Sole Source - For the Supply and Delivery of Motorola Public Safety Tier Equipment, Parts and Repairs

Committee Recommendations

The Community Development and Recreation Committee recommends that:

1. City Council authorize staff in Toronto Fire Services and Toronto Emergency Medical Services and the City Solicitor's Office to negotiate and enter into a Sole Source agreement with Motorola Canada Ltd. for the supply of Public Safety tier two-way radio equipment, accessories, parts and services from the date of award to August 31, 2012 in the estimated amount of \$4,478,524.90 net of GST.

Request for a Tenant Support Grant from the Tenant Defence Fund for 50 Rosehill Avenue

Committee Recommendations

The Community Development and Recreation Committee recommends that:

1. City Council approve a grant of up to \$10,000 to the Tenants' Association of 50 Rosehill Avenue (Balfour Square) from the 2009 Tenant Support Grants Program to assist the tenants towards any payment of costs which may be awarded against the tenants should the tenant defence against the landlord's appeal not be successful.
2. City Council authorize the General Manager, Shelter, Support and Housing Administration, to take any actions necessary to implement Council's approval.

Origin

(April 23, 2009) Report from General Manager, Shelter, Support and Housing Administration

Summary

This report responds to the Tenant Defence Sub-Committee's request to assess the feasibility of the City providing a special grant to assist five tenants of a unit at 50 Rosehill Avenue in the defence against their landlord's appeal to the Divisional Court. The appeal arises from a Landlord and Tenant Board ruling that the provision of a common recreational facility was permanently reduced and the tenants were entitled to a rent reduction. The landlord disagrees and has filed an appeal to the Divisional Court.

The City has been requested to provide a grant of up to \$10,000 to help the tenants pay costs, if any, which may be ordered by the Court if the tenants' defence against the landlord's appeal is not successful. This report recommends providing a grant of up to \$10,000 to assist the tenants on the basis that it could be precedent setting for tenants where infill development is occurring.

2009 Graffiti Transformation Investment Program

Committee Recommendations

The Community Development and Recreation Committee recommends that:

1. Graffiti Transformation Investment Program funding totalling \$347,000.00 be allocated to 20 community organizations as outlined in Appendices "A" and "B" of this report.
2. The Graffiti Transformation Investment Program be reclassified as a Partnership program within CPIP to reflect the ongoing nature of the funding recommended to community-based organizations.
3. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Origin

(April 22, 2009) Report from Executive Director, Social Development, Finance and Administration

Summary

The Graffiti Transformation Investment Program (GT) is an annual funding program within the Community Partnership and Investment Program (CPIP) budget. The program addresses youth unemployment and neighbourhood beautification by enabling local organizations to hire youth to remove graffiti and resurface walls with attractive murals. This report provides an overview of the GT program and makes recommendations for 2009 allocations. The report also recommends that GT be reclassified as a Partnership program within CPIP to reflect the ongoing nature of funding provided to community organizations and the need for ongoing program development by the participating organizations.
