NOTICE OF MOTION**2054 Dufferin Street**Moved by: **Councillor Palacio****SUMMARY:**

2054 Dufferin Street is a former Toronto Parking Authority parking lot that is not operational. That section of land in the former City of York is the most park deficient in the City of Toronto and, therefore, residents in the community have expressed a desire that the lands be considered for parkland purposes.

RECOMMENDATIONS:

- 1) Parks, Forestry and Recreation be asked to look at the lands municipally known as 2054 Dufferin Street for parkland purposes.
- 2) If recommendation number 1 is not feasible, then the above-noted land municipally known as 2054 Dufferin be declared surplus for affordable housing ownership and that the attached submission from Habitat for Humanity be given consideration.
- 3) The Property Management Committee be requested to report back to the Affordable Housing Committee on the above-noted recommendations.
