

**STAFF REPORT
ACTION REQUIRED**

**Temporary Adjustments to Traffic/Parking Regulations
for 2009 Canadian National Exhibition – City Council**

Date:	June 1, 2009
To:	Toronto and East York Community Council
From:	Director, Transportation Services Toronto and East York District
Wards:	Parkdale-High Park , Ward 14; and Trinity-Spadina, Ward 19
Reference Number:	Ts09110te.top.doc

SUMMARY

The purpose of this report is to obtain approval for the temporary traffic and parking amendments required to enhance traffic operations and pedestrian safety during this year’s Canadian National Exhibition (C.N.E.), which takes place from August 21 to September 7, inclusive. As this staff report concerns roadways with regular T.T.C. Service, City Council approval is required.

RECOMMENDATIONS

Transportation Services recommends that City Council:

1. Approve the temporary traffic and parking regulations on streets in the vicinity of Exhibition Place which are impacted during the Canadian National Exhibition, as noted in Appendix “A” of this report.

Financial Impact

Funds in the amount of \$4,000.00 are available within the Transportation Services Division 2009 Operating Budget. Parking meter/machine revenue, estimated to be approximately \$28,000.00, will be lost as a result of parking prohibitions required on Dufferin Street during the C.N.E.

ISSUE BACKGROUND

Annually, Transportation Services staff receive Community and City Council authority to implement a number of traffic and parking regulations on various streets in the vicinity of Exhibition Place which are impacted by the C.N.E.

COMMENTS

Having regard for the high volume of vehicular and pedestrian traffic generated during the C.N.E., the temporary traffic/parking regulations as shown in the attached Appendix "A" will help maintain efficient traffic conditions in the general area of the C.N.E. while recognizing the impacts on local residents. The streets listed in Appendix "A" do have regular TTC routes. It is noted that a companion report is also submitted relating to temporary traffic and parking adjustments for the 2009 C.N.E. for streets not served by transit routes. Approval of those adjustments is delegated to Community Council.
