to define the entry onto their campus that students and the public can identify with, which will improve student and faculty life.

As the gateway poles, lettering and banners will not negatively impact on the public right of way, Transportation Services recommends approval of these encroachments.

Committee Decision

The Toronto and East York Community Council:

1. approved the installation of the unlit gateway poles, lettering and banners, entirely within the public right of way on both sides of Gould Street, east of O’Keefe Lane, subject to Ryerson University entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;

- b. maintain the gateway poles, lettering and banners at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - c. obtain updated clearances and/or sign offs from Bell Canada and satisfy any requirements that Bell Canada may have;
 - d. obtain updated clearances and/or signs off from Enbridge Gas and satisfy any requirements that Enbridge Gas may have;
 - e. obtain clearance and/or sign off from Toronto Water and satisfy any requirements that Toronto Water may have;
 - f. ensure that banner installations do not contain third party advertising; and
 - g. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. requested Legal Services to prepare and execute the Encroachment Agreement.

TE17.4	ACTION	Adopted	Delegated	Ward: 19
--------	--------	---------	-----------	----------

Various Encroachments - 477 Manning Avenue and Ulster Street

(June 17, 2008) Report from Manager, Traffic Planning, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the installation of the church sign, entrances with steps and railings, a bench, and 1 m high decorative wrought iron fence, within portions of the public right of way fronting 477 Manning Avenue and on the Ulster Street flank, subject to the property

owner entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:

- a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - b. maintain the encroachments at his/her own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - c. remove the encroachments upon receiving 90 days written notice to do so; and
 - d. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. request Legal Services to prepare and execute the Encroachment Agreement.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed a request from the representative of St. Mary Magdalene Church, 477 Manning Avenue, to allow the installation of a 2.6 m high by 1 m wide non-illuminated church sign, to be set back 2.7 m from the sidewalk at the intersection of Manning Avenue and Ulster Street that will encroach within the public right of way.

The applicant is also proposing to reconstruct the entrances to the church with steps and railings, a bench on Manning Avenue, together with a 1 m high decorative wrought iron fence within the public right of way fronting 477 Manning Avenue and on the Ulster Street flank. The fence is to be set back 0.3 m from the back edge of the City sidewalk rather than 0.46 m in keeping with the Municipal Code requirements.

As these encroachments do not impact negatively on the public right of way, Transportation Services recommends approval of this request.

The owner will be given an opportunity to make a deputation before Community Council.

Committee Decision

The Toronto and East York Community Council:

1. approved the installation of the church sign, entrances with steps and railings, a bench, and 1 m high decorative wrought iron fence, within portions of the public right of way fronting 477 Manning Avenue and on the Ulster Street flank, subject to the property

owner entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:

- a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - b. maintain the encroachments at his/her own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - c. remove the encroachments upon receiving 90 days written notice to do so; and
 - d. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. requested Legal Services to prepare and execute the Encroachment Agreement.

Various Encroachments – 19 Clarendon Avenue

(June 18, 2008) Report from Manager, Traffic Planning, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the construction and maintenance of the 0.9 m and 1.2 m high masonry walls, the three 1.78 m high concrete pillars surmounted with luminaries together with the wrought iron entry gate, ranging in height from 1.5 m to 1.7 m and the 1.5 m high wrought iron pedestrian gate that encroach within the public right of way fronting 19

Clarendon Avenue, subject to the owners entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:

- a. reduce the height of the masonry wall adjacent to 17 Clarendon Avenue to 0.9 m in height;
 - b. maintain 50% of the area on private property as landscaped open space;
 - c. obtain approval for associated work on private property from Toronto Building and Municipal Licensing & Standards;
 - d. remove portions of the interlock paving as affecting the public right of way and restore the area to soft landscaping;
 - e. remove the masonry wall, concrete pillars with lights, wrought iron entry gate and pedestrian gate upon receiving 90 days written notice to do so;
 - f. arrange for an inspection by the Electrical Safety Authority for the installation of the luminaries together with the electronic entry gate and provide a copy of their approval to the General Manager of Transportation Services;
 - g. maintain the masonry walls, concrete pillars surmounted with luminaries, wrought iron gate and pedestrian gate at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement; and
 - h. accept such additional conditions as the City Solicitor or the General Manger of Transportation Services may deem necessary in the interest of the City;
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services; and
 3. request Legal Services to prepare and execute the Encroachment Agreement.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed a request on behalf of the owners of 19 Clarendon Avenue to construct and maintain various encroachments that extend onto the public right of way fronting the property amongst which include the maintenance of 0.9 m and 1.2 m high masonry walls which are set back 0.61 m back of the City sidewalk, together with the maintenance of three, 1.78 m high concrete pillars surmounted with decorative luminaries. In addition, the applicant is requesting permission to install a controlled electronic wrought iron entry gate which will be affixed to two of the concrete pillars. The entry gate will range in height from

1.5 m to 1.7 m. The applicant is also proposing to install a 1.5 m wrought iron pedestrian gate with access thereto from Clarendon Avenue.

Although the masonry walls, pillars with luminaries and the height of the proposed wrought iron entry gate exceed the Municipal Code requirements, these encroachments will not impact negatively on the public right of way, Transportation Services recommends approval of these encroachments.

The owner will be given an opportunity to make a deputation before Community Council.

TE17.6	ACTION	Adopted		Ward: 19
--------	--------	---------	--	----------

Final Report - Rezoning Application to Remove the Holding Symbol ("h") - 209 and 215 Fort York Boulevard (Parcel 2 within Block 1/2 A of the Fort York Neighbourhood)

(June 11, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend Zoning By-law 937-2002 (OMB), as amended, in accordance with the draft Zoning By-law Amendment attached as Attachment No. 3, to remove the holding symbol ("h") from Block 1/2A, Parcel 2 in the Fort York Neighbourhood being part of lands municipally known as 209 and 215 Fort York Boulevard;
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required;

3. The Bills related to the Zoning By-law Amendment be introduced to Council for enactment after the owner of Block 1/2A, Parcel 2 has entered into an agreement satisfactory to the City Solicitor that amends the Block 1/2A Amended and Restated Section 37 Agreement to:
 - i. reflect the intention of the owner to develop Block 1/2A, Parcel 2 and Block 2 in the Fort York Neighbourhood in a comprehensive manner as contemplated in the development context plan submitted with the owners site plan application No 07 270940 STE19 SA; and
 - ii. require, if the industrial uses are continuing on all or part of Blocks 2, 3 or 4/4A in the Fort York Neighbourhood, and the owner wishes to proceed with residential development on Block 1/2A, Parcel 2 that, prior to the issuance of an above-grade building permit for any building or structure within those lands, the owner shall satisfy the obligations set out in Section 4.6.3 b) of the Fort York Neighbourhood Part II Plan (or Fort York Neighbourhood Secondary Plan as applicable);
4. City Council confirm the City's election with respect to the View Corridor identified on Plan 1 of By-law No. 937-2002(OMB), as amended, to provide for the construction of the adjacent Street "B" (15m) and the conveyance of the remaining lands for public park purposes (part of June Callwood Park) as set out in the Block 1/2A Amended and Restated Section 37 Agreement;
5. City Council authorize amendments to the Block 1/2A Amended and Restated Section 37 Agreement as it relates to Phase 2 of Block 1/2A as shown on Attachment 2 to this report, and satisfactory to the City Solicitor, to update and reflect the View Corridor objectives as well as current City policies and practices including those related to servicing, infrastructure, environmental matters and land transfers; and
6. City Council authorize execution of an amended and restated Block 1/2A Section 37 Agreement applicable to Phase 2 of Block 1/2A necessary to give effect to the foregoing and as described in this report.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

A zoning by-law amendment application has been filed proposing the removal of the holding symbol ("h") from the R4 zoning on Block 1/2A, Parcel 2 ("Parcel 2") in the Fort York Neighbourhood ("FYN"). Parcel 2 comprises part of lands municipally known as 209 & 215 Fort York Boulevard. The removal of the "h" will permit residential development with street related retail and service uses to proceed.

This report reviews the applicable Official Plan policies and recommends approval of the application to amend Zoning By-law No. 937-2002 (OMB), as amended, to remove the holding symbol and associated provisions from Parcel 2.

This report also recommends amendments to the Amended and Restated Section 37 Agreement registered on title to Block 1/2A in the FYN related to the lifting of the holding symbol over Parcel 2, the development objectives of the View Corridor Lands in the FYN, and to generally to update and reflect current City policies and practices.

Committee Recommendations

The Toronto and East York Community Council recommends that:

1. City Council amend Zoning By-law 937-2002 (OMB), as amended, in accordance with the draft Zoning By-law Amendment attached as Attachment No. 3 of the report (June 11, 2008) from the Acting Director, Community Planning, Toronto and East York District, to remove the holding symbol (“h”) from Block 1/2A, Parcel 2 in the Fort York Neighbourhood being part of lands municipally known as 209 and 215 Fort York Boulevard;
2. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendment as may be required;
3. The Bills related to the Zoning By-law Amendment be introduced to Council for enactment after the owner of Block 1/2A, Parcel 2 has entered into an agreement satisfactory to the City Solicitor that amends the Block 1/2A Amended and Restated Section 37 Agreement to:
 - i. reflect the intention of the owner to develop Block 1/2A, Parcel 2 and Block 2 in the Fort York Neighbourhood in a comprehensive manner as contemplated in the development context plan submitted with the owners site plan application No 07 270940 STE19 SA; and
 - ii. require, if the industrial uses are continuing on all or part of Blocks 2, 3 or 4/4A in the Fort York Neighbourhood, and the owner wishes to proceed with residential development on Block 1/2A, Parcel 2 that, prior to the issuance of an above-grade building permit for any building or structure within those lands, the owner shall satisfy the obligations set out in Section 4.6.3 b) of the Fort York Neighbourhood Part II Plan (or Fort York Neighbourhood Secondary Plan as applicable);
4. City Council confirm the City’s election with respect to the View Corridor identified on Plan 1 of By-law No. 937-2002(OMB), as amended, to provide for the construction of the adjacent Street “B” (15m) and the conveyance of the remaining lands for public park purposes (part of June Callwood Park) as set out in the Block 1/2A Amended and Restated Section 37 Agreement;
5. City Council authorize amendments to the Block 1/2A Amended and Restated Section 37 Agreement as it relates to Phase 2 of Block 1/2A as shown on Attachment 2 to this report, and satisfactory to the City Solicitor, to update and reflect the View Corridor objectives as well as current City policies and practices including those related to servicing, infrastructure, environmental matters and land transfers; and

6. City Council authorize execution of an amended and restated Block 1/2A Section 37 Agreement applicable to Phase 2 of Block 1/2A necessary to give effect to the foregoing and as described in this report.

Final Report - Draft Plan of Subdivision Application - 125-259 Queens Quay East - East Bayfront, West Precinct, Phase 1

Statutory - Planning Act, RSO 1990

(June 16, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council recommend to the Chief Planner and executive Director that the draft plan of subdivision be approved, generally as illustrated on Attachment 3, subject to:
 - a. the conditions as generally listed in Attachment 7, which except as otherwise noted, must be fulfilled prior to the release of the plan of subdivision for registration;
 - b. such revisions to the proposed plan of subdivision or additional or modified conditions as the Chief Planner and Executive director may deem to be appropriate to address matters arising from the on-going technical review of the development, including:
 - i. revisions to the draft plan of subdivision, as may be appropriate, to reflect the Queens Quay East road right-of-way width determined through the ongoing Class Environmental Assessment Transit Study;
 - ii. revisions to the draft plan of subdivision to show Blocks 4 and 12 as a public street;

- iii. revisions to the draft plan of subdivision so that all lot/block corners are integrated with the Ontario Co-ordinate System, and show the values of the main corners of the subject lands;
2. the City Clerk be granted the authority to sign the Final Plan of Subdivision, as the City is the owner in the East Bayfront lands;
3. Divisions be directed to receive financial securities in the amount of 20 per cent of the infrastructure cost if the security is being posted by Waterfront Toronto for City owned lands; and
4. authorize and direct the appropriate City officials to take the necessary action to give effect the recommendations in this report respecting the proposal that includes the City of Toronto lands.

Summary

This application was made by Waterfront Toronto for City owned lands on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

A Draft Plan of Subdivision application has been filed for the development of East Bayfront, West Precinct, Phase 1 on the lands known as 125-259 Queens Quay East.

This report reviews and recommends approval of the application for a Draft Plan of Subdivision.

1. In accordance with Section 41 of the *Ontario Heritage Act*, City Council designate by By-law the area shown on Attachment No. 1 as the Riverdale Phase 1 Heritage Conservation District;
2. City Council adopt by By-law the Riverdale Phase 1 Heritage Conservation District Plan, dated May 2008, as the District Plan for the Riverdale Phase 1 Heritage Conservation District, to act as a guide for property owners, City staff, advisory committees and City Council when making decisions regarding matters set out under Section 42 of the *Ontario Heritage Act*;
3. If there are any objections to the By-law under Section 41 of the *Ontario Heritage Act*, the City Solicitor be directed to appear before the Ontario Municipal Board to defend the By-law;
4. Until such time as the By-law designating the area as the Riverdale Phase 1 Heritage Conservation District comes into force or is repealed, all properties within the area, unless designated under Part IV of the *Ontario Heritage Act*, be listed in the City's Inventory of Heritage Properties.

Financial Impact

There are no financial implications resulting from the adoption of this report. The public Notices of Intention to Designate will be advertised on the City's web site in accordance with the *City of Toronto Act* provisions. This proposed Heritage Conservation District will add almost 200 properties to the Inventory. It is also noted that adding properties to the Inventory by means of Heritage Conservation District designations dramatically increases the workload of Heritage Preservation Services, requiring staff to review all building permits, Committee of Adjustment, rezoning and Official Plan amendment applications within legislated timeframes. Overtime, this will create pressure to increase staff resources.

Summary

To recommend that City Council designate part of the Riverdale area, generally bounded by First Avenue, the Canadian National Railway Line, Dundas Street East, and Degrassi Street as the Riverdale Phase 1 Heritage Conservation District under Part V of the *Ontario Heritage Act*.

Speakers

Jonathan Mousley

Committee Recommendations

The Toronto and East York Community Council recommends that:

1. In accordance with Section 41 of the *Ontario Heritage Act*, City Council designate by By-law the area shown on Attachment No. 1 of the report (May 30, 2008) from the Director, Policy and Research, City Planning Division, as the Riverdale Phase 1 Heritage Conservation District;

2. City Council adopt by By-law the Riverdale Phase 1 Heritage Conservation District Plan, dated May 2008, as the District Plan for the Riverdale Phase 1 Heritage Conservation District, to act as a guide for property owners, City staff, advisory committees and City Council when making decisions regarding matters set out under Section 42 of the *Ontario Heritage Act*;
3. If there are any objections to the By-law under Section 41 of the *Ontario Heritage Act*, the City Solicitor be directed to appear before the Ontario Municipal Board to defend the By-law;
4. Until such time as the By-law designating the area as the Riverdale Phase 1 Heritage Conservation District comes into force or is repealed, all properties within the area, unless designated under Part IV of the *Ontario Heritage Act*, be listed in the City's Inventory of Heritage Properties.

Final Report - Official Plan Amendment and Rezoning - 21 Swanwick Avenue

Statutory - Planning Act, RSO 1990

(June 12, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council amend the Official Plan substantially in accordance with the draft Official Plan Amendment attached as Attachment No. 9.
2. City Council amend the Zoning By-law for the former City of Toronto substantially in accordance with the draft Zoning By-law Amendment attached as Attachment No. 10.
3. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Official Plan Amendment and/or draft Zoning By-law Amendment as may be required.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

The application proposes to convert the existing church building into a residential building containing 10 dwelling units at 21 Swanwick Avenue. The site was designated as heritage in 2007 by City Council for its cultural value or interest. The proposal represents adaptive reuse of a heritage building.

This report reviews and recommends approval of the application to amend the Official Plan and Zoning By-law to permit this conversion.

9a Approval of Alterations to a Heritage Property - 21 Swanwick Avenue, Emmanuel Presbyterian Church

(May 30, 2008) Report from Director, Policy and Research, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council approve the alterations to the heritage property at 21 Swanwick Avenue substantially in accordance with the Heritage Impact Statement (Conservation Strategy) titled “21 Swanwick Avenue, Conversion from Church to Residential Condominium”, prepared by Bernard H. Watt Architects, revised 25 January 2008, date stamped received by the City Planning Division, 25 February 2008, on file with the Manager, Heritage Preservation Services, subject to the owner:
 - a. prior to final site plan approval;

providing a Detailed Conservation Plan, prepared by a qualified heritage consultant, detailing interventions and conservation work and including as-found photographs of the exterior and interior to the satisfaction of the Manager, Heritage Preservation Services;

providing final development plans, a landscape plan and an exterior lighting plan satisfactory to the Manager, Heritage Preservation Services;

 - c. prior to release of the Letter of Credit;

completing the heritage conservation work, satisfactory to the Manager, Preservation Services; and

submitting final as-built photographs of the heritage property at 21 Swanwick Avenue satisfactory to the Manager, Heritage Preservation Services.

Summary

This report recommends that City Council approve alterations to 21 Swanwick Avenue, the former Emmanuel Presbyterian Church, a designated heritage property. The church is a local landmark in the East Toronto neighbourhood and provides a terminus for the view to the south end of Enderby Road. First established in 1888, the present church was built in 1893.

The applicant is proposing to convert the church to condominium use, providing 10 row houses within the existing building envelope with a small rear addition. New second and third floor levels will be added to the interior.

The proposed alterations are necessary to accommodate the new use for the church. The front, north façade of the building with its large square tower will be conserved and will remain essentially as it is now with some minor alterations. The side facades will retain their important characteristics while undergoing alteration to incorporate new windows and doors.

Directions Report - Rezoning Application - 60-70 Colborne Street and 101 King Street East

(June 18, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. The applicant revise the application, as discussed in this report, to address the following design-related issues and comments:
 - a. increasing the setback above the podium on Colborne Street in accordance with the Design Criteria for Review of Tall Building Proposals and St. Lawrence Neighbourhood Focused Area Urban Design Guidelines;
 - b. decreasing the height of the proposal to minimize the shadow impact on St. James Cathedral and grounds and St. James Park, and be more in keeping with other buildings in the height sensitive area of the St. Lawrence neighbourhood;
 - c. decreasing the floorplate in accordance with the Design Criteria for Review of Tall Building Proposals; and
 - d. revising the podium in accordance with the Design Criteria for Review of Tall Building Proposals and St. Lawrence Neighbourhood Focused Area Urban Design Guidelines, and be consistent in height with surrounding buildings and respond appropriately to the lower scale of Colborne Street.
2. Upon receipt of a revised application in accordance with Recommendation 1, that staff be directed to schedule a community consultation meeting together with the Ward Councillor.
3. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site.
4. Staff be directed to develop terms of reference for a working group on the application and schedule meetings with the local Councillor's office, applicant's team, community representatives and City staff, with receipt of a revised application in accordance with Recommendation 1.

Summary

This application was made after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes a 39-storey residential condominium tower including a 7-storey base and retail uses at the street level.

This report provides preliminary information on the application and seeks Community Council's directions on further processing and on the community consultation process.

If the application is revised in accordance with staff recommendations, the next step would be to undertake a community consultation meeting to enable the public to review the applicant's submission, and ask questions of City staff and the applicant. Further, a working group process is being recommended with representation from the local Councillor's office, applicant's team, community representatives and City staff.

Refusal and Directions Report - Rezoning Application - 40 Wellesley Street East

(June 18, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council refuse Zoning By-law Amendment Application Number 05 212275 STE OZ, as amended on March 10, 2008, for the following reasons:
 - a. the proposal does not comply with the intent of some of the development criteria in the Official Plan;
 - b. the proposal does not comply with regulations in Zoning By-law 438-86, as amended, including set-backs and height;
 - c. the proposal does not comply with the Council-approved Design Criteria for the Review of Tall Building Proposals, including building-to-building spatial separation; and

- d. the proposal creates unacceptable impacts, including shadowing;
2. City Council authorize the City Solicitor and other appropriate City staff to oppose the Ontario Municipal Board appeal made by the applicant in respect of their December 28, 2005 application, as amended by the March 10, 2008 submission, should a hearing be scheduled; and
3. City Council request staff to hold an area information meeting should the revised proposal be scheduled for a hearing at the OMB, and to notify landowners and residents within 120 metres of the site and the Ward Councillor.

Summary

This application, revised on March 10, 2008, proposes a 29-storey mixed-use building, with 163 residential condominium units and 435 square metres of commercial space at 40 Wellesley Street East. The current proposal is subsequent to an earlier 44-storey proposal, received December 28, 2005, that was circulated by City staff and the subject of a community consultation meeting.

This report reviews and recommends refusal of the application to amend the Zoning By-law.

Directions Report - Rezoning Application - 319 Carlaw Avenue

(June 17, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council support the revised applications to amend the Zoning By-law and the associated Site Plan Application respecting the construction of an 11-storey residential building containing 2 storeys of employment uses at 319 Carlaw Avenue, substantially in accordance with the draft zoning by-law contained in Attachment 7 to this report, subject to securing appropriate Section 37 community benefits;
2. City Council authorize staff to continue to negotiate with the applicant to secure appropriate Section 37 community benefits and authorize the entering into and execution of an agreement pursuant to Section 37 of the *Planning Act* to secure those community benefits;
3. City Council authorize the City Solicitor, the Chief Planner and Executive Director, City Planning Division, and any other appropriate staff to appear at the Ontario Municipal Board in support of the City's position as set out in Recommendations 1 and 2;

4. City Council authorize the City Solicitor to request the OMB to withhold its Order approving the Zoning By-law amendment until:
 - a. Section 37 benefits have been determined and agreed to;
 - b. the Zoning By-law amendment is prepared to the satisfaction of the City Solicitor in consultation with the Chief Planner and Executive Director of City Planning Division; and
 - c. the owner has entered into a Site Plan Agreement under Section 41 of the *Planning Act* to the satisfaction of the Chief Planner and Executive Director of City Planning Division.
5. City Council direct City Planning staff to review Site and Area Specific Policy No. 154 of the Official Plan to ensure it meets City Council's objectives for lands subject to this policy; and
6. City Council authorize the City Solicitor and City staff to take such necessary steps to implement the foregoing.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes to construct an 11 storey mixed-use building at 319 Carlaw Avenue containing employment uses on the first 2 floors, and 129 residential units above. Within the entire residential portion of the building, future owners would be permitted to both live and work within their units, subject to the site specific by-law.

The purpose of this report is to recommend a settlement position to Council and authorize the City Solicitor to present that position at an Ontario Municipal Board Hearing scheduled to begin on August 11, 2008.

Following ongoing discussions, the applicant submitted a revised proposal on March 17, 2008. Staff are prepared to support the revised proposal subject to the conditions contained in this report.

Final Report - Site Plan Application - 1155 Queen Street West

(June 5, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. City Council approve the proposed 40 unit, 8-storey mixed use building as indicated on the drawings listed in the Notice of Approval Conditions letter attached as Attachment 3 to this report;
2. City Council authorize the Chief Planner, or his designate, to give final approval to the site plan when the conditions to be satisfied prior to site plan approval, as set out in Attachment 3 to this report have been fulfilled;
3. City Council authorize the City Solicitor to prepare and register any necessary site plan agreement(s); and
4. City Council authorize the Director, Community Planning, Toronto and East York district to execute the agreement.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes an 8-storey mixed use building at 1155 Queen Street West. Retail uses are proposed at grade, with office uses on the second floor and 6-storeys of residential units above. The building will share parking, residential access, loading, garbage room and amenity space with the adjacent development at 1171 Queen Street West.

Speakers

Bill Cawker, Baywood Homes

Committee Recommendations

The Toronto and East York Community Council recommends that:

1. City Council approve the proposed 40 unit, 8-storey mixed use building as indicated on the drawings listed in the Notice of Approval Conditions letter attached as Attachment 3 to the report (June 5, 2008) from the Acting Director, Community Planning, Toronto and East York District;
2. City Council authorize the Chief Planner, or his designate, to give final approval to the site plan when the conditions to be satisfied prior to site plan approval, as set out in Attachment 3 to this report have been fulfilled;
3. City Council authorize the City Solicitor to prepare and register any necessary site plan agreement(s); and
4. City Council authorize the Director, Community Planning, Toronto and East York district to execute the agreement.

Sign Variance - 2A Spadina Avenue

(June 9, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council refuse the requested variance to permit, for third party advertising purposes, an illuminated fascia sign “Concord-Cityplace” on the west elevation of a residential condominium building known as Tower ‘N’ at 2A Spadina Avenue (Block 25-Railway Lands West).

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

To review and make recommendations on a request by Helena Lee with Concord Adex Development Corporation on behalf of Concord City Place Acquisition for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for third party advertising purposes, an illuminated fascia sign “Concord- Cityplace” on the west elevation of a residential condominium building which is known as Tower ‘N’ at 2A Spadina Avenue (Block 25-Railway Lands West).

Staff recommends refusal of the application. The variances are major and not within the general intent and purpose of the Municipal Code.

Speakers

Alan Vihant, Concord CityPlace

Committee Decision

The Toronto and East York Community Council refused the requested variance to permit, for third party advertising purposes, an illuminated fascia sign “Concord-Cityplace” on the west elevation of a residential condominium building known as Tower ‘N’ at 2A Spadina Avenue (Block 25-Railway Lands West).

Sign Variance - 22 Balliol Street

(June 4, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the request for a variance to permit, for identification purposes, two illuminated fascia signs on the south elevation and refuse an illuminated fascia sign on the east elevation of the building at 22 Balliol Street on a condition that energy efficient lights be used; and
2. Toronto and East York Community Council direct the City Clerk's Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Shahin Faraji of Pattison Sign Group, on behalf of Sobey's Inc. for approval of a variance from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, two illuminated fascia signs on the south elevation and one illuminated fascia sign on the east elevation of the building at 22 Balliol Street.

Staff recommends approval of the two south facing signs and refusal of the east facing sign. The variance respecting the recommended signs is minor and within the general intent and purpose of the Municipal Code.

Committee Decision

The Toronto and East York Community Council:

1. approved the request for a variance to permit, for identification purposes, two illuminated fascia signs on the south elevation and refused an illuminated fascia sign on the east elevation of the building at 22 Balliol Street on a condition that energy efficient lights be used; and

2. directed the City Clerk's Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Request for a Natural Garden Exemption to the Toronto Municipal Code, Chapter 489 - Grass and Weeds at 315 Ashdale Avenue

(June 18, 2008) Report from Municipal Licensing and Standards Division, Toronto East York District

Recommendations

Municipal Licensing & Standards recommends that the Toronto East York Community Council:

1. Grant the exemption, with or without conditions, and cancel the notice.
2. Confirm the notice and direct that a second notice be given under this Section

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. The applicant, being the property owner is seeking exemption to the provisions of the City of Toronto Municipal Code, Chapter 489 Grass and Weeds, Section 489-3(e) on the basis that the growth is exempt as a natural garden.

The Grass and Weeds By-law provides that the owner or occupant of private land shall cut the grass and weeds on their land and remove the cuttings whenever the growth of grass and weeds exceeds 20 centimetres in height. The subject property has plant growth in excess of 20 centimetres in the front and rear yard areas for which the owner has applied for relief to be exempted as a natural garden.

Committee Decision

The Toronto and East York Community Council deferred this matter until its meeting of September 9, 2008 and requested the Executive Director, Municipal Licensing and Standards to report at that time on the applicant's compliance with Section 628-11 of the City of Toronto Municipal Code, Property Standards by-law (that all yards be kept free of heavy undergrowth and weeds).

27a Cancellation of Sidewalk/Boulevard Vending - Permit Number 2109T

(May 23, 2008) Report from Manager, Municipal Licensing and Standards, Licensing Services

Recommendations

The Municipal Licensing and Standards Division recommends that:

1. The existing sidewalk/boulevard vending permit be cancelled; and
2. The Toronto and East York Community Council grant relief from the moratorium in order to allow for an application to be considered; or
3. The Toronto and East York Community Council refuse to grant relief from the moratorium, thereby requiring that the vendor apply for an alternate location outside of the moratorium area.

Summary

This staff report is about a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

To report on the cancellation of a sidewalk/boulevard vending operation under Permit Number 2109T due to the construction of a new building and a request from the vendor seeking relief from the existing vending moratorium in Wards 20, 27, and 28 to allow for an application for a new location.

Front Yard Parking Appeals - 64 and 66 Wheeler Avenue

(June 17, 2008) Report from Manager, Traffic Planning, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for front yard parking at 64 and 66 Wheeler Avenue; and
2. request that the owner pay for the removal of the obsolete ramps and reinstatement of the curb.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the owner of 64 and 66 Wheeler Avenue for front yard parking. We do not recommend approval for front yard parking at these locations because they do not meet the requirements of the City of Toronto Municipal Code Chapter 918. The owner will be given an opportunity to make a deputation before Community Council.

Committee Decision

The Toronto and East York Community Council granted the appeal for front yard parking at 64 and 66 Wheeler Avenue, on condition that:

1. each parking area not exceed 2.6 m by 5.9 m in dimension;
2. the applicant remove the existing concrete paving and re-pave the parking areas with semi-permeable paving materials;
3. the applicant provide for the downspout disconnection, if applicable, in accordance with the requirements of Toronto Water;
4. the applicant provide the landscape features substantially in accordance with the plan as shown on Appendix 'D' and 'D1' of the report (June 17, 2008) from the Manager, Traffic Planning, Right of Way Management, Transportation Services, Toronto and East York District, to the satisfaction of the General Manager of Transportation Services; and
5. the applicant pay all applicable fees and comply with all other criteria set out in the City of Toronto Municipal Code Chapter 918, Parking on Residential Front Yards and Boulevards.

Front Yard Parking Appeal for a Second Vehicle – 84 Waverley Road

(May 9, 2008) Report from Manager, Right of Way Management, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. deny the request for front yard parking for a second vehicle at 84 Waverley Avenue;
2. request that the owner remove the existing brick paving and restore the area to soft landscaping as shown on Appendix 'E'; and
3. request that the owner pay for the removal of the obsolete ramp and reinstatement of the curb.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed an appeal from the owner of 84 Waverley Road for front yard parking of a second vehicle. We do not recommend approval for front yard parking of a second vehicle at this location because it does not meet the requirements of the City of Toronto

29a Further Report - Front Yard Parking Appeal for a Second Vehicle – 84 Waverley Road

(July 3, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that:

1. should Toronto and East York Community Council grant the appeal for front yard parking at 84 Waverley Road, Recommendation 2 under the Alternate Recommendations section of the staff report (May 9, 2008) be amended by deleting reference to “Appendix D” and inserting in lieu, “Appendix A, amended, revised to June 23, 2008” (the revised landscape plan) as attached to this further report.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

The Toronto and East York Community Council, at its meeting of June 10, 2008, deferred consideration of the report entitled “Front Yard Parking Appeal for a Second Vehicle- 84 Waverley Road” and requested the Manager of Right of Way Management, in consultation with the Director, Urban Forestry and City Forester, to work with the applicant to create a more acceptable soft landscape plan, including addressing the issue of the curb cut.

Transportation Services, in consultation with Urban Forestry, met with the applicant and a revised landscape plan was agreed to. This proposal increases the soft landscape area and accommodates the on-street parking to a full space length of 5.9 m. To further increase the soft landscape area the applicants agreed to reduce the size of the parking spaces while still maintaining compliance with the Code and replacing the existing pavers with a turf stone surface.

Preliminary Report - Rezoning Application - 60 John Street; 12-18 Mercer Street

(May 5, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to continue to process this application in the East Precinct of the King-Spadina Secondary Plan area, in light of the City’s and BIA’s built form and Master Plan reviews for the area.

2. Staff be directed not to submit Final Reports on development applications in the King-Spadina East Precinct until such a time as the built form review has been considered by Council.

Summary

This application proposes to construct a 38 storey (126 metre) mixed use building consisting of a 5 storey podium along the Mercer Street and John Street frontages and a tower on the east portion of the podium. The mixed-use development would consist of approximately 334 units and approximately 1,070 square metres (11,517 square feet) of retail uses at grade.

This report provides preliminary information on the above-noted application and seeks Community Council's direction on further processing of the application.

The subject properties are located within the King-Spadina Secondary Plan, East Precinct area. This area has been the subject of a significant number of development applications that are well in excess of permitted building heights and do not meet the built form policies of the Secondary Plan. On April 2008 Toronto and East York Community Council, directed planning staff to review the existing built form policies in the East Precinct, as noted in motion no. TE 14-70. The study will specifically address the following:

1. The public policy goals and objectives of the Official Plan;
2. The goals and objectives of the King-Spadina Secondary Plan;
3. The emerging “Living Downtown Study” principles;
4. The heritage character of the area including enhancements to the area’s heritage policy framework;
5. The maintaining and enhancing of employment opportunities in the area; and
6. The impact on pedestrian safety and the public realm.

Coupled with this review, the newly established Entertainment District Business Improvement Association (“BIA”) has initiated a Master Plan exercise. The BIA study area includes the East Precinct, which will be reviewed by staff, in accordance with Community Council’s direction. The BIA process commenced on May 29, 2008.

Planning Staff have circulated this application, and other similar, recently received applications in the East Precinct, to be considered in parallel with the broader studies.

Community Consultation meetings are recommended throughout the balance of this process, in consultation with the Ward Councillor. Community Consultations for all individual applications and the Built Form Review were held in June of this year, in accordance with the regulations of the *Planning Act*.

This development proposal challenges many aspects of the existing policy framework for King Spadina, and will be reviewed in the context of the City's built form review and the BIA Master Plan study. Likewise, comments received on individual applications will help to inform our area review and will be considered in the public consultation process.

It is staff's goal to have all the studies completed prior to reporting back to Council on any individual application. It is anticipated that a final report for the subject application will be submitted in the first to second quarter of 2009.

Communications

Preliminary Report - Rezoning Application - 181, 199 and 203 Richmond Street West; 10 Nelson Street and a Portion of an Abutting Public Lane

(May 14, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to continue to process this application in the East Precinct of the King-Spadina Secondary Plan Area, in light of the City's and BIA's built form and Master Plan reviews for the area.

2. Staff be directed not to submit Final Reports on development applications in the King-Spadina, East Precinct until such a time as the built form review has been considered by Council.

Summary

This application proposes two residential towers having heights of 39 storeys and 18 storeys, connected by a two storey podium, at 181, 199, 203 Richmond Street West, and 10 Nelson Street. A public lane, that is oriented in an east-west direction, connects Duncan Street to Simcoe Street, and forms part of the lands to be developed. The proposed development, as submitted, would accommodate 58,754 square metres (632,443 square feet) of residential floor area (628 dwelling units) and 3,164 square metres (34,058 square feet) of non-residential floor area, resulting in a density of 11.5 times the area of the lot.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application.

The subject properties are located within the King-Spadina Secondary Plan, East Precinct area. This area has been the subject of a significant number of development applications that are well in excess of permitted building heights and do not meet the built form policies of the Secondary Plan. 5. The maintaining and enhancing of employment opportunities in the area; and,
6. The impact on pedestrian safety and the public realm.

Coupled with this review, the newly established Entertainment District Business Improvement Association ("BIA") has initiated a Master Plan exercise. The BIA study area includes the East Precinct, which will be reviewed by staff, in accordance with Community Council's direction. The BIA process commenced on May 29, 2008.

Planning Staff have circulated this application, and other similar, recently received applications in the East Precinct, to be considered in parallel with the broader studies.

Community Consultation meetings are recommended throughout the balance of this process, in consultation with the Ward Councillor. Community Consultations for all individual applications and the Built Form Review were held in June of this year, in accordance with the regulations of the *Planning Act*.

This development proposal challenges many aspects of the existing policy framework for King Spadina, and will be reviewed in the context of the City's built form review and the BIA Master Plan study. Preliminary Report - Official Plan Amendment and Rezoning Applications - 355 King Street West and 119 Blue Jays Way

(May 27, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to continue to process all current and future zoning amendment applications in the East Precinct of the King-Spadina Secondary Plan area, in light of the City's and BIA's built form and Master Plan reviews for the area.

2. Staff be directed not to submit Final Reports on development applications in the King-Spadina East Precinct until such a time as the built form review has been considered by Council.

Summary

This application proposes the construction of a 48-storey (149.8m) mixed-use building with a 6 storey podium, accommodating a hotel, art gallery and retail uses at 355 King Street West. The total building height is 177m to the building's decorative peak. The property is currently developed with the "Canadian Westinghouse Building", which is designated under Part IV of the *Ontario Heritage Act*. The north and west exterior walls of the building are proposed to be incorporated into the new development, with the balance to be demolished.

The southern portion of the lands, municipally known as 119 Blue Jays Way, is proposed to be developed with an 18 storey residential building with retail and restaurant uses at grade and a building height of 62.85m.

This report provides preliminary information on the above-noted application and seeks Community Council's direction on further processing of the application.

Preliminary Report - Rezoning Application - 306-322 Richmond Street West

(June 3, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to continue to process this application in the East Precinct of the King-Spadina Secondary Plan area, in light of the City's and BIA's built form and Master Plan reviews for the area.
2. Staff be directed not to submit Final Reports on development applications in the King-Spadina East Precinct until such a time as the built form review has been considered by Council.

Summary

This application was submitted on July 3, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application originally proposed to redevelop the lands at 306-322 Richmond Street West, with a 19-storey (64 metre) mixed-use building. A Preliminary Report regarding this proposal was considered by Community Council in August 2007, and a Community Consultation meeting was held on June 19, 2007.

On April 1, 2008, a revised development was submitted, which proposes a 35 storey (121.7m) mixed-use building.

This report provides preliminary information on the revised application and seeks Community Council's direction on further processing of the application.

The subject properties are located within the King-Spadina Secondary Plan East Precinct area. This area has been the subject of a significant number of development applications that are well in excess of permitted building heights and do not meet the built form policies of the Secondary Plan. In April 2008 Toronto and East York Community Council, directed Planning Staff to review the existing built form policies in the East Precinct, as noted in motion no. TE 14-70. 4. The heritage character of the area including enhancements to the area's heritage policy framework;
5. The maintaining and enhancing of employment opportunities in the area; and
6. The impact on pedestrian safety and the public realm.

Coupled with this review, the newly established Entertainment District Business Improvement Association ("BIA"), has initiated a Master Plan exercise. The BIA study area includes the East Precinct, which will be reviewed by staff, in accordance with Community Council's direction. The BIA process commenced on May 29, 2008.

Planning Staff have circulated this application, and other similar, recently received applications in the East Precinct, to be considered parallel with the broader studies.

Community Consultation meetings are recommended throughout the balance of this process, in consultation with the Ward Councillor. Recommendations

The City Planning Division recommends that:

1. Staff be directed to continue to process this application in the East Precinct of the King-Spadina Secondary Plan area, in light of the City's and BIA's built form and Master Plan reviews for the area.
2. Staff be directed not to submit Final Reports on development applications in the King-Spadina East Precinct until such a time as the built form review has been considered by Council.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes a 44-storey mixed use building at 21 -23 Widmer Street with approximately 452 residential units and 885 square metres of commercial space. Four above grade parking levels and four below grade parking levels are proposed. Previous Council permission (By-law 95-2006) permitted a 25 storey mixed use building on the site.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application.

The subject properties are located within the King-Spadina Secondary Plan East Precinct area. This area has been the subject of a significant number of development applications that are well in excess of permitted building heights and do not meet the built form policies of the Secondary Plan. In April 2008 Toronto and East York Community Council, directed Planning Staff to review the existing built form policies in the East Precinct, as noted in motion no. TE 14-70. The study will specifically address the following:

1. The public policy goals and objectives of the Official Plan;
2. The goals and objectives of the King-Spadina Secondary Plan;
3. The emerging "Living Downtown Study" principles;
4. The heritage character of the area including enhancements to the area's heritage policy framework;

5. The maintaining and enhancing of employment opportunities in the area; and
6. The impact on pedestrian safety and the public realm.

Coupled with this review, the newly established Entertainment District Business Improvement Association (“BIA”), has initiated a Master Plan exercise. The BIA study area includes the East Precinct, which will be reviewed by staff, in accordance with Community Council’s direction. The BIA process commenced on May 29, 2008.

Planning Staff have circulated this application, and other similar, recently received applications in the East Precinct, to be considered parallel with the broader studies.

Community Consultation meetings are recommended throughout the balance of this process, in consultation with the Ward Councillor. Community Consultations for all individual applications and the Built Form Review were held in June of this year, in accordance with the regulations of the *Planning Act*.

This development proposal challenges many aspects of the existing policy framework for King Spadina, and will be reviewed in the context of the City’s built form review and the BIA Master Plan study. Likewise, comments received on individual applications will help to inform our area review and will be considered in the public consultation process.

It is staff’s goal to have all the studies completed prior to reporting back to Council on any individual application. It is anticipated that a final report for the subject application will be submitted in the first to second quarter of 2009.

Preliminary Report - Rezoning Application - 32 Davenport Road and 12, 18, 18A, 20 and 22 McMurrich Street

(June 12, 2008) Report from Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff be directed to schedule a community consultation meeting together with the Ward Councillor.
2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site.
3. Notice for the public meeting under the *Planning Act* be given according to the regulations under the *Planning Act*.

Summary

This application was made after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes to demolish a two-storey office building, a vacant two-storey building, and a pair of two-and-a-half-storey semi-detached dwellings, and to construct a 25-storey mixed-use residential building with commercial space on the ground floor.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application and on the community consultation process.

This application has been circulated to City departments and external agencies, where appropriate, for comment.

The next step is to hold a community consultation meeting where the community can review the application, provide comments, and ask questions of City staff and the applicants.

Decision Advice and Other Information

The Toronto and East York Community Council directed that:

1. Staff schedule a community consultation meeting together with the Ward Councillor.
2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site.
3. Notice for the public meeting under the *Planning Act* be given according to the regulations under the *Planning Act*.

Preliminary Report - Rezoning Application - 2 Secord Avenue and 90 Eastdale Avenue

(June 17, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council request the applicant to revise their application to address the comments contained in this report and further work with City staff to determine if an appropriate level of new development on this site can be considered within the policy framework of the Official Plan.
2. The applicant submit any outstanding applications, studies and reports, as identified in this report.
3. Toronto and East York Community Council direct the Acting Director, Community Planning, Toronto and East York District, upon receipt of a revised application in accordance with the recommendations 1 and 2, to bring forward subsequent Preliminary Report which will outline the recommended community consultation and scheduling of a Public Meeting under the *Planning Act*.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes to demolish nine townhouse blocks, containing a total of fifty-two, 3-bedroom rental townhouses at 2 Secord Avenue and 90 Eastdale Avenue, in order to permit the construction of a 30-storey residential tower, a 5- and 8-storey residential building, and sixty, 3-bedroom rental townhouse dwelling units. The applicant proposes to retain the existing 22 and 24-storey apartment buildings at 2 Secord Avenue and 90 Eastdale Avenue. The existing and proposed buildings would be connected below grade by two levels of parking.

A Rental Housing Demolition and Conversion application under Section 111 of the *City of Toronto Act* (Chapter 667 of the Municipal Code) must be submitted before the demolition and replacement of the nine townhouse blocks can be considered. The townhouse blocks contain a total of 52, 3-bedroom affordable rental townhouses at 2 Secord Avenue and 90 Eastdale Avenue. To date, an application for Rental Housing Demolition and Conversion has not been submitted to the City. The units may not be demolished unless the City approves the application.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application.

Preliminary Report - Rezoning Application - 40-44 Dovercourt Road

(June 4, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Staff continue to work with the applicant, in consultation with the community, to address the issues addressed in this report.

Summary

This application was made on or after January 1, 2007 and is subject to the new provisions of the *Planning Act* and the *City of Toronto Act, 2006*.

This application proposes an 11 storey mixed-use building at 40 Dovercourt Rd. with 140 residential units, and non-residential space on the ground floor. Access for 91 parking spaces, and loading, is proposed from the public lane on the west side of the subject property.

This report provides preliminary information on the above-noted application and seeks Community Council's directions on further processing of the application.

A Community Consultation meeting is scheduled for June 26th, and the Final Report is targeted for early 2009, assuming that the applicant provides all required information in a timely manner.

Decision Advice and Other Information

Sign Variance - 255 Bremner Boulevard

(June 18, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variances for one double-sided illuminated ground sign identifying the tenants in the Roundhouse building in the form of a corporate name and a logo to represent “Steam Whistle Brewing Co.” and “Leon’s”, and including an electronic display sign for the Toronto Railway Heritage Centre (TRHC) on condition that:
 - i. final plans and drawings be submitted to the satisfaction of the Manager, Heritage Preservation Services;
 - ii. the electronic display sign not be used for third party advertising;
 - iii. the electronic display sign be limited to a surface area of 2 square metres per side;
 - iv. that the final location of the ground sign be to the satisfaction of the Manager, Parks Forestry and Recreation, Parks Development and Infrastructure Management Section.
2. Toronto and East York Community Council approve the requested variances for one non-illuminated identification sign in the form of a logo to represent the “Toronto Railway Heritage Centre (TRHC)”, which would be painted directly onto the northeast face of the Coal and Sanding Tower on condition that:
 - i. final plans and drawings be submitted to the satisfaction of the Manager, Heritage Preservation Services.
3. Toronto and East York Community Council direct the City Clerk’s Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Bill Dalton with IBI Group on behalf of John Street Roundhouse Development Corporation, for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit one double-sided illuminated ground sign identifying the tenants in the Roundhouse building in the form of a corporate name and a logo to represent “Steam Whistle Brewing Co.” and “Leon’s”. The tenant identification sign includes an electronic display sign which will be used by the future Toronto Railway Heritage Centre (TRHC). Also for identification purposes is proposed one non-illuminated sign in the form of a logo to represent the “Toronto Railway Heritage Centre (TRHC)”, which would be painted directly onto the northeast face of the Coal and Sanding Tower.

Staff are recommending approval of the requested signs, subject to conditions. The conditions are based on the contextual location of the Roundhouse, which is a National Historic Site located in a City park.

Committee Decision

The Toronto and East York Community Council:

1. approved the requested variances for one double-sided illuminated ground sign identifying the tenants in the Roundhouse building in the form of a corporate name and a logo to represent “Steam Whistle Brewing Co.” and “Leon’s”, and including an electronic display sign for the Toronto Railway Heritage Centre (TRHC) on condition that:
 - i. final plans and drawings be submitted to the satisfaction of the Manager, Heritage Preservation Services;
 - ii. the electronic display sign not be used for third party advertising;
 - iii. the electronic display sign be limited to a surface area of 2 square metres per side;
 - iv. that the final location of the ground sign be to the satisfaction of the Manager, Parks Forestry and Recreation, Parks Development and Infrastructure Management Section.
2. approved the requested variances for one non-illuminated identification sign in the form of a logo to represent the “Toronto Railway Heritage Centre (TRHC)”, which would be painted directly onto the northeast face of the Coal and Sanding Tower on condition that:
 - i. final plans and drawings be submitted to the satisfaction of the Manager, Heritage Preservation Services.

3. directed the City Clerk’s Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Sign Variance - 255 Bremner Boulevard

(June 10, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variance to permit, for identification purposes, a non-illuminated sign in the form of a corporate name and a logo to represent “Steam Whistle Brewing” painted directly onto the water tower structure located to the east of the roundhouse building, in roundhouse park at 255 Bremner Boulevard, on condition that:
 - i. final plans and drawings be submitted to the satisfaction of the Manager, Heritage Preservation Services.
2. Toronto and East York Community Council direct the City Clerk’s Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Greg Taylor with Steam Whistle Brewing on behalf of John Street Roundhouse Development Corporation, for approval of a variance from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, a non-illuminated sign in the form of a corporate name and a logo to represent “Steam Whistle Brewing” painted directly onto the water tower structure located to the east of roundhouse building, in the roundhouse park at 255 Bremner Boulevard.

Staff recommends approval of the application conditional upon submission of final plans and drawings to the satisfaction of the Manager, Heritage Preservation Services. The variance is minor and within the general intent and purpose of the Municipal Code.

Committee Decision

The Toronto and East York Community Council:

1. approved the requested variance to permit, for identification purposes, a non-illuminated sign in the form of a corporate name and a logo to represent “Steam Whistle Brewing” painted directly onto the water tower structure located to the east of the roundhouse building, in roundhouse park at 255 Bremner Boulevard, on condition that:

Sign Variance - 109 Atlantic Avenue

(July 3, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variances to permit, for identification purposes, three fascia signs and one projecting sign on the north elevation, two fascia signs and one projecting sign on the south elevation, one fascia sign on the east elevation and two fascia signs on the west elevation of the building at 109 Atlantic Avenue, notwithstanding the reference to illumination on the applicant’s plans, this approval is subject to the following conditions:
 - a. neon signs; and visible wiring, conduit or other electrical components will not be permitted;

- b. signs attached to the heritage buildings, including projecting signs, will not be internally illuminated;
 - c. energy efficient fixtures are to be used on all signs should external illumination be proposed;
2. At the time of Building Permit application, sign permits will be subject to approval by the Manager of Heritage Preservation Services for the final design of tenant signs and method of attachment including any plans for external illumination of the signs in the future; and
 3. Toronto and East York Community Council direct the City Clerk's Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Bill Dalton of IBI Group, on behalf of First Capital (King Liberty-Barrymore) Corporation, for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, three illuminated fascia signs and one illuminated projecting sign on the north elevation, two illuminated fascia signs and one illuminated projecting sign on the south elevation, one illuminated fascia sign on the east elevation and two illuminated fascia signs on the west elevation of the building at 109 Atlantic Avenue.

Staff recommends approval of the application subject to the conditions described in this report and contained in the recommendations. The variances are minor and within the general intent and purpose of the Municipal Code.

Committee Decision

The Toronto and East York Community Council:

1. approved the requested variances to permit, for identification purposes, three fascia signs and one projecting sign on the north elevation, two fascia signs and one projecting sign on the south elevation, one fascia sign on the east elevation and two fascia signs on the west elevation of the building at 109 Atlantic Avenue, notwithstanding the reference to illumination on the applicant's plans, this approval is subject to the following conditions:

Sign Variance - 2 St. Clair Avenue West

(June 10, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the requested variances to permit for identification purposes, an illuminated awning sign on the Yonge Street elevation of the building at 2 St. Clair Avenue West on condition that energy efficient lights be used; and
2. Toronto and East York Community Council direct the City Clerk’s Office to advise the applicant, upon approval of variances, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Financial Impact

The property is located at the northwest corner of Yonge and St. Clair Avenue in a CR zone. The property contains a 21-storey office building with retail uses at the grade level. The “Fiorio” Salon & Spa occupies the northeast retail unit at the grade level of the building. The applicant has requested permission for variances that will allow an illuminated awning sign on the east elevation of the building. The sign is 11.58m wide and 0.61m high with an area of 7.06m².

The sign does not comply with Chapter 297, Signs, of the former City of Toronto Municipal Code in the following ways:

Sign By-law Section and Requirements	Applicant's Proposal	Required Variance
1. Chapter 297-10E(5)	The vertical clearance from grade to the bottom of the awning sign is 2.36m.	The 2.36m vertical clearance from grade to the bottom of the awning sign would be 0.14m less than the required 2.50m.
2.. Chapter 297-10E(6)	The awning sign would obstruct or interfere with the window of the building.	An awning sign obstructing or interfering with a window or door of a building is not permitted.
3. Chapter 297-11 AA	The illuminated awning sign for identification purposes would be located at the ground floor commercial unit.	A first party illuminated ground sign located at the ground floor commercial unit is not permitted.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Curtis Lanfrey of Geometric Design Woodworking, on behalf of Gian-Frank Stavo, for approval of variances from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, an illuminated awning sign on the Yonge Street frontage of the building at 2 St. Clair Avenue West.

Staff recommends approval of the application. The variances are minor and within the general intent and purpose of the Municipal Code.

Committee Decision

The Toronto and East York Community Council:

1. approved the requested variances to permit for identification purposes, an illuminated awning sign on the Yonge Street elevation of the building at 2 St. Clair Avenue West on condition that energy efficient lights be used; and

(June 2, 2008) Report from Acting Director, Community Planning, Toronto and East York District

Recommendations

The City Planning Division recommends that:

1. Toronto and East York Community Council approve the request for a variance to permit, for identification purposes, replacement of an existing fascia sign “Goodwill” with an illuminated fascia sign “Dollarama” on the front elevation of the building to represent the new occupant of the building at 293 Coxwell Avenue on a condition that the sign be turned off from 11:00 p.m. to 7:00 a.m. by means of an automated timing device and energy efficient lights be used; and
2. Toronto and East York Community Council direct the City Clerk’s Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report reviews and makes recommendations on a request by Just Cole of World Impact Inc., on behalf of Value Centres Inc. for approval of a variance from Chapter 297, Signs, of the former City of Toronto Municipal Code to permit, for identification purposes, replacement of an existing “Goodwill” store’s fascia sign with an illuminated fascia sign “Dollarama” on the front elevation of the building to represent the new occupant of the building at 293 Coxwell Avenue.

Staff recommends approval of this application. The variance is minor and within the general intent and purpose of the Municipal Code.

Committee Decision

The Toronto and East York Community Council:

1. approved the request for a variance to permit, for identification purposes, replacement of an existing fascia sign “Goodwill” with an illuminated fascia sign “Dollarama” on the front elevation of the building to represent the new occupant of the building at 293 Coxwell Avenue on a condition that the sign be turned off from 11:00 p.m. to 7:00 a.m. by means of an automated timing device and energy efficient lights be used; and
2. directed the City Clerk’s Office to advise the applicant, upon approval of a variance, of the requirement to obtain the necessary sign permits from the Chief Building Official.

Bloor Street West Visioning Initiative - Bloor Street West between Keele Street and Dundas Street West

(June 17, 2008) Report from Acting Director, Community Planning, Toronto and East York Council

Recommendations

The City Planning Division recommends that Council direct staff to forward this report to the retained consultant to inform the *Avenue* Study for the Bloor Street West and Dundas Street West area.

Summary

This report describes a community engagement process and seven guiding principles emerging from the community through the Bloor Street West Visioning initiative. These principles would foster and support a compact community along Bloor Street West between Keele Street and Dundas Street West that is well-designed and offers sustainable transportation choices. The principles are consistent with the City’s objective to focus contextually appropriate urban growth along major corridors; support the City’s focus on investment in quality of life; promote transit use; and preserve and enhance the stability of neighbourhoods. The principles have been established through significant community input including the review of the policy framework and context of the area. They work to build upon the policy directions in the Official Plan.

This report recommends that the information in this report be forwarded to the consultant undertaking the approved *Avenue* Study to inform their work for the Bloor Street West and Dundas Street West area.

Committee Recommendations

The Toronto and East York Community Council recommends that Council direct staff to forward the report (June 17, 2008) from the Acting Director, Community Planning, Toronto and East York District to the retained consultant to inform the *Avenue* Study for the Bloor Street West and Dundas Street West area.

Public Art Plan - TEDCO/Corus Entertainment - 125 Queens Quay East

(June 11, 2008) Report from Director, Urban Design, City Planning Division

Recommendations

The City Planning Division recommends that:

1. City Council approve the attached TEDCO/Corus Entertainment Public Art Plan (125 Queens Quay East).

Summary

The purpose of this staff report is to seek City Council approval of the TEDCO/Corus Entertainment Public Art Plan. The plan has been prepared by the Public Art Consultant and Developer for this project in compliance with the development approval provisions. The full plan, which is Attachment 1, outlines the method by which the owner will commission the public art in the privately-owned, publicly accessible areas of the development. The owner will commence the art program once the plan is approved. The resulting art installation will be owned and maintained by the owners of 125 Queens Quay East.

The full plan meets the objectives of the City Planning Percent for Public Art Program and is supported by the Toronto Public Art Commission.

Committee Recommendations

The Toronto and East York Community Council recommends that:

1. City Council approve the attached TEDCO/Corus Entertainment Public Art Plan (125 Queens Quay East).

Further Report - Request to Waive Encroachment Fee – 100 Queen’s Park Crescent, Royal Ontario Museum

(May 21, 2008) Report from Transportation Services

Recommendations

Transportation Services recommends that Toronto and East York Community Council again submit its recommendation to City Council respecting the disposition of the Royal Ontario Museum’s request to waive the standard annual permit renewal fee for the encroachment over the City’s street allowance of the Michael Lee-Chin Crystal.

Financial Impact

Should City Council approve waiving the annual permit renewal for the encroachment of the Michael Lee-Shin Crystal that extends over the public right-of-way of the Bloor Street flank of 100 Queen’s Park Crescent, a reduction of \$2,400 in total annual revenue will result.

Summary

City Council, in considering a request from the Royal Ontario Museum to waive the annual permit renewal fee for the encroachment of a portion of the Michael Lee-Chin “Crystal” structure over the City’s street allowance, requested that this matter be reviewed in the context of Council’s policies of community benefits relating to development approvals.

Staff have submitted a report to the Public Works and Infrastructure Committee on the policy question, however, the actual application by the Royal Ontario Museum remains unresolved. This aspect is within the purview of Community Council. Accordingly, Transportation Services is recommending that Toronto and East York Community Council again submit its recommendation to City Council in order that the application can be dealt with in the context of whatever policy direction the Committee and City Council may pursue.

Committee Recommendations

The Toronto and East York Community Council submits this matter to Council without recommendation.

Road Alteration – Manning Avenue, South of Dundas Street

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. Approve narrowing the west side of Manning Avenue, south of Dundas Street West, generally as shown on the attached print of Drawing No. 421F-9313, dated June 2008.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	2007 Capital Budget, Dundas Street West Track Replacement Contract No. 07TE-03RD	Minimal incremental cost

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval from Toronto and East York Community Council to narrow a section of Manning Avenue, south of Dundas Street West, to be undertaken with on-going capital work associated with the Dundas streetcar track reconstruction, to enable development of the “Dundas & Manning Community Garden”. This narrowing will also provide a shorter distance for pedestrians to cross Manning Avenue, providing a safer crossing environment.

Committee Decision

The Toronto and East York Community Council approved narrowing the west side of Manning Avenue, south of Dundas Street West, generally as shown on the print of Drawing No. 421F-9313, dated June 2008, attached to the report (June 16, 2008) from the Director, Transportation Services, Toronto and East York District.

Road Alterations - Bay Street and Harbour Street

(June 18, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve:

1. Narrowing Bay Street, east side, from Harbour Street to the F.G. Gardiner Expressway on-ramp, generally as shown on the attached print of Drawing No. 421F-9324, dated June 2008.
2. Narrowing Harbour Street, north side, easterly from Bay Street, generally as shown on the attached print of Drawing No. 421F-9323 dated June 2008.
3. Modifying the existing median on Harbour Street, west of Bay Street, generally as shown on the attached print of Drawing No. 421F-9323 dated June 2008.

Financial Impact

The curb realignments on Bay Street and Harbour Street will be undertaken by Pinnacle International (Bay Street) Ltd., the developer of No. 33 Bay Street, in conjunction with the sidewalk/boulevard work required as part of the project. The modification to the median island in the estimated amount of \$15,000.00 will be carried out with funds previously secured through development agreements.

Summary

Transportation Services is seeking authority from City Council to realign the curbs and slightly narrow the roadways on both the Bay Street and Harbour Street frontages of No. 33 Bay Street, located at the northeast corner of this intersection. This will enable streetscape improvements

to be incorporated in conjunction with adjoining sidewalk/boulevard work to enhance the pedestrian environment. A reduction of the length of the median island on Harbour Street, west side, at Bay Street is also requested to provide a wider pedestrian crosswalk on the west side of this intersection.

Communications

(July 7, 2008) letter from James M. Russell, York Quay Neighbourhood Association (TE.New.TE17.51.1)

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. approve narrowing Bay Street, east side, from Harbour Street to the F.G. Gardiner Expressway on-ramp, generally as shown on the attached print of Drawing No. 421F-9324, dated June 2008.
2. approve narrowing Harbour Street, north side, easterly from Bay Street, generally as shown on the attached print of Drawing No. 421F-9323 dated June 2008.
3. approve modifying the existing median on Harbour Street, west of Bay Street, generally as shown on the attached print of Drawing No. 421F-9323 dated June 2008.
4. request the General Manager, Transportation Services to paint zebra striped crosswalks with a minimum width of 4 metres on the east, west and south legs of the Harbour Street and Bay Street intersection and across the Bay Street ramp in conjunction with the recommended sidewalk and crosswalk widenings prior to the end of 2008.

Decision Advice and Other Information

The Toronto and East York Community Council requested the General Manager, Transportation Services to report:

1. in September, 2008, on the reduction of the double left hand turning lanes on eastbound Harbour Street at Bay Street and Yonge Streets;
2. by the end of 2008 on the implementation of bicycle lanes on Bay Street between Front Street East and Queen's Quay.

Traffic Control Signals and Road Alteration - Lake Shore Boulevard West at Ontario Place

(June 18, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that, subject to the receipt of funds from the Toronto Waterfront Revitalization Corporation, Toronto and East York Community Council:

1. Authorize the installation of traffic control signals at a new intersection formed by a driveway to/from Ontario Place and Lake Shore Boulevard West, approximately 350 metres east of Ontario Drive.
2. Approve alterations of Lake Shore Boulevard West, in the vicinity of Ontario Place, namely, installing centre median islands and associated minor widening on the south side to accommodate the islands and new left turn lane on Lake Shore Boulevard West, at a point about 350 metres east of Ontario Drive (the new driveway), generally as shown on the attached Drawing No. 421F-9315, dated June 2008.
3. Rescind the “No Left Turn Anytime” regulation for eastbound traffic from Remembrance Drive onto Lake Shore Boulevard West, approximately 270 metres west of Newfoundland Drive.
4. Rescind the “No Left Turn Anytime” regulation for westbound traffic on Lake Shore Boulevard West at Ontario Drive.
5. Rescind the “No Left Turn Anytime” regulation for eastbound traffic at the Remembrance Drive eastbound exit from Lake Shore Boulevard West to Ontario Place Parking at the Ontario Place Extension of Ontario Drive.

Financial Impact

The adoption of the above-noted Recommendations will not result in any financial impact to Transportation Services. All costs associated with the proposed installation of new traffic control signals, and road/curb alterations on Lake Shore Boulevard West, in front of Ontario Place are the responsibility of the Toronto Waterfront Revitalization Corporation. This includes:

- Signalization and reconstruction of the new driveway approximately 350 metres east of Ontario Drive, in the estimated amount of \$605,000.00; and
- Reconstruction and modifications to the signal plant, hardware and related signage at Lake Shore Boulevard West and Ontario Drive, in the estimated amount of \$160,000.00.

Summary

This staff report is about a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting Toronto and East York Community Council's approval to install traffic signals on Lake Shore Boulevard West, at a new entrance to Ontario Place, and undertake associated roadway alterations. Changes to a number of turn regulations are also required to implement the plan.

These amendments are being made in conjunction with the re-alignment and improvement of the Martin Goodman Trail, and will improve access for motorists to/from Ontario Place, and enhance safety along the section of the Martin Goodman Trail fronting Ontario Place for pedestrians and cyclists. All costs will be borne by the Toronto Waterfront Revitalization Corporation (Waterfront Toronto).

Committee Decision

The Toronto and East York Community Council, subject to the receipt of funds from the Toronto Waterfront Revitalization Corporation:

1. authorized the installation of traffic control signals at a new intersection formed by a driveway to/from Ontario Place and Lake Shore Boulevard West, approximately 350 metres east of Ontario Drive.
2. approved alterations of Lake Shore Boulevard West, in the vicinity of Ontario Place, namely, installing centre median islands and associated minor widening on the south side to accommodate the islands and new left turn lane on Lake Shore Boulevard West, at a point about 350 metres east of Ontario Drive (the new driveway), generally as shown on the attached Drawing No. 421F-9315, dated June 2008.
3. rescinded the "No Left Turn Anytime" regulation for eastbound traffic from Remembrance Drive onto Lake Shore Boulevard West, approximately 270 metres west of Newfoundland Drive.
4. rescinded the "No Left Turn Anytime" regulation for westbound traffic on Lake Shore Boulevard West at Ontario Drive.
5. rescinded the "No Left Turn Anytime" regulation for eastbound traffic at the Remembrance Drive eastbound exit from Lake Shore Boulevard West to Ontario Place Parking at the Ontario Place Extension of Ontario Drive.
6. requested that Waterfront Toronto ensure, satisfactory to the City of Toronto, north-south pedestrian/bicycle connections on this stretch of Lake Shore Boulevard West at all the signalized intersections.

Extended no stopping and left turn prohibitions – College Street and Queen Street West (Sustainable Transportation Initiative)

(June 17, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that City Council:

1. Adopt the recommendations listed in Appendix “A” of this report, regarding regulatory changes along College Street, between Lansdowne Avenue and Dovercourt Road in order to:
 - a. extend peak period, peak direction stopping prohibitions, from 7:00 a.m. to 10:00 a.m., Monday to Friday (currently 7:00 a.m. to 9:00 a.m., Monday to Friday) and from 3:30 p.m. to 6:30 p.m., Monday to Friday (currently 4:00 p.m. to 6:00 p.m., Monday to Friday); and
 - b. prohibit peak direction left-turns, from 7:00 a.m. to 10:00 a.m., Monday to Friday at St. Clarens Avenue, Sheridan Avenue, Dufferin Street, Gladstone Avenue, and Bill Cameron Lane, and, from 3:30 p.m. to 6:30 p.m. Monday to Friday at Rusholme Road, Rusholme Park Crescent, Gladstone Avenue, Dufferin Street, Sheridan Avenue, Orpen Lane and Margueretta Street.

2. Adopt the recommendations listed in Appendix “B” of this report, regarding regulatory changes along Queen Street West, between Gladstone Avenue and Dovercourt Road in order to:
 - a. extend peak period, peak direction stopping prohibitions, from 7:00 a.m. to 10:00 a.m., Monday to Friday (currently 7:00 a.m. to 9:00 a.m., Monday to Friday) and from 3:30 p.m. to 6:30 p.m., Monday to Friday (currently 4:00 p.m. to 6:00 p.m., Monday to Friday); and
 - b. prohibit peak direction left-turns, from 7:00 a.m. to 10:00 a.m., Monday to Friday at Beaconsfield Avenue, and, from 3:30 p.m. to 6:30 p.m. Monday to Friday at Lisgar Street and Abell Street.

3. Direct Transportation Services' staff to implement timing features as feasible in the peak period, peak direction to minimize left-turn queuing at the traffic control signals on College Street at Lansdowne Avenue, Brock Avenue and Dovercourt Road, and on Queen Street West at Dovercourt Road.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget	\$6,000.00

Summary

Transportation Services is requesting City Council's approval to extend the rush hour stopping prohibitions and prohibit left-turns during rush hour periods at various intersections on College Street, from Dundas Street West to Dovercourt Road and on Queen Street West, from Gladstone Avenue to Dovercourt Road.

These regulatory changes are part of the transportation related recommendations contained within the "Climate Change Plan" to improve street car operations, enhance cycling and maintain efficient traffic flow during the morning and afternoon rush hour periods on transit routes. These sections of College Street and Queen Street West are within Ward 18. Implementation of these restrictions will serve as a pilot project for evaluating this initiative prior to further expansion to other streets and Wards in the Toronto and East York District.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. Adopt the recommendations listed in Appendix "A" of the report (June 17, 2008) from the Director, Transportation Services, Toronto and East York District, regarding regulatory changes along College Street, between Lansdowne Avenue and Dovercourt Road in order to:
 - a. extend peak period, peak direction stopping prohibitions, from 7:00 a.m. to 10:00 a.m., Monday to Friday (currently 7:00 a.m. to 9:00 a.m., Monday to Friday) and from 3:30 p.m. to 6:30 p.m., Monday to Friday (currently 4:00 p.m. to 6:00 p.m., Monday to Friday); and
 - b. prohibit peak direction left-turns, from 7:00 a.m. to 10:00 a.m., Monday to Friday at St. Clarens Avenue, Sheridan Avenue, Dufferin Street, Gladstone Avenue, and Bill Cameron Lane, and, from 3:30 p.m. to 6:30 p.m. Monday to Friday at Rusholme Road, Rusholme Park Crescent, Gladstone Avenue, Dufferin Street, Sheridan Avenue, Orpen Lane and Margueretta Street.
2. Adopt the recommendations listed in Appendix "B" of the report, regarding regulatory changes along Queen Street West, between Gladstone Avenue and Dovercourt Road in order to:
 - a. extend peak period, peak direction stopping prohibitions, from 7:00 a.m. to 10:00 a.m., Monday to Friday (currently 7:00 a.m. to 9:00 a.m., Monday to

Friday) and from 3:30 p.m. to 6:30 p.m., Monday to Friday (currently 4:00 p.m. to 6:00 p.m., Monday to Friday); and

- b. prohibit peak direction left-turns, from 7:00 a.m. to 10:00 a.m., Monday to Friday at Beaconsfield Avenue, and, from 3:30 p.m. to 6:30 p.m. Monday to Friday at Lisgar Street and Abell Street.
3. Direct Transportation Services' staff to implement timing features as feasible in the peak period, peak direction to minimize left-turn queuing at the traffic control signals on College Street at Lansdowne Avenue, Brock Avenue and Dovercourt Road, and on Queen Street West at Dovercourt Road.

Decision Advice and Other Information

The Toronto and East York Community Council requested the Director, Transportation Services, Toronto and East York District, to report back in six months on the impact of the turn restrictions.

Prohibition of U-turns – Merton Street

(June 13, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. Prohibit U-turns by eastbound and westbound traffic at all times on Merton Street, from Mount Pleasant Road to Cleveland Street.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services 2008 operating budget	\$500.00

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Residents of Merton Street, from Mount Pleasant Road to Cleveland Street, are concerned about the number of vehicles picking up or dropping off children at Sunnybrook School, 469 Merton Street, then making U-turns by way of private driveways in the area.

This activity presents a potential hazard for pedestrians and moving traffic on Merton Street. Implementation of a “No- U-turns” regulation is advisable to deter this practice.

Committee Decision

The Toronto and East York Community Council prohibited U-turns by eastbound and westbound traffic at all times on Merton Street, from Mount Pleasant Road to Cleveland Street.

School Bus Loading Zone – Kensington Community School

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that City Council:

1. Approve installation of a “School Bus Loading Zone”, on the south side of College Street, between a point 59.8 metres east of Lippincott Street and a point 18.4 metres further east; and
2. Introduce a “No Stopping, 8:00 a.m. to 5:00 p.m., Monday to Friday” regulation on the south side of College Street, between a point 59.8 metres east of Lippincott Street and a point 18.4 metres further east, in conjunction with installation of the School Bus Loading Zone.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Transportation Services 2008 Operating Budget	\$500.00

Summary

Transportation Services is requesting City Council’s approval to designate a School Bus Loading Zone on the south side of College Street, adjacent to Kensington Community School (401 College Street).

The School Bus Loading Zone will improve access to the school for special needs students that are bussed to/from Kensington Community School. This will result in the loss of 3 parking spaces on College Street during the operational hours of the loading zone.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. Approve installation of a “School Bus Loading Zone”, on the south side of College Street, between a point 59.8 metres east of Lippincott Street and a point 18.4 metres further east; and
2. Introduce a “No Stopping, 8:00 a.m. to 5:00 p.m., Monday to Friday” regulation on the south side of College Street, between a point 59.8 metres east of Lippincott Street and a point 18.4 metres further east, in conjunction with installation of the School Bus Loading Zone.

All-way stop control – Hogarth Avenue at Ingham Avenue

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends to Toronto and East York Community Council that:

1. Stop signs not be installed for eastbound and westbound traffic on Hogarth Avenue at Ingham Avenue.

Financial Impact

There are no funding implications as a result of the receipt of this report. Should Toronto and East York Community Council decide to proceed with the installation of all-way stop control, the estimated cost of \$500.00 would be accommodated in the Transportation Services 2008 Operational Budget.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has been requested by Councillor Paula Fletcher to report to Toronto and East York Community Council on implementing all-way stop control at the intersection of Hogarth Avenue and Ingham Avenue.

The results of a traffic study undertaken at the intersection of Hogarth Avenue and Ingham Avenue indicate that the intersection does not satisfy the installation criteria for all-way stop control approved by Toronto City Council.

Committee Decision

The Toronto and East York Community Council directed that Stop signs be installed for eastbound and westbound traffic on Hogarth Avenue at Ingham Avenue.

Installation of a Sidewalk - Crescent Town Road

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that City Council approve altering Crescent Town Road by narrowing the roadway on the south side between a point 100 metres west of Victoria Park

Avenue and Victoria Park Avenue from a width of 16.4 metres to a width of 14.4 metres and installing a sidewalk, generally as shown on the attached print of Drawing No. 421P-0083, dated June, 2008.

Financial Impact

Funds associated with the installation of a sidewalk on the south side of Crescent Town Road, between a point 100 metres west of Victoria Park Avenue and Victoria Park Avenue will be allocated from the 2008 Transportation Services Capital Works Program (New Sidewalk Installation Program). The estimated cost for this work is \$25,000.00.

Summary

Transportation Services is requesting approval to narrow Crescent Town Road, between a point 100 metres west of Victoria Park Avenue and Victoria Park Avenue, to provide a sidewalk on the south side and thereby enhance safety for pedestrians.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council approve altering Crescent Town Road by narrowing the roadway on the south side between a point 100 metres west of Victoria Park Avenue and Victoria Park Avenue from a width of 16.4 metres to a width of 14.4 metres and installing a sidewalk, generally as shown on the attached print of Drawing No. 421P-0083, dated June, 2008.

Lane and Sidewalk Closure for Construction – Eastern Avenue

(June 12, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. Close the sidewalk and curb lane on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street, for two months, from September 15, 2008 to November 15, 2008.

2. During this period, implement “No Stopping Anytime” on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street.
3. During this period, remove the existing “No Parking Anytime” regulation on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street.
4. During this period, remove the existing “No Stopping, 7:00 a.m. to 9:00 a.m., except Sat., Sun. and public holidays” regulation on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street.
5. Return Eastern Avenue to its pre-construction traffic and parking regulations when the project is completed.

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Cooper Construction is building a five-storey commercial development at 356 Eastern Avenue. For this reason, Transportation Services must close the north sidewalk and westbound curb lane on Eastern Avenue for two months.

Committee Decision

The Toronto and East York Community Council approved the following actions:

1. Close the sidewalk and curb lane on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street, for two months, from September 15, 2008 to November 15, 2008.
2. During this period, implement “No Stopping Anytime” on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street.
3. During this period, remove the existing “No Parking Anytime” regulation on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street.
4. During this period, remove the existing “No Stopping, 7:00 a.m. to 9:00 a.m., except Sat., Sun. and public holidays” regulation on the north side of Eastern Avenue, between a point 25 metres east of Lewis Street and a point 82.8 metres east of Lewis Street.

Closure for Construction – Nelson Street

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

1. Close the curb lane and sidewalk on the south side of Nelson Street, from Simcoe Street to a point 41 metres west, from June 2008 to January 2011.
2. Adjust the “No Stopping Anytime” regulation on the south side of Nelson Street, between a point 17 metres east of John Street and a point 36.6 metres west of Simcoe Street to indicate: “from a point 17 metres east of John Street to Simcoe Street”.
3. Return Nelson Street to its pre-construction traffic and parking regulations when the project is completed.

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Tucker HiRise Construction Inc. are building a 35-storey condominium at 126 Simcoe Street, on the south-west corner of Simcoe Street and Nelson Street. Transportation Services is requesting authority to close the sidewalk and curb lane on the south side of Nelson Street for 32 months to enable construction of this project.

Committee Decision

The Toronto and East York Community Council approved the following actions:

1. Close the curb lane and sidewalk on the south side of Nelson Street, from Simcoe Street to a point 41 metres west, from June 2008 to January 2011.
2. Adjust the “No Stopping Anytime” regulation on the south side of Nelson Street, between a point 17 metres east of John Street and a point 36.6 metres west of Simcoe Street to indicate: “from a point 17 metres east of John Street to Simcoe Street”.

Temporary Road Closure – Simcoe Street

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council approve the following actions:

- Close the westerly curb lane and centre lane of Simcoe Street, to vehicular traffic, from King Street West to Wellington Street West for the period from September 3 to September 13, 2008, inclusive.

Financial Impact

Approval of this closure has no financial impact on the City. The Toronto Film Festival organizers are responsible for the costs of barricading the street, erection of signs and off-duty police officers to control traffic access to the enclosed area.

Summary

This staff report is about a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

To accommodate special “red-carpet” events at Roy Thomson Hall during the Toronto International Film Festival (TIFF), organizers are requesting the closure of the two most westerly lanes of Simcoe Street, between King Street West and Wellington Street West during the period from September 3 to 13, 2008.

Committee Decision

The Toronto and East York Community Council approved the following actions:

1. Close the westerly curb lane and centre lane of Simcoe Street, to vehicular traffic, from King Street West to Wellington Street West for the period from September 3 to September 13, 2008, inclusive.

Proposed Permanent Closure of the Public Lane at the rear of 585 Queen Street West

(June 13, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto City Council:

1. Permanently close the public lane shown as Part 1 on the attached Sketch No. PS-2006-056 (the “Lane”), subject to compliance with the requirements of City of Toronto Municipal Code, Chapter 162, and subject to City Council authorizing a sale of the Lane to the abutting owner, RioCan PS Inc.(“RioCan”);
2. Authorize Transportation Services staff to give notice to the public of a proposed by-law to close the Lane in accordance with the requirements of the City of Toronto Municipal Code, Chapter 162, with the Toronto and East York Community Council to hear any member of the public who wishes to speak to the matter during consideration of the proposed by-law; and
3. Authorize Transportation Services staff to advise the public of the proposed closure of the Lane prior to implementation, in accordance with the requirements of the Municipal Class Environmental Assessment for Schedule “A+” activities, by posting notice of the proposed closure on the notice page of the City’s Web site for at least five working days prior to the Toronto and East York Community Council meeting at which the proposed by-law to close the Lane will be considered.

Financial Impact

The subject closing will not result in any costs to the City as RioCan will be required to pay all costs associated with the closing of the Lane as part of the sale transaction. Financial compensation will be realized from the sale of the Lane.

Summary

Transportation Services recommends that the public lane at the rear of 585 Queen Street West be permanently closed.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. Permanently close the public lane shown as Part 1 on the attached Sketch No. PS-2006-056 (the “Lane”), subject to compliance with the requirements of City of Toronto Municipal Code, Chapter 162, and subject to City Council authorizing a sale of the Lane to the abutting owner, RioCan PS Inc. (“RioCan”);
2. Authorize Transportation Services staff to give notice to the public of a proposed by-law to close the Lane in accordance with the requirements of the City of Toronto Municipal Code, Chapter 162, with the Toronto and East York Community Council to hear any member of the public who wishes to speak to the matter during consideration of the proposed by-law; and
3. Authorize Transportation Services staff to advise the public of the proposed closure of the Lane prior to implementation, in accordance with the requirements of the Municipal Class Environmental Assessment for Schedule “A+” activities, by posting notice of the proposed closure on the notice page of the City’s Web site for at least five working days prior to the Toronto and East York Community Council meeting at which the proposed by-law to close the Lane will be considered.

Proposed Permanent Closure and Sale of an Untravelled Portion of Musgrave Street Road Allowance at Dengate Road

(June 18, 2008) Report from General Manager, Transportation Services and Chief Corporate Officer

Recommendations

The General Manager, Transportation Services and the Chief Corporate Officer recommend that City Council:

1. Permanently close an untravelled portion of the Musgrave Street road allowance, shown as Parts 2 and Part 3 on the attached Sketch No. PS-2008-075 (the “Highway”), subject to compliance with the requirement of the City of Toronto Municipal Code, Chapter 162;
2. Direct Transportation Services Division to give notice to the public of a proposed by-law to close the Highway in accordance with the requirements of the City of Toronto Municipal Code, Chapter 162, with the Toronto and East York Community Council to hear any member of the public who wishes to speak to the matter during consideration of the proposed by-law;
3. Direct Transportation Services staff to advise the public of the proposed closure of the Highway prior to implementation, in accordance with the requirements of the Municipal Class Environmental Assessment for Schedule A+ activities, by posting notice of the proposed closure on the notices page of the City’s website for at least five working days prior to the Toronto and East York Community Council meeting at which the proposed by-law to close the Highway will be considered;
4. Accept the Offer to Purchase from the adjoining owner, Ambercroft Construction Ltd. (the “Purchaser”), for the sale of the Highway, substantially on the terms and conditions outlined in Appendix “A” to this report and authorize each of the Chief Corporate Officer and the Director of Real Estate Services severally to accept the Offer to Purchase on behalf of the City;
5. Authorize the City Solicitor to complete the transaction on behalf of the City, including paying any necessary expenses, amending the closing, due diligence and other dates, and amending and waiving terms and conditions, on such terms as she considers reasonable; and
6. Authorize and direct the appropriate City officials to take the necessary action to give effect to the above recommendations, including the introduction in City Council of any necessary bills.

Financial Impact

The closing of the Highway will not result in any costs to the City as the Purchaser is required to pay all costs associated with the closing.

The City and the Purchaser have agreed that the value of the Highway is \$34,000.00. The City has received certain public benefits, being lands to be dedicated for Park purposes, forming part of Blocks 52 and 53, conveyed to the City by Instrument Number AT678571 on December 7, 2004, such benefits being valued at \$34,000.00.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

Summary

The General Manager, Transportation Services and the Chief Corporate Officer request that an untravelled portion of the Musgrave Street road allowance at Dengate Road be permanently closed and that the public highway be sold to the adjoining land owner, Ambercroft Construction Ltd., substantially on the terms and conditions outlined in Appendix “A” to this report.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. Permanently close an untravelled portion of the Musgrave Street road allowance, shown as Parts 2 and Part 3 on the attached Sketch No. PS-2008-075 (the “Highway”), subject to compliance with the requirement of the City of Toronto Municipal Code, Chapter 162;
2. Direct Transportation Services Division to give notice to the public of a proposed by-law to close the Highway in accordance with the requirements of the City of Toronto Municipal Code, Chapter 162, with the Toronto and East York Community Council to hear any member of the public who wishes to speak to the matter during consideration of the proposed by-law;
3. Direct Transportation Services staff to advise the public of the proposed closure of the Highway prior to implementation, in accordance with the requirements of the Municipal Class Environmental Assessment for Schedule A+ activities, by posting notice of the proposed closure on the notices page of the City’s website for at least five working days prior to the Toronto and East York Community Council meeting at which the proposed by-law to close the Highway will be considered;
4. Accept the Offer to Purchase from the adjoining owner, Ambercroft Construction Ltd. (the “Purchaser”), for the sale of the Highway, substantially on the terms and conditions outlined in Appendix “A” to the report (June 18, 2008) from the General Manager, Transportation Services and Chief Corporate Officer and authorize each of the Chief Corporate Officer and the Director of Real Estate Services severally to accept the Offer to Purchase on behalf of the City;
5. Authorize the City Solicitor to complete the transaction on behalf of the City, including paying any necessary expenses, amending the closing, due diligence and other dates, and amending and waiving terms and conditions, on such terms as she considers reasonable; and
6. Authorize and direct the appropriate City officials to take the necessary action to give effect to the above recommendations, including the introduction in City Council of any necessary bills.

“Stop” sign installation and parking regulation changes – Leslie Street at Unwin Avenue

(June 16, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. Authorize the introduction of a stop sign for southbound traffic on Leslie Street at Unwin Avenue.
2. Rescind the 7:00 a.m. to 6:00 p.m., Monday to Friday, parking prohibition on both sides of Leslie Street between Commissioners Street and the south end.
3. Prohibit parking from 7:00 a.m. to 6:00 p.m., Monday to Friday on the west side of Leslie Street between Commissioners Street and a point 316 metres south.
4. Prohibit parking from 7:00 a.m. to 6:00 p.m., Monday to Friday on the east side of Leslie Street between Commissioners Street and a point 350 metres south.
5. Prohibit parking at all times on the west side of Leslie Street between a point 316 metres south of Commissioners Street and Unwin Avenue.

Financial Impact

Type of funding	Source of funds	Amount
Available within current budget	Toronto Transportation Services 2008 operating budget	\$2,000.00

Summary

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval from Toronto and East York Community Council to install a southbound “Stop” sign on Leslie Street at Unwin Avenue and to amend the parking regulations on the east side of Leslie Street, north of Unwin Avenue, fronting the Leslie Street Allotment Gardens.

The Leslie Street Greening project, along with the future development of the Portlands and Lake Ontario Park, is expected to intensify pedestrian and cyclist activity in this area. The introduction of a southbound stop sign on Leslie Street at Unwin Avenue will clarify right-of-way and enhance safety at the intersection. The proposed changes to the parking regulations will provide approximately 28 parking spaces during the day, Monday to Friday. Work is scheduled to begin summer, 2008.

Committee Decision

The Toronto and East York Community Council:

1. Authorized the introduction of a stop sign for southbound traffic on Leslie Street at Unwin Avenue.
2. Rescinded the 7:00 a.m. to 6:00 p.m., Monday to Friday, parking prohibition on both sides of Leslie Street between Commissioners Street and the south end.
3. Prohibited parking from 7:00 a.m. to 6:00 p.m., Monday to Friday on the west side of Leslie Street between Commissioners Street and a point 316 metres south.
4. Prohibited parking from 7:00 a.m. to 6:00 p.m., Monday to Friday on the east side of Leslie Street between Commissioners Street and a point 350 metres south.
5. Prohibited parking at all times on the west side of Leslie Street between a point 316 metres south of Commissioners Street and Unwin Avenue.

8. Adjust the Pay-and-Display parking times on the north side of Sammon Avenue from a point 30.5 metres east of Coxwell Avenue to a point 26 metres further east to operate from 6:00 p.m. to 9:00 p.m., Monday to Friday, and from 9:00 a.m. to 9:00 p.m., Saturday and Sunday.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget.	\$1400.00
	Toronto Parking Authority	\$500.00

Summary

Transportation Services is seeking approval from City Council to amend the existing parking regulations in the vicinity of the Toronto East General Hospital.

The proposed changes to the existing parking controls will reduce illegal parking and congestion, and improve the overall traffic operations in the vicinity of Toronto East General Hospital.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. Prohibit stopping at all times, on the north side of Sammon Avenue, from Coxwell Avenue to a point 30.5 metres east.
2. Prohibit stopping at all times, on the east side of Coxwell Avenue, from Sammon Avenue to a point 22 metres north.

Parking Amendments - Binswood Avenue

(June 9, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

Prohibit parking from 8:00 a.m. to 10:00 a.m. and from 3:00 p.m. to 5:00 p.m., from Monday to Friday, on both sides of Binswood Avenue, between Barker Avenue and Holborne Avenue.

Financial Impact

Type of Funding	Source of Funds	Amount
Available within current budget	Transportation Services Division 2008 Operating Budget.	\$600.00

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval to prohibit parking on both sides of Binswood Avenue, between Barker Avenue and Holborne Avenue, from 8:00 a.m. to 10:00 a.m. and from 3:00 p.m. to 5:00 p.m., from Monday to Friday.

The proposed changes to parking regulations contained in this report would deter long term parking on Binswood Avenue, between Barker Avenue and Holborne Avenue.

Committee Decision

The Toronto and East York Community Council prohibited parking from 8:00 a.m. to 10:00 a.m. and from 3:00 p.m. to 5:00 p.m., from Monday to Friday, on both sides of Binswood Avenue, between Barker Avenue and Holborne Avenue.

Temporary Adjustments to Traffic/Parking Regulations for 2008 Canadian National Exhibition – Community Council

(June 17, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. Approve the temporary traffic and parking regulations on streets in the vicinity of Exhibition Place which are impacted during the Canadian National Exhibition, as noted in Appendix "A" of this report.

Financial Impact

Type of funding	Source of funds	Amount
Available within Current Budget	Transportation Services Division 2008 Operating Budget	\$6,000.00

Summary

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision. The traffic and parking amendments recommended are required to enhance traffic operations and pedestrian safety during this year's Canadian National Exhibition (C.N.E.), which takes place from August 15 to September 1, inclusive.

Committee Decision

The Toronto and East York Community Council:

1. amended Appendix "A" of the report (June 17, 2008) from the Director, Transportation Services, Toronto and East York District by inserting the following under the table 24 Hour permit parking:
 - Peel Avenue, odd side, between Dufferin Street and Gladstone Avenue, from Friday Aug. 15, 2008 to and including Mon. Sept. 1, 2008, 12:01 a.m. to 12:00 midnight; and
 - Peel Avenue, even side, between Dufferin Street and a point 30 metres west of Gladstone Avenue, from Friday Aug. 15, 2008 to and including Mon. Sept. 1, 2008, 12:01 a.m. to 12:00 midnight.
2. approved the temporary traffic and parking regulations on streets in the vicinity of Exhibition Place which are impacted during the Canadian National Exhibition, as noted in Appendix "A", as amended, of the report (June 17, 2008) from the Director, Transportation Services, Toronto and East York District.

Speed Hump Poll Results - Shaw Street, between Bloor Street West and Dupont Street

(June 12, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. Not authorize installation of speed humps on Shaw Street, between Bloor Street West and Dupont Street.

Financial Impact

Adoption of the above-noted recommendation has no financial impact. If Toronto and East York Community Council decides to approve installation of speed humps on Shaw Street, between Bloor Street West and Dupont Street, the following financial impact will result:

1. the estimated cost of installing nine speed humps on Shaw Street is \$27,000.00. Funds in the amount of \$265,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. The installation of speed humps on Shaw Street would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter which Community Council has been delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic calming poll undertaken on Shaw Street, between Bloor Street West and Dupont Street. The poll results indicated a response rate of less than 50 percent plus one and a support rate of less than 60 percent, accordingly, installation of speed humps is not recommended.

Committee Decision

The Toronto and East York Community Council directed:

1. the City Solicitor to prepare a draft by-law for installing nine speed humps on Shaw Street, between Bloor Street West and Dupont Street, generally as shown on Drawing No. 421F-9160, dated January 2008.
2. that the speed limit be reduced on Shaw Street, between Bloor Street West and Dupont Street from 40 km/h to 30 km/h, upon installation of the speed humps.

Speed Hump Poll Results - Wolfrey Avenue, between Broadview Avenue and Bowden Avenue

(June 12, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends to Toronto and East York Community Council that:

1. Traffic calming (speed humps) not be installed on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue.

Financial Impact

Adopting the above-noted recommendation carries no financial impact. If, however, Toronto and East York Community Council decides to approve installing speed humps on Wolfrey Avenue, the following financial impact will result:

1. the estimated cost for installing five speed humps on Wolfrey Avenue is \$15,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. Installing speed humps on Wolfrey Avenue would be subject to competing priorities and funding availability.

Summary

This staff report deals with matters for which the Community Council has delegated authority from City Council to make a final decision.

This report summarizes the results of the traffic-calming poll undertaken to determine support for installing speed humps on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue. The poll results showed a less than 50 percent plus one ballot return rate.

Committee Decision

The Toronto and East York Community Council directed:

1. The City Solicitor to prepare a bylaw to alter the roadway to install speed humps on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue, generally as shown on Drawing No. 421F-9117 (Attachment 1 of the report (June 12, 2008) from the Director, Transportation Services, Toronto and East York District).
2. that the City reduce the speed limit on Wolfrey Avenue, between Broadview Avenue and Bowden Avenue from 40 km/h to 30 km/h, as soon as the speed humps are installed.

Traffic Calming - Kimberley Avenue, between Gerrard Street East and Swanwick Avenue

(June 10, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends to Toronto and East York Community Council that:

1. Traffic calming not be installed on Kimberley Avenue, between Gerrard Street East and Swanwick Avenue.

Financial Impact

The adoption of the above-noted recommendation will not result in any financial impact.

If, however, Toronto and East York Community Council decides speed humps on Kimberley Avenue would be beneficial, the following financial impact will result:

1. The estimated cost for installing 2 speed humps would be \$6,000.00. Funds in the amount of \$295,000.00 have been allocated in the Transportation Services 2008 Capital Budget for traffic calming initiatives. Installing speed humps on Kimberley Avenue would be subject to competing priorities and funding availability.

Summary

This staff report is about a matter for which Community Council has been delegated authority from City Council to make a final decision.

Transportation Services staff have investigated installing traffic calming on Kimberley Avenue, between Gerrard Street East and Swanwick Avenue, to address residents' concerns with the speed of traffic.

Staff's assessment indicates the criteria as set out in the Traffic Calming Policy has not been met. Therefore, the installation of speed humps on this section of Kimberley Avenue is not recommended at this time.

Committee Decision

The Toronto and East York Community Council directed:

1. Transportation Services to consult with Councillor Bussin to develop a speed hump plan.
2. Transportation Services to poll eligible householders on Kimberley Avenue, between Gerrard Street East and Swanwick Avenue to determine whether residents support the installation, in accordance with the City of Toronto Traffic Calming Policy.
3. Subject to favourable results of the poll:
 - a. The City Solicitor to prepare a by-law to alter sections of the roadway on Kimberley Avenue, between Gerrard Street East and Swanwick Avenue, for traffic calming purposes, generally as the speed hump plan that Transportation Services circulated to residents during the polling process shows; and
 - b. Transportation Services to take the necessary actions to reduce the speed limit from forty kilometres per hour to thirty kilometres per hour on Kimberley Avenue, between Gerrard Street East and Swanwick Avenue when the speed humps are installed.

Installation and Maintenance of Geothermal Heating/Cooling System Within the City Laneway – 357 College Street - “Planet Traveller”

(June 24, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that City Council:

1. approve the installation of the Geothermal heating/cooling system within portions of the public laneway abutting 357 College Street, subject to the owners entering into a encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - b. maintain the Geothermal heating/cooling system at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the system beyond what is allowed under the terms of the Agreement;
 - c. obtain approval for associated work on private property from Toronto Building;
 - d. obtain clearances and/or signoffs from all affected utilities and satisfy all conditions imposed by any utilities that may be affected by the installation and maintenance of the Geothermal heating/cooling system;
 - e. provide “as-built” drawings within 60 days upon completion of all installations;
 - f. provide a Letter of Credit in the amount of \$20,000 as a municipal road damage guarantee to cover the cost for permanent repairs associated with the restoration of the curb and pavement of the public laneway and agree to pay all associated costs that may exceed this amount;

- g. pay an annual fee for the encroaching Geothermal heating/cooling system within the public right of way as determined by the Director, Real Estate Services, Facilities & Real Estate, to be adjusted annually by the Consumer Price Index (CPI);
 - h. limit the life of the Agreement to the removal of the encroachment or the date of the demolition of the building at 357 College Street, whichever is the less; and
 - i. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City;
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to approval of the General Manager of Transportation Services;
3. request Legal Services to prepare and execute the Encroachment Agreement; and
4. the Deputy City Manager of Cluster B and the Deputy City Manager and Chief Financial Officer, in consultation with a stakeholder group from the development and design community, develop guidelines for the use of public right of way for geo energy projects.

Summary

Transportation Services is in receipt of a request from the owners of 357 College Street, Planet Traveller to install a Geothermal heating/cooling system within portions of the public laneway abutting their building. The heating/cooling system will encroach into the laneway approximately 1.07 m. The pipes together with the main header will commence a minimum of 1.83 m below grade of the laneway to a further depth of approximately 128 m. Transportation Services has reviewed the request and determined that the Geothermal heating/cooling system will not impact negatively on the public right of way and permission should be granted to the owners for its installation and ongoing maintenance should City Council approve the Geothermal heating/cooling system.

In addition, the owners will be required to enter into an encroachment agreement for the on-going maintenance of the system and satisfy any requirements that the utility companies may impose.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. approve the installation of the Geothermal heating/cooling system within portions of the public laneway abutting 357 College Street, subject to the owners entering into a encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission

granted and providing of an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in the amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;

- b. maintain the Geothermal heating/cooling system at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the system beyond what is allowed under the terms of the Agreement;
 - c. obtain approval for associated work on private property from Toronto Building;
 - d. obtain clearances and/or signoffs from all affected utilities and satisfy all conditions imposed by any utilities that may be affected by the installation and maintenance of the Geothermal heating/cooling system;
 - e. provide “as-built” drawings within 60 days upon completion of all installations;
 - f. provide a Letter of Credit in the amount of \$20,000 as a municipal road damage guarantee to cover the cost for permanent repairs associated with the restoration of the curb and pavement of the public laneway and agree to pay all associated costs that may exceed this amount;
 - g. pay an annual fee for the encroaching Geothermal heating/cooling system within the public right of way as determined by the Director, Real Estate Services, Facilities & Real Estate, to be adjusted annually by the Consumer Price Index (CPI);
 - h. limit the life of the Agreement to the removal of the encroachment or the date of the demolition of the building at 357 College Street, whichever is the less; and
 - i. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City;
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to approval of the General Manager of Transportation Services;
 3. request Legal Services to prepare and execute the Encroachment Agreement; and
 4. request the Deputy City Manager of Cluster B and the Deputy City Manager and Chief Financial Officer, in consultation with a stakeholder group from the development and design community, to develop guidelines for the use of public right of way for geo energy projects.

Various Encroachments - 308 Rushton Road

(July 3, 2008) Report from Director, Transportation Services, Toronto and East York District

Recommendations

Transportation Services recommends that Toronto and East York Community Council:

1. approve the maintenance of the paved outdoor activity area, stone planter, 1.65 m high wrought iron fence with gates, two metal lamp posts, concrete step, address post, and stone retaining walls within portions of the public right of way fronting 308 Rushton Road and on the Humewood Gardens flank, subject to the property owners entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. maintain the encroachments at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - b. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in an amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - c. remove the encroachments upon receiving 90 days written notice to do so;

- d. arrange for an inspection by the Electrical Safety Authority for the maintenance of the lamp posts and provide a copy of their approval to the General Manager of Transportation Services;
 - e. provide “as constructed” drawings within receiving 60 days of written notice to do so;
 - f. pay an administrative fee in the amount of \$463.31 to cover the cost for the preparation of the agreement for the various encroachments; and
 - g. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. direct Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services.

Summary

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services has assessed a request on behalf of the owners to allow the ongoing maintenance of various encroachments within the public right of way including a paved outdoor activity area, a stone planter, a concrete step, two metal decorative lamp posts, a stone retaining wall, and an address post fronting 308 Rushton Road and on the Humewood Gardens flank.

There are no provisions within the former City of Toronto Municipal Code Chapter 313, Streets and Sidewalks, to allow for the outdoor activity area, lamp posts and an address post; therefore we are required to report on the matter.

In addition, a 1.65 m high wrought iron fence together with gates and a concrete step exist on the Humewood Gardens flank which are set back 1.36 m and 1.9 m respectively from the curb, rather than the required 2.1 m setback. Similarly, the stone planter and stone retaining wall do not meet the setback requirements as they are set back 1.9 m and 1.6 m from the curb of Humewood Gardens. As these encroachments do not meet the requirements of the Municipal Code, they must be considered as a deputation item.

The applicant is also applying to maintain a sprinkler system and a stone retaining wall that have been installed within portions of the public right of way which can be dealt with administratively.

Although the wrought iron fence with gates, concrete step, stone retaining wall and stone planter do not provide the required setback from the curb in keeping with the Municipal Code requirements, these encroachments do not impact negatively on the public right of way in this instance; Transportation Services recommends approval of their ongoing maintenance.

Committee Decision

The Toronto and East York Community Council:

1. approved the maintenance of the paved outdoor activity area, stone planter, 1.65 m high wrought iron fence with gates, two metal lamp posts, concrete step, address post, and stone retaining walls within portions of the public right of way fronting 308 Rushton Road and on the Humewood Gardens flank, subject to the property owners entering into an encroachment agreement with the City of Toronto, agreeing to but not limited to the following:
 - a. maintain the encroachments at their own expense in good repair and a condition satisfactory to the General Manager of Transportation Services and will not make any additions or modifications to the encroachment beyond what is allowed under the terms of the Agreement;
 - b. indemnify the City from and against all actions, suits, claims or demands and from all loss, costs, damages and expenses that may result from such permission granted and providing an insurance policy for such liability for the lifetime of the Agreement in a form as approved by the Deputy City Manager and Chief Financial Officer and in an amount not less than \$2,000,000 or such greater amount as the Deputy City Manager and Chief Financial Officer may require;
 - c. remove the encroachments upon receiving 90 days written notice to do so;
 - d. arrange for an inspection by the Electrical Safety Authority for the maintenance of the lamp posts and provide a copy of their approval to the General Manager of Transportation Services;
 - e. provide “as constructed” drawings within receiving 60 days of written notice to do so;
 - f. pay an administrative fee in the amount of \$463.31 to cover the cost for the preparation of the agreement for the various encroachments; and
 - g. accept such additional conditions as the City Solicitor or the General Manager of Transportation Services may deem necessary in the interest of the City; and
2. directed Legal Services and/or the General Manager of Transportation Services to extend the Encroachment Agreement to the new owner, in the event of sale or transfer of the property abutting the encroachment, subject to the approval of the General Manager of Transportation Services.

Servicing Agreement – 2 Kilbarry Place

(June 25, 2008) Report from Director of Water Infrastructure Management, Toronto Water

Recommendations

Toronto Water recommends to the Toronto and East York Community Council that:

1. The General Manager, Toronto Water (the “General Manager”) be authorized to negotiate, enter into and execute on behalf of the City a Servicing Agreement with the owner of 2 Kilbarry Place (the “Owner) for the relocation and lowering of the City’s sanitary and storm sewer (the “Servicing Agreement”), subject to the following conditions:
 - a. All costs and expenses associated with the design, installation and construction of the work, which work shall be defined in the Servicing Agreement, be paid by the Owner;
 - b. The Owner shall provide or cause the approved contractor to provide to the City a two year maintenance guarantee of the work;
 - c. The Owner shall deliver to the City, in a form acceptable to City Treasurer, a Letter of Credit in an amount equal to the greater of either (a) 110% of the estimated cost of the Work, as determined by the General Manager, Toronto Water or (b) \$200,000.00 (two hundred thousand dollars) to secure the Owner’s obligations under the Servicing Agreement;
 - d. The Owner shall, at the Owner’s expense, obtain or cause the approved contractor to obtain, maintain and keep in full force and effect at all times any necessary insurance coverage as may be required by the City;
 - e. The Owner shall indemnify the City for all claims related to or arising from the Services Agreement and the work; and
 - f. Such Servicing Agreement to otherwise be on terms and conditions as may be required by the General Manager and in a form satisfactory to the City Solicitor.
2. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

Financial Impact

There is no financial impact to the City from the adoption of this report. The Owner is agreeable to paying all costs associated with the relocating and lowering of the sewers, new service connections and restoration of the street.

Summary

The purpose of this report is to obtain Community Council's authority to negotiate and enter into a Servicing Agreement with the owner of 2 Kilbarry Place to permit the owner to carry out the necessary works on City property to the satisfaction of the General Manager, Toronto Water.

The owner of 2 Kilbarry Place has requested permission to relocate and lower the City's sanitary sewer, storm sewer and service connections on Kilbarry Place in order to accommodate a sub-basement extension to the Owner's existing house on that property.

Committee Recommendations

The Toronto and East York Community Council recommends that City Council:

1. authorize the General Manager, Toronto Water (the "General Manager") to negotiate, enter into and execute on behalf of the City a Servicing Agreement with the owner of 2 Kilbarry Place (the "Owner") for the relocation and lowering of the City's sanitary and storm sewer (the "Servicing Agreement"), subject to the following conditions:
 - a. All costs and expenses associated with the design, installation and construction of the work, which work shall be defined in the Servicing Agreement, be paid by the Owner;
 - b. The Owner shall provide or cause the approved contractor to provide to the City a two year maintenance guarantee of the work;
 - c. The Owner shall deliver to the City, in a form acceptable to City Treasurer, a Letter of Credit in an amount equal to the greater of either (a) 110% of the estimated cost of the Work, as determined by the General Manager, Toronto Water or (b) \$200,000.00 (two hundred thousand dollars) to secure the Owner's obligations under the Servicing Agreement;
 - d. The Owner shall, at the Owner's expense, obtain or cause the approved contractor to obtain, maintain and keep in full force and effect at all times any necessary insurance coverage as may be required by the City;
 - e. The Owner shall indemnify the City for all claims related to or arising from the Services Agreement and the work; and
 - f. Such Servicing Agreement to otherwise be on terms and conditions as may be required by the General Manager and in a form satisfactory to the City Solicitor.
2. authorize and direct the appropriate City officials to take the necessary action to give effect thereto.
