Re.: 2054 Dufferin Street

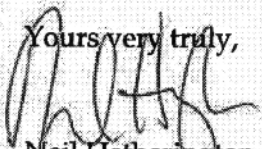

Dear Mr. Thomas:

Please accept this letter as Habitat for Humanity Toronto's formal expression of interest in acquiring from the Toronto Parking Authority the property at 2054 Dufferin Street in order to develop and construct up to 14 affordable homes for the citizens of Toronto. This potentially surplus parcel of land is an ideal location for Habitat for Humanity Toronto to build simple, decent and affordable homes in partnership with families in poverty housing.

Habitat for Humanity Toronto is a non-profit, non-government, volunteer-driven organization that is founded on partnerships. By building houses with low-income families who are currently living in substandard, inadequate and unaffordable housing conditions, Habitat makes a positive impact on people's lives. Partnerships are not limited to families. Here at Habitat for Humanity, partnerships are forged with donors, volunteers, varying levels of government, especially the very amenable City of Toronto, as well as land owners such as the Toronto Parking Authority.

We look forward to building a partnership with the Toronto Parking Authority to bring some much needed affordable housing to 2054 Dufferin Street.

Yours very truly,

Neil Hetherington
